- A. The area to be annexed was contiguous to the City's boundaries at the
time the annexation proceedings were instituted;
- B. More than one-eighth (1/8) of the aggregate external boundaries of
the area are contiguous to the City;
- C. The territory proposed to be annexed is not included within the
boundaries of another incorporated city or within the boundaries of
any unincorporated town as those boundaries existed as of July 1,

1 1983;

2 D. The City is eligible to annex the described territory since the
3 landowners have signed a petition constituting one hundred percent

19 undeveloped areas as development takes place and the need therefor arises, and will be
20 located according to the needs of the area at that time. Such installations will also be made
21 at the expense of the property owners, either by means of special assessment districts or as
22 prerequisites to the approval of subdivision plats, building permits or other land use or
23 development applications.

24 SECTION 4: The annexation of the described territory shall become
25 effective on the 12th day of December, 2003, and on that date the City will have the funds
26 appropriated in sufficient amount to finance the extension into the described territory of

28 maintenance.

1 SECTION 5: The described territory, together with the inhabitants and
2 property thereof, shall, from and after the 12th day of December, 2003, be subject to all

15 unconstitutional, or invalid or ineffective by any court of competent jurisdiction, such
16 decision shall not affect the validity or effectiveness of the remaining portions of this
17 ordinance or any part thereof. The City Council of the City of Las Vegas hereby declares
18 that it would have passed each section, subsection, subdivision, paragraph, sentence, clause
19 or phrase thereof irrespective of the fact that any one or more sections, subsections,
