The summons provided for herein may be served upon such person either personally or by mailing the summons to such person by registered or certified mail, return receipt requested, addressed to such person at his usual

post office address and deposited in the Post Office. The receipt of the person so addressed for the registered or certified summons shall be regarded as personal service of the summons upon such person.]

10-21-[9: FAILURE TO OBEY SUMMONS: Any person upon whom a summons has been served in accordance with Section 10-21-9 of this Code, who fails or refuses to make an appearance in court pursuant to such summons, or fails or refuses to deposit bail as required and within the time permitted by this Code, shall be guilty of a misdemeanor regardless of the disposition of the charge for which the citation and summons were originally issued, and the Clerk of the Traffic Court shall secure and issue a warrant for his arrest.]

(B) Whenever an officer removes a vehicle from a street as authorized in this Section and the officer knows or is able to

ascertain from the registration records in the vehicle the name and address of the owner thereof, such officer shall immediately give or cause to be given notice in writing to such owner of the fact of such removal and the reasons therefor and of the place to which such vehicle has been removed. In the event that any such vehicle is stored in a public garage, a copy of such notice shall be given to the proprietor of such garage.

(C) Whenever an officer removes a vehicle from a street under this Section and does not know and is not able to ascertain the name of the owner, or for any other reason is unable to give the notice to the owner as hereinbefore provided, and in the event the vehicle is not returned to the owner within a period of three (3) days, then and in that event, the officer shall immediately send or cause to be sent written report of such removal by mail to the State Department whose duty it is to register motor vehicles, and shall file a copy of such notice with the proprietor of any public garage in which the vehicle may be stored.
