AN ORDINANCE TO AMEND TITLE XI, CHAPTER 1, SECTION 6, SUBSECTION (H) OF THE MUNICIPAL CODE OF THE CITY OF LAS VEGAS, NEVADA, 1960 EDITION, BY COMPLETELY REVISING AND UPDATING THE OFF-STREET PARKING AND LOADING REGULATIONS APPLICABLE TO ALL USES OF PROPERTY IN THE CITY OF LAS VEGAS; TO PROVIDE OTHER MATTERS PROPERLY RELATING THERETO; TO REPEAL ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HERewith; AND TO PROVIDE PENALTIES FOR THE VIOLATION THEREOF.

Sponsored by COMMISSIONER ADAM LEVY Summary: Revise and update the off-street parking and loading regulations.

THE BOARD OF CITY COMMISSIONERS OF THE CITY OF LAS VEGAS,
NEVADA, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1: Title XI, Chapter 1, Section 6, Subsection
(H) of the Municipal Code of the City of Las Vegas, Nevada, 1960
Edition, is hereby amended to read as follows:

11-1-6: GENERAL PROVISIONS AND EXCEPTIONS

(H) [Provisions for the Storage or Parking of Automobiles:

1. There shall be provided, at the time of the construction of any main building hereafter erected, or at the time of the alteration or enlargement of any main building, minimum permanently maintained off-street parking accommodations, with adequate provisions for ingress and egress as follows:

(a) In connection with each lot or parcel of land in any R-R, R-A, R-E, R-D, R-1 and R-MH Zone used for dwelling purposes, there shall be provided private automobile storage spaces, located on the same lot or parcel of land, with a capacity for not less than two (2) cars for each dwelling unit in an R-R, R-A, R-E, R-D or R-1 Zone or for each trailer in an R-MH Zone.

(b) In connection with each lot or parcel of land in any R-2, R-3, R-4, R-6, and RT Zone used for single family dwelling, duplex dwelling, apartment house, apartment hotel,

1 bungalow court, dwelling group or any other multiple family
2 use or trailer use of a lot or parcel of land; there shall
3 be provided private automobile storage spaces, located on the
4 same lot or parcel of land, with a capacity for not less than
5 one and one-half (1 1/2) cars for each dwelling unit in an
6 R-2, R-3, R-4 or R-6 Zone, or for each trailer in an R-T
7 Zone. When application of this provision results in a
8 fraction, the next higher number of parking stalls shall be
9 required.

10 EXCEPTION: Lots recorded prior to January 1, 1972, and
11 having a width less than sixty feet (60') shall provide
12 private automobile storage space on the lot or parcel of land
13 on the basis of not less than one space for each dwelling
14 unit in an R-2, R-3, R-4 or R-6 zone.

15 (c) In connection with each lot or parcel of land in
16 any R-5 zone used for single family dwelling, duplex dwelling,
17 apartment house, apartment hotel, bungalow court, dwelling
18 group or other multiple family use of a lot or parcel of land,
19 there shall be provided private automobile storage spaces
20 located on the same lot or parcel of land, with a capacity
21 for not less than one-half (1/2) of a car for each unit,
22 guest room or suite in such building. When application of
23 this provision results in a fraction, the next higher number
24 of parking stalls shall be required.

25 (d) An automobile storage space is intended to mean an
26 open area with minimum dimensions of nine feet by twenty
27 feet (9' x 20'), which has continuous and unimpeded access to
28 a public right-of-way. Front yard open space required in the
29 various zoning districts under the provisions of this Chapter
30 shall not be used for more than two (2) off-street parking
31 spaces.

32 (e) All off-street parking facilities for multi-family

1 dwelling units shall be surfaced with one and one-half inch
2 (1 1/2") asphalt concrete on a proper base, or three and
3 one-half inch (3 1/2") two thousand five hundred (2,500)
4 P.S.I. concrete on a proper base. A proper base shall
5 normally consist of six inch (6") pit run gravel, or six inch
6 (6") blow sand, or where unusual soil conditions exist, a
7 soil analysis report may be required by the Director of
8 Building and Safety. The Director of Building and Safety may
9 determine that the existing soil conditions warrant more or
10 less base than required above.

11 (f) Any existing development which does not comply with
12 the requirements above shall not be considered a non-conforming
13 use and any building containing units which are not provided
14 with the required parking spaces shall not be considered a
15 non-conforming building and subject to the provisions of
16 Section 11-1-7; however, no additional units shall be added
17 to a lot or parcel unless parking stalls are provided for all
18 units as required above.

19 2. Every lot or parcel used for a public or semi-public
20 parking area, including a public or semi-public parking lot,
21 every lot or parcel used for a storage area, service area
22 or parking area in connection with a "drive-in" business, and
23 every lot or parcel used for an automobile, trailer or boat
24 sales area, shall be developed as follows:

25 (a) Surfacing: Concrete or asphaltic type paving, in
26 accord with Paragraph 1 (e).

27 (b) Bumper guards adequate to prevent overhang over
28 public right-of-way and to prevent vehicle from free roll onto
29 public right-of-way.

30 (c) Fencing when adjacent to R-zone: Wire type, solid
31 wall or adequate hedge maintained.

32 (d) Setback according to Zone and Master Plan of Streets

and Highways, six feet (6') on any side adjacent to R-zone not separated by alley or street.

(e) Lighting: Minimum lighting standard and reflected away from any adjacent R-zone.

(f) Required Yards: When yards are required, they shall be landscaped with suitable ground cover and properly maintained.

(g) Curb cuts shall be in accord with existing provisions of this Code relating thereto.

(h) All uses under this Paragraph 2 shall comply with these provisions within one year of the enactment thereof.

(i) All new developments for the storage or parking of automobiles constructed under the provisions of this Section shall be subject to the following:

Landscaping shall be required as determined by the Planning Commission and may include but not be limited to landscaping around the structures, along the street frontage, and in parking lot areas. Landscaping shall mean ground cover, shrubs and trees. Rocks and/or gravel, by itself, shall not constitute landscaping. The required landscaping must be permanently maintained.

3. Every lot or parcel used for a patron or employee parking area shall be developed as follows:

(a) Each automobile storage space shall have minimum dimensions of nine feet (9') by twenty feet (20') which has independent and unimpeded access to a public right-of-way by means of adequate driveways.

(b) Surfacing: All parking areas shall be surfaced with a minimum of two inch (2") asphalt concrete, compacted to ninety five percent (95%) density on a proper base, or four inches (4") of concrete (minimum three thousand (3,000) lbs. per square inch) on a proper base. A proper base shall

1 be a minimum of four inches (4") of Type I gravel at ninety
2 percent (90%) density and a two inch (2") leveling coarse
3 of Type II gravel brought up to the ninety five percent (95%)
4 density. Where unusual soil conditions exist a soil analysis
5 report may be required by the Director of Public Works.

6 (c) Raised curbs shall be installed as required by
7 Traffic Engineer on the perimeter of the parking lot which
8 abuts public right-of-way with adequate setbacks provided for
9 required landscaping.

10 EXCEPTION: All patron and employee parking lots, excluding
11 churches, which contain a minimum of one hundred (100) off-
12 street parking spaces and whether or not required by the
13 zoning district in which they are located, shall meet the
14 requirements of this subsection and the provisions of
15 Section 9-19-1.

16 (d) Landscaping shall be required as determined by the
17 Planning Commission and may include but not be limited to
18 landscaping around the structures, along the street frontage,
19 and in parking lot areas. Landscaping shall mean ground cover,
20 shrubs and trees. Rocks and/or gravel, by itself, shall not
21 constitute landscaping. The required landscaping must be
22 permanently maintained.]

26 2. Schedule of Loading Space Requirements

27 3. Improvements

28 4. Size of Space

29 5. Plans and Approval

30 6. Other Methods of Providing the Required Off-Street Parking

31 7. Central Business District Boundary

32 There shall be provided on the same premises with any building,

1 structure or part thereof, erected and/or occupied for any
2 use in any district, off-street parking and loading facilities
3 for the residents, employees, patrons and users of the pre-
4 mises in accordance with the following schedules:

5 1. Schedule of Off-Street Parking: The minimum number of
6 Off-street parking spaces required for any specific use or
7 combination of uses shall be determined according to the
8 schedule herein set forth. For uses not specifically listed,
9 the requirements shall be the same as those for the most
10 similar use listed:

11 (a) Residential Uses:

12 (1) Single-Family: Two (2) spaces per unit. Condominium
13 Units: Three (3) spaces per unit (including adjacent
14 on-street parking and off-street parking) unless the
15 City Commission approves a lesser number.

16 (2) Mobile Homes located in the "R-MH" District: Two
17 (2) spaces per mobile home. (Tandem Parking Allowed)

18 (3) Two-Family and Multi-Family Dwelling Units: One
19 (1) space for each efficiency unit and one (1) space
20 for each one (1) bedroom unit; one and one-half (1 1/2)
21 spaces for each two (2) bedroom unit; two (2) spaces
22 for each three (3) bedroom unit or over.

23 EXCEPTION: In the Central Business District one (1) space
24 shall be required for each dwelling unit, regardless of
25 the number of bedrooms contained therein.

26 (4) Lodging, Boarding, Rooming Houses or Similar Places:
27 One (1) space for each room or unit.

28 (5) Mobile Home Parks: In the R-MHP District, two (2)
29 spaces on each mobile home site. (Tandem Parking Allowed)
30 One side of access street as defined in Section 11-1-17,
31 (E), 8, (b) of the City Code shall be used for guest
32 parking only.

1 (b) Non-Residential Uses: The following off-street
2 parking schedule shall apply in all districts, except the
3 Central Business District; however, in the Central Business
4 District all apartment units or motel units with kitchens
5 shall provide one (1) space per unit.

6 (1) Recreational Vehicle Parks: One (1) space per lot
7 or site plus an additional twenty percent (20%) for
8 guest parking.

9 (2) Bowling Alleys and Similar Establishments: Ten
10 (10) spaces for each alley and one (1) space for every
11 four (4) spectator seats contained therein.

12 (3) Churches, Libraries, Auditoriums, Gymnasiums,
13 Theaters, Museums, Meeting Halls and Similar Places of
14 Assembly: One (1) space for every ten (10) permanent
15 seats, or one (1) space for every ninety (90) square
16 feet of area within the main auditorium or meeting hall,
17 whichever provides the greatest number of spaces. In
18 cases of a use without a building, there shall be one
19 (1) space for each ten (10) persons attending or using
20 the facilities. One (1) space for every two (2) permanent
21 employees shall apply to all of the above.

22 (4) Food Markets and Food Stores: One (1) space for
23 each two hundred fifty (250) square feet of gross floor
24 area.

25 (5) Hospitals, Convalescent Homes, Nursing Homes, Homes
26 for the Aged, Children's Homes, Sanitariums and Asylums:
27 One (1) space for each bed and one (1) space for every
28 three (3) employees.

29 (6) Hotels, Motels, Apartment Hotels and Similar Tran-
30 sient Facilities: One (1) space for each sleeping room
31 or unit.

32

- 1 (7) Industrial Uses: Industrial uses shall provide a
2 minimum of one (1) space per one thousand (1,000) square
3 feet of gross floor area. However, the Planning
4 Commission may allow a reduction of the number of
5 required spaces when it determines that the requirements
6 exceed the needs of the use.
- 7 (8) Medical and Dental Clinics: Four (4) spaces for
8 each doctor's office plus one (1) space for each
9 employee.
- 10 (9) Mortuaries, Funeral Homes and Similar Establish-
11 ments: One (1) space for each ninety (90) square feet
12 of floor area of assembly rooms, plus one (1) space for
13 each employee, plus one (1) space for each vehicle
14 owned by such establishment.
- 15 (10) Motor Vehicle, Trailer, Boat, Mobile Home, or
16 Machinery Sales: Two (2) spaces per salesman and
17 one (1) space per each additional on-duty employee.
- 18 (11) Office Building: One (1) space for each four
19 hundred (400) square feet of gross floor area, or one
20 and one half (1.5) spaces per office employee, whichever
21 is greater. Further, regardless of building size or
22 number of employees no office development shall have
23 less than four (4) spaces.
- 24 (12) Public Utility Facilities, such as Communication
25 Equipment Buildings and Electrical Substations shall
26 provide parking in a ratio based upon the following:
 - 27 (a) Areas Open to the Public: Three (3) square
28 feet of parking area for every one (1) square foot
29
30
31
32

- 1 of gross floor area.
- 2 (b) Areas Not Open to the Public: One (1) space
- 3 for every two (2) on-duty employees.
- 4 (13) Restaurants:
- 5 (a) Carry-Out: One (1) space per 50 square
- 6 feet of service floor area or one (1) space
- 7 per four (4) seats, whichever is greater.
- 8 (b) Sit-Down: One (1) space per 50 square feet
- 9 of gross floor area or one (1) space per four (4)
- 10 seats, whichever is greater.
- 11 (14) Retail and Service Establishments Not Otherwise
- 12 Specified in This Schedule: One (1) space for each five
- 13 hundred (500) square feet of gross floor area.
- 14 (15) Schools, Public and Private: For schools having
- 15 auditoriums or places of public assembly, the provision
- 16 of (3) above shall apply if such application will provide
- 17 a greater number of spaces than the following:
- 18 (a) Elementary and Junior High: One (1) space for
- 19 every two (2) faculty members and employees.
- 20 (b) High School: One (1) space for every two (2)
- 21 faculty members and employees plus one (1) space
- 22 for each ten (10) students.
- 23 (c) Junior Colleges, Colleges and Universities:
- 24 One (1) space for each two (2) faculty members and
- 25 employees plus one (1) space for every five (5)
- 26 students.
- 27 (16) Transportation Facilities, Including Airports,
- 28 Railroad Passenger Stations, Bus Depots and Other
- 29 Passenger Terminal Facilities: Parking shall be provided
- 30 in a manner and number as deemed adequate by the Planning
- 31
- 32

1 Commission.

2 2. Schedule of Loading Space Requirements: The minimum
3 number of loading spaces required for buildings, structures
4 and uses shall be determined according to the schedule herein
5 set forth, for all districts except the Central Business
6 District. For uses not specifically listed, the requirements
7 shall be the same as those for the most similar use listed.

8 (a) Every use requiring receipt or distribution of
9 materials or merchandise by motor truck shall provide and
10 maintain on the same premises as the building or use, adequate
11 off-street loading space meeting the minimum requirements
12 hereinafter required.

13 (b) The schedule of loading space requirements shall be
14 based upon the total floor area of the building as follows:

15 (1) Three thousand (3,000) to 9,999 square feet, one (1)
16 loading space required.

17 (2) Ten thousand (10,000) to 29,999 square feet, two (2)
18 loading spaces required.

19 (3) Thirty thousand (30,000) to 50,000 square feet,
20 three (3) loading spaces.

21 (4) One (1) additional loading space for each one
22 hundred thousand (100,000) square feet or fraction thereof,
23 in excess of fifty thousand (50,000) square feet.

24 (c) The required off-street loading space may occupy all
25 or any part of a required yard, except where prohibited, and
26 may be partially or entirely enclosed within a building, but
27 in no case shall an alley or street be used for loading.

28 (d) Where the loading is permitted in a yard, said yard
29 may be used when calculating the area required for loading,
30 provided there is no more than one (1) entry or exit per
31 sixty feet (60') of the lot frontage or fraction thereof.

32 (e) When the lot upon which the loading spaces are

1 located abuts an alley, such loading spaces shall adjoin or
2 have access to said alley. The length of the loading space
3 shall be measured perpendicular to or parallel with the alley.
4 Where such loading area is parallel with the alley and said
5 lot is fifty feet (50') or less in width, the loading area
6 shall extend across the full width of the lot.

7 3. Improvements: Public parking areas, private parking areas,
8 loading areas, and areas hereafter used for outdoor sales or
9 display of merchandise (other than plant nurseries, lumber
10 yards, fuel yards and other uses requiring unique merchandise
11 storage considerations) shall be improved and maintained as
12 required in the following provisions:

13 (a) All areas shall be surfaced with a minimum of two
14 inches (2") of asphalt concrete, compacted to ninety five
15 percent (95%) density on a proper base, or four inches (4")
16 of concrete (minimum three thousand (3,000) lbs. per square
17 inch) on a proper base. A proper base shall be a minimum of
18 four inches (4") of Type I gravel at ninety percent (90%)
19 density and a two inch (2") leveling coarse of Type II gravel
20 brought to the ninety five percent (95%) density, and shall
21 thereafter be maintained in good condition.

22 (b) Areas requiring more than two (2) parking spaces
23 shall be striped, channelized and maintained as follows:

24 (1) Parking stalls shall be marked and the access lanes
25 shall be clearly defined, including directional arrows
26 or signs to guide internal movements.

27 (2) All parking lots and loading areas shall be suitably
28 graded, and drained in accordance with the standards of
29 the Department of Building and Safety.

30 (3) Wheel stops, concrete curbs or timber barriers not
31 less than six inches (6") in height shall be provided,
32 where necessary, to prevent vehicles overhanging abutting

1 properties or public right-of-way. The barrier shall not
2 be less than three feet (3') from any property line on
3 the subject property.

4 (4) Landscaping, fences, walls and other accessory
5 site elements shall be provided where necessary to
6 promote good design and buffer adjoining properties as
7 required by Subsection 11-1-6(V) of this Code.

8 (c) Lighting where provided to illuminate such parking,
9 sales or display areas shall be so arranged and controlled so
10 as not to cause a nuisance either to highway traffic or to
11 the living environment.

12 (1) Parking lots normally used during daylight hours
13 only, shall not be required to provide lighting.

14 (2) Parking lots used during hours of darkness shall be
15 required to provide lighting for those hours of utiliza-
16 tion during darkness.

17 (d) No parking space shall be located as to require the
18 moving of any vehicle on the premises in order to enter or
19 leave any other stall except as otherwise provided. This
20 need not apply in the event the parking facility has an
21 attendant present at all times during the use of said facility.

22 (e) The backing of a motor vehicle onto a public street
23 from a parking or loading facility shall be prohibited,
24 except for the following:

25 (1) Residential parking facilities not exceeding two
26 spaces per lot or parcel.

27 (2) Existing commercial and industrial parking facilities
28 not exceeding two (2) spaces per lot or parcel.

29 (3) Public and quasi-public use facilities not exceeding
30 two (2) spaces per lot or parcel.

31 (4) In the conversion of an existing residential use
32 to a commercial or industrial use wherein there is an

1 existing permitted parking facility not exceeding two (2) spaces,
2 the continued use of said parking facility may be permitted.

3 (f) Parking areas for any use shall be placed in such location
4 to provide for the efficient use of the parking facility. On-site
5 parking areas shall have ready vehicular access. The location of
6 off-site parking areas shall be noted by appropriate signs.

7 (g) Signs shall be permitted subject to the provisions of
8 Title XI, Chapter 3.

9 (h) All patron and employee parking lots, excluding churches,
10 which contain a minimum of one hundred (100) off-street parking spaces
11 may be subject to the development standards contained in Title IX,
12 Chapter 19.

13 4. Size of Space: The minimum size of a parking space or loading
14 space shall be as follows plus those additional areas required to
15 provide for safe ingress and egress from said space. The area set
16 aside to meet the parking and loading requirements must be usable and
17 accessible.

18 (a) The minimum size of a parking space shall be nine feet
19 (9') in width and sixteen feet (16') in length and containing one
20 hundred forty four square feet (144 sq. ft.).

21 (b) The minimum size of a loading space shall be not less than
22 fifteen feet (15') in width, twenty-five feet (25') in length and have
23 a vertical clearance of twelve feet (12').

24 5. Plans and Approval: Plans shall be submitted to and approved by the
25 Department of Community Planning and Development for all parking and
26 loading spaces and facilities.

27 (a) The plans submitted shall indicate how the required parking
28 and loading spaces are to be arranged in the area provided for the
29 purpose.

30 (b) The plans shall show access streets, alleys and
31 drives, the location of all points of ingress and egress, the

32

1 parking spaces, loading spaces, aisles and maneuvering space,
2 and the location and design of all screen walls, landscaping
3 and lighting.

4 6. Other Methods of Providing the Required Off-Street Parking:
5 The required parking may be provided by any one or combination
6 of the following methods:

7 (a) By providing the required parking space on another
8 lot or parcel, subject to the following conditions:

9 (1) The lots or parcels must be under common ownership.

10 (2) The lot or parcel must be located not less than
11 three hundred feet (300') from the building or use it
12 is intended to serve.

13 (3) The lots or parcels cannot be separated or divided
14 by a freeway, expressway, highway or major street.

15 (4) Approval by the Board of Commissioners.

16 (b) By securing the consent to use off-street parking
17 facilities under another's ownership which is not otherwise
18 used during the principal operating hours of the building or
19 use in question, subject to the following:

20 (1) The consent must be in the form of a binding
21 contract between the parties in question and of sufficient
22 length to insure continued use of the parking facility.

23 (2) The parking facility must be located not less than
24 three hundred feet (300') from the building or use it is
25 intended to serve.

26 (3) The parking facility cannot be separated or divided
27 from the building or use by a freeway, expressway, high-
28 way or major street.

29 (4) Approval by the Board of Commissioners.

30 7. Central Business District Boundary: For the purpose of
31 this subsection, the area within the following described
32 boundaries shall be defined as the Central Business District:

1 Commencing at a point approximately three hundred feet (300') west of
2 Main Street on the alignment of the Las Vegas Expressway and extending
3 easterly along the Expressway and Linden Avenue to 6th Street; thence
4 south along 6th Street to Stewart Avenue; then east along Stewart Avenue

21 Street to Clark Avenue; thence west along Clark Avenue to a point three
22 hundred feet (300') west of Main Street; thence northerly to the POINT
23 OF BEGINNING.

24 SECTION 2: Title XI, Chapter 1, Section 3, Subsection (B) of the
25 Municipal Code of the City of Las Vegas, Nevada, 1960 Edition, is hereby
26 amended by adding the following terms to the list of definitions set forth
27 in said Subsection:

28 11-1-3

29 (B) Specifically:

30 Establishment: A use, building, structure or premise which is used for
31 business, office or commercial purposes.

32 Restaurant Carry-Out: An establishment designed for selling prepared

1 foods to patrons for off-premise consumption. Interior and in-car
2 service may also be available, but are secondary in nature to the
3 food delivery designed for off-premise consumption.
4 Restaurant Sit-Down: An establishment designed for selling prepared
5 foods for on-premise consumption. Carry-out and drive-in service
6 may also be available, but are secondary in nature to the interior
7 sit-down service.

8 SECTION 3: The following provisions of the Municipal
9 Code of the City of Las Vegas, Nevada, 1960 Edition, are hereby
10 amended or adopted as follows in order to make proper reference to
11 the new off-street parking and loading regulations adopted by
12 Section 1 of this Ordinance.

1 11-1-22(D)8 Transportation and Traffic:

2 [Off-Street Parking: Any industrial use permitted shall
3 include adequate provisions for off-street parking for
4 employees and visitors. The minimum number of off-street
5 parking spaces provided shall be equal to one and one-half
6 (1 1/2) times the maximum number of employees at any one
7 time. All parking areas shall be developed and surfaced
8 in accordance with the provisions of Section 6 of this
9 Chapter. If any truck movement of materials in or out
10 of the plant is anticipated, provisions shall be made
11 for adequately developed and surfaced loading and
12 unloading areas. In instances where the property is
13 located adjacent to a district with an "R" or "C" prefix,
14 said loading and unloading areas shall be located on the
15 opposite side of the plant from the "R" or "C" Zoned
16 District, unless there is a substantial showing that
17 such location is impossible. All points of ingress or
18 egress to the industrial use from a public street shall
19 be approved by the Traffic Engineer and/or the Traffic
20 and Parking Commission, as may be provided from time to
21 time by other provisions of this Code.] Parking shall
22 be provided according to the provisions of 11-1-6(H).

23 In instances where the property is located adjacent to
24 a district with an "R" or "C" prefix said loading and
25 unloading areas shall be located on the opposite side of
26 the plant, unless there is a substantial showing that
27 such location is impossible and also all points of ingress
28 or egress to the industrial use from a public street
29 shall be approved by the Traffic Engineer and/or Traffic
30 and Parking Commission.

31 SECTION 4: If any section, subsection, subdivision,
32 paragraph, sentence, clause or phrase in this Chapter or any

1 part thereof, is for any reason held to be unconstitutional, or
2 invalid or ineffective by any court of competent jurisdiction,
3 such decision shall not affect the validity or effectiveness of
4 the remaining portions of this Chapter or any part thereof. The
5 Board of Commissioners of the City of Las Vegas hereby declares
6 that it would have passed each section, subsection, subdivision,
7 paragraph, sentence, clause or phrase thereof irrespective of
8 the fact that any one or more sections, subsections, subdivisions,
9 paragraphs, sentences, clauses or phrases be declared unconstitu-
10 tional, invalid or ineffective.
