9 read as follows:

10 **A. Intent**

11 The intent of the Downtown [Centennial Plan] Las Vegas Overlay District is to establish special [design]

18 exempt from the automatic application of the mandatory maximum building height, required building  
19 setback, maximum lot coverage, residential adjacency, standard landscaping requirements, and standard  
20 parking requirements in this Title. However, the exemption does not prohibit City staff, the Planning  
21 Commission, and the City Council from imposing limitations on the approval of a Site Development Plan.  
22 Site Development Plan applications within such Area 1 of the Downtown [Centennial Plan] Las Vegas  
23 Overlay District shall be evaluated on a case-by-case basis to determine the extent to which those standards  
24 shall be required.

25 SECTION 9: Title 19, Chapter 10, Section 110, Figure 1, referring to Downtown  
26 Centennial Plan Overlay District Maps, is hereby replaced with a new Figure 1, referring to the Downtown

1 Las Vegas Overlay District Map.

2 SECTION 10: Title 19, Chapter 10, Section 110, Figure 2, referring to the Las Vegas  
3 Downtown Centennial Plan, is hereby deleted.

4 SECTION 11: Title 19, Chapter 10, Section 160, Subsection (C), Paragraph (1), is hereby  
5 amended to read as follows:

6 **1. Relationship to Other Provisions.** Standards governing signs located within the boundaries of the  
7 SB-O District are intended to be the most restrictive. Except as otherwise modified, required or prohibited

10 a. All applicable standards and procedures in this Title; and

12 irrespective of where in the Las Vegas Boulevard Scenic Byway Overlay District the signage will be  
13 located. The provisions of LVMC 19.10.100(D) (8) shall apply to supergraphic signage within the SB-O  
14 District.

15 [For signage on properties that are not located within the boundaries of the DCP-O Downtown Centennial

18 standards set forth in Paragraphs (2) through (4) below.]

19 SECTION 12: Title 19, Chapter 12, Section 70, is hereby amended by amending the  
20 Minimum Special Use Permit Requirements for the use "Liquor Establishment (Tavern)" to read as  
21 follows:

22 **Minimum Special Use Permit Requirements:**

23 \*1. Pursuant to its general authority to regulate the sale of alcoholic beverages, the City Council declares  
24 that the public health, safety and general welfare of the City are best promoted and protected by generally  
25 requiring both a minimum separation between liquor establishments (tavern), and a minimum separation  
26 between a liquor establishment (tavern) and certain other uses that should be protected from the impacts

1 associated with a liquor establishment (tavern). Therefore, except as otherwise provided below, no liquor  
2 establishment (tavern) may be located within 1500 feet of any other liquor establishment (tavern),  
3 church/house of worship, school, individual care center licensed for more than 12 children, or City park.

4 \*2. The distance separation referred to in Requirement 1 shall be measured with reference to the shortest  
5 distance between two property lines, one being the property line of the proposed liquor establishment  
6 (tavern) which is closest to the existing use to which the measurement pertains, and the other being the  
7 property line of that existing use which is closest to the proposed liquor establishment (tavern). The  
8 distance shall be measured in a straight line without regard to intervening obstacles.

9 \*3. For the purpose of Requirement 2, and for that purpose only:

10 a. The "property line" of a protected use refers to the property line of a fee interest parcel that has  
11 been created by an approved and recorded parcel map or subdivision map, and does not include the  
12 property line of a leasehold parcel; and

13 b. The "property line" of a liquor establishment (tavern) refers to:

14 i. The property line of a parcel that has been created by an approved and recorded parcel  
15 map or commercial subdivision map; or

16 ii. The property line of a parcel that is located within an approved and recorded commercial  
17 subdivision and that has been created by a record of survey or legal description, if:

18 A. Using the property line of that parcel for the purpose of measuring the distance  
19 separation referred to in Requirement 1 would qualify the parcel under the distance separation requirement;

20 B. The proposed liquor establishment (tavern) will have direct access (both ingress  
21 and egress) from a street having a minimum right-of-way width of 100 feet. The required access may be  
22 shared with a larger development but must be located within the property lines of the parcel on which the  
23 proposed liquor establishment (tavern) will be located;

24 C. All parking spaces required by this Subchapter 19.12.070 for the liquor  
25 establishment (tavern) use will be located on the same parcel as the use; and

26 D. The owners of all parcels within the commercial subdivision, including the owner

1 of agreement, satisfactory to the City Attorney, that provides for perpetual, reciprocal cross-access, ingress  
2 and egress throughout the commercial subdivision.

3 4. The distance separation requirement set forth in Requirement 1 does not apply to an establishment  
4 which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or  
5 before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1,  
6 1992.

7 5. The distance separation requirement set forth in Requirement 1 may be waived in accordance with  
8 the provisions of LVMC 19.12.050(C), but only in connection with a proposed liquor establishment  
9 (tavern) that:

10 a. Will be located on a parcel within the C-V District, the [Parkway Center District within the  
11 Downtown Centennial Plan,] Market District or Symphony Park District as shown in Figure 3 of the  
12 Development Standards adopted in LVMC 19.10.110(B), the Gaming Enterprise Overlay District, or the  
13 Downtown Casino Overlay District;

14 b. Will be located on a parcel or within a building that, pursuant to State law or City ordinance,  
15 has been designated as an historic property, historic building, or landmark;

16 c. Will be located within a regional mall; or

17 d. Will be located within a mixed-use development:

18 i. That has been approved by means of Special Use Permit pursuant to LVMC Chapters  
19 19.12 and 19.16;

20 ii. That has a minimum net site area of 15 acres; and

21 iii. Whose gross floor area of nonresidential space is a minimum of 250,000 square feet; or

22 e. Will be separated from the existing use by a street or highway with a minimum right-of-way  
23 width of 100 feet.

24 \*6. The use shall conform to, and is subject to, the provisions of LVMC Chapters 6.40 and 6.50.

25 SECTION 13: Title 19, Chapter 12, Section 70, is hereby amended by amending the  
26 Minimum Special Use Permit Requirements for the use "Nightclub" to read as follows:

**Minimum Special Use Permit Requirements:**

\*1. Because the primary operations of a nightclub are that of preparing and serving alcoholic beverages for immediate on-premises consumption and the provision of live entertainment, the City Council declares that the public health, safety and general welfare of the City are best promoted and protected by generally requiring a minimum separation between a nightclub and other uses that should be protected from the impacts associated with a nightclub. Therefore, except as otherwise provided below, no nightclub may be located within 1500 feet of a church, synagogue, school, child care facility licensed for more than 12 children or City park.

\*2. A person that desires to operate a nightclub shall obtain both a nightclub land use entitlement as well as any necessary land use entitlement for the service of alcohol for on-premises consumption. A person lawfully operating a nightclub as defined by this section and LVMC 6.39, prior to December 1, 2014, is not required to obtain a special use permit for the continued operation of such nightclub use. Real property entitled for a nightclub pursuant to this Code shall have no specific spacing requirements between other nightclubs. However, as the nightclub entitlement is a separate and distinct from any land use entitlement permitting the service of alcohol for on-premises consumption, this provision shall not act to waive or otherwise diminish the specific spacing requirements between uses entitled for the service of alcohol for on-premise consumption.

\*3. The distance separation referred to in Requirement 1[,] above[,] and Requirement 8[,] below[,] shall be measured with reference to the shortest distance between two property lines, one being the property line of the proposed nightclub which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed nightclub. The distance shall be measured in a straight line without regard to intervening obstacles.

\*4. For the purpose of Requirement [2,] 3, and for that purpose only:

a. The "property line" of a protected use refers to the property line of a fee interest parcel that has been created by an approved and recorded parcel map or subdivision map, and does not include the property line of a leasehold parcel; and

- 1       b.    The “property line” of a nightclub refers to:
- 2           i.    The property line of a parcel that has been created by an approved and recorded parcel
- 3 map or commercial subdivision map; or
- 4           ii.   The property line of a parcel that is located within an approved and recorded commercial
- 5 subdivision and that has been created by a record of survey or legal description, if:
- 6               A.   Using the property line of that parcel for the purpose of measuring the distance
- 7 separation referred to in Requirement 1 would qualify the parcel under the distance separation requirement;
- 8               B.   The proposed nightclub will have direct access (both ingress and egress) from a
- 9 street having a minimum right-of-way width of 100 feet. The required access may be shared with a larger
- 10 development but must be located within the property lines of the parcel on which the proposed nightclub
- 11 will be located;
- 12               C.   All parking spaces required by this Section 19.12.070 for the nightclub will be
- 13 located on the same parcel as the use; and
- 14               D.   The owners of all parcels within the commercial subdivision, including the owner
- 15 of the nightclub parcel, sign an agreement, satisfactory to the City Attorney, that provides for perpetual,
- 16 reciprocal cross-access, ingress and egress throughout the commercial subdivision.
- 17 5.    The distance separation requirement set forth in Requirement 1 does not apply to an establishment
- 18 which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or
- 19 before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1,
- 20 1992.
- 21 6.    The distance separation requirement set forth in Requirement 1 may be waived in accordance with
- 22 the provisions of LVMC 19.12.050(C) under the following circumstances:
- 23       a.    In connection with a proposed nightclub that will be located on a parcel within the C-V
- 24 District[.]; the [Parkway Center District or the Office Core District within the Downtown Centennial Plan
- 25 Overlay District,] Market District or Symphony Park District as shown in Figure 3 of the Development
- 26 Standards adopted in LVMC 19.10.110(B); the Gaming Enterprise Overlay District[.]; the Fremont East

Entertainment District[.]; the 18b Arts District or the Downtown Casino Overlay District; [or]

b. In connection with a proposed nightclub to be located on a parcel within that certain area formerly identified as the Office Core District, described as the area bounded on the north by the centerline of Bridger Avenue, on the east by the centerline of 6<sup>th</sup> Street, on the south by the centerline of Garces Avenue, and on the west by the eastern edge of the Union Pacific Railroad right-of-way line; or

[b.] c. In connection with a proposed nightclub that will be located within an establishment which has a non-restricted gaming license and is not exempted pursuant to [paragraph] Paragraph 5.

7. The use shall conform to, and is subject to, the provisions of LVMC Chapter 6.50.

\*8. No nightclub may be located within 500 feet of any single family dwelling unless:

a. The parcel on which the nightclub will be located is adjacent to Las Vegas Boulevard between Charleston Boulevard and Fremont Street;

b. The parcel has a minimum net site area of 0.25 acres; and

c. The nightclub use will be located within a building that has a minimum of 5000 square feet of gross floor area dedicated to the use.

9. Alcohol service is only permitted in conjunction with the following Title 6 alcoholic beverage licenses: Beer and Wine Room, Tavern, Tavern-Limited and Urban Lounge.

SECTION 14: Title 19, Chapter 12, Section 70, is hereby amended by amending the Minimum Special Use Permit Requirements for the use "Sexually Oriented Business" to read as follows:

**Conditional Use Regulations:**

1. No person shall cause or permit the establishment of any sexually oriented business in an area zoned other than C-M or M. In addition, no person shall cause or permit the establishment of any sexually oriented business within 1000 feet of any other sexually oriented business, church/house of worship, public or private school, individual care facility for children, teen dance center, park or playground. The distance shall be the shortest distance between two property lines, one being the property line of the proposed sexually oriented business which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed sexually oriented

1 business. The distance shall be measured in a straight line without regard to intervening obstacles. For  
2 purposes of this [paragraph,] Paragraph, the term "property line" refers to property lines of fee interest  
3 parcels and not leasehold parcels.

4 2. Except as otherwise provided in Regulations 4, 5 and 6, the "establishment" of a sexually oriented  
5 business includes the opening of such business as a new business, the relocation of such business, the  
6 enlargement of such business in either scope or area or the conversion of an existing business location to  
7 any sexually oriented business.

8 3. Any person establishing a sexually oriented business must first file with the Department the name  
9 and address of the business and the type of sexually oriented business to be conducted.

10 4. Any business existing as of September 16, 1992, that is made nonconforming by the provisions of  
11 Ordinance 3674 shall be permitted to remain in operation. However, except as otherwise provided in  
12 Regulation 6:

13 a. No such business may be increased, enlarged, extended or altered, except to change the use to a  
14 conforming use; and

15 b. If any such business is terminated or is abandoned for a period of at least 30 days, any future  
16 use of the property shall conform to the provisions of Ordinance 3674.

17 5. Except as otherwise provided in this Regulation and Regulation 6, the provisions of Regulations 3  
18 and 4 above and the provisions of LVMC Chapter 19.14 shall apply to sexually oriented businesses.  
19 However, any existing sexually oriented business located in the M Zoning District that was made  
20 nonconforming as to a separation requirement by either of the following circumstances shall be deemed a  
21 conforming use for purposes of expansion, enlargement or alteration:

22 a. The adoption of a different method of measuring distance; or

23 b. The intervening establishment within the required separation area of either a protected use or  
24 another sexually oriented business.

25 Any such business shall continue to be subject to the provisions regarding discontinuation and removal that  
26 are set forth in LVMC 19.14.030(A)(4) and 19.14.040, respectively.

1 6. The provisions of Regulation 4 and the provisions of Chapter 19.14 that prohibit the expansion,  
2 enlargement or alteration of an existing use as described in those provisions shall not apply to an existing  
3 nude show or adult emporium located within [the Downtown Centennial Plan area, as described in  
4 Ordinance No. 6051 and as amended from time to time,] Area 1 of the Downtown Las Vegas Overlay

8 contained entirely on the same legally-created parcel on which the use presently exists.

9 b. The expansion, enlargement or alteration must be approved by means of a Major Site  
10 Development Plan Review pursuant to LVMC 19.16.100(G).

11 c. Except as otherwise provided in Paragraph (d), the discontinuation and abandonment  
12 provisions of LVMC 19.14.030(A) shall continue to apply.

13 d. For a use that is discontinued for purposes of expansion, enlargement or alteration, or in  
14 connection with a foreclosure proceeding, the use shall not be considered terminated or abandoned.  
15 However, the building permit or permits necessary to accomplish such expansion, enlargement or alteration  
16 must be obtained within 18 months after operations cease and the permits must be exercised completely  
17 before they expire. Otherwise, the use shall be deemed abandoned, the nonconforming status lost, and the  
18 future use of the property must comply with current zoning requirements.

19 e. For purposes of this Regulation 6, the expansion, enlargement or alteration of a use includes  
20 the rebuilding or replacement of the building or buildings associated with the use.

21 7. Nothing in this Title pertaining to sexually oriented businesses is intended to make legal any business  
22 or activity that is expressly declared illegal under any other provisions of the Municipal Code or under any  
23 State or Federal laws.

24 8. The Special Use Permit provisions of LVMC 19.12.040(B) do not apply to a sexually oriented  
25 business.

26 SECTION 14.5: Title 19, Chapter 12, Section 70, is hereby amended by amending the

1 Minimum Special Use Permit Requirements for the use “Urban Lounge” to read as follows:

6 2. For each seat provided at the bar of the establishment, there must be a minimum of 2 seats within a  
7 lounge area located away from the bar.

8 3. The use is subject to the provisions of LVMC Chapter 6.40 relating to gaming and LVMC Chapter  
9 6.50 relating to liquor control.

10 SECTION 15: Title 19, Chapter 16, Section 270, Subsection (D), Paragraph (2),  
11 Subparagraph (a), is hereby amended to read as follows:

13 Title, or establish sign requirements and limitations that are more restrictive than those set forth in this Title  
14 and that are consistent with the standards and criteria set forth in the following Subparagraphs (b) through

22 the intent of the Vision 2045 Downtown Master Plan.

23 SECTION 25: If any section, subsection, subdivision, paragraph, sentence, clause or

26 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the City

1 of Las Vegas hereby declares that it would have passed each section, subsection, subdivision, paragraph,  
2 sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections,
