10 **Minimum Special Use Permit Requirements:**

11 *1. Pursuant to its general authority to regulate the sale of alcoholic beverages, the City Council declares
12 that the public health, safety and general welfare of the City are best promoted and protected by generally
13 requiring both a minimum separation between liquor establishments (tavern), and a minimum separation
14 between a liquor establishment (tavern) and certain other uses that should be protected from the impacts
15 associated with a liquor establishment (tavern). Therefore, except as otherwise provided below, no liquor
16 establishment (tavern) may be located within 1500 feet of any other liquor establishment (tavern),
17 church/house of worship, school, individual care center licensed for more than 12 children, or City park.

18 *2. The distance separation referred to in Requirement 1 shall be measured with reference to the shortest
19 distance between two property lines, one being the property line of the proposed liquor establishment (tavern)
20 which is closest to the existing use to which the measurement pertains, and the other being the property line
21 of that existing use which is closest to the proposed liquor establishment (tavern). The distance shall be
22 measured in a straight line without regard to intervening obstacles.

23 *3. For the purpose of Requirement 2, and for that purpose only:

24 a. The "property line" of a protected use refers to the property line of a fee interest parcel that has
25 been created by an approved and recorded parcel map or subdivision map, and does not include the property
26 line of a leasehold parcel; and

1 b. The “property line” of a liquor establishment (tavern) refers to:

2 i. The property line of a parcel that has been created by an approved and recorded parcel
3 map or commercial subdivision map; or

4 ii. The property line of a parcel that is located within an approved and recorded commercial
5 subdivision and that has been created by a record of survey or legal description, if:

6 A. Using the property line of that parcel for the purpose of measuring the distance
7 separation referred to in Requirement 1 would qualify the parcel under the distance separation requirement;

8 B. The proposed liquor establishment (tavern) will have direct access (both ingress and
9 egress) from a street having a minimum right-of-way width of 100 feet. The required access may be shared
10 with a larger development but must be located within the property lines of the parcel on which the proposed
11 liquor establishment (tavern) will be located;

12 C. All parking spaces required by this Subchapter 19.12.070 for the liquor
13 establishment (tavern) use will be located on the same parcel as the use; and

14 D. The owners of all parcels within the commercial subdivision, including the owner
15 of agreement, satisfactory to the City Attorney, that provides for perpetual, reciprocal cross-access, ingress
16 and egress throughout the commercial subdivision.

17 4. The distance separation requirement set forth in Requirement 1 does not apply to an establishment
18 which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or
19 before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1,
20 1992.

21 5. The distance separation requirement set forth in Requirement 1 may be waived in accordance with the
22 provisions of LVMC 19.12.050(C), but only in connection with a proposed liquor establishment (tavern)
23 that:

24 a. Will be located on a parcel within the C-V District, the Market District or Symphony Park
25 District as shown in Figure 3 of the Development Standards adopted in LVMC 19.10.110(B), the Gaming
26 Enterprise Overlay District, or the Downtown Casino Overlay District;

- b. Will be located on a parcel or within a building that, pursuant to State law or City ordinance, has been designated as an historic property, historic building, or landmark;
- c. Will be located within a regional mall; or
- d. Will be located within a mixed-use development:
- i. That has been approved by means of Special Use Permit pursuant to LVMC Chapters 19.12 and 19.16;
- ii. That has a minimum net site area of 15 acres; and
- iii. Whose gross floor area of nonresidential space is a minimum of 250,000 square feet; or
- e. Will be separated from the existing use by a street or highway with a minimum right-of-way width of 100 feet; [or]
- f. Will have a general on-sale alcoholic beverage license operated in conjunction with an establishment listed in LVMC 6.50.060[.]; or
- g. Will have a tavern-restricted alcoholic beverage license pursuant to LVMC 6.50.253.

*6. The use shall conform to, and is subject to, the provisions of LVMC Chapters 6.40 and 6.50.

SECTION 9: Title 19, Chapter 12, Section 70, is hereby amended by amending the entry for the use "Nightclub" so that the Conditional Use Regulations for that use read as follows:

Conditional Use Regulations:

1. Because the primary operations of a nightclub often include preparing and serving alcoholic beverages for immediate on-premises consumption and the provision of live entertainment, the City Council declares that the public health, safety and general welfare of the City are best promoted and protected by generally requiring a minimum separation between a nightclub and other uses that should be protected from the impacts associated with a nightclub. Therefore, except as otherwise provided below, no nightclub may be located within 1500 feet of a church, synagogue, school, [child care facility] individual care center licensed for more than 12 children or City park.

2 required to obtain a special use permit for the continued operation of such nightclub use. Real property
3 entitled for a nightclub pursuant to this Code shall have no specific spacing requirements between other
4 nightclubs. However, as the nightclub entitlement is a separate and distinct from any land use entitlement
5 permitting the service of alcohol for on-premises consumption, this provision shall not act to waive or
6 otherwise diminish the specific spacing requirements between uses entitled for the service of alcohol for on-
7 premise consumption.

8 3. The distance separation referred to in [Requirement] Regulation 1 above and [Requirement] Regulation
9 7 below shall be measured with reference to the shortest distance between two property lines, one being the
10 property line of the proposed nightclub which is closest to the existing use to which the measurement pertains,
11 and the other being the property line of that existing use which is closest to the proposed nightclub. The
12 distance shall be measured in a straight line without regard to intervening obstacles.

13 4. For the purpose of [Requirement] Regulation 3, and for that purpose only:

14 a. The “property line” of a protected use refers to the property line of a fee interest parcel that has
15 been created by an approved and recorded parcel map or subdivision map, and does not include the property
16 line of a leasehold parcel; and

17 b. The “property line” of a nightclub refers to:

18 i. The property line of a parcel that has been created by an approved and recorded parcel
19 map or commercial subdivision map; or

20 ii. The property line of a parcel that is located within an approved and recorded commercial
21 subdivision and that has been created by a record of survey or legal description, if:

22 A. Using the property line of that parcel for the purpose of measuring the distance
23 separation referred to in [Requirement] Regulation 1 would qualify the parcel under the distance separation
24 requirement;

25 B. The proposed nightclub will have direct access (both ingress and egress) from a
26 street having a minimum right-of-way width of 100 feet. The required access may be shared with a larger

development but must be located within the property lines of the parcel on which the proposed nightclub will be located;

C. All parking spaces required by this Section 19.12.070 for the nightclub will be located on the same parcel as the use; and

D. The owners of all parcels within the commercial subdivision, including the owner of the nightclub parcel, sign an agreement, satisfactory to the City Attorney, that provides for perpetual, reciprocal cross-access, ingress and egress throughout the commercial subdivision.

5. The distance separation requirement set forth in [Requirement] Regulation 1 does not apply to an establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992.

6. The use shall conform to, and is subject to, the provisions of LVMC Chapter 6.50.

7. Except as otherwise provided in [Requirement] Regulation 8 below, no nightclub may be located within 500 feet of any single family dwelling.

8. The distance separation requirement set forth in [Requirement] Regulation 7 does not apply to:

a. An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992.

b. A nightclub located within the boundaries of the Downtown Entertainment Overlay District or within the boundaries of the Pedestrian Mall as defined by LVMC Chapter 11.68.

c. A nightclub that meets all the following criteria:

i. Is located within a building that has a minimum of 5000 square feet of gross floor area dedicated to the nightclub use.

ii. Is located on a parcel with a minimum net site area of 0.25 acres; and

9. Alcohol service is only permitted in conjunction with the following Title 6 alcoholic beverage licenses:
Beer and Wine Room, Tavern, Tavern-Limited, General On-Sale and Urban Lounge.

SECTION 10: Title 19, Chapter 12, Section 70, is hereby amended by amending the entry

Real property entitled for a nightclub pursuant to this Code shall have no specific spacing requirements between other nightclubs. However, as the nightclub entitlement is a separate and distinct from any land use entitlement permitting the service of alcohol for on-premises consumption, this provision shall not act to waive or otherwise diminish the specific spacing requirements between uses entitled for the service of alcohol for on-premise consumption.

*3. The distance separation referred to in Requirement 1 above and Requirement 8 below shall be measured with reference to the shortest distance between two property lines, one being the property line of the proposed nightclub which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed nightclub. The distance shall be measured in a straight line without regard to intervening obstacles.

1 *4. For the purpose of Requirement 3, and for that purpose only:

17 located on the same parcel as the use; and

18 D. The owners of all parcels within the commercial subdivision, including the owner

22 which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or
23 before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1,
