WHEREAS, the Board of Commissioners finds that distress merchandise sale on jewelry products is subject to particular abuses due to the character of said merchandise and because inventory items in jewelry may be replaced easily during conduct of such sale without detection,

NOW, THEREFORE, THE BOARD OF COMMISSIONERS OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

SECTION 1. Title V, Chapter 14, Section 1 of said Municipal Code is hereby amended to read as follows:

5-14-1: DEFINITIONS: The following words, terms and phrases shall have the meaning indicated:

No license shall be granted to any person, firm or corporation within this City for a distress sale during and including a period of 30 days prior to Christmas Day and Easter Sunday.

SECTION 3. Title V, Chapter 14, Section 5 of said Municipal Code is hereby amended to read as follows:

5-14-5: INVESTIGATION: Upon receipt of the application the License Officer shall cause an investigation to be made of all the facts contained therein.

No license shall be issued if any one (1) or more of the following facts or circumstances are found to exist:

(A) That the inventory contains goods, wares, or merchandise not purchased by the applicant for resale on bona fide orders without cancellation privileges.

(B) That the inventory contains goods, wares, or merchandise purchased by the applicant on consignment.

(C) That the applicant either directly or indirectly and within five (5) years prior to the date of the filing of the application, conducted a sale in connection with which he advertised or represented that the entire business conducted at the location designated in the application was to be closed out or terminated.

(D) That the applicant was granted a license hereunder within three (3) years preceding the date of the filing of the application.

(E) That the applicant has heretofore been convicted of a violation of this Chapter or has had a license issued to him pursuant to this Chapter revoked within a five (5) year period immediately preceding the date of the present application for license.

(G) That the inventory contains goods, wares or merchandise purchased by the applicant or added to his stock in contemplation of such sale, and for the purpose of selling the same at such sale.

For the purpose of this Subparagraph any unusual addition to the stock of such goods, wares or merchandise made within sixty (60) days prior to the filing of such application shall be prima facie evidence that such addition was made in contemplation of such sale and for the purpose of selling the same at such sale.

(H) That the applicant has not been in business at the location described in the application for at least one (1) year prior to the date of the filing of the application; provided, however, that upon the death of a person doing business, his or her heirs, devisees or legatees shall have the right at any time to apply for a license hereunder.

(I) That any representation made in said application is not true or any advertisement proposed to be used in connection with said sale is misleading.

SECTION 4. Title V, Chapter 14, Section 6 of said Municipal Code is hereby amended to read as follows:

5-14-6: ISSUANCE OF LICENSE: When it appears that all the statements in the application are true and that the proposed sale is of the character represented therein, that the application is in full compliance with the terms and conditions of this Chapter, and that the required license fee has been paid, the License Officer shall issue a license to the applicant authorizing said applicant to advertise and conduct the sale as described in the application, subject to the following conditions:

(A) The sale shall be held at the place named in the application and by the particular licensee for a period of not more than thirty (30) consecutive calendar days (Sundays and legal holidays excluded), next following the date of the issuance of said license.

1. Renewal Procedure.

The License Officer shall renew a license for one (1) period of time only, such period to be in addition to the thirty (30) days permitted in the original license, and not to exceed fifteen (15) consecutive days (Sundays and holidays excluded), when he finds:

(a) That facts exist justifying the license renewal;

(b) That the licensee has filed an application for renewal;

(c) That the licensee has submitted with the application for renewal a revised inventory showing the items listed on the original inventory remaining unsold and not listing any goods not included in the original application and inventory.

(c-1) For the purpose of this Subsection, any application for a license under the provisions of this Chapter covering any goods previously inventoried as required hereunder, shall be deemed to be an application for renewal, whether presented by the original applicant, or by any other person.

(B) Only the goods, wares and merchandise described in the inventory attached to the application shall be sold at said sale.

(C) The license shall authorize only one (1) type of sale described in the application at the location named therein.

(D) Upon the commencement of said sale and for its duration, the license issued hereunder shall be prominently displayed in the place of sale by the licensee.

(E) The licensee shall keep suitable books during the sale, at the location at which said sale is conducted, in which shall be made daily entries showing each item sold that day and the price paid by the purchaser. Said books shall be open for inspection by the License Officer and his duly authorized representative.

(F) Upon being issued a license hereunder for a distress merchandise sale the licensee shall surrender to the License Officer all other business licenses he may hold at that time applicable to the location and goods covered by the application for a license under this Chapter.
