ORDINANCE NO. 6596

AN ORDINANCE CONCERNING THE CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 609 AND ASSESSING THE COST OF LOCAL IMPROVEMENTS AGAINST THE ASSESSABLE PROPERTY BENEFITED BY THE LOCAL IMPROVEMENTS; AND PROVIDING OTHER MATTERS RELATED THERETO.

WHEREAS, the City Council (the “Council”) of the City of Las Vegas, Nevada (the “City”), has previously, pursuant to the requisite preliminary proceedings, created the City of Las Vegas, Nevada, Special Improvement District No. 609 (Skye Canyon) (the “District”) for the purpose of acquiring and improving a street project, storm sewer project, sanitary sewer project, water project and drainage project (the “Project”), and has provided that the entire cost and expense of the Project shall be paid by special assessments, according to benefits received by the benefited lots, tracts and parcels of land in the District; and

WHEREAS, pursuant to Chapter 271 of Nevada Revised Statutes (“NRS”) and all laws amendatory thereof and supplemental thereto (the “Act”), there has previously been presented to the Council a written petition from KAG Development West LLC, a Delaware limited liability company (the “Developer”), requesting the City to initiate the formation of the District and the acquisition and improvement of the Project and to issue bonds and levy assessments and requesting the City to proceed with certain actions required by the Act; and

WHEREAS, the City and the Developer have entered into a Development and Financing Agreement, dated as of August 16, 2017 (the “Financing Agreement”) for the acquisition and improvement of the Project which contains the terms and conditions required by NRS 271.710 and 271.720; and

WHEREAS, the City has further entered into an Agreement (collectively, the “Agreements”) with each of Section 12 LLC, a Delaware limited liability company, and Pardee Homes of Nevada, a Nevada corporation (collectively, the “Land Owners,” and together with the

Developer, the “Owners”), each dated as of August 2, 2017, which contains the terms and conditions required by NRS 271.710 and 271.720; and

WHEREAS, the Owners are collectively the owners of 100% of the assessable property comprising the District; and

WHEREAS, the District has been created by an ordinance designated as the “District No. 609 Creation Ordinance” previously approved by the Council under the provisions of the Act; and

WHEREAS, the Council has determined that the entire cost and expense to the City of the acquisition and improvement of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in the District; and

WHEREAS, such cost and expense of the Project includes the costs and expenses of the City to be incurred in connection with the issuance of the bonds by the City (including any refunding thereof, the “Bonds”) to finance the cost of the acquisition and improvement of the Project and the amount of reserve and other funds for the Bonds; and

WHEREAS, the Council has determined and does hereby declare that the net cost to the City of the Project is \$11,605,000 of which \$-0- is available from other sources and \$11,605,000 is to be assessed upon the benefited lots, tracts and parcels of land in the District; and

WHEREAS, after determination of the cost and expense of the acquisition and improvement of the Project to be paid by the property specially benefited, the Council, together with the Engineer, made out an assessment roll for the District containing, among other things, the name and address of the last-known owner of the property to be assessed, a description of each lot, tract and parcel of land to be assessed, and the amount of the assessment thereon and has filed the assessment roll with the City Clerk; and

WHEREAS, the assessments do not exceed the benefits to the property assessed nor the total cost and expense of the acquisition and improvement of the Project payable from assessments as previously determined and do not exceed the reasonable market value of the lots, tracts and parcels of land to be assessed; and

WHEREAS, it is incumbent upon the Council to provide when said assessments shall become due and the penalties payable after any delinquency; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS, IN THE STATE OF NEVADA, DOES ORDAIN:

Section 1. This ordinance shall be known as and may be cited by the short title "District No. 609 Assessment Ordinance" (this "Ordinance").

Section 2. All actions, proceedings and matters previously taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning the District, including, but not limited to, the acquisition and improvement of the Project, the levy of assessments for those purposes, and the validation and confirmation of the assessment roll and the assessments therein, are ratified, approved and confirmed.

Section 3. For the purpose of paying the cost and expense of acquisition and improvement of the Project by the City, there are hereby levied and assessed against the lots, tracts and parcels of land in the District specially benefited by the Project and described in the assessment roll for the District in the form on file in the office of the City Clerk on the date of adoption of this Ordinance, the amounts and assessments shown in the assessment roll (as so filed and confirmed). The Council hereby finds and determines that such assessments do not exceed the benefits to the property assessed nor the total cost and expense of the acquisition and improvement of the Project payable from assessments as previously determined and do not exceed the reasonable market value of the lots, tracts and parcels of land to be assessed.

Section 4. The Developer, pursuant to the Financing Agreement, and the Land Owners, pursuant to the Agreements, have elected to pay the assessments in installments, with interest as hereinafter provided, and the Council hereby authorizes such manner of payment. The unpaid assessments shall be payable on April 1 and October 1 of each year, commencing on April 1, 2018, in fifty-nine (59) semi-annual substantially equal installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this Ordinance at a rate or rates, which shall not exceed by more than one percent (1%) the highest rate of interest on the Bonds issued for the District. Before Bonds are issued, the Council shall by resolution fix the rate or rates of interest on the unpaid and deferred installments or delegate such action to the City's Chief Financial Officer pursuant to NRS 271.415. The effective interest rate on the Bonds will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds," which shall

have been most recently published before the time bids for the bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted.

The installments of the assessments shall be payable at the office of the City Treasurer. Pursuant to NRS 271.415(5), the City Treasurer shall notify the owners of real property within the District of the amounts becoming due and each such owner shall be deemed notified and shall be responsible for any penalties or delinquencies regardless of such owner's failure to maintain an accurate mailing address with the County Assessor. Such notice shall state that the assessment installment is payable not later than the April 1 or October 1 next succeeding such notice. Except as herein provided, failure to pay any installment, whether of principal or interest, when due shall cause the whole amount of the unpaid principal of such assessment to become due and payable immediately, at the option of the City, the exercise of said option shall be indicated by the commencement of foreclosure or sale proceedings by the City. The whole amount of the unpaid principal and the interest that has accrued thereon shall, commencing fifteen (15) days after the date on which the delinquent installment became due, whether or not the option to accelerate the due date for the payment of the unpaid principal is exercised, bear a penalty at the rate of 2% (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of the foreclosure sale or until paid; provided that, at any time prior to the day of such sale, the owner of any such lot or parcel may pay the aggregate amount of all of the delinquent installments originally becoming due on or before the date of said payment, with accrued interest thereon and all penalties and costs of collection accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if a default had not been suffered.

The owner of any property assessed and not in default as to any assessment installment or payment may, at any time (at the option of such owner), pay the whole or any portion of the unpaid principal with interest accruing thereon to the next assessment payment date, together with a prepayment premium equal to three percent (3%) of the principal amount so prepaid. If the Bonds (or any bonds issued to refund the Bonds) may then be redeemed without the payment of any premium, the City, in its sole discretion, may waive the requirement of payment of the prepayment premium. No waiver for a particular prepayment premium shall be

deemed to be a waiver for any other prepayment premium. The owner of any assessed property may, at any time, request the City to provide information as to the total amount which will be due in connection with a proposed prepayment of an assessment by such owner and the City will promptly (but in any event within five (5) business days) provide such information to the owner. After any partial prepayment of an assessment or refunding of the Bonds pursuant to NRS 271.488, the City Treasurer shall reamortize the assessment installments due on the parcel on which the partial prepayment was made or, in the case of a refunding, on all parcels, so that the remaining installments are semiannual substantially level installments of principal and interest with a final due date of April 1, 2047.

Assessment installments or assessment prepayments shall be reduced by the amount of any credits available for such installments or prepayments as provided in the bond ordinance or trust indenture authorizing the issuance of the Bonds. This section does not prevent the City from amending this Ordinance, the Financing Agreement or any other documents executed in connection with the Bonds to provide for other uses of the interest earned on Bond proceeds, any excess Bond proceeds or the reserve fund established for the Bonds (the "Reserve Fund") in connection with a refunding of the Bonds; and the owners of the property assessed in the District have no entitlement to payment of any amounts in the interest earned on Bond proceeds, any excess Bond proceeds or the Reserve Fund in the event of such an amendment.

Section 5. The amounts assessed as provided in this Ordinance shall be a lien upon the lots, tracts and parcels of land from the effective date of this Ordinance until paid. Pursuant to NRS Section 271.420, such lien shall be co-equal with the latest lien upon the lots, tracts and parcels to secure the payment of general taxes, shall not be subject to extinguishment by the sale of any property on account of the nonpayment of general taxes, and shall be prior and superior to all liens, claims, encumbrances and titles other than the lien of assessments and general taxes. The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 6. (a) Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, the Council may require the City Treasurer to apportion the uncollected amounts

upon the several parts of land so divided on a net assessable area basis unless such land is divided into single-family residential units or residential condominium units, in which case the uncollected amounts will be divided on a per unit basis. Each single family residential unit or residential condominium unit in an area or tract will be an equal unit. Therefore, the assessment for that net assessable area will be reapportioned to single-family residential units or residential condominium units for that area on an equal basis. For purposes of such apportionment, the term "net assessable area" shall exclude (i) areas excluded from the definition of "assessable property" pursuant to NRS 271.040, (ii) areas designated on the assessment plat as being areas of non-assessment, and (iii) properties which are conveyed with restrictions limiting the uses of such properties to common areas, parks, landscaped areas and other permanent open space. In the event that any conflict exists between the provisions of the assessment plat and this Ordinance, the terms of this Ordinance shall control. The area of lands not included in the net assessable area may be estimated by the City in the case of any apportionment for which final legal descriptions of the excluded area are not yet available and any such estimate shall be final and conclusive absent fraud.

(b) The City may also reapportion assessments on tracts (whether currently within the District or latter added to the District) with the consent of property owners whose assessment will be increased thereby pursuant to NRS 271.425(3) or NRS 271.710(2) if the Council finds that the proposed action will not:

(i) materially or adversely impair the obligation of the City with respect to the Bonds; or

(ii) increase the principal balance of any assessment to an amount such that the aggregate amount which is assessed against a tract exceeds the minimum benefit to the tract that is estimated to result from the project which is financed by the assessment.

(c) The report of such an apportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report nor any defect in the report as recorded shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 7. In case any such lot, tract or parcel of land so assessed is delinquent in the payment of such assessment or any installment of principal or interest, the City Treasurer promptly (but in no event later than 60 days after the installment due date) shall mark the assessment installment delinquent on the assessment roll for the District and shall notify the owner of such delinquent property, if known, in writing of such delinquency, by first class mail, postage prepaid, addressed to the addressee's last-known address. Said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to 271.630, and the assessment roll and certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings. Unless otherwise directed by the Council, in the case of such a collection, the City Treasurer shall determine whether to cause the whole amount of the unpaid assessment with respect to such property to be immediately due and payable. If any such collection is not promptly enforced by the City, any bondholder may file and prosecute a foreclosure action in the name of the City. Any bondholder may also proceed against the City to protect and enforce the rights of the owners of the Bonds under this Ordinance and the Act by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in the Act or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as such bondholder may deem most effectual to protect and enforce the rights aforesaid. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the Bonds then outstanding. The failure of the bondholders so to foreclose upon the property which is the subject of such delinquent assessments or so to proceed against the City, or both, shall not relieve the City or any of its officers, agents or employees of any duty so to take the actions hereinabove set forth.

Section 8. The City Clerk is hereby directed to deliver to the County Assessor, the County Recorder and the City Treasurer, a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner against whom the assessment was made, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the assessment roll as provided in this Section, nor any defect in the roll as recorded shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien. The City

Treasurer is hereby directed to collect the amounts assessed as a tax upon the lots, tracts and parcels of land to which they were assessed.

Section 9. In accordance with NRS 271.390(2), the City Clerk shall give written notice of the levy of assessments by mailing a copy of such notice, postage prepaid, either before or promptly after the effective date of this Ordinance, to the owners of all property upon which the assessment was levied at their last-known addresses. Proof of such mailing shall be made by the affidavit of the City Clerk, provided, however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and all Bonds shall have been paid in full, as to both principal and interest, or until any claim is barred by an appropriate statute of limitations. The Council hereby determines that the manner of giving notice herein provided by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 10. The notice provided for in NRS 271.390(2) and in Section 9 of this Ordinance shall be in substantially the following form:

(Form of Notice)

**NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR
IMPROVEMENTS IN THE CITY OF LAS VEGAS, NEVADA,
SPECIAL IMPROVEMENT DISTRICT NO. 609
(SKYE CANYON)**

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied that, by an ordinance duly passed, adopted, signed and approved on September 6, 2017 (the "Ordinance"), there were levied and assessed against the lots, tracts and parcels of land specially benefited by the local improvements in what is designated as the "City of Las Vegas, Nevada, Special Improvement District No. 609 (Skye Canyon)" (said lots, tracts and parcels of land being more specifically described in the assessment roll designated in the Ordinance), the costs and expenses of such improvements.

The assessments are payable at the times and in the amounts specified in the Ordinance. Failure to pay any installment, whether of principal or interest, when due shall cause the whole amount of the unpaid principal of such assessment to become due and payable immediately at the option of the City, the exercise of said option shall be indicated by the commencement of sale proceedings by the City. The whole amount of the unpaid principal and the interest that has accrued thereon shall, commencing fifteen (15) days after the date on which the delinquent installment became due, whether or not the option to accelerate the due date for the payment of the unpaid principal is exercised, bear a penalty at the rate of 2% (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of the foreclosure sale or until paid; provided that, at any time prior to the day of such sale, the owner of any such lot or parcel may pay the aggregate amount of all of the delinquent installments originally becoming due on or before the date of said payment, with accrued interest thereon and all penalties and costs of collection accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if a default had not been suffered.

Pursuant to NRS 271.395, within 15 days after the effective date of the Ordinance, any person who has filed a complaint, protest or objection in writing may commence an action or suit in any court of competent jurisdiction to correct or set aside such determination.

Thereafter all actions or suits attacking the regularity, validity and correctness of the proceedings, of the assessment roll, of each assessment contained in the assessment roll, and of the amount of the assessment levied on each lot, tract and parcel of land including without limiting the generality of the foregoing, the defense of confiscation, are perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from September 10, 2017, which lien shall be coequal with the latest lien thereon to secure the payment of general (ad valorem) taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general (ad valorem) taxes). The sale of any such lot, tract or parcel of land for general (ad valorem) taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

DATED this September 6, 2017.

Section 12. All ordinances, bylaws, resolutions and orders, or parts thereof, in conflict with the provisions of this Ordinance are hereby repealed to the extent only of such inconsistency.
