23 place and the need therefor arises, and will be located according to the needs of the area at that
24 time. Such installations will also be made at the expense of the property owners, either by means
25 of special assessment districts or as prerequisites to the approval of subdivision plats or the

centerline of said Section 25, a radial line through said intersection
bears South 85°30'43" West; thence nontangent to said curve, along
the North-South centerline of said Section 25, South 00°25'37"
West a distance of 2590.21 feet to the POINT OF BEGINNING.

The above described parcel of land contains an area of 147.123
acres, more or less.

SECTION 2: That said City Council has determined and does hereby
determine, that said described territory meets the requirements provided by law for annexation
to the City of Las Vegas for the following reasons:

- A. The area to be annexed was contiguous to the City's boundaries at
the time the annexation proceedings were instituted;
- B. More than one-eighth (1/8) of the aggregate external boundaries of

1 the area are contiguous to the City of Las Vegas;

2 C. The territory proposed to be annexed is not included within the
3 boundaries of another incorporated city or within the boundaries of
4 any unincorporated town as those boundaries existed as of July 1,
5 1983;

6 D. The City of Las Vegas is eligible to annex the area described in this
7 report since the landowners have signed a petition constituting one
8 hundred percent (100%) of the owners of record of individual lots
9 or parcels of land within the annexation area.

10 SECTION 3: The City of Las Vegas will provide police protection through
11 the Las Vegas Metropolitan Police Department, fire protection, street maintenance, and library
12 services immediately upon annexation. Garbage collection by the company franchised by the City
13 will also be provided immediately. The City sanitary sewer system will serve the proposed
14 annexation area. Any connection to or extension of this sewer line to serve the annexation area
15 shall be at the expense of the landowners. Other services, such as participation in the City's
16 recreational programs, special education classes and programs, public works planning, building
17 inspections, and other City Hall services will also be available immediately. Utilities such as gas,
18 electricity, telephone, and water are provided by private utility companies and other services to
19 the area will not be affected by annexation. Street paving, curbs and gutters, sidewalks and street
20 lights which are not in place at the time of annexation will be installed in the presently developed
21 areas upon the request of the property owners and at their expense by means of special assessment
22 districts. Such improvements will be extended into the undeveloped areas as development takes
23 place and the need therefor arises, and will be located according to the needs of the area at that
24 time. Such installations will also be made at the expense of the property owners, either by means
25 of special assessment districts or as prerequisites to the approval of subdivision plats or the
26

1 issuance of building permits, rezonings, zone variances or special use permits.

2 SECTION 4: The annexation of said described territory shall become
3 effective on the 14th day of May, 1993, and on such date the City of Las Vegas will have the
4 funds appropriated in sufficient amount to finance the extension into said described territory of
5 police protection, fire protection, street maintenance, street sweeping, and street lighting
6 maintenance.

7 SECTION 5: Said described territory, together with the inhabitants and
8 property thereof, shall, from and after the 14th day of May, 1993, be subject to all debts, laws,
9 ordinances and regulations in force in the City of Las Vegas and shall be entitled to the same
10 privileges and benefits as other parts of said City, and shall be subject to municipal taxes levied
11 by the City of Las Vegas, Nevada.

12 SECTION 6: The City Engineer of the City of Las Vegas, Nevada, is
13 hereby instructed to cause to be prepared an accurate map or plat of said described territory and
14 to record the same, together with a certified copy of this ordinance in the office of the County
15 Recorder of Clark County, Nevada, which said recording shall be done prior to the 14th day of
16 May, 1993.

17 SECTION 7: The said described territory, which heretofore has been zoned
18 R-U (County of Clark classification), is hereby classified as N-U (City of Las Vegas
19 classification), which is deemed to be the City equivalent of said County classification.

20 SECTION 8: If any section, subsection, subdivision, paragraph, sentence,
21 clause or phrase in this ordinance or any part thereof, is for any reason held to be
22 unconstitutional, or invalid or ineffective by any court of competent jurisdiction, such decision
23 shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part
24 thereof. The City Council of the City of Las Vegas hereby declares that it would have passed
25 each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective
26

1 of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses
2 or phrases be declared unconstitutional, invalid or ineffective.

3 SECTION 9: All ordinances or parts of ordinances, sections, subsections,
4 phrases, sentences, clauses or paragraphs contained in the Municipal Code of the City of Las
5 Vegas, Nevada, 1983 Edition, in conflict herewith are hereby repealed.
