The Bonds shall mature on the dates and in the amounts set forth in the Certificate of the Chief Financial Officer.

The principal of and redemption premium, if any, on any Bond shall be payable to the registered owner thereof as shown on the registration records kept by the Registrar, upon maturity or prior redemption thereof and upon presentation and surrender at the office of the Paying Agent. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the interest rate borne by said Bond until the principal thereof is paid in full. Except as otherwise provided in Section 18 hereof, payment of interest on any Bond shall be made to the registered owner thereof by check or draft mailed by the Paying Agent, on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), to the registered owner thereof, at his or her address as shown on the registration records kept by the Registrar as of the close of business on the 15th day of the calendar month next preceding each interest payment date (other than a special interest payment date hereafter fixed for payment of defaulted interest) (the "Regular Record Date"); but any such interest not so timely paid or duly provided for shall cease to be payable to the owner thereof as shown on the registration records of the Registrar as of the close of business on the Regular Record Date and shall be payable to the owner thereof, at his or her address, as shown on the registration records of the Registrar as of the close of business on a date fixed to determine the names and addresses of owners for the purpose of paying defaulted interest (the "Special Record Date"). Such Special Record Date shall be fixed by the Paying Agent whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the

owners of the Bonds not less than ten days prior thereto by electronic mail or otherwise to each such owner as shown on the Registrar's registration records as of a date selected by the Registrar, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the owner of such Bond and the Paying Agent. All such payments shall be made in lawful money of the United States of America without deduction for any service charges of the Paying Agent or Registrar.

SECTION 14. Prior Redemption; Partial Redemption.

A. Optional Redemption or Prepayment. The Bonds, or portions thereof (\$5,000 or any integral multiple thereof), maturing on and after the date set forth in the Certificate of Chief Financial Officer, if any, shall be subject to redemption prior to their respective maturities, at the option of the City as directed by the Chief Financial Officer, on and after the date set forth in the Certificate of Chief Financial Officer, in whole or in part at any time, from such maturities as are selected by the City as directed by the Chief Financial Officer, and on a pro rata basis within a maturity as described below in paragraph (E) of this Section, at a price equal to the principal amount of each Bond, or portion thereof, to be so redeemed, plus accrued interest thereon to the redemption date, and a premium, if any, computed in accordance with the schedule set forth in the Certificate of Chief Financial Officer.

B. Mandatory Redemption. The Bonds maturing on the dates specified in the Certificate of Chief Financial Officer, if any (the "Term Bonds"), shall be subject to mandatory sinking fund redemption at a redemption price equal to 100% of the principal amount thereof and accrued interest to the redemption date. As and for a sinking fund for the redemption of the Term Bonds, there shall be deposited into the Principal Fund on or before the principal payment dates, of the years set forth in the Certificate of the Chief Financial Officer, a sum which, together with other moneys available in the Principal Fund, is sufficient to redeem (after credit is provided below) on the dates and in the principal amounts of the Term Bonds as set forth in the Certificate of the Chief Financial Officer plus accrued interest to the redemption date. Term Bonds being redeemed in part will be selected by lot in such manner as the Registrar may determine.

Not more than sixty days nor less than thirty days prior to the sinking fund payment dates for the Term Bonds, the Registrar shall proceed to select for redemption (by lot or in such other manner as the Registrar may determine) from all Outstanding Term Bonds, a principal amount of the Term Bonds equal to the aggregate principal amount of the Term Bonds redeemable with the required sinking fund payments, and shall call such Term Bonds or portions thereof for redemption from the sinking fund on the next principal payment date, and give notice of such call as provided in Section 15 of this Ordinance.

At the option of the City to be exercised by delivery of a written certificate to the Registrar not less than sixty days next preceding any sinking fund redemption date, it may (i) deliver to the Registrar for cancellation Term Bonds, or portions thereof (\$5,000 or any integral multiple thereof) in an aggregate principal amount desired by the City or, (ii) specify a principal amount of Term Bonds, or portions thereof (\$5,000 or any integral multiple thereof) which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Registrar and not theretofore applied as a credit against any sinking fund redemption obligation.

Each Term Bond or portions thereof so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the City on the sinking fund redemption dates and any excess shall be so credited against future sinking fund redemption obligations in such manner as the City determines. In the event the City shall avail itself of the provisions of clause (i) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the respective Term Bonds or portions thereof to be canceled or in the event the Bonds are registered in the name of Cede & Co. as provided in Section 18 of this Ordinance, the certificate required by the first sentence of this paragraph shall be accompanied by such direction and evidence of ownership as is satisfactory to The Depository Trust Company.

C. Partial Redemption. In the case of Bonds in a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any integral multiple thereof) may be redeemed, in which case the Registrar shall, except as otherwise provided in Section 18 hereof, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof. In the case of a partial redemption of Bonds of a single maturity pursuant to Subsections A or B of this Section, the Paying Agent shall select the Bonds to be redeemed by lot at such time as directed by the City (but at least 30 days prior to the redemption date), and if such selection is more than 60 days before a redemption date, except as otherwise provided in Section 18 hereof, shall direct the Registrar to appropriately identify the Bonds so called for redemption by stamping them at the time any Bond so selected for redemption is presented to the Registrar for stamping or for transfer or exchange, or by such other method of identification as deemed adequate by the Registrar, and any Bond or Bonds issued in exchange for, or to replace, any Bond or Bonds so called for prior redemption shall likewise be stamped or otherwise identified.

SECTION 15. Notice of Redemption. Unless waived by any owner of Bonds to be redeemed for purchase, official notice of any such redemption shall be given by the Registrar, on behalf of the City, by electronic mail as long as Cede & Co. or a nominee of a successor depository is the registered owner of the Bonds, and otherwise by first-class, postage prepaid mail, at least 20 days but not more than 60 days prior to the redemption date, to the registered owner of any Bond all or a part of which is called for redemption at the address as it last appears on the registration records kept by the Registrar, and electronically to the Municipal Securities Rulemaking Board via its Electronic Municipal Market Access system ("MSRB"). Actual receipt of notice by any owner of Bonds shall not be a condition precedent to redemption of such Bond or Bonds. Failure to give such notice to the MSRB or the registered owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any other Bonds. A certificate by the Registrar that such notice has been given as herein provided shall be conclusive against all parties.

All official notices of redemption shall be dated and shall state:

- (1) the redemption date,
- (2) the purchase prices,
- (3) the identification by maturity (and, in the case of partial redemption of a maturity, other appropriate identification) of the Bonds to be redeemed,

(4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and

(5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Paying Agent (accrued interest to the redemption date being payable by mail or as otherwise provided in this Ordinance).

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be canceled and destroyed by the Registrar and shall not be reissued.

Notwithstanding the provisions of this section, any notice of redemption may contain a statement that the redemption is conditional upon receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be cancelled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed.

SECTION 16. Negotiability. The Bonds shall be fully negotiable within the meaning of and for the purpose of the Uniform Commercial Code - Investment Securities and each owner shall possess all rights enjoyed by holders of negotiable instruments under the Uniform Commercial Code - Investment Securities.

SECTION 17. Registration, Transfer and Exchange of Bonds. Except as otherwise provided in Section 18 hereof:

A. Records for the registration and transfer of the Bonds shall be kept by the Registrar. Upon the surrender of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Registrar duly executed by the owner or his or her attorney duly authorized in writing, the Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. Bonds may be exchanged at the Registrar for an equal aggregate principal amount of Bonds of the same maturity of other authorized denominations, as provided in Section 13 hereof. The Registrar shall authenticate and deliver a Bond or Bonds which the owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. For every exchange or transfer of Bonds requested by the owner thereof, the Registrar may make a sufficient charge to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and may charge

a sum sufficient to pay the cost of preparing and authenticating a new Bond. No such charge shall be levied in the case of an exchange resulting from an optional prior redemption of a bond.

B. The Registrar shall not be required to transfer or exchange (i) any Bond subject to redemption during a period beginning at the opening of business fifteen (15) days before the date of mailing by the Registrar of a notice of prior redemption of Bonds and ending at the close of business on the date of such mailing, or (ii) any Bond, or any portion thereof, after the mailing of such notice as herein provided.

C. The person in whose name any Bond shall be registered, on the registration records kept by the Registrar, shall be deemed and regarded as the absolute owner thereof for the purpose of payment and for all other purposes (except to the extent otherwise provided in Section 13 hereof with respect to interest payments); and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the owner thereof or his or her legal representative. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

D. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it or the City may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed, or mutilated Bond shall have matured or shall have been called for redemption, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

E. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled by the Paying Agent or Registrar, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or Registrar to the Council, upon request.

SECTION 18. Custodial Deposit.

A. Notwithstanding the foregoing provisions of Sections 13 to 17 hereof, the Bonds shall initially be evidenced by one Bond for each year in which the Bonds mature in denominations equal to the aggregate principal amount of the Bonds maturing in that year or, in the case of the Bonds subject to mandatory sinking fund redemption, the Bonds shall initially be evidenced by one Bond for each term in denominations equal to the aggregate principal amount of the Bonds maturing in that term. Such initially delivered Bonds shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company, the securities depository for the Bonds. The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a "clearing corporation" as defined in NRS 104.8102, and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or this clause (2) of this Subsection A, or a determination by the

City that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the designation by the City of another depository institution acceptable to the depository then holding the Bonds, which new depository institution must be both a "clearing corporation" as defined in NRS 104.8102 and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor or new depository;

(3) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or clause (2) of this Subsection A, or a determination by the City that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the failure by the City, after reasonable investigation, to locate another qualified depository institution under clause (2) to carry out such depository functions.

B. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) of Subsection A hereof or designation of a new depository pursuant to clause (2) of Subsection A hereof, upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, a new Bond for each maturity or, in the case of the Bonds subject to mandatory sinking fund redemption, for each term of the Bonds then Outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of Subsection A hereof and the failure after reasonable investigation to locate another qualified depository institution for the Bonds as provided in clause (3) of Subsection A hereof, and upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, new Bonds shall be issued in the denominations of \$5,000 or any integral multiple thereof, as provided in and subject to the limitations of Section 13 hereof, registered in the names of such persons, and in such denominations as are requested in such written transfer instructions; however, the Registrar shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. The City, the Registrar and the Paying Agent shall be entitled to treat the registered owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the City, the Registrar and the Paying Agent shall have no responsibility for transmitting payments or notices to the beneficial owners of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to Subsection A hereof.

D. The City, the Registrar and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of Subsection A hereof in effectuating payment of the Bond Requirements of the Bonds by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

E. Upon any partial redemption of any maturity of the Bonds, Cede & Co. (or its successor) in its discretion may request the City to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except

in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment.

SECTION 19. Execution and Authentication.

A. Prior to the execution of any Bonds by facsimile signature and pursuant to § 350.638, Bond Act, to the act known as the Uniform Facsimile Signatures of Public Officials Act, cited as Chapter 351, NRS, and to the Supplemental Bond Act, the Mayor of the City (the "Mayor"), the City Treasurer (the "Treasurer") and the City Clerk (the "Clerk") shall each file with the Secretary of State of Nevada his or her manual signature certified by him or her under oath.

SECTION 20. Incontestable Recital. Pursuant to Section 350.628 of the Bond Act, the Bonds shall contain a recital that they are issued pursuant to the Bond Act, which recital shall be conclusive evidence of the validity of the Bonds and the regularity of their issuance.

SECTION 22. Bond Form. Subject to the provisions of this Ordinance, the Bonds shall be in substantially the following form, with such omissions, insertions, endorsements, and variations as may be required by the circumstances, be required or permitted by this Ordinance, or be consistent with this Ordinance and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

If this Bond is not paid upon presentation at its maturity, interest at the rate specified above shall continue to be borne hereby until the principal hereof is discharged as provided in the Ordinance.

This Bond is one of a series of Bonds issued by the City upon its behalf and upon the credit thereof, for the purpose of defraying wholly or in part the cost of refunding certain obligations previously issued to finance various capital improvement projects described in NRS chapter 268 (the "Project"), under the authority of and in full compliance with the Constitution and laws of the State, and pursuant to the Ordinance.

This Bond is issued pursuant to Chapter 517, Statutes of Nevada, 1983, as amended (the "Charter"); pursuant to Nevada Revised Statutes ("NRS") 350.500 through 350.720, and all laws amendatory thereof designated in NRS 350.500 thereof as the Local Government Securities Law (the "Bond Act"); pursuant to NRS 350.105 to 350.195, inclusive; pursuant to NRS chapter 348 (the "Supplemental Bond Law"); and pursuant to NRS 268.672 through 268.740, inclusive (the "City Bond Law"); pursuant to NRS 350.628 of the Bond Act, this recital is conclusive evidence of the validity of the Bonds and the regularity of their issuance; and pursuant to NRS 350.710 of the Bond Act, the Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof except for the tax on estates imposed pursuant to chapter 375A of NRS and the tax on generation skipping transfers imposed pursuant to chapter 375B of NRS.

[Certain of the Bonds shall be subject to optional, make whole and mandatory sinking fund redemption as provided in the Certificate of the Chief Financial Officer and the Ordinance.]

Redemption shall be made upon not less than 20 days' prior mailed notice in the manner and upon the conditions provided in the Ordinance. If this Bond is called for redemption and payment is duly provided for as specified in the Ordinance, interest shall cease to accrue hereon from and after the date fixed for redemption.

It is hereby certified, recited and warranted that all the requirements of law have been fully complied with by the proper officers of the City in the issuance of this Bond; that the total indebtedness of the City, including that of this Bond does not exceed any limit of indebtedness prescribed by the Constitution or by the laws of the State or the Charter of the City; that provision has been made for the levy and collection of annual general (ad valorem) taxes ("General Taxes") against all the taxable property within the City sufficient to pay the principal of, interest on, and any prior redemption premiums due on this Bond (the "Bond Requirements") when the same become due (except to the extent other revenues are available therefor), subject to the limitations imposed by the Constitution and by the statutes of the State; and that the full faith and credit of the City are hereby irrevocably pledged to the punctual payment of Bond Requirements of this Bond according to its terms.

Payment of the principal of and interest on the Bonds are additionally secured by a pledge of the Pledged Revenues (as defined in the Ordinance) which Pledged Revenues are so pledged as more specifically provided in the Ordinance.

The Bonds are equally and ratably secured by such pledge of the Pledged Revenues, and such pledge constitutes an irrevocable lien (but not necessarily an exclusive lien) upon the Pledged Revenues. Additional securities may be issued and made payable from all or a portion of the Pledged Revenues and having a lien thereon superior to, subordinate to or on a parity with such pledge, in each case subject to the conditions of and in accordance with the Ordinance.

To the extent and in the respects permitted by the Ordinance, the provisions of the Ordinance may be amended or otherwise modified by action of the City taken in the manner and subject to the conditions and exceptions prescribed in the Ordinance. The pledge of Pledged Revenues under the Ordinance may be discharged at or prior to the respective maturities or prior redemption of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Ordinance.

This Bond shall not be entitled to any benefit under the Ordinance, or be valid or obligatory for any purpose until the Registrar shall have manually signed the certificate of authentication hereon.

The City and the Registrar and Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of payment and for all other purposes, except to the extent otherwise provided hereinabove and in the Ordinance with respect to Regular and Special Record Dates for the payment of interest.

****Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the City or its agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.****

Upon any partial prior redemption of the Bond, Cede & Co., in its discretion may request the Registrar to authenticate a new Bond or shall make an appropriate notation on this Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case this Bond must be presented to the Paying Agent prior to prepayment.

No transfer of this Bond shall be valid unless made on the registration records maintained at the principal office of the Registrar by the registered owner or his or her attorney duly authorized in writing.

No recourse shall be had for the payment of the Bond Requirements of this Bond or for any claim based thereon or otherwise in respect to the Ordinance or other instrument pertaining thereto against any individual member of the Council, or any officer or other agent of the City, past, present, or future, either directly or indirectly through the Council or otherwise, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any penalty or otherwise, all such liability, if any, being by the acceptance of this Bond and as a part of the consideration of its issuance specially waived and released.

The Mayor, the City Treasurer, and the City Clerk at the time of the execution of a signature certificate relating to the Bonds, may each adopt as and for his own facsimile signature the facsimile signature of his predecessor in office if such facsimile signature appears upon any of the Bonds.

SECTION 24. Deposit of Proceeds. The City Treasurer shall cause the proceeds of the Bonds to be applied as follows:

A. B. Second, the remaining proceeds of the Bonds shall be accounted for by deposit into a special account hereby created in the treasury of the City and designated as the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Various Purpose Refunding Bonds (Additionally Secured with Pledged Revenues), Series 2019C Cost of Issuance Account" (the "Issuance Account") and shall be applied solely to defray wholly or in part the costs of issuing the Bonds and establishing the Redemption Account, which the Council hereby determines are necessary and desirable and pertain to the Project. After the payment of such costs, any unexpended moneys remaining in the Issuance Account shall be deposited into the Principal Account hereinafter created for the payment of the principal of the Bonds as the same becomes due. The Purchaser shall in no manner be responsible for the application of the proceeds of the Bonds by the City, or by any of its officers, agents and employees.

SECTION 25. Maintenance and Use of Redemption Account.

A. The Redemption Account shall be maintained by the City in an amount at the time of those initial deposits therein to pay the interest due in connection with the Refunded Bonds, both accrued and not accrued, as the same become due up to and including the redemption date for the Refunded Bonds determined by the Chief Financial Officer (the "Refunded Bonds Redemption Date"), and to redeem on the Refunded Bonds Redemption Date all of the Refunded Bonds at a redemption price equal to the principal amount thereof, plus accrued interest to the Refunded Bonds Redemption Date.

B. Moneys shall be withdrawn from the Redemption Account to permit the payment of the principal and interest requirements of the Refunded Bonds on the Refunded Bonds Redemption Date, and the City as directed by the Chief Financial Officer shall conditionally call for prior redemption all the Refunded Bonds. Any moneys remaining in the Redemption Account after provision shall have been made for the redemption in full of the Refunded Bonds shall be applied to any lawful purpose of the City as the Council as directed by the Chief Financial Officer may hereafter determine.

C. If for any reason the amount in the Redemption Account shall at any time be insufficient for the purposes of effecting the Project, the City shall forthwith from the first moneys available therefor deposit in the Redemption Account such additional moneys as shall be necessary to permit the payment in full of the principal, interest and redemption premium due in connection with the Refunded Bonds.

SECTION 26. Exercise of Option; Notice of Redemption.

A. The Council has elected and does hereby declare its intent to exercise on the behalf and in the name of the City its option to redeem on the Refunded Bonds Redemption Date all of the Refunded Bonds. The Council is hereby obligated so to exercise such option, which option shall be deemed to have been exercised when notice is duly given and completed forthwith after the issuance of the Bonds as herein provided or when conditional notice is duly given prior to the issuance of the Bonds.

B. The Council ratifies action previously taken to direct the Paying Agent to give a conditional notice of prior redemption and defeasance of all the Refunded Bonds as set forth herein, in accordance with the provisions of the ordinance authorizing the issuance of the Refunded Bonds.

SECTION 27. Use of Investment Gain. Pursuant to Section 350.658, Bond Act, and except as may otherwise be required herein, any gain from any investment and any reinvestment of any proceeds of the Bonds shall be deposited promptly upon the receipt of such gain at any time or from time to time into the Issuance Account to the extent necessary to pay the Cost of the Project, and thereafter, shall be deposited to the Principal Fund or Interest Fund, hereinafter created, for the payment of the principal of or interest on the Bonds or any combination thereof.

SECTION 28. Purchaser Not Responsible. The validity of the Bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the Project, or any part thereof, or to the completion of the Project. Neither the Purchaser, any associate thereof, nor any subsequent owner of any Bond shall in any manner be responsible for the application or disposal by the City or by any of its officers, agents, and employees of the moneys derived from the sale of the Bonds or of any other moneys referred to in this Ordinance.

SECTION 29. General Tax Levies. So far as possible, the Bond Requirements of the Bonds shall be paid from first from the Pledged Revenues. However, pursuant to Section 350.596, Bond Act, the principal and interest falling due on the Bonds at any time when there are not on hand sufficient funds to pay same shall be paid out of a general fund of the City or out of any other funds that may be available for such purpose, including, without limitation, any proceeds of General Taxes. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available without replacement for the payment of such Bond Requirements on other than a temporary basis), and for the purpose of creating funds for the payment of the Bond Requirements, there are hereby created separate accounts designated respectively as the "City of

Las Vegas, Nevada, General Obligation (Limited Tax) Various Purpose Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2019C, Principal Fund” (the “Principal Fund”) and the “City of Las Vegas, Nevada, General Obligation (Limited Tax) Various Purpose Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2019C, Interest Fund” (the “Interest Fund”; collectively, the “Bond Fund”). Pursuant to Sections 350.592 and 350.594, Bond Act, there shall be duly levied immediately after the issuance of the Bonds and annually thereafter, until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the City, including the net proceeds of mines, fully sufficient to reimburse such fund or funds for any such amounts temporarily advanced to pay such initial installments of principal and interest, and to pay the interest on the Bonds becoming due after such initial installment, and to pay, retire and redeem the Bonds as they thereafter become due at maturity as herein provided, after there are made due allowances for probable delinquencies. The proceeds of such annual levies shall be duly credited to such separate accounts for the payment of such Bond Requirements. In the preparation of the annual budget or appropriation resolution or ordinance for the City, the Council shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the City, including, without limitation, the Bonds, subject to the limitation imposed by NRS 361.453 and Section 2, art. 10, State Constitution, and the amount of money necessary for this purpose shall be a first charge against all the revenues received by the City.

SECTION 30. Priorities for Bonds. As provided in NRS 361.463, in any year in which the total General Taxes levied against the property in the City by all overlapping units within the boundaries of the City exceeds the limitation imposed by NRS 361.453, or a lesser or greater amount fixed by the State Board of Examiners in any fiscal year, and it becomes necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by such unit or units (including, without limitation, the City and the State) for purposes other than the payment of their bonded indebtedness, including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by each such unit (including, without limitation, the City and the State) for all other purposes where reduction is necessary in order to comply with the limitation of NRS 361.453.

SECTION 31. Correlation of Levies. Such General Taxes shall be levied and collected in the same manner and at the same time as other taxes are levied and collected, and the proceeds thereof for the Bonds herein authorized shall be kept in the Principal Fund and in the Interest Fund, which accounts shall be used for no other purpose than the payment of principal and interest, respectively, as the same fall due.

SECTION 32. Use of General Fund. Any sums becoming due on the Bonds at any time when there are on hand from such General Taxes (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the City, reimbursement to be made for such general funds in the amounts so advanced when the General Taxes herein provided for have been collected, pursuant to NRS 350.596.

SECTION 33. Use of Other Funds. Nothing in this Ordinance prevents the City from applying any funds (other than General Taxes but including Pledged Revenues) that may be

available for that purpose to the payment of the Bond Requirements as the same, respectively, fall due, and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to NRS 350.598.

SECTION 34. Legislative Duties. In accordance with NRS 350.592, it shall be the duty of the Council annually, at the time and in the manner provided by law for levying other General Taxes of the City, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the Council shall require the officers of the City to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bonds and the interest thereon. Such General Taxes when collected shall be kept for and applied only to the payment of the principal of and the interest on the Bonds as hereinbefore specified.

SECTION 35. Appropriation of General Taxes. In accordance with NRS 350.602, there is hereby specially appropriated the proceeds of such General Taxes to the payment of such principal of and interest on the Bonds; and such appropriations will not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the Bond Requirements for the Bonds have been wholly paid.

SECTION 36. Pledge of Pledged Revenues. Subject only to the provisions of this Ordinance permitting the application thereof for or to the purposes and on the terms and conditions set forth herein, there are hereby additionally pledged to secure the payment of principal of and interest on the Bonds in accordance with their terms and the provisions of this Ordinance, all of the Pledged Revenues. This pledge shall be valid and binding from and after the date of the delivery of the Bonds to the Purchaser; and the Pledged Revenues, as received by the City shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing or further act; and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City (except as herein otherwise provided) irrespective of whether such parties have notice thereof. The lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any and all other obligations and liabilities of the City payable from the Pledged Revenues, except as herein otherwise provided.

SECTION 37. Revenue Fund. So long as any of the Bonds shall be Outstanding, the Sales Tax Revenues upon their receipt from time to time by the City, shall be set aside and credited immediately to a separate account heretofore created in the treasury of the City and designated as "City of Las Vegas Sales Tax Revenue Fund" (the "Revenue Fund") which shall be comprised of the Sales Tax Revenues. So long as any of the Bonds hereby authorized shall be Outstanding, the Revenue Fund shall be administered and the moneys on deposit therein shall be applied in the order of priority specified in Sections 38 through 42.

SECTION 38. Interest Fund. First, From any moneys thereafter remaining in the Revenue Fund, there shall be transferred and credited to the Interest Fund and to any other fund or account established for the payment of interest on any other Parity Securities, monthly, commencing the first day of the month immediately succeeding the delivery to the Purchaser of the Bonds, the amount necessary to accumulate by substantially equal monthly installments (together with any

other moneys from time to time available therefor from whatever sources) the amount necessary to pay the installment of interest next due on the Bonds and such Parity Securities.

SECTION 39. Principal Fund. Second, from any moneys thereafter remaining in the Revenue Fund, there shall be transferred and credited to the Principal Fund and to any other fund or account established for the payment of principal or sinking fund installments on any other Parity Securities monthly, commencing on the first day of the month immediately succeeding the delivery of the Bonds to the Purchaser, the amount necessary to accumulate by substantially equal monthly installments (together with any other moneys from time to time available therefor from whatever sources) to pay the installment of principal next due on the Bonds and such Parity Securities.

SECTION 40. Payment to Rebate Fund. Third, and subject to the provisions hereinabove, there shall be transferred into the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Various Purpose Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2019C, Rebate Fund," hereby created and held by the City, after making in full the monthly deposits required by Sections 38 and 39, but prior to the transfer of any Pledged Revenues to the payment of Subordinate Securities, such amounts as are required to be deposited therein to meet the City's obligations under the covenant contained in Section 50 hereof, in accordance with Section 148(f) of the Tax Code. Amounts in the Rebate Fund shall be used for the purpose of making the payments to the United States required by such covenant and Section 148(f) of the Tax Code. Any amounts in the Rebate Fund in excess of those required to be on deposit therein by Section 50 hereof and Section 148(f) of the Tax Code may be withdrawn therefrom and used for any lawful purpose relating to the Project. Third, from any moneys thereafter remaining in the Revenue Fund, there shall be transferred and credited to the rebate fund for any Parity Securities to pay the costs of rebates to the United States under Section 148 of the Tax Code.

SECTION 41. Payment of Subordinate Securities. Fourth, any moneys thereafter remaining in the Revenue Fund may be used by the City for the payment of the principal of and interest on Subordinate Securities; and may be used to create reasonable reserves and to pay the costs of rebates to the United States under Section 148 of the Tax Code for such securities.

SECTION 42. Surplus Revenues. Fifth, any moneys thereafter remaining in Revenue Fund may be used by the City at the end of any fiscal year of the City, or whenever there shall have been credited all amounts required to be deposited in the respective foregoing separate accounts for all of that fiscal year, for any lawful purposes of the City, as the City Council may from time to time determine.

SECTION 43. Termination of Deposits. No payment need be made into the Interest Fund or Principal Fund if the amounts in those funds total a sum at least equal to the entire amount of the Outstanding Bonds as to all Bond Requirements to their respective maturities both accrued and not accrued, in which case moneys in such account in an amount, except for any interest or other gain to accrue from any investment of moneys in Federal Securities (as herein defined) from the time of any such investment to the time or respective times the proceeds of any such investment or deposit shall be needed for such payment, at least equal to such Bond Requirements, shall be used, together with any such gain from such investments, solely to pay such Bond Requirements as the same become due.

SECTION 44. Equal Security. The Bonds and any Parity Securities from time to time Outstanding shall be equally and ratably secured by the pledge of Pledged Revenues hereunder and shall not be entitled to any priority one over the other in the application of the Pledged regardless of the time or times of the issuance of the Bonds and any such Parity Securities.

SECTION 45. Defraying Delinquencies. If at any time the City shall for any reason fail to pay into the Interest Fund or the Principal Fund, the full amount above stipulated from the Pledged Revenues, then an amount shall be paid into the Interest Fund and Principal Fund at such time equal to the difference between that paid from the Pledged Revenues and the full amount so stipulated. If securities (other than the Bonds) are Outstanding, the payment of which are secured by a lien on all or a portion of the Pledged Revenues which lien is on a parity with the lien hereon of the Bonds, and if the proceedings authorizing issuance of those securities require the replacement of moneys in an interest fund, principal fund, reserve fund or rebate fund therefor, then the moneys replaced in such funds shall be replaced on a pro rata basis related to the principal amount of the then Outstanding Bonds and the then Outstanding other Parity Securities, as moneys become available therefor, first into all of such interest, principal, and reserve funds and second into all such rebate funds.

SECTION 46. No Superior Securities Permitted; Conditions to Issuance of Parity Securities.

A. Nothing herein permits the City to issue Superior Securities secured by and payable solely from the Sales Tax Revenues and having a lien thereon prior and superior to the lien thereon of the Bonds.

B. Nothing herein, except as expressly hereinafter provided, shall prevent the issuance by the City of additional Parity Securities payable from all or a portion of the Pledged Revenues and constituting a lien thereon on a parity with, the lien thereon of the Bonds, provided, however, that the following are express conditions to the authorization and issuance of any such Parity Securities:

(1) At the time of adoption of the instrument authorizing the issuance of the additional Parity Securities, the City shall not be in default in the payment of principal of or interest on the Bonds.

(2) The Pledged Revenues (subject to adjustments as hereinafter provided) projected by the City Chief Financial Officer, the Director of Public Works or an independent accountant or consulting engineer to be derived in the later of (i) the Fiscal Year immediately following the Fiscal Year in which the facilities to be financed with the proceeds of the additional Parity Securities are projected to be completed or (ii) the first Fiscal Year for which no interest has been capitalized for the payment of any Parity Securities, including the Parity Securities proposed to be issued, will be sufficient to pay at least an amount equal to the principal (or redemption price) and interest requirements (to be paid during that Fiscal Year) of the Outstanding Bonds, any other Outstanding Parity Securities of the City and the Parity Securities proposed to be issued (excluding any reserves therefor).

C. In any determination of whether or not additional Parity Securities may be issued in accordance with the foregoing earnings test, the respective annual principal (or redemption price) and interest requirements shall be reduced to the extent such requirements are scheduled to be paid with moneys held in trust or in escrow for that purpose by any trust bank within or without the State, including the known minimum yield from any investment in Federal Securities (as herein defined).

D. A written certificate or written opinion by the City's Chief Financial Officer, the City's Director of Public Works, or an independent accountant or consulting engineer that the foregoing earnings test is met, shall be conclusively presumed to be accurate in determining the right of the City to authorize, issue, sell and deliver additional Parity Securities.

E. In connection with the authorization of any such additional securities the Council may on behalf of the City adopt any additional covenants or agreements with the holders of such additional securities; provided, however, that no such covenant or agreement may be in conflict with the covenants and agreements of the City herein and no such covenant or agreement may be materially adverse to the interests of the holders of the Bonds. Any finding of the Council to the effect that the foregoing requirements are met shall, if made in good faith, conclusively establish that the foregoing requirements have been met for purposes of this Ordinance.

SECTION 47. Subordinate Securities Secured by Sales Tax Revenues. Nothing herein, except as expressly hereinafter provided, shall prevent the City from issuing additional Subordinate Securities payable from all or a portion of Sales Tax Revenues and constituting a lien thereon subordinate to the lien thereon of the Bonds and any Outstanding Parity Securities.

SECTION 48. Issuance of Refunding Bonds.

A. At any time after the Bonds, or any part thereof, are issued and remain Outstanding, if the City shall find it desirable to refund any Outstanding Bonds or other Outstanding Parity or Subordinate Securities payable from and constituting a lien upon any Pledged Revenues, such Bonds or other securities, or any part thereof, may be refunded only if the Bonds or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for the purpose of refunding them at the City's option upon proper call, unless the owner or owners of all such Outstanding securities consent to such surrender and payment, regardless of whether the priority of the lien for the payment of the refunding securities on the Pledged Revenues is changed.

B. The refunding bonds or other refunding securities so issued shall enjoy complete equality of lien with the portion of any securities of the same issue which is not refunded, if there is any; and the owner or owners of the refunding securities shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the unrefunded securities of the same issue partially refunded by the refunding securities.

C. Any refunding bonds or other refunding securities payable from any Pledged Revenues shall be issued with such details as the Council may by ordinance provide, subject to the provisions of this section but without any impairment of any contractual obligation imposed upon

the City by any proceedings authorizing the issuance of any unrefunded portion of the Outstanding securities of any one or more issues (including, without limitation, the Bonds).

D. If only a part of the Outstanding Bonds and other Outstanding securities of any issue or issues payable from the Pledged Revenues is refunded, then such securities may not be refunded without the consent of the owner or owners of the unrefunded portion of such securities:

(1) Unless the refunding bonds or other refunding securities do not increase for any Bond Year the aggregate principal and interest requirements evidenced by the refunding securities and by the Outstanding securities not refunded on and before the last maturity date or last Redemption Date, if any, whichever is later, of the unrefunded securities, and unless the lien of any refunding bonds or other refunding securities on the Pledged Revenues is not raised to a higher priority than the lien thereon of the Bonds or other securities thereby refunded; or

(2) Unless the lien on any Pledged Revenues for the payment of the refunding securities is subordinate to each such lien for the payment of any securities not refunded; or

(3) Unless the refunding bonds or other refunding securities are issued in compliance with Section 46 hereof.

SECTION 49. Defeasance. When all Bond Requirements of any Bond have been duly paid, the pledge, the lien, and all obligations hereunder as to that Bond shall thereby be discharged and the Bond shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be such due payment when the City has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from direct obligations of, or obligations the principal of or interest on which are unconditionally guaranteed by, the United States of America (the "Federal Securities")) in which such amount may be initially invested wholly or in part) to meet all Bond Requirements of the Bond, as the same become due to the final maturity of the Bond, or upon any redemption date as of which the City shall have exercised or shall have obligated itself to exercise its prior redemption option by a call of Bond for payment then. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and the bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure availability as needed to meet the schedule. For the purpose of this section "Federal Securities" shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof. When such defeasance is accomplished the Paying Agent shall mail written notice of the defeasance to the registered owner of the Bond at the address last shown on the registration records for the Bonds maintained by the Registrar.

SECTION 50. Tax Covenant. The City covenants for the benefit of the owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the City or any project financed or refinanced with the proceeds of the Bonds if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax Code, or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the City in fulfilling the above covenant under the Tax Code have been met.

SECTION 51. Amendments. This Ordinance may be amended, changed, modified or supplemented by resolution adopted by the City in accordance with the laws of the State, without receipt by the City of any additional consideration, and without the consent of or notice to the holders of the Bonds for the purpose of curing any ambiguity or formal defect or omission herein, in connection with the issuance and delivery of Subordinate Securities payable from any portion of the Pledged Revenues, or in connection with any other change herein which, in the opinion of bond counsel, is not to the prejudice of the insurer of the Bonds, if any, and the holders of the Bonds then Outstanding. This Ordinance may be amended or supplemented by instruments adopted by the City, without receipt by the City of any additional consideration, without the consent of or notice to the owners of the Bonds for the purpose of curing any ambiguity or formal defect or omission herein; or with the written consent of the insurer of the Bonds, if any, or the owners of 51% in aggregate principal amount of the Bonds Outstanding at the time of the adoption of the amendatory or supplemental instrument in connection with any other amendment, excluding Bonds which may then be held or owned for the account of the City, but including such refunding securities as may be issued for the purpose of refunding any of the Bonds if the refunding securities are not owned by the City. No such instrument shall permit without the consent of the insurer of the Bonds, if any, or all of the bondowners adversely affected thereby:

(a) A change in the maturity or in the terms of redemption of the principal or any installment thereof of any Outstanding Bond or any installment of interest thereon;

(b) A reduction in the principal amount of any bond or the rate of interest thereon, without the consent of the owner of the Bond; or

(c) A reduction of the principal amount or percentages or otherwise affecting the description of Bonds the consent of the owners of which is required for any modification or amendment; or

(d) The establishment of priorities as between Bonds issued and Outstanding under the provisions of this Ordinance; or

(e) The modification of, or other action which materially and prejudicially affects the rights or privileges of the owners of less than all of the Bonds then Outstanding.

(f) Whenever the City proposes to amend or modify this Ordinance under the provisions hereof, it shall cause notice of the proposed amendment to be mailed by first class mail or electronic mail within 30 days to the insurer of the Bonds, if any, or each registered owner of

each registered Bond. The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the City Clerk for public inspection.

Whenever at any time within one year from the date of such notice there shall be filed in the office of the City Clerk an instrument or instruments executed by the insurer of the Bonds, if any, or the owners of at least 51% in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory instrument described in the notice and shall specifically consent to and approve the adoption of the instrument; thereupon, but not otherwise, the Council may adopt the amendatory instrument and the instrument shall become effective.

If the insurer of the Bonds, if any, or the owners of at least 51% in aggregate principal amount of the Bonds Outstanding, at the time of the adoption of the amendatory instrument, or the predecessors in title of such owners, shall have consented to and approved the adoption thereof as herein provided, no insurer or owner of any Bond, whether or not the insurer or owner shall have consented thereto, shall have any right or interest to object to the adoption of the amendatory instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin the City from taking any action pursuant to the provisions thereof. Any consent given by the insurer of the Bonds, if any, or the owner of a Bond pursuant to the provisions hereof shall be irrevocable.

Bonds authenticated and delivered after the effective date of any action taken as provided in this Section 51 may bear a notation by endorsement or otherwise in form approved by the City as to the action; and if any Bond so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond Outstanding at such effective date and upon presentation of his bond, suitable notation shall be made on the Bond as to any such action. If the City so determines, new bonds so modified as in the opinion of the City to conform to such action shall be prepared, registered and delivered; and upon demand of the owner of any Bond then Outstanding, shall be exchanged without cost to the owner for Bonds then Outstanding upon surrender of such Bonds.

SECTION 52. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent shall resign, or if the Council shall determine that the Registrar or Paying Agent has become incapable of performing its duties hereunder, or if for any reason the City upon the direction of the Chief Financial Officer determines to retain a successor Registrar or Paying Agent, the Council may, as directed by the Chief Financial Officer, upon notice mailed to each owner of any Bond at his address last shown on the registration records, appoint a successor Registrar or Paying Agent. No resignation or dismissal of the Registrar or Paying Agent may take effect until a successor is appointed. It shall not be required that the same person or institution serve as Registrar and Paying Agent thereunder, but the City shall have the right to have the same person or institution serve as Registrar and Paying Agent. Any successor Registrar and Paying Agent must be an officer or employee of the City or a commercial bank authorized to execute trust powers. Any successor by merger with the Registrar and Paying Agent is automatically appointed as Registrar and Paying Agent hereunder without any further action of the Council, as long as the successor otherwise is qualified to act as Registrar and Paying Agent pursuant to this section. Any bank, trust company or national banking association into which the Registrar and/or Paying Agent or its successor may be converted, merged or with which it may be consolidated, or to which it may sell or otherwise

transfer all or substantially all of its corporate trust business shall be the successor of the Registrar and/or Paying Agent under this Ordinance with the same rights, powers, duties and obligations and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 53. Delegated Powers. The officers and employees of the City are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

A. The printing of the Bonds, including, without limitation, and if appropriate, a statement of insurance, if any;

B. The printing, distribution and execution of the final official statement for the Bonds (the "Final Official Statement") in substantially the form now before the Council, but with such amendments, additions and deletions as are in accordance with the facts and not inconsistent with this Ordinance, and are approved by the execution of the Final Official Statement by the officials designated in the Final Official Statement.

C. The execution of the certificates as may be reasonably required by the Purchaser, relating, inter alia,

- (1) to the signing of the Bonds,
- (2) to the tenure and identity of the officials of the City,
- (3) to the assessed valuation of the taxable property in and the indebtedness of the City,
- (4) to the rate of taxes levied against the taxable property within the City,
- (5) to the exclusion of interest on the Bonds from gross income for purposes of federal income taxation,
- (6) to the delivery of the Bonds to The Depository Trust Company and the receipt of the purchase price of the Bonds,
- (7) to the completeness and accuracy of any information provided the Purchaser in connection with the Bonds as of the date of delivery of the Bonds, and
- (8) if it is in accordance with the fact, to the absence of litigation, pending or threatened, affecting the validity of the Bonds;

D. The execution by the Chief Financial Officer of the Bond Purchase Proposal for the sale of the Bonds with the Purchaser thereof;

E. The completion and execution by the Chief Financial Officer of the Certificate of the Chief Financial Officer; and

F. The execution by the Chief Financial Officer of the Continuing Disclosure Certificate and any agreements related to the Registrar and Paying Agent for the Bonds not inconsistent with the provisions of this ordinance; and

G. The assembly and dissemination of financial and other information concerning the City and the Bonds.

SECTION 54. Continuing Disclosure Undertaking and Certificate. The City covenants for the benefit of the holders and beneficial owners of the Bonds to comply with the provisions of the final Continuing Disclosure Certificate in substantially the form now on file with the City Clerk to be executed and delivered in connection with the delivery of the Bonds and the City Chief Financial Officer is authorized to execute and deliver such certificate on behalf of the City.
