SECTION 1. Title V, Chapter 18, Section 9 of the Municipal Code of the City of Las Vegas, Nevada, 1960 Edition, is hereby amended to read as follows:

5-18-9: SALES NEAR SCHOOL OR CHURCH PROHIBITED:

- (A) It shall be unlawful for a licensee under the provisions of this Chapter to sell, serve, give away or distribute any of the liquors or beverages mentioned in this Chapter within four hundred feet (400') of any schoolhouse or place wherein a public school is conducted, provided that grocery stores and/or delicatessens may sell or distribute packaged beer and wine in sealed containers on a take-out basis within four hundred feet (400') of any school or church.
- (B) It shall be unlawful for any licensee under the provisions of this Chapter to sell, serve, give away or distribute any alcoholic liquor as defined in Sections 2 and 3 of this Chapter within four hundred feet (400') of any church; provided, however, this restriction shall not apply to licensees or places of business selling alcoholic liquors in a prohibited location prior to the effective date of this Chapter, or to licensees engaged in business at any approved location which would become a prohibited location by reason of the establishment of a church within four hundred feet (400') of such approved location; and provided further, that grocery stores and/or delicatessens may sell or distribute packaged beer and wine in sealed containers on a take-out basis within four hundred feet (400') of any school or church. Private clubs serving members and guests only shall be exempt from the 400-foot limitation near schools.

(C) The four hundred foot (400') limitation as defined in Subsections (A) and (B) above shall be determined by measurement from the property line of the school or church to the nearest corner of the building wherein alcoholic beverages are sold. The measurements shall be actual or by mechanical device in the event there are obstructions between the property line and the building to be measured, and the Board of Commissioners is hereby empowered to make findings from the measurements or calculations which shall be conclusive.
