

BILL NO. 93-50

ORDINANCE NO. 3742

AN ORDINANCE RELATING TO AMUSEMENT AND TRANSPORTATION RIDES; AMENDING TITLE 16 OF THE MUNICIPAL CODE OF THE CITY OF LAS VEGAS, NEVADA, 1983 EDITION, BY ADDING THERETO A NEW CHAPTER, TO BE ENTITLED "AMUSEMENT AND TRANSPORTATION RIDES CODE," ADOPTING BY REFERENCE THAT CERTAIN DOCUMENT ENTITLED "CITY OF LAS VEGAS AMUSEMENT AND TRANSPORTATION RIDES CODE, 1993 EDITION," TO ESTABLISH MINIMUM STANDARDS AND REQUIREMENTS FOR SUCH RIDES; PROVIDING PENALTIES FOR THE VIOLATION THEREOF; PROVIDING FOR OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH.

Sponsored By:
Mayor Jan Laverty Jones

Summary: Adopts the City's Amusement and Transportation Rides Code to establish standards and requirements for such rides.

THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY
ORDAIN AS FOLLOWS:

SECTION 1: Title 16 of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended by adding thereto a new chapter, to be entitled "Amusement and Transportation Rides Code," consisting of the provisions that are set forth in Section 2 of this Ordinance.

SECTION 2: That certain document entitled "City of Las Vegas Amusement and Transportation Rides Code, 1993 Edition," three copies of which are on file in the Office of the City Clerk, is adopted by reference and made a part of this Code, to the same effect as if set out herein in full.

SECTION 3: For purposes of Section 4 of this Ordinance, the term "Supplemental Document" means that certain document entitled "A Supplemental Document Amending the Uniform Administrative Code, 1991 Edition," which was adopted by Ordinance No. 3724 of the City of Las Vegas as Part 2 of a chapter now designated as Chapter 16.02 of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition.

1 SECTION 4: Section 301 of the Uniform Administrative Code, as
2 modified in Sections 6 to 12, inclusive, of the Supplemental Document, is hereby amended by
3 deleting Subparagraph (B) of Paragraph (1) of Subsection (b) thereof and substituting therefor a
4 new Subparagraph (B), reading as follows:

5 B. Temporary amusement devices and structures used for not more
6 than 30 days, including merry-go-rounds, ferris wheels, rotating
7 conveyances, slides and similar devices, and any accessory
8 structures consisting of a cover or roof whose use is necessary for
9 the operation of any such device or structure. The exemption
10 contained in this Subparagraph does not apply to private electrical
11 distribution systems.

12 SECTION 5: Whenever in this ordinance any act is prohibited or
13 is made or declared to be unlawful or an offense or a misdemeanor, or whenever in this ordinance
14 the doing of any act is required or the failure to do any act is made or declared to be unlawful
15 or an offense or a misdemeanor, the doing of such prohibited act or the failure to do any such
16 required act shall constitute a misdemeanor and upon conviction thereof, shall be punished by a
17 fine of not more than \$1,000.00 or by imprisonment for a term of not more than six months, or
18 by any combination of such fine and imprisonment. Any day or any violation of this ordinance
19 shall constitute a separate offense.

20 SECTION 6: If any section, subsection, subdivision, paragraph,
21 sentence, clause or phrase in this ordinance or any part thereof is for any reason held to be
22 unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision
23 shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part
24 thereof. The City Council of the City of Las Vegas, Nevada, hereby declares that it would have
25 passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof
26 irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs,

1 sentences, clauses, or phrases be declared unconstitutional, invalid or ineffective.

2 SECTION 7: All ordinances or parts of ordinances, sections,
3 subsections, phrases, sentences, clauses or paragraphs contained in the Municipal Code of the City
4 of Las Vegas, Nevada, 1983 Edition, in conflict herewith are hereby repealed.

5 PASSED, ADOPTED and APPROVED this 6th day of October, 1993.

CITY OF LAS VEGAS AMUSEMENT AND TRANSPORTATION RIDES CODE, 1993 EDITION

SECTION 1: Purpose. The purpose of this Code is to establish minimum standards for the design, construction, alteration, maintenance, operation, inspection, and the issuance of ride permits/certificates for, amusement and transportation rides for use by the public. The Code is intended to protect the public safety, health and general welfare by setting certain standards for structural strength, stability and safety relative to life and property hazards incident to the installation, construction, maintenance, alteration, repair, removal and use of amusement and transportation rides.

SECTION 2: Scope. Except as otherwise provided, the provisions of this Code shall apply to all amusement rides and transportation rides that are erected or installed for a period of 30 days or longer.

This Code may be referred to as the "City of Las Vegas Amusement and Transportation Rides Code, 1993 Edition" or the "Amusement and Transportation Rides Code of the City of Las Vegas, 1993 Edition."

Nothing in this Code shall be deemed to deprive any federal or state agency, or any applicable governing body having jurisdiction, of any power or authority which it had on the effective date of this Code or of any remedy for the enforcement of its orders, nor shall anything in this Code be deemed to deprive any individual or entity of its legal rights as provided by law. Nothing herein is intended to regulate means of public transportation that are already regulated by the Nevada Public Service Commission.

Nothing in this Code shall be deemed to create any additional duty on the part of the City or its officers, agents and employees toward any individual or group of individuals. The liability provisions set forth in Section 202 of the Uniform Administrative Code, as adopted by the City, shall apply to this Code and the administration and enforcement thereof.

This Code shall be considered a "technical code" whose administrative provisions are generally contained in the Uniform Administrative Code, as adopted by the City of Las Vegas, except as otherwise specifically provided herein.

SECTION 3: Definitions. The terms used in this Code have the meanings ascribed to them in this Section, or in the Uniform Administrative Code or other technical codes adopted by the City of Las Vegas. Terms that are not defined in accordance with the preceding sentence shall have their ordinarily accepted meanings within the context in which they are used. Webster's "Third New International Dictionary of the English Language, Unabridged, 1981 Edition," shall be deemed to provide ordinarily accepted meanings.

"Amusement Ride" means any ride, device, building or structure which is put to public use and is used primarily for human entertainment, enjoyment or transportation of people, whether moving or stationary, or a structure which causes a medium to be moved to transport passengers. The final determination concerning whether or not a ride, device, building or structure shall be classified as an "amusement ride" is within the discretion of the Director.

"Amusement Park" means a tract or area used principally as a permanent location for amusement rides, transportation rides and buildings and systems associated therewith.

"Approved Agency" means an agency regularly engaged in providing verification reports; manufacturing inspections or testing; raw material inspection; certification or testing of completed products or components at the point of fabrication or manufacture; or inspection or testing of assembled items or components at a project location during construction or installation.

"Department" means the Department of Building and Safety of the City of Las Vegas.

"Director" means the Director of the Department or his designee.

"Major Modification" of a Ride means any change in either the structural or operational characteristics of the Ride which will alter its performance from that specified in the manufacturer's design criteria.

"Minor Modification" of a Ride means any change that does not alter the structural or operational characteristics of the Ride nor change its performance from that specified in the manufacturer's design criteria.

"Operations and Maintenance Manual(s)" means one or more manuals, written in the English language and approved by the Director, which specify the procedures for the Owner/Operator to follow to ensure proper maintenance and safe operation of Rides regulated by this Code.

"Owner/Operator" means the owner, operator and/or lessee of a Ride, and includes a person who has custody or control of the Ride.

"Prohibited Use Notice" means a formal written notice issued by the Department indicating noncompliance with the requirements of certification, installation, inspection, operation or any other requirement of this Code and further indicating that the Ride may not be operated for other than inspection or testing.

"Qualified Individual" means a designated representative of the Owner/Operator of a Ride who is technically qualified and is accountable to the Owner/Operator for the

maintenance of a Ride.

"Ride" means an Amusement Ride or a Transportation Ride.

"Ride Operation Certificate" means a certificate issued by the Department on an annual basis certifying that a Ride has been inspected and found to be in compliance with the manufacturer's requirements for operation and maintenance, the approved Operations and Maintenance Manual(s) and all other requirements of this Code.

"Ride Permit" means a permit issued by the Department authorizing construction and installation of a Ride. At the Director's option, the permit may include in its scope any subsidiary permits for supporting, enclosing or affiliated buildings or structures; utility permits; or other building service equipment.

"Serious Injury" means injury to a person that results in hospitalization for inpatient or outpatient treatment or both.

"Transportation Ride" means any moving apparatus which is primarily intended for transportation but may provide entertainment and enjoyment while moving along, around or over a fixed or restricted course. The final determination concerning whether or not an apparatus shall be classified as a "transportation ride" is within the discretion of the Director. The term does not include automobiles, trucks, buses, surface trains or other means of transportation to the extent that such inclusion would conflict with existing regulation by federal, state or local authorities.

"Verification Report" means certification by an Approved Agency or the Department that all inspection and testing required by the manufacturer and the approved Operations and Maintenance Manual(s) have been performed and that the Ride is in compliance therewith and with the applicable provisions of this Code.

SECTION 4: Other Codes. Any installation associated with a Ride regulated by this Code shall conform to the requirements of all other technical codes enforced by the Department as they apply to that installation.

SECTION 5: Permit and Certificate Requirements. No Ride may be constructed or installed without a valid Ride Permit, and no Ride may be operated without a valid Ride Operation Certificate. The principal and ultimate (but not exclusive) responsibility for obtaining permits and certificates belongs to the Owner/Operator.

SECTION 6: Owner/Operator and Qualified Individual.

(A) **Owner/Operator Responsibilities.** The responsibilities of an Owner/Operator include but are not limited to: ensuring that all new and existing Rides for which he is responsible, as well as the associated equipment and safeguards, are

periodically inspected and properly maintained and operated in accordance with the approved Operations and Maintenance Manual(s); designating a Qualified Individual for each Ride; and determining when a Ride's use should be discontinued.

(B) Qualified Individual Responsibilities. For each Ride, the Qualified Individual shall be the designated technical representative of the Owner/Operator with respect to that Ride and shall be responsible for having full operational knowledge of the Ride and responsibility for the maintenance of the Ride at all times it is in use. The Qualified Individual may be an employee of the Owner/Operator, the manufacturer or its representative, or a contracted maintenance company or its representative.

SECTION 7: Reporting Requirements.

(A) Fatalities. In the case of a fatality which appears to have resulted from mechanical or structural failure of a Ride or operator error related thereto, the Owner/Operator shall immediately cause the Ride to be closed down. He shall report the incident to the Department by telephone within four (4) hours after the incident and by written report to the Director within two (2) days.

(B) Serious Injuries. The reporting requirement for serious injuries shall be the same as those for fatalities.

(C) Structural Damage. Within five (5) days after the occurrence of structural damage to a Ride, the Owner/Operator shall file with the Director a written report concerning such damage.

(D) Action upon notification. Upon notification of a fatality, serious injury, or structural damage, the Director shall determine whether the Ride shall be sealed out-of-service by a "Prohibited Use Notice" until an investigation of the site and records can be performed. The Owner/Operator shall be responsible for fully inspecting the Ride, making corrective repairs, and testing components and operations as specified in this Code and the Operation and Maintenance Manuals(s). The Owner/Operator has the burden to ensure that the Ride meets all requirements for return to service prior to requesting Department inspection. In the event that a Ride is sealed out-of-service in accordance with this Subsection (D), the Department shall perform an inspection within twenty-four (24) hours or as soon thereafter as possible.

(E) Content of Reports. Any written reports shall include all pertinent facts including:

- (1) Date, time, and location of incident;
- (2) Name, age, and address of victim(s);
- (3) Type of injury;
- (4) Hospital where treated;

- (5) A description of the incident;
- (6) Name, address and telephone number of the Owner/Operator and the Qualified Individual; and,
- (7) Damage to equipment, and the Owners/Operator's expected actions to repair or take out of service.

SECTION 8: Administrative Actions.

(A) **Prohibited Use Notice.** Where the Director determines that a Ride is not in compliance with the requirements of this Code, the applicable technical codes, the Uniform Administrative Code, the approved Operations and Maintenance Manual(s) or if an accident has occurred which has resulted in a fatality, injury, or Ride system damage, the Director may declare that the continued operation of the Ride is prohibited. The Prohibited Use Notice shall recite the reason(s) for the finding. Upon receipt of a Prohibited Use Notice, the Owner/Operator and Qualified Individual immediately shall cause the operation of the Ride to discontinue.

(B) **Out of Service Seal.** Upon issuance of a Prohibited Use Notice, the Director shall cause to be affixed to the control panel, one or more Out-Of-Service Seal(s) stating that the Ride shall not be used except for testing or inspection. In the event that the Owner/Operator does not adequately secure the Ride, then the Director may in his discretion cause one or more Out-Of-Service Seal(s) to be placed across the entrance(s) to the Ride. No Notice or Seal shall be removed except by order of the Director after the Ride has been repaired, reinspected and certified as operational.

(C) **Inspection and Certification.** Once the Owner/Operator has effected a repair of all deficiencies identified in the Prohibited Use Notice, the Owner/Operator shall notify the Department and request an inspection. The Department shall perform an inspection within twenty-four (24) hours or as soon thereafter as possible. When the deficiencies are found to be corrected and any required tests have been completed successfully, the Out-of-Service Seal(s) shall be removed.

SECTION 9: Appeals. The Owner/Operator may appeal orders, decisions or determinations made by the Director relative to the application or interpretation of this Code in accordance with the appeal provisions set forth in the Uniform Administrative Code as adopted by the City of Las Vegas. Unless otherwise determined by the Director, a Prohibited Use Notice and Out-Of-Service Seal which are the subject of an appeal shall remain in effect during the pendency of the appeal. Failure of the Owner/Operator to file an appeal within the deadlines prescribed by the Uniform Administrative Code shall be a waiver of subsequent administrative redress.

SECTION 10: Adoption of Standard for Application Information. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American Society for Testing and Materials (ASTM) Standard

F698-88, "Physical Information to be Provided for Amusement Rides and Devices", copyright 1989, is hereby adopted by reference as a part of this Code.

SECTION 11: Adoption of Standard for Operation. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American Society for Testing and Materials (ASTM) Standard F770-88, "Operation Procedures for Amusement Rides and Devices", copyright 1989, is hereby adopted by reference as a part of this Code, but amended to include a new Section 5, reading as follows:

5.0 REQUIRED DOCUMENTS

5.1 Copies of all items identified in this standard shall be presented to the department for review and approval. All such documents shall be a part of the Ride Permit application package and are a required part of the total plan submittal package. The plans for construction may not be approved or any building permits issued until the information required herein is submitted, reviewed and approved.

5.2 Copies of the City of Las Vegas approved Operation and Maintenance Manual(s) identified in this standard shall be maintained at all times with the ride or at a location which is near the ride or device and which has been approved by the director. These documents shall be made available for review by the director, his authorized agent or other concerned governmental agencies upon request during normal operating hours.

5.3 A copy of the emergency procedure shall be filed with the department to meet the intent of the standard included herein.

5.4 The Owner/Operator shall retain quality assurance documentation, such as material certification test reports, inspection records, and reports for the life of the ride while under his/her control. Upon sale or other transfer of the ride, the Owner/Operator shall transfer these quality assurance documents to the new Owner/Operator."

SECTION 12: Adoption of Standard for Performance Testing. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American Society for Testing and Materials (ASTM) Standard F846-86, "Testing Performance of Amusement Rides and Devices", copyright 1989, is hereby adopted by reference as a part of this Code, but amended to add to Section 7, Paragraph 7.1, two additional sentences, reading as follows:

Testing as prescribed by the manufacturer shall be performed or observed by a third-party testing agency that has been approved by the City's Department of Building and Safety for initial installation and subsequent testing. When required by the approved

Operations and Maintenance Manual(s), the Owner/Operator shall cause an approved third-party agency to perform or observe testing and/or inspection.

SECTION 13: Adoption of Standard for Maintenance. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American Society for Testing and Materials (ASTM) Standard F853-86, "Maintenance Procedures for Amusement Rides and Devices", copyright 1989, is hereby adopted by reference as a part of this Code, but with the following amendments:

Section 3, Paragraph 3.1, Subparagraph 3.1.14 is amended by adding a new sentence to read as follows:

"The Owner/Operator shall provide the department, upon request, maintenance bulletins or similar documents published by the manufacturer of the amusement ride after its initial installation."

Section 4, Paragraph 4.1, Subparagraph 4.1.4 is amended to read as follows:

4.1.4 A formal written daily log form must be completed and signed by the person performing maintenance prior to each day's operation, identifying each required maintenance and inspection item and attesting that the required maintenance procedures have been performed. A copy of daily and other log forms required by the approved Operations and Maintenance Manual shall be maintained by the Owner/Operator as long as the ride is under the control of the Owner/Operator. All records shall be available for inspection upon request by the department and any of its assigned inspectors during working hours. All records and maintenance logs created subsequent to the date of the last annual department inspection shall be maintained on-site.

Section 4, Paragraph 4.1 is amended to add a new Subparagraph 4.1.5, reading as follows:

4.1.5 Any additional recommendations of the Owner/Operator, manufacturer or the Department of Building and Safety of the City of Las Vegas.

SECTION 14: Adoption of Standard for Inspection. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American Society for Testing and Materials (ASTM) Standard F893-87, "Inspection of Amusement Rides and Devices," copyright 1989, is hereby adopted by reference as a part of this Code, but with the following amendments:

Section 5, Paragraph 5.1, Subparagraph 5.1.1 is amended by the addition of two new sentences to read as follows:

A copy of the manufacturer's written quality assurance program shall be submitted for review and approval at the time a Ride Permit application is submitted. The director may also require that the quality assurance program be amended and brought into conformance with the adopted and published technical guidelines or other requirements of the City of Las Vegas prior to the approval of any amusement ride.

Section 5, Paragraph 5.1, Subparagraph 5.1.3.1 is amended to read as follows:

5.1.3.1 When changes in the procedures prescribed in Paragraph 5.1.3 are deemed essential by the manufacturer because of information not available to the manufacturer at the time of delivery, those changes shall be communicated in writing to the Owner/Operator and to the department.

Section 5, Paragraph 5.1, Subparagraph 5.1.5 is amended by adding a new sentence to read as follows:

The Owner/Operator shall provide the findings to the department when requested.

SECTION 15: Adoption of Standard for Design and Manufacture. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American Society for Testing and Materials (ASTM) Standard F1159-88, "The Design and Manufacture of Amusement Rides and Devices", copyright 1989, is hereby adopted by reference as a part of this Code, but with the following amendments:

Section 1 is amended by adding a new Paragraph 1.3, reading as follows:

1.3 The application of this standard to systems or devices that involve hazardous materials, operations or equipment shall not affect or diminish the application or enforcement of the applicable requirements of the Uniform Fire Code or the Uniform Building Code, including Chapter 9 thereof.

Section 4, Paragraph 4.1 is amended by adding a new Subparagraph 4.1.3, reading as follows:

4.1.3 Engineering analysis of primary structural, electrical and mechanical components.

Section 4 is amended by adding a new Paragraph 4.4 and a new Paragraph 4.5, reading as follows:

4.4 Engineering Review. When the ride is not designed by a Nevada-registered engineer or architect, the plans, specifications, and calculations shall be reviewed by an engineer registered in Nevada to verify that the design is in

conformance with this Code and other applicable standards.

4.5 Equivalency Review. Other demonstration of adequacy of design such as testing, product listing or any other appropriate documentation may be required or accepted by the director in lieu of engineering design or calculations.

A new section is added, designated as Section 14, reading as follows:

14. Unlisted or Uncertified Components. The approval of the design, manufacture and installation of component parts shall be performed in accordance with the latest edition of the department's published Technical Guideline "Acceptance of Component Parts".

SECTION 16: Adoption of Standard for Manufacturer Quality Assurance Program. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American Society for Testing and Materials (ASTM) Standard F1193-88, "An Amusement Ride and Device Manufacturer Quality Assurance Program", copyright 1989, is hereby adopted by reference as a part of this Code. It is the intent of the director that ride manufacturers shall maintain a quality assurance program that is satisfactorily equivalent to the Uniform Administrative Code, Section 306(f), entitled "Approved Fabricators." Documentation that the manufacturer meets this standard shall be furnished to the department at the time application for a Ride Permit is made.

SECTION 17: Adoption of Standard for Aerial Tramways and Lifts, Surface Lifts and Tows. That certain document, three copies of which are on file in the office of the City Clerk, said copies being marked and designated as the American National Standards Institute (ANSI) Standard B77-1-1990, is hereby adopted by reference as a part of this Code.

SECTION 18: Rides, Structures, or Transportation Devices With Insufficient Data or Built to Other Standards. When information on a Ride, structure or transportation device is insufficient to meet the standards of this Code, or the Ride was built to other standards, the Owner/Operator or Qualified Individual shall provide such information as the director determines to be appropriate. Such information shall conform to the intent of this Code and shall include engineering analysis and calculations, testing programs, and inspections of the Ride, structure or transportation device, as appropriate. When the Owner/Operator possesses or can obtain one or more published standards under which the Ride was designed and built, the Owner/Operator shall submit the standard(s) along with the design, calculations, testing and inspection data for review in accordance with Sections 107, 108 and 109 of the Uniform Administrative Code. The Department shall determine whether and to what extent equivalency exists.

SECTION 19: Violations.

A. It is unlawful for a person to construct or allow to be constructed, or to operate or allow to be operated any Ride:

1. Without a valid Ride Permit issued pursuant to this Code;
2. Without a valid Ride Operation Certificate issued pursuant to this Code;
3. In violation of an Out-of-Service Seal or Prohibited Use Notice;
4. In violation of the safety requirements of this Code.

B. It is unlawful for a person to fail or refuse to perform any act required by this Code or to perform any act which is prohibited by this Code.

SECTION 20: Fees. Fees applicable to this Code shall be as set forth in the Uniform Administrative Code, as adopted by the City of Las Vegas.
