THE BOARD OF COMMISSIONERS OF THE CITY OF LAS VEGAS, NEVADA, DOES ORDAIN AS FOLLOWS:

SECTION 1. Title V, Chapter 24, Section 3 of the Municipal Code of the City of Las Vegas, Nevada, 1960 Edition, is hereby amended by changing the first paragraph thereof, and by adding thereto three new subsections designated Subsections (D), (E), and (F). Said Section 3 shall read as follows:

5-24-3 SIGN REQUIRED; CONTENTS: Such person in addition shall maintain

at each entrance to such parking lot permanent sign or signs suitable to apprise persons using the same of the following information:

(A) The hours of the day or night during which said parking lot is open for business, unless said parking lot is open for business 24 hours a day.

(B) Rates charged for parking (if any charge is made) and when more than one (1) rate is charged, or a sliding rate scale is charged, the figures and letters stipulating each rate shall be of uniform size and dimensions, and shall be not less than six inches (6") in height and three inches (3") in width.

(C) If the parking lot is exclusively a patron parking lot, such information as to properly advise the users of the terms and conditions of such use.

(D) The name, address, and telephone number of the holder of the business license.

(E) If the parking lot is a self-service public parking lot, such

information as to properly advise the users of the manner and place of fee payment.

(F) A patron parking a vehicle without paying the posted fee in the manner made available is deemed a trespasser, for which a citation will be issued. Any vehicle receiving two such citations will be subject to impound, and that information concerning any impounded vehicle may be obtained by calling the Las Vegas Police Department. (Provide phone number)

SECTION 2. Title V, Chapter 24, of said Municipal Code is hereby amended by adding thereto a new section to be designated Section 5 to read as follows:

5-24-5 LOGBOOK: There shall be maintained by each licensee a log book showing date and time and license number of any vehicle issued a violation envelope.

(A) Vehicles in violation will be issued a violation envelope by the licensee on their first offense, containing the date, time and place of violation; and giving the reason for the violation and explaining the consequences.

(B) No vehicle will be impounded on its first violation. Each 24-hour period after a violation has been issued may be considered a separate violation.

(C) Impound procedures: If tow truck has answered a call to impound a vehicle and the owner/driver of the vehicle returns for the vehicle before it has been "raised" (attached), the vehicle will be released upon payment of the parking fee due. If the vehicle has been raised, the vehicle will be released to the owner/driver upon payment of parking fees due and one-half of the towing charge (\$7.00). After the vehicle is raised, but before the truck removes the vehicle from the lot, the tow truck operator will call the Las Vegas Police Department by radio to advise: The make of the car, registration number, the name of the registered owner, if available, the parking lot from which towed and the place of impound from which the vehicle may be recovered.

(D) It will be the duty of the Police Department to check the place of impound after 24 hours has elapsed from the time the Department was notified that a vehicle had been towed, to determine if the vehicle has

been recovered, and the fees due to release the vehicle. If the vehicle has not been recovered, the police department will notify the parking lot licensee of that fact, and will further notify the licensee of the name and address of the registered owner of the impounded vehicle. It will then become the duty of the parking lot licensee to mail a certified letter, return receipt requested, to the address of the registered owner of the vehicle advising him of the circumstances, place of impound, and fees due to release the vehicle.

SECTION 3. Title V, Chapter 24 of said Municipal Code is hereby amended by adding thereto a new section to be designated Section 6 to read as follows:

5-24-6 Each parking lot will be free of trash and refuse. A suitable trash can will be made available by the holder of the license at or near the fee collection device, which will be emptied as often as required. Signs will be posted requesting that parking patrons cooperate and put all trash in the proper trash receivers. Any patron observed to ignore such notice will be reprimanded and cited if he should not replace the refuse from the lot surface to the appropriate receptacle. Police may be called to assist, if necessary.

SECTION 4. Title V, Chapter 24 of said Municipal Code is hereby amended by adding thereto a new section to be designated Section 7 to read as follows:

5-24-7 Any parking lot open for business between the hours of 6:00 P.M. to 8:00 A.M. will be illuminated between those hours with lamps and fixtures emitting a minimum of one (1) foot candle. Parking lots not open for business between 8:00 A.M. to 6:00 P.M. or any portion thereof will not require illumination.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine of not more than \$500.00 and/or imprisonment in the city jail for not more than six (6) months, or any combination of such fine and imprisonment. Every day of such violation shall constitute a separate offense.

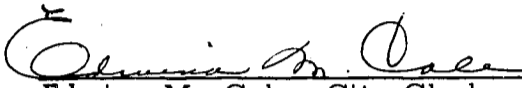

SECTION 6. All ordinances or parts of ordinances, sections, subsections, phrases, sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada, 1960 Edition, in conflict herewith, are hereby repealed.
