Sponsored by: Ordinance required by step procedure. Summary: Authorizes issuance of interim warrants.

WHEREAS, the City Council of the City of Las Vegas (the "City Council" and the "City", respectively, herein), in the County of Clark and State of Nevada, has taken the requisite legal action that is preliminary to and in the creation of "City of Las Vegas, Nevada, Special Improvement District No. 1405" (the "District" herein), consisting of eight (8) separate and distinct assessment units, for the purposes of providing for the grading, gravelling, macadamizing, paving, draining and otherwise improving of Rampart Boulevard, and portions thereof, as is more particularly described in the notice of hearing (the "Notice of Hearing" herein) that is provided for in Section 4 of the Provisional Order Resolution that was duly passed, adopted and approved by the City Council on the 7th day of July, 1993, as ASSESSMENT UNIT NO. V, the installation of drainage facilities along those portions of Rampart Boulevard that are more particularly described in the Notice of Hearing (as such description is modified, at the request of the owner of the parcel of property that will be assessed for such drainage facilities, in Section 2 of Ordinance No. 3740 that was duly passed, adopted and approved on the 6th day of October, 1993) as ASSESSMENT UNIT NO. VI, the installation of a potable water distribution mains along those portions of Rampart Boulevard that are more particularly described in the Notice of Hearing (as such description is modified, at the request of the owner of the parcel of property that will be assessed for such water mains, in Section 2 of said Ordinance No. 3740) as ASSESSMENT UNIT NO. VII and the installation of sanitary sewer collection mains along Rampart Boulevard, and portions thereof, as is more particularly described in the Notice of Hearing as ASSESSMENT UNIT NO. VIII, and of defraying the entire costs and expenses thereof by special assessments against the assessable lots and parcels of property within each of the assessment units in the District according to the benefits that will be derived from such improvements by the respective lots and parcels that are to be so assessed; and

WHEREAS, the City Council, by said Ordinance No. 3740, has provided for the creation of the District, ordered the construction and installation of such improvements and determined the basis for assessing the costs and expenses that will be incurred in such construction and installation against the several assessable lots and parcels of property in each assessment unit of the District that will be benefited thereby; and

WHEREAS, the City Council proposes to award contracts for the furnishing of the labor, materials, transportation and services for the improvements that are proposed to be constructed and installed by way of the District in the following estimated amounts:

\$736,312.00 for the improvements that are proposed to be constructed and installed in ASSESSMENT UNIT NO. I,

\$ 9,491.00 for the improvements that are proposed to be constructed and installed in ASSESSMENT UNIT NO. III,

\$297,768.00 for the improvements that are proposed to be constructed and installed in ASSESSMENT UNIT NO. IV,

\$ 5,961.00 for the improvements that are proposed to be constructed and installed in ASSESSMENT UNIT NO. V,

\$146,900.00 for the improvements that are proposed to be constructed and installed in ASSESSMENT UNIT NO. VI,

\$101,292.00 for the improvements that are proposed to be constructed and installed in ASSESSMENT UNIT NO. VII,

\$134,784.00 for the improvements that are proposed to be constructed and installed in ASSESSMENT UNIT NO. VIII in the manner that is provided by law and has incurred and will incur other obligations in connection with the District; and

WHEREAS, the City Council has determined, and by this Ordinance does so determine, that, for the purpose of providing the funds to pay for the construction and installation of such improvements, together with the administrative costs that are allocable thereto, until the funds therefor are available from the levy and collection of the special assessments that are proposed to be levied in connection with, and the issuance of any special assessment bonds in respect of, the District, it would be in the best interests of the City to issue the City's fully registered (i.e., registered for payment only as to both principal and interest) general obligation interim warrant or, if necessary, a series of general obligation interim warrants in the principal amount or in the aggregate principal amount, as the case may be, of ONE MILLION FIVE HUNDRED THIRTY-THREE THOUSAND SEVENTY-FOUR AND NO/100THS DOLLARS (\$1,533,074.00) (or such lesser amount as is actually advanced to the City by the purchaser thereof), such amount to be advanced to the City by such purchaser at one time or from time to time in installments, as and when the City requests the same, in such amount or amounts as may be needed, based upon the estimate or estimates of the City Engineer of the City ("City Engineer" herein), to make payment for the work that has been performed in connection with the District, together with the administrative costs that are

allocable thereto. Such warrant or warrants (i) is or are to be in such form as to permit the purchaser thereof to make advances to the City against the total principal amount thereof during the period of the construction and installation of the improvements that have been ordered to be constructed and installed in the District, (ii) together with the interest that becomes due thereon from date of the advance, or from the respective dates of the advances, thereagainst until such warrant or warrants is or are paid in full, shall mature two years after the date of the warrant or the initial warrant, as the case may be, with the provision that the same may be redeemed and retired at any time that is prior to such maturity date from the money that is actually collected and is available for that purpose from the levy and collection of such assessments, and (iii) shall be redeemed and retired at any time that is prior to such maturity date from the proceeds of the sale of such bonds, all in accordance with Section 271.355 of the Nevada Revised Statutes; and

WHEREAS, the General Obligation Bond Commission of Clark County, Nevada, approved the issuance of such interim warrant or warrants at a special meeting thereof that was held on Tuesday, the 5th day of October, 1993; and

WHEREAS, for such purpose the City Council solicited proposals for the purchase of such interim warrant or warrants, and, upon the opening, on the 19th day of October, 1993, at the Las Vegas City Hall, of the proposals that were received in response to such solicitation determined, and by this Ordinance

does so determine, that the proposal of the U.S. BANK NEVADA (the "Purchaser" herein), agreeing to purchase such interim warrant or warrants at an annual interest rate that is equal to EIGHTY AND NO/100THS per centum (80.0%) of the prime rate that is published in the Wall Street Journal on the day that the City draws its initial advance against such warrant or warrants, is the best responsive and responsible proposal and is hereby accepted.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

SECTION 1. That the City Council hereby authorizes, empowers and directs the City Treasurer of the City (the "City Treasurer" herein) to issue the City's fully registered general obligation interim warrant or, if necessary, a series of general obligation interim warrants for City of Las Vegas, Nevada, Special Improvement District No. 1405, payable to the Purchaser in the principal amount or in the aggregate principal amount, as the case may be, of ONE MILLION FIVE HUNDRED THIRTY-THREE THOUSAND SEVENTY-FOUR AND NO/100THS DOLLARS (\$1,533,074.00) (or such lesser amount as is actually advanced to the City by the Purchaser), such amount to be advanced to the City by the Purchaser at one time or from time to time in installments, as and when the City requests the same, in such amount or amounts as may be needed, based upon the estimate or estimates of the City Engineer, to make payment for the work that has been performed in connection with the District, together with the administrative costs that are allocable thereto. The unpaid balance of the

total outstanding principal amount of such warrant or warrants shall bear interest at an annual rate that is equal to EIGHTY AND NO/100THS per centum (80.0%) of the prime rate that is published in the Wall Street Journal on the day that the City draws its initial advance against such warrant or warrants (but in no event shall such interest rate exceed by more than three per centum (3%) the Index of Twenty Bonds that was most recently published before that day) from the date of such advance, or from the respective dates of the advances, thereagainst, as the same is or are recorded in the City Treasurer's Installment Loan Advances Certificate (the "Advances Certificate" herein), until such warrant or warrants is or are paid in full, and such warrant or warrants shall be approved by the Mayor and City Clerk of the City.

SECTION 2. That such warrant or warrants, together with the interest that becomes due thereon from the date of the advance, or from the respective dates of the advances, thereagainst, as the same is or are recorded in the Advances Certificate, until such warrant or warrants is or are paid in full, (i) shall mature two years after the date of the warrant or the initial warrant, as the case may be, (ii) may be redeemed and retired at any time that is prior to such maturity date, in regular numerical order if there be more than one warrant, from the money that is actually collected and is available for that purpose from the levy and collection of the special assessments that are levied in connection with the District and (iii) shall be redeemed and retired at any time that is prior to such

maturity date, in regular numerical order if there be more than one warrant, from the proceeds of the sale of the special assessment bonds in connection with the District or, if necessary, from the City's general fund, and the full faith and credit of the City is hereby pledged to the payment thereof.

SECTION 3. That such warrant or each such warrant, as the case may be, shall be issued pursuant to the laws of the State of Nevada and of the City, and such warrant or, as the case may be, each such warrant, together with all other interim warrants that may have theretofore been issued in connection with the District, shall not exceed the value of the work that is proposed to be performed in connection with the District, together with the administrative costs that are allocable thereto, based upon the estimate or estimates of the City Engineer that is or are made on or before the date or dates on which such warrant or warrants is or are issued.

SECTION 4. That such warrant or each such warrant, as the case may be, shall be registered for payment as to both principal and interest in the Office of the City Treasurer, who is hereby appointed as the Registrar for that purpose, and any transfer thereof must likewise be registered in said Office.

SECTION 5. That such warrant or warrants shall be, substantially, in the following form:

CITY OF LAS VEGAS
CLARK COUNTY, STATE OF NEVADA
SPECIAL IMPROVEMENT DISTRICT NO. 1405

INTERIM WARRANT

No. 1

Principal Amount \$1,533,074.00

Las Vegas, Nevada, _____

On the ____ day of _____, 19____, or upon call by the City of Las Vegas, Nevada (the "City" herein), on any date that is prior thereto after the date of the delivery of the special assessment bonds that are payable from the special assessments that are levied for the purpose of defraying the costs and expenses of constructing and installing the improvements in "City of Las Vegas, Nevada, Special Improvement District No. 1405" (the "District" herein), the City Treasurer of the City (the "City Treasurer" herein) will pay to the U.S. BANK NEVADA (the "Purchaser" herein), the registered owner hereof, or its registered assigns, the sum of ONE MILLION FIVE HUNDRED THIRTY-THREE THOUSAND SEVENTY-FOUR AND NO/100THS DOLLARS (\$1,533,074.00), or such lesser sum as shall represent the aggregate amount of the advances that are made to the City by the Purchaser, as the same are recorded in the City Treasurer's Installment Loan Advances Certificate that appears on the reverse side hereof (but in no event more than the maximum principal amount of \$1,533,074.00), together with the interest that has accrued thereon at the rate of _____ /100THS per centum (____%) per annum from the date on which each such advance is

made, payable quarterly. Interest shall accrue on the unpaid balance of the total principal amount hereof from the respective dates of the advances thereagainst, as the same are recorded in said Advances Certificate.

This warrant, together with the interest hereon, is a general obligation of the City, may be redeemed and retired at any time from the money that is actually collected and is available for that purpose from the levy and collection of the special assessments that are levied in connection with the District and shall be redeemed and retired from the proceeds of the sale of such special assessment bonds or, if necessary, from the City's general fund, and the City Council of the City has pledged the City's full faith and credit to the payment hereof.

This warrant is issued against the payment of the interim warrant purchase price at par, but such purchase price may be paid to the City in one or more advances in accordance with said Advances Certificate. Notwithstanding the principal amount of this warrant that is stated above, the actual principal amount hereof shall in no event exceed the aggregate amount of the advances that the Purchaser has actually made to the City, and interest shall accrue hereon only on the amount of each such advance and only from the respective dates on which such advances are made. In the event that the entire principal amount that is stated above is not advanced, the principal repayment requirement that is set forth above shall be reduced accordingly.

This warrant is issued pursuant to the laws of the State of

Nevada and of the City, and this warrant, together with all other interim warrants, if any, that have heretofore been issued in connection with the District, does not exceed the value of the work that is proposed to be performed in connection with the District, together with the administrative costs that are allocable thereto, based upon the estimate or estimates of the City Engineer of the City that has or have been made on or before the date of the issuance of this warrant.

This warrant is fully registered in the name of the Purchaser for payment as to both principal and interest in the Office of the City Treasurer, and any transfer hereof must likewise be registered for payment as to both principal and interest in said Office. This warrant may be transferred only by way of a registered assignment, which such assignment must be noted on the reverse side hereof, and no purported transfer hereof, other than by way of a registered assignment that is so noted, shall be effective.

It is hereby certified, recited and warranted that all of the requirements of the law have been fully complied with by the proper officers of the City in the issuance of this warrant.

DATED the day, month and year, and numbered as, first above written.

By Order of the City Council.
