The Bonds shall mature on the designated dates (not to exceed ten years from the date of the Bonds) and in the amounts of principal as designated in the Certificate of the CFO. The principal of any Bond shall be payable to the owner thereof as shown on the registration records kept by the registrar for the Bonds designated in the Certificate of the CFO (the "Registrar"), upon maturity and upon presentation and surrender at the office of the paying agent for the Bonds designated in the Certificate of the CFO (the "Paying Agent"). If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the interest rate borne by said Bond until the principal thereof is paid in full.

Except as otherwise provided in Section 17 hereof, payment of interest on any Bond shall be made to the owner thereof by check or draft mailed by the Paying Agent, on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), to the owner thereof, at his or her address as shown on the registration records kept by the Registrar as of the close of business on the fifteenth day of the calendar month next preceding each interest payment date (other than a special interest payment date hereafter fixed for payment of defaulted interest) (the "Regular Record Date"); but any such interest not so timely paid or duly provided for shall cease to be payable to the owner thereof as shown on the registration records of the Registrar as of the close of business on the Regular Record Date and shall be payable to the owner thereof, at his or her address, as shown on the registration records of the Registrar as of the close of business on a date fixed to determine the

names and addresses of owners for the purpose of paying defaulted interest (the “Special Record Date”). Such Special Record Date and the date for payment of defaulted interest shall be fixed by the Registrar whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date and the date for payment of defaulted interest shall be given to the owners of the Bonds not less than ten days prior thereto by first-class mail to each such owner as shown on the Registrar’s registration records as of a date selected by the Registrar, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the owner of such Bond and the Paying Agent. All such payments of principal and interest shall be made in lawful money of the United States of America without deduction for any service charges of the Paying Agent or Registrar.

SECTION 14. Redemption Provisions.

A. Optional Redemption. The 2016 Bonds maturing on and after the date set forth in the Certificate of the CFO shall be subject to redemption prior to their respective maturities, at the option of the City, in whole or in part, from such maturities selected by the City as designated by the CFO and by any amount within a maturity on any date on and after the date set forth in the Certificate of the CFO, at a price equal to the principal amount of each 2016 Bond so redeemed, and accrued interest thereon to the redemption date, and a premium, if any, computed in accordance with the schedule set forth in the Certificate of the CFO.

B. Mandatory Redemption. The 2016 Bonds set forth in the Certificate of the CFO, if any (the “Term Bonds”), shall be subject to mandatory sinking fund redemption at a redemption price equal to 100% of the principal amount thereof and accrued interest to the redemption date. As and for a sinking fund for the redemption of the Term Bonds, there shall be deposited into the Medium-Term Debt Service Fund (as defined in Section 30 hereof) on or before the principal payment date, of the years set forth in the Certificate of the CFO, a sum which, together with other moneys available in the Medium-Term Debt Service Fund, is sufficient to redeem (after credit is provided below) on the dates and in the principal amounts of the Term Bonds as set forth in the Certificate of the CFO plus accrued interest to the redemption date. 2016 Term Bonds being redeemed in part will be selected by lot in such manner as the Registrar may determine.

Not more than sixty days nor less than thirty days prior to the sinking fund payment dates for the Term Bonds, the Registrar shall proceed to select for redemption (by lot or in such other manner as the Registrar may determine) from all outstanding Term Bonds, a principal amount of the Term Bonds equal to the aggregate principal amount of the Term Bonds redeemable with the required sinking fund payments, and shall call such Term Bonds or portions thereof for redemption from the sinking fund on the next principal payment date, and give notice of such call as provided in subparagraph C of this Section.

At the option of the City to be exercised by delivery of a written certificate to the Registrar not less than sixty days next preceding any sinking fund redemption date, it may (i) deliver to the Registrar for cancellation Term Bonds, or portions thereof (\$5,000 or any integral multiple thereof) in an aggregate principal amount desired by the City or, (ii) specify a principal amount of Term Bonds, or portions thereof (\$5,000 or any integral multiple thereof) which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Registrar and not theretofore applied as a credit against any sinking fund redemption obligation. Each Term Bond or portions thereof so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the City on the sinking fund redemption dates and any excess shall be so credited against future sinking fund redemption obligations in such manner as the City determines. In the event the City shall avail itself of the provisions of clause (i) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the respective Term Bonds or portions thereof to be canceled or in the event the Bonds are registered in the name of Cede & Co. as provided in Section 17 of this Ordinance, the certificate required by the first sentence of this paragraph shall be accompanied by such direction and evidence of ownership as is satisfactory to The Depository Trust Company.

C. Partial Redemption. In the case of Bonds in a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any integral multiple thereof) may be redeemed, in which case the Registrar shall, except as otherwise provided in Section 17 hereof, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof. In the case of a partial redemption of Bonds of a single maturity pursuant to Subsections A or B of this Section, the Paying Agent shall select the Bonds to be redeemed by lot at such time as directed by the City (but at least 30 days prior to the redemption

date), and if such selection is more than 60 days before a redemption date, except as otherwise provided in Section 17 hereof, shall direct the Registrar to appropriately identify the Bonds so called for redemption by stamping them at the time any Bond so selected for redemption is presented to the Registrar for stamping or for transfer or exchange, or by such other method of identification as deemed adequate by the Registrar, and any Bond or Bonds issued in exchange for, or to replace, any Bond or Bonds so called for prior redemption shall likewise be stamped or otherwise identified.

D. Notice of Redemption. Unless waived by the registered owner of a Bond to be redeemed, notice of redemption shall be given by the Registrar in the name of the City by mailing such notice at least thirty days and not more than sixty days prior to the redemption date, by first-class mail, postage prepaid, to the registered owners (initially Cede & Co.) of the Bonds to be redeemed at their addresses as shown on the registration records. Failure to give such notice to the registered owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any other Bonds. All such notices of redemption shall be dated and shall state: (i) the CUSIP number or numbers of the Bonds to be redeemed; (ii) the redemption date, (iii) the redemption price, (iv) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed, (v) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (vi) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Registrar. After such notice has been given in the manner hereinbefore provided, the Bond or Bonds called for redemption shall become due and payable on the designated redemption date, and upon presentation and surrender thereof the City will pay the Bond or Bonds called for redemption. Installments of interest due on the redemption date shall be payable as herein provided for payment of interest. A certificate by the Registrar that a notice of redemption has been given as herein set forth shall be conclusive and receipt by the Bondholder of a notice of redemption shall not be a condition precedent to the redemption of that Bond. Notwithstanding the foregoing provisions, any notice of redemption may contain a statement that the redemption is conditioned upon the receipt by the Registrar of funds on or before the date fixed for redemption sufficient to pay the redemption price of the

bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the registered owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed.

SECTION 15. Negotiability. Subject to the registration provisions herein provided, the Bonds shall be fully negotiable within the meaning of and for the purpose of the Uniform Commercial Code - Investment Securities and each owner shall possess all rights enjoyed by holders of negotiable instruments under the Uniform Commercial Code - Investment Securities.

SECTION 16. Registration, Transfer and Exchange of Bonds. Except as otherwise provided in Section 17 hereof:

A. Records for the registration and transfer of the Bonds shall be kept by the Registrar. Upon the surrender of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Registrar duly executed by the owner or his or her attorney duly authorized in writing, the Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. Bonds may be exchanged at the Registrar for an equal aggregate principal amount of Bonds of the same maturity of other authorized denominations, as provided in Section 13 hereof. The Registrar shall authenticate and deliver a Bond or Bonds which the owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. For every exchange or transfer of Bonds requested by the owner thereof, the Registrar may make a sufficient charge to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and may charge a sum sufficient to pay the cost of preparing and authenticating a new Bond.

B. The person in whose name any Bond shall be registered, on the registration records kept by the Registrar, shall be deemed and regarded as the absolute owner thereof for the purpose of payment and for all other purposes (except to the extent otherwise provided in Section 13 hereof with respect to interest payments); and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the owner thereof or his or her legal representative. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it or the City may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

D. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled by the Paying Agent or Registrar, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or Registrar to the Council upon request.

SECTION 17. Book Entry.

A. Notwithstanding the foregoing provisions of this Ordinance, the Bonds shall initially be evidenced by one Bond per maturity in denominations equal to the aggregate principal amount of such maturity or, in the case of any Term Bonds, the Bonds shall initially be evidenced by one Bond for each term in denominations equal to the aggregate principal amount of the Bonds maturing in that term. Such initially delivered Bonds shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company, the securities depository for the Bonds. The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a "clearing corporation" as defined in NRS 104.8102, and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or this clause (2) of this Subsection A, or a determination by the Council that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the designation by the Council of another depository institution acceptable to the Council and to the depository then holding the bonds, which new depository institution must be both a "clearing corporation" as defined in NRS chapter 104 and a qualified and registered "clearing agency" under Section 17A of the Securities

Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor or new depository; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or clause (2) of this Subsection A, or a determination of the Council that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the failure by the Council, after reasonable investigation, to locate another qualified depository institution under clause (2) to carry out such depository functions.

B. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) of Subsection A hereof or designation of a new depository pursuant to clause (2) of Subsection A hereof, upon receipt of the outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, a new Bond for each maturity of the Bonds then outstanding or, in the case of the Term Bonds, for each term of the Bonds then outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of Subsection A hereof and the failure after reasonable investigation to locate another qualified depository institution for the bonds as provided in clause (3) of Subsection A hereof, and upon receipt of the outstanding bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, new Bonds shall be issued in the denominations of \$5,000 or any integral multiple thereof, as provided in any subject to the limitations of Section 13 hereof, registered in the names of such persons, and in such denominations as are requested in such written transfer instructions; however, the Registrar shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. The Council, the Registrar and the Paying Agent shall be entitled to treat the registered owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the Council, the Registrar and the Paying Agent shall have no responsibility for transmitting payments to the beneficial owners of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to Subsection A hereof.

D. The Council, the Registrar and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of Subsection A hereof in effectuating payment of the Bond Requirements of the Bonds by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

The City of Las Vegas, Clark County, in the State of Nevada (the "City", the "County" and the "State", respectively) for value received, hereby acknowledges itself to be indebted and promises to pay to the registered owner specified above, or registered assigns, the principal amount specified above, on the maturity date specified above, and to pay interest thereon on June 1 and December 1 of each year, commencing on June 1, 2017, at the interest rate per annum specified above, until the principal sum is paid or payment has been provided for. This Bond shall bear interest from the most recent interest payment date to which interest has been paid or, if no interest has been paid, from the date of this Bond. The principal of this Bond is payable upon presentation and surrender hereof at the principal office of the City's paying agent for the Bonds (the "Paying Agent"), presently The Bank of New York Mellon Trust Company, N.A., who is also now acting as the City's Registrar for the Bonds (the "Registrar"). Interest on this Bond will be paid on each interest payment date (or, if such date is not a business day, on the next succeeding business day) by check or draft mailed by first class mail to the person in whose name this Bond is registered (the "registered owner") in the registration records of the City maintained by the Registrar, at the address appearing thereon, as of the close of business on the fifteenth day of the calendar month next preceding such interest payment date (the "Regular Record Date"). Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner as of the close of business on the Regular Record Date and shall be payable to the person who is the registered owner as of the close of business on a special record date for the payment of any defaulted interest (the "Special Record Date"). Such Special Record Date and the date for payment of defaulted interest shall be fixed by the Registrar whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date and the date for payment of defaulted interest shall be given to the registered owner not less than ten (10) days prior thereto. Alternative means of payment of interest may be used if mutually agreed to by the registered owner and the Paying

Agent, as provided in the ordinance of the City Council of the City of Las Vegas (the "Council") authorizing the issuance of the Bonds (the "Bonds") and designated in Section 1 thereof as the "2016 Medium-Term Various Purpose Bond Ordinance" (the "Ordinance"), duly adopted by the Council on November 16, 2016. All such payments shall be made in lawful money of the United States of America without deduction for any service charges of the Paying Agent or Registrar.

The Bonds are issuable solely as fully registered Bonds in denominations of \$5,000 each or (subject to certain conditions) any integral multiple thereof, and are exchangeable for fully registered Bonds of the same maturity in equivalent aggregate principal amounts and in authorized denominations at the aforesaid office of the Registrar but only in the manner, subject to the limitations, and on payment of charges provided in the Ordinance.

This Bond is fully transferable by the registered owner in person or by his or her duly authorized attorney on the registration records kept by the Registrar upon surrender of this Bond together with a duly executed written instrument of transfer satisfactory to the Registrar. Upon such transfer a new fully registered Bond of authorized denomination or denominations of the same aggregate principal amount and maturity will be issued to the transferee in exchange for this Bond, on payment of the charges and subject to the terms and conditions as set forth in the Ordinance.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the City or its agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

This Bond must be registered in the name of the owner as to both principal and interest on the registration records kept by the Registrar in conformity with the provisions stated herein and endorsed hereon and subject to the terms and conditions set forth in the Ordinance. No transfer of this Bond shall be valid unless made on the registration records maintained at the principal office of the Registrar by the registered owner or his or her attorney duly authorized in writing.

The City and the Registrar and Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of payment and for all other purposes, except to the extent otherwise provided hereinabove and in the Ordinance with respect to Regular and Special Record Dates for the payment of interest.

** The Bonds shall not be transferable or exchangeable except as set forth in the Ordinance.**

This Bond is one of a series of Bonds issued by the City upon its behalf and upon the credit thereof, for the purpose of defraying wholly or in part the cost to acquire, improve, equip, operate and maintain recreational projects as defined in NRS 268.710 and refund certain

outstanding obligations (the "Project"), under the authority of and in full compliance with the Constitution and laws of the State, and pursuant to the Ordinance.

This Bond is issued pursuant to Chapter 517, Statutes of Nevada, 1983, as amended (the "Charter") pursuant to Nevada Revised Statutes ("NRS") 268.672 to 268.740, inclusive (the "City Bond Law"), pursuant to NRS 350.087 to 350.095, inclusive (the "Act"), pursuant to NRS 350.500 through 350.720, and all laws amendatory thereof, designated in NRS 350.500 as the "Local Government Securities Law" (the "Bond Act"), and pursuant to the Ordinance; pursuant to NRS 350.628, this recital is conclusive evidence of the validity of the Bonds and the regularity of their issuance; and pursuant to NRS 350.710, the Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof, except for the tax on estates imposed pursuant to Chapter 375A of NRS and the tax on generation-skipping transfers imposed pursuant to Chapter 375B of NRS.

The Bonds, as to all Bond Requirements, shall be payable from any moneys of the City legally available for the purpose of making such payment and the full faith and credit of the City are hereby irrevocably pledged for making such payment. Provision for the payment of the Bonds shall be made as provided in NRS 350.093 and 350.095, provided, however, that ad valorem taxes levied for the purpose of paying the principal of and interest on the Bonds are subject to the limitations contained in the Constitution and the statutes of the State, including, without limitation, the limitations on ad valorem taxes contained in NRS 354.59811, 354.5913, 354.59815, 354.5982 and 361.453. The City is not authorized to levy ad valorem taxes to pay the principal of or interest on the Bonds exempt from the limitations of any such statutes, but the City has covenanted in the Ordinance to make sufficient provision annually in its budget to pay the Bond Requirements of the Bonds, when due.

[Certain maturities of the Bonds are subject to optional redemption, as provided in the Ordinance and the Certificate of the CFO.]

[Certain of the Bonds are subject to mandatory sinking fund redemption, as provided in the Ordinance and the Certificate of the CFO.]

The City covenants and agrees with the owner of this Bond and with each and every person who may become the owner hereof that it will keep and will perform all of the covenants of the Ordinance.

No recourse shall be had for the payment of the Bond Requirements of this Bond or for any claim based thereon or otherwise in respect to the Ordinance or other instrument pertaining thereto against any individual member of the Council, or any officer or other agent of the City, past, present, or future, either directly or indirectly through the Council or otherwise, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any penalty or otherwise, all such liability, if any, being by the acceptance of this Bond and as a part of the consideration of its issuance specially waived and released.

It is hereby certified, recited, declared and warranted that all actions required to be taken prior to the issuance hereof have been had and taken by the City; that the issuance of the

Bonds has been approved by the Executive Director of the Department of Taxation of the State of Nevada as required by the Act, and that the principal of the Bonds, when added to other City indebtedness, does not exceed the limits on indebtedness of the City provided in the Constitution and statutes of the State.

This Bond shall not be valid or obligatory for any purpose until the Registrar shall have manually signed the certificate of authentication hereon.

IN WITNESS WHEREOF, the City Council of the City of Las Vegas, Clark County, State of Nevada, has caused this Bond to be executed in the name and on behalf of the City with the manual or facsimile signature of the Mayor of the City, to be attested, signed and executed with a manual or facsimile signature of the City Clerk and to be signed, subscribed and executed by the manual or facsimile signature of the City Treasurer, and has caused a manual or facsimile impression of the seal of the City to be affixed hereon, all as of the dated date above.

SECTION 25. Use of Bond Proceeds. Pursuant to NRS 350.648, upon the issuance of the Bonds, the Bond proceeds, together with other available moneys of the City, in an amount sufficient to establish an initial cash balance and to purchase the Federal Securities (as hereinafter defined) designated in the Escrow Agreement, shall be deposited into a special and separate trust fund held by the Escrow Agent designated as the “City of Las Vegas, Nevada, General Obligation (Limited Tax) Medium-Term Various Purpose Bonds, Series 2016D Escrow Account” (the “Escrow Account”) and used as provided herein. All remaining proceeds of the Bonds shall be accounted for by deposit into a special account hereby created in the treasury of the City and designated as the “City of Las Vegas, Nevada, General Obligation (Limited Tax) Medium-Term Various Purpose Bonds, Series 2016D Construction Account” (the “Construction Account”) to be held by the City and shall be applied solely to defray wholly or in part the costs of the Improvement Project, including, without limitation, as provided in NRS 350.516, all costs of issuing the Bonds and establishing the Escrow Account, which the Council hereby determines are necessary and desirable and pertain to the Project. After the payment of such costs, any unexpended moneys remaining in the Construction Account shall be deposited into the Medium-Term Debt Service Fund hereinafter created for the payment of the principal of the Bonds as the same becomes due. The Purchaser shall in no manner be responsible for the application of the proceeds of the Bonds by the City, or by any of its officers, agents and employees

SECTION 26. Use of Investment Gain. Pursuant to NRS 350.658, any gain from any investment and any reinvestment of any proceeds of the Bonds, if needed to defray the cost of the Project, shall be deposited promptly upon the receipt of such gain at any time or from time to time into the Construction Account, and if not needed to defray the cost of the Project, shall be deposited promptly into the Medium-Term Debt Service Fund, for the respective payment of the principal of or interest on the Bonds, or any combination thereof. As provided in Section 34 hereof, any annual General Taxes for the payment of the principal of or interest on the Bonds levied after such deposits of any such investment or reinvestment gain, may be diminished to the extent of the availability of such deposit for the payment of such principal or interest.

SECTION 27. Completion of Project. The City, with the proceeds derived from the sale of the Bonds, shall proceed to complete the Project without delay and with due diligence to the best of the City’s ability, as hereinabove provided.

SECTION 28. Prevention of Bond Default. Subject to the provisions of Sections 30 and 34 hereof, the Treasurer shall use any Bond proceeds credited to the Construction Account, without further order or warrant, to pay the Bond Requirements of the 2016 Bonds as the same become due whenever and to the extent moneys otherwise available therefor are insufficient for that purpose, unless such 2016 Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and relating to the Project. The Treasurer shall promptly notify the Council of any such use.

SECTION 29. Purchaser Not Responsible. The validity of the Bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the Project, or any part thereof, or to the completion of the Project. The Purchaser, any associate thereof, and any subsequent owner of any Bond shall in no manner be responsible for the application or disposal by the City or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

SECTION 30. General Tax Levies. Pursuant to NRS 350.596, any sums coming due on the Bonds at any time when there are not on hand in the Medium-Term Debt Service Fund sufficient funds to pay same shall be promptly paid when due out of the Construction Account or out of a general fund of the City or out of any other funds that may be available for such purpose, including, without limitation, any proceeds of General Taxes legally available therefor. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available without replacement for the payment of such Bond Requirements on other than a temporary basis), and for the purpose of creating funds for the payment of the Bond Requirements, there is hereby created a separate account designated as the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Medium-Term Various Purpose Bonds, Series 2016D, Debt Service Fund" (the "Medium-Term Debt Service Fund"). Pursuant to NRS 350.592, 350.594, 350.093 and 350.095, except to the extent other funds are legally available therefor, there shall be duly levied immediately after the issuance of the Bonds and annually thereafter, until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the City, including the net proceeds of mines, fully sufficient to reimburse such fund or funds for any such amounts temporarily advanced to pay such initial installment of interest, and to pay the interest on the Bonds becoming due after such initial installment, and to

pay and retire the Bonds as they thereafter become due at maturity as herein provided, after there are made due allowances for probable delinquencies. The proceeds of such annual levies shall be duly credited to the Medium-Term Debt Service Fund for the payment of such Bond Requirements. In the preparation of the annual budget or appropriation resolution or ordinance for the City, the Council shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the City, including, without limitation, the Bonds, subject to the limitation imposed by NRS 354.59811, 354.59813, 354.59815, 354.5982 and 361.453, and Section 2, art. 10, State Constitution, and the amount of money necessary for this purpose shall be a charge against all such revenues received by the City.

SECTION 31. Priorities for Bonds. In any year in which the total General Taxes levied against the property in the City by all overlapping units within the boundaries of the City exceeds the limitation imposed by NRS 361.453, or a lesser or greater amount fixed by the State Board of Examiners in any fiscal year, and it becomes necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by such unit or units (including, without limitation, the City and the State) for purposes other than the payment of their bonded indebtedness, including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by each such unit (including, without limitation, the City and the State) for all other purposes where reduction is necessary in order to comply with the limitations of NRS 361.453, 354.59811, 354.59813 and 354.5982.

SECTION 32. Correlation of Levies. Such General Taxes shall be levied and collected in the same manner and at the same time as other taxes are levied and collected, and the proceeds thereof for the Bonds herein authorized shall be kept in the Medium-Term Debt Service Fund, which accounts shall be used for no other purpose than the payment of principal and interest, respectively, as the same fall due.

SECTION 33. Use of General Funds. Any sums becoming due on the Bonds at any time when there are on hand from such General Taxes (and any other legally available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the City, reimbursement to be made for such general funds in the amounts

so advanced when the General Taxes herein provided for have been collected, pursuant to NRS 350.596.

SECTION 34. Use of Other Funds. Nothing in this Ordinance prevents the City from applying any funds (other than General Taxes) that may be available for that purpose to the payment of the Bond Requirements as the same, respectively, mature, and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to NRS 350.598.

SECTION 35. Legislative Duties. In accordance with NRS 350.592, it shall be the duty of the Council annually, at the time and in the manner provided by law for levying other General Taxes of the City, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the Council shall require the officers of the City to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bonds and the interest thereon. Such General Taxes, when collected, shall be kept for and applied only to the payment of the principal of and the interest on the Bonds as hereinbefore specified.

SECTION 36. Appropriation of General Taxes. In accordance with NRS 350.602, there are hereby specially appropriated the proceeds of such General Taxes to the payment of such principal of and interest on the Bonds; and such appropriations will not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the Bond Requirements the Bonds have been wholly paid or provided for.

SECTION 37. Protective Covenants. The City covenants and agrees with each and every owner from time to time of the Bonds, that:

- A. The Project shall be completed without delay; and
- B. The City will make the principal and interest payments on the Bonds at the place, on the date, and in the manner specified according to the true intent and meaning hereof.

SECTION 38. Tax Covenant. The City covenants for the benefit of the owners of the 2016 Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the City or any facilities financed with the proceeds of the 2016 Bonds if such action or omission (i) would cause the interest on the 2016 Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103

of the Tax Code, or (ii) would cause interest on the 2016 Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code, except to the extent such interest is required to be included in calculating the adjusted current earnings adjustment applicable to corporations for purposes of computing the alternative minimum taxable income of corporations. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the 2016 Bonds until the date on which all obligations of the City in fulfilling the above covenant under the Tax Code have been met.

SECTION 39. The City covenants and agrees that it will execute, comply with and carry out all of the provisions of the Disclosure Certificate, a copy of which is on file for public inspection in the office of the City Clerk. In the event the City fails to comply with the Disclosure Certificate, any holder or beneficial owner of the Bonds may take the remedial actions set forth therein. Breach of the undertakings of the City in the Disclosure Certificate shall not constitute a default under this Ordinance.

SECTION 40. Defeasance. When all Bond Requirements of any Bond have been duly paid, the pledge, the lien, and all obligations hereunder shall thereby be discharged as to that Bond and the Bond shall no longer be deemed to be outstanding within the meaning of this Ordinance. There shall be deemed to be such due payment when the City has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from bills, certificates of indebtedness, notes, bonds or similar securities which are direct obligations of, or the principal of and interest on which are unconditionally guaranteed by, the United States ("Federal Securities") in which such amount may be initially invested wholly or in part) to meet all Bond Requirements of the Bond, as the same become due. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and the bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure availability as needed to meet the schedule. For the purpose of this section "Federal Securities" shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof.

SECTION 41. Continuing Disclosure Certificate. The City covenants for the benefit of the holders and beneficial owners of the Bonds to comply with the provisions of the

final Continuing Disclosure Certificate in substantially the form now on file with the Clerk and is hereby authorized to be executed by the CFO and delivered in connection with the delivery of the Bonds.

SECTION 42. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent initially appointed hereunder shall resign, or if the Council shall reasonably determine that it is in the best interests of the City to replace said Registrar or Paying Agent, the Council may, upon notice mailed to each owner of any Bond at his or her address last shown on the registration records, appoint a successor Registrar or Paying Agent, or both. No resignation or dismissal of the Registrar or Paying Agent may take effect until a successor is appointed. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the City shall have the right to have the same institution serve as both Registrar and Paying Agent. Any successor by merger with the Registrar and Paying Agent is automatically appointed as Registrar and Paying Agent hereunder without any further action of the Council, as long as the successor otherwise is qualified to act as Registrar and Paying Agent pursuant to this section. Any bank, trust company or national banking association into which the Registrar and/or Paying Agent or its successor may be converted, merged or with which it may be consolidated, or to which it may sell or otherwise transfer all or substantially all of its corporate trust business shall be the successor of the Registrar and/or Paying Agent under this Instrument with the same rights, powers, duties and obligations and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 43. Maintenance of Escrow Account. The Escrow Account shall be maintained by the City in an amount at the time of those initial deposits therein and at all times subsequently at least sufficient, together with the known minimum yield to be derived from the initial investment and any temporary reinvestment of the deposits therein or any part thereof in Federal Securities, to pay the interest due in connection with the Refunded Bonds, both accrued and not accrued, as the same become due up to and including the prior redemption date for the Refunded Bonds as set forth in the Escrow Agreement (the "Prior Redemption Date") and to redeem on such Prior Redemption Date of the Refunded Bonds at a redemption price equal to the principal amount thereof, plus accrued interest to the Prior Redemption Date.

SECTION 44. Use of Escrow Account. Moneys shall be withdrawn from the Escrow Account in sufficient amounts and at such times to permit the payment of principal, interest and any premium due on the Prior Redemption Date of the Refunded Bonds. Any moneys remaining in the Escrow Account after provision shall have been made for the redemption in full of the Refunded Bonds shall be applied to any lawful purpose of the City as the Council may hereafter determine.

SECTION 45. Insufficiency of Escrow Account. If for any reason the amount in the Escrow Account shall at any time be insufficient for the purposes of Sections 43 and 44 hereof, the City shall forthwith from the first moneys available therefor deposit in such account such additional moneys as shall be necessary to permit the payment in full of the principal, interest and redemption premium due in connection with the Refunded Bonds as herein provided.

SECTION 46. Exercise of Option. The Council has elected and does hereby declare its intent to exercise on the behalf and in the name of the City its option to redeem on the Prior Redemption Date the Refunded Bonds, including a conditional notice of redemption. The Council is hereby obligated so to exercise such option, which option shall be deemed to have been exercised when notice is duly given and completed forthwith after the issuance of the Bonds as provided in the ordinances and resolutions authorizing the issuance of the Refunded Bonds related thereto.

SECTION 47. Conditional Notice of Prior Redemption and Defeasance. The paying agent for the Refunded Bonds is authorized and directed to give a conditional notice of prior redemption and defeasance of all the Refunded Bonds, in accordance with the provisions of the ordinances and resolutions authorizing the issuance of the Refunded Bonds related thereto.

SECTION 48. Delegated Powers. The officers and employees of the City are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

A. The printing of the Bonds, including, without limitation, and if appropriate, a statement of insurance, if any;

B. The printing, distribution and execution of the final official statement for the Bonds (the "Final Official Statement") in substantially the form now before the Council, but with such amendments, additions and deletions as are in accordance with the facts and not

inconsistent with this Ordinance, and are approved by the execution of the Final Official Statement by the officials designated in the Final Official Statement

C. The execution of such certificates and agreements as may be reasonably required by the Purchaser, relating, inter alia, to:

- (1) the signing of the Bonds,
- (2) the tenure and identity the officials of the City,

- (4) the rate of General Taxes levied against taxable property in the City,

- (6) the delivery of the Bonds and the receipt of the Bond purchase price,
- (7) the accuracy and completeness of any information provided in connection with the Bonds, including information contained in the Official Statement,
- (8) if it is in accordance with the fact, the absence of litigation, pending or threatened, affecting the validity of the Bonds;
- (9) the execution of the Disclosure Certificate and any agreement related to the Registrar and Paying Agent for the Bonds not inconsistent with the provisions of this ordinance; and

D. The assembly and dissemination of financial and other information concerning the City and the Bonds.

SECTION 49. Ordinance Irrepealable. After any of the Bonds are issued, this Ordinance shall constitute an irrevocable contract between the City and the owner or owners of the Bonds; and this Ordinance, if any Bonds are in fact issued, shall be and shall remain irrepealable until the Bonds, as to all Bond Requirements, shall be fully paid, canceled and discharged, as herein provided.

SECTION 50. Implied Repealer. All ordinances, resolution bylaws and orders, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such

inconsistency. This repealer shall not be construed to revive any ordinance, resolutions, bylaw or order, or part hereof, heretofore repealed.
