WHEREAS, the City of Las Vegas, in the County of Clark and State of Nevada, has taken the requisite legal action preliminary to and in the creation of Special Assessment District No. 476, for the purpose of grading, gravelling, macadamizing, paving, draining and otherwise improving that portion of Charleston Boulevard, including intersections, within said City described in the provisional order resolution passed, adopted and approved on the 1st day of November, 1967, as Assessment Unit No. 1, the installation of curbs and gutters along both sides of that portion of Charleston Boulevard within said City described in said provisional order resolution as Assessment Unit No. 2, the installation of sidewalks along both sides of that portion of Charleston Boulevard within said City described in said provisional order resolution as Assessment Unit No. 3, the installation of street lights along both sides of that portion of Charleston Boulevard within said City described in said provisional order resolution as Assessment Unit No. 4, the grading, gravelling, macadamizing, paving, curbing, guttering, draining and otherwise improving that portion of Bearden Way within said City described in said provisional order resolution as Assessment Unit No. 6, the installation of alley paving in those certain areas of said City described in said provisional order resolution as Assessment Unit No. 7 and Assessment Unit No. 9, and the grading, gravelling, macadamizing, paving, curbing, guttering, sidewalking, draining and otherwise improving that portion of Ogden Avenue, together with intersections, within said City described in said provisional order resolution as Assessment Unit No. 8; and

WHEREAS, the Board of Commissioners of said City, by Ordinance No. 1321, passed and approved the 6th day of March, 1968, has provided for creating said District and the basis for assessing the costs thereof against the lots and parcels of land in each assessment unit of said special assessment district; and

that, for the purpose of providing funds to pay for the installation of said improvements, together with administrative costs, until monies are available therefor from the levy and collection of the assessments and the issuance of special assessment bonds in respect of said district, it would be in the best interests of said City to issue an interim warrant or warrants, upon the estimates of the City Engineer, which warrant or warrants, together with interest due thereon from the date of the issuance thereof until paid, shall mature two years from the date of the initial warrant, with the provision that the same shall be redeemable at any time prior thereto from the proceeds of the sale of such bonds, all in accordance with NRS 271.355; and

SECTION 2. That said warrant or warrants, together with the interest due thereon from the date of the issue of said warrant or warrants until paid, shall mature two years from the date of the initial warrant and shall be redeemed and retired at any time prior thereto in numerical order from the proceeds of the sale of said special assessment bonds, from special assessments actually collected and available for the purpose or, if necessary, from the City's general fund.

SECTION 3.
