3 future, words used in the plural shall include the singular, words used in the singular shall include the plural,
4 and words of one gender shall include the other.

5 3. Use of Certain Words. The words “shall,” “must,” and “will” are always mandatory. The words
6 “may” and “should” are discretionary. Words and phrases shall be construed according to the common and
7 approved usage in the language, but technical words and phrases that may have acquired a peculiar and
8 appropriate meaning in the law shall be construed and understood according to that meaning.

20 definition, for the sake of convenience, to apply to various circumstances, or 2) represents a free choice
21 permission, namely, an alternative whose choice is entirely up to an applicant or developer. That
22 determination will be made in accordance with LVMC 19.18.010.

8 business is open or closed.

9 6. The hours of operation shall not extend beyond the hours of 8:00 a.m. to 11:00 p.m.

10 7. The building or portion thereof that is dedicated to the use shall have a minimum size of 1500 square
11 feet, and shall be designed to have sufficient interior space to provide for adequate customer waiting areas,
12 customer queuing, and transaction space (such as "teller" windows or desks).

13 8. No auto pawn use may be located closer than 200 feet from any parcel used or zoned for residential
14 use. In addition, no auto pawn use may be located closer than 1000 feet from any other auto pawn use, auto
15 title loan use or specified financial institution use. [For purposes of this Regulation 8, distances shall be
16 measured in a straight line from property line to property line, without regard to intervening obstacles. The
17 term "property line" refers to property lines of fee interest parcels and not leasehold parcels.]

18 SECTION 37: Title 19, Chapter 12, Section 70, is hereby amended by amending the
19 entry for the use "Restaurant with Alcohol" so that the Minimum Special Use Permit Requirements for that
20 use read as follows:

21 **Minimum Special Use Permit Requirements:**

22 1. No restaurant with alcohol use shall be located within 400 feet of any church/house of worship,
23 school, individual care center licensed for more than 12 children, or City park.

24 [2. Except as otherwise provided in Requirement 3 below, the minimum distances referred to in
25 Requirement 1 shall be determined with reference to the shortest distance between two property lines, one
26 being the property line of the proposed restaurant with alcohol which is closest to the existing use to which

the measurement pertains, and the other being the property line of that existing use which is closest to the proposed restaurant with alcohol. The distance shall be measured in a straight line without regard to intervening obstacles. For purposes of measurement, the term "property line" refers to property lines of fee interest parcels and does not include the property line of:

- a. Any leasehold parcel; or
- b. Any parcel which lacks access to a public street or has no area for on-site parking and which has been created so as to avoid the distance limitation described in Requirement 1.

3. In the case of a restaurant with alcohol proposed to be located on a parcel of at least 80 acres in size, the minimum distances referred to in Requirement 1 shall be measured in a straight line:

- a. From the nearest property line of the existing use to the nearest portion of the structure in which the restaurant with alcohol will be located, without regard to intervening obstacles; or
- b. In the case of a proposed restaurant with alcohol which will be located within a shopping center or other multiple-tenant structure, from the nearest property line of the existing use to the nearest property line of a leasehold or occupancy parcel in which the restaurant with alcohol will be located, without regard to intervening obstacles.]

[4.] 2. When considering a Special Use Permit application for a restaurant with alcohol which also requires a waiver of the distance [limitation] separation requirement in Requirement 1, the Planning Commission shall take into consideration the distance policy and shall, as part of its recommendation to the City Council, state whether the distance separation requirement should be waived and the reasons in support of the decision.

[5.] 3. The minimum distance separation requirement in Requirement 1 does not apply to an establishment which: [has a nonrestricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992.

6. The parcel or use is operated or controlled by an agency or subdivision of local, state or federal government. (C-V only)]

b. Is operated or controlled, or is located on a parcel that is operated or controlled, by an agency or subdivision of local, state or federal government. (C-V only).

[*7.] *4. All businesses which sell alcoholic beverages shall conform to the provisions of LVMC Chapter 6.50.

SECTION 38: Title 19, Chapter 12, Section 70, is hereby amended by amending the entry for the use "Restaurant with Service Bar" so that the Conditional Use Regulations for that use read as follows:

Conditional Use Regulations:

1. Any restaurant with service bar must be more than 400 feet from any church/house of worship, school, individual care center licensed for more than 12 children, or City park.

[2. Except as otherwise provided in Regulation 3 below, the minimum distances referred to in Regulation 1 shall be determined with reference to the shortest distance between two property lines, one being the property line of the proposed restaurant service bar which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed restaurant service bar. The distance shall be measured in a straight line without regard to intervening obstacles. For purposes of measurement, the term "property line" refers to property lines of fee interest parcels and does not include the property line of:

a. Any leasehold parcel; or

b. Any parcel which lacks access to a public street or has no area for on-site parking and which has been created so as to avoid the distance limitation described in Regulation 1.

3. In the case of a restaurant with service bar proposed to be located on a parcel of at least 80 acres in size, the minimum distances referred to in Regulation 1 shall be measured in a straight line:

a. From the nearest property line of the existing use to the nearest portion of the structure in which the restaurant with service bar will be located, without regard to intervening obstacles; or

b. In the case of a proposed restaurant with service bar which will be located within a shopping center or other multiple tenant structure, from the nearest property line of the existing use to the nearest property line of a leasehold or occupancy parcel in which the restaurant with service bar will be located, without regard to intervening obstacles.]

[4.] 2. The minimum distance separation requirement in Regulation 1 does not apply to a restaurant with service bar which has a nonrestricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992.

[5.] 3. All businesses which sell alcoholic beverages shall conform to the provisions of LVMC Chapter 6.50.

SECTION 39: Title 19, Chapter 12, Section 70, is hereby amending the entry for the use "Salvage or Reclamation of Products (Outdoor)" so that the Conditional Use Regulations for that use read as follows:

Conditional Use Regulations:

1. The minimum site area dedicated to this use shall be 25,000 square feet.

2. All areas used for the parking and storage of operable vehicles shall be paved.

3. All stored, damaged, or wrecked vehicles, parts and equipment shall be effectively screened so as not to be visible from adjoining properties or public rights-of-way.

4. In addition to the requirements in LVMC 19.08.040(F), mature evergreen trees shall be installed along the perimeter property lines to screen any vehicle parts storage area from surrounding properties.

5. Perimeter walls, a minimum of 8 feet in height, shall be installed along all property lines.

6. Repair activities and vehicle loading and unloading shall be prohibited on adjoining streets and alleys.

7. Service bays with vehicular access from the exterior of the structure shall not face the public rights of way.

8. All on-site lighting shall be stationary and directed away from adjoining properties. All lighting

shall be shielded, hooded or otherwise designed so that direct glare and reflections are contained within the boundaries of the parcel. No light shall extend into any residential zoning district.

9. All repair activities and operations shall be conducted entirely within an enclosed structure. Outdoor hoists shall be prohibited.

10. Repair facilities shall close all windows and doors when performing body and fender work, hammering, sanding or other noise-generating activities.

11. All hazardous materials resulting from the repair, storage, or dismantling operation shall be properly stored and removed from the premises in a timely manner. Storage, use and removal of toxic substances, solid waste pollution and flammable liquids, particularly gasoline, paints, solvents and thinners, shall conform to all applicable Federal, State, and local regulations.

SECTION 40: Title 19, Chapter 12, Section 70, is hereby amending the entry for the use "Senior Citizen Apartments" so that the Conditional Use Regulations for that use read as follows:

Conditional Use Regulations:

1. For any development that is over three stories in height:

a. The structures shall be compatible with the scale and massing of the types of development allowed in the applicable zoning district and shall provide a transition to less intensive development.

b. Rooflines and facade elements shall be articulated in order to break down the apparent massing of the structures.

2. The use shall be developed and operated only in connection with ground-level nonresidential development. In the case of a multi-floor structure, the apartments themselves must be located above the ground floor, but pedestrian access ways, entryways and community rooms may be located on the ground floor.

3. The [primary resident or guest entryway to the apartments] entryway to individual apartments for residents and guests must be independent of ground floor commercial uses, and must be directly accessible from and oriented to a street.

4. The overall architecture of the front elevation shall highlight the difference in uses through

1 variations in volume and proportion, and shall be treated as a cohesive whole through finishes and colors.

2 5. For any development that, in accordance with LVMC 19.08.070, is allowed to exceed the maximum
3 lot coverage provisions set forth in that Section, all landscape buffer requirements and minimum setback
4 requirements for the C-1 District shall be met.

5 SECTION 41: Title 19, Chapter 12, Section 70, is hereby amended by amending the
6 entry for the use "Sexually Oriented Business" so that the Conditional Use Regulations for that use read as
7 follows:

8 **Conditional Use Regulations:**

9 1. No person shall cause or permit the establishment of any sexually oriented business in an area zoned
10 other than C-M or M. In addition, no person shall cause or permit the establishment of any sexually oriented
11 business within 1000 feet of any other sexually oriented business, church/house of worship, public or private
12 school, individual care facility for children, teen dance center, park or playground. [The distance shall be the
13 shortest distance between two property lines, one being the property line of the proposed sexually oriented
14 business which is closest to the existing use to which the measurement pertains, and the other being the
15 property line of that existing use which is closest to the proposed sexually oriented business. The distance
16 shall be measured in a straight line without regard to intervening obstacles. For purposes of this Paragraph,
17 the term "property line" refers to property lines of fee interest parcels and not leasehold parcels.]

18 2. Except as otherwise provided in Regulations 4, 5 and 6, the "establishment" of a sexually oriented
19 business includes the opening of such business as a new business, the relocation of such business, the
20 enlargement of such business in either scope or area or the conversion of an existing business location to any
21 sexually oriented business.

22 3. Any person establishing a sexually oriented business must first file with the Department the name
23 and address of the business and the type of sexually oriented business to be conducted.

24 4. Any business existing as of September 16, 1992, that is made nonconforming by the provisions of
25 Ordinance 3674 shall be permitted to remain in operation. However, except as otherwise provided in
26 Regulation 6:

1 a. No such business may be increased, enlarged, extended or altered, except to change the use
2 to a conforming use; and

3 b. If any such business is terminated or is abandoned for a period of at least 30 days, any
4 future use of the property shall conform to the provisions of Ordinance 3674.

5 5. Except as otherwise provided in this Regulation and Regulation 6, the provisions of Regulations 3
6 and 4 above and the provisions of LVMC Chapter 19.14 shall apply to sexually oriented businesses.
7 However, any existing sexually oriented business located in the M Zoning District that was made
8 nonconforming as to a separation requirement by either of the following circumstances shall be deemed a
9 conforming use for purposes of expansion, enlargement or alteration:

10 a. The adoption of a different method of measuring distance; or

11 b. The intervening establishment within the required separation area of either a protected use
12 or another sexually oriented business.

13 Any such business shall continue to be subject to the provisions regarding discontinuation and removal that
14 are set forth in LVMC 19.14.030(A)(4) and 19.14.040, respectively.

15 6. The provisions of Regulation 4 and the provisions of Chapter 19.14 that prohibit the expansion,
16 enlargement or alteration of an existing use as described in those provisions shall not apply to an existing
17 nude show or adult emporium located within Area 1 of the Downtown Las Vegas Overlay District, as shown
18 in Figure 2 of the Development Standards adopted in LVMC 19.10.010(B), but only if and to the extent that
19 the following conditions are met:

20 a. Any expansion, enlargement or alteration, including all required on-site parking, must be
21 contained entirely on the same legally-created parcel on which the use presently exists.

22 b. The expansion, enlargement or alteration must be approved by means of a Major Site
23 Development Plan Review pursuant to LVMC 19.16.100(G).

24 c. Except as otherwise provided in Paragraph (d), the discontinuation and abandonment
25 provisions of LVMC 19.14.030(A) shall continue to apply.

26 d. For a use that is discontinued for purposes of expansion, enlargement or alteration, or in

1 connection with a foreclosure proceeding, the use shall not be considered terminated or abandoned.
2 However, the building permit or permits necessary to accomplish such expansion, enlargement or alteration
3 must be obtained within 18 months after operations cease and the permits must be exercised completely
4 before they expire. Otherwise, the use shall be deemed abandoned, the nonconforming status lost, and the
5 future use of the property must comply with current zoning requirements.

6 e. For purposes of this Regulation 6, the expansion, enlargement or alteration of a use
7 includes the rebuilding or replacement of the building or buildings associated with the use.

8 7. Nothing in this Title pertaining to sexually oriented businesses is intended to make legal any
9 business or activity that is expressly declared illegal under any other provisions of the Municipal Code or
10 under any State or Federal laws.

11 8. The Special Use Permit provisions of LVMC 19.12.040(B) do not apply to a sexually oriented
12 business.

13 SECTION 42: Title 19, Chapter 12, Section 70, is hereby amending the entry for the
14 use "Short-Term Residential Rental" so that the Conditional Use Regulations for that use read as follows:

15 **Conditional Use Regulations:**

16 1. The operator must obtain a business license to operate the use.

17 2. The use must comply on an ongoing basis with all governmental licensing and regulatory
18 requirements, including the payment of applicable room taxes and licensing fees.

19 3. The use must comply with the City's noise regulations as they apply to residential uses.

20 4. The use may not be located closer than 660 feet to any other Short-Term Residential Rental use,
21 [(measured from property line to property line).]

22 5. Vehicle parking associated with the use shall comply with applicable parking regulations, and
23 vehicles of guests and invitees shall not obstruct traffic or access to other properties in the area.

24 6. In addition to and independent of any enforcement authority or remedy described in this Title, the
25 failure to comply with a Conditional Use Regulation associated with this use may be enforced as in the case
26 of a violation of Title 6 by means of a civil proceeding pursuant to LVMC 6.02.400 to 6.02.460, inclusive.

1 7. On any particular parcel, the use is limited to a single residential dwelling unit that is owner-
2 occupied during each period the unit is rented and that has no more than three bedrooms, with a maximum
3 occupancy not to exceed the limits set forth in LVMC 6.75.090. The dwelling unit is presumed to have the
4 number of bedrooms indicated in the records of the Clark County Assessor's Office that pertain to that unit,
5 but that presumption may be rebutted by inspection or other competent evidence. For purposes of this
6 Regulation 7:

7 a. "Owner" includes any person who is listed as an owner of record of the unit in the records
8 of the Clark County Assessor or, in the case of a unit that is owned by a trust or other corporate or legal
9 entity, a trustee or principal of that trust or entity.

10 b. A dwelling unit qualifies as "owner-occupied during each period the unit is rented" only if
11 the dwelling unit is the owner's primary residence, the owner continues to reside at the unit throughout the
12 rental period, and the owner's absence, if any, from the unit during the rental period is attributable only to
13 employment or to the running of typical personal or household errands.

14 8. The use is allowed in the P-O, O, C-1, C-2 and C-PB Zoning Districts only in connection with the
15 residential component of a mixed-use development or in a dwelling unit permitted as a legal nonconforming
16 use.

17 9. The Special Use Permit provisions of LVMC 19.12.040(B) do not apply to this use.

18 SECTION 43: Title 19, Chapter 12, Section 70, is hereby amended by amending the
19 entry for the use "Social Use Venue" so that the Minimum Special Use Permit Requirements for that use read
20 as follows:

21 **Minimum Special Use Permit Requirements:**

22 *1. Pursuant to its general authority to regulate the use of marijuana within business establishments, the
23 City Council declares that the public health, safety and general welfare of the City are best promoted and
24 protected by generally requiring a minimum distance separation between a social use venue and certain other
25 uses that should be protected from the impacts associated with a social use venue. Therefore, except as
26 otherwise provided [below,] in these Requirements, no social use venue may be located within 1000 feet of

any school, or within 300 feet of any of the following uses:

- a. City park;
- b. Church/house of worship;
- c. Individual care - family home, individual care - group home, or individual care center (in each case licensed for the care of children);
- d. Community recreational facility (public); or
- e. Any use whose primary function is to provide recreational opportunities to minors. Such uses include without limitation commercial recreation/amusement (indoor or outdoor); library, art gallery or museum (public); teen dance center; and martial arts studio that provides instruction to minors.

*2. The distance separation referred to in Requirement 1 shall be measured with reference to the shortest distance between two property lines, one being the property line of the proposed social use venue which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed social use venue. The distance shall be measured in a straight line without regard to intervening obstacles.

*3. For the purpose of Requirement 2, and for that purpose only:

a. The "property line" of a protected use refers to the property line of a fee interest parcel that has been created by an approved and recorded parcel map or subdivision map, and does not include the property line of a leasehold parcel; and

b. The "property line" of a social use venue refers to:

i. The property line of a parcel that has been created by an approved and recorded parcel map or commercial subdivision map; or

ii. The property line of a parcel that is located within an approved and recorded commercial subdivision and that has been created by a record of survey or legal description, if:

A. Using the property line of that parcel for the purpose of measuring the distance separation referred to in Requirement 1 would qualify the parcel under the distance separation requirement;

1 B. The proposed social use venue will have direct access (both ingress and
2 egress) from a street having a minimum right-of-way width of 100 feet. The required access may be shared
3 with a larger development but must be located within the property lines of the parcel on which the proposed
4 social use venue will be located;

5 C. All parking spaces required by this Section 19.12.070 for the marijuana
6 consumption lounge use will be located on the same parcel as the use; and

7 D. The owners of all parcels within the commercial subdivision, including
8 the owner of agreement, satisfactory to the City Attorney, that provides for perpetual, reciprocal cross-access,
9 ingress and egress throughout the commercial subdivision.]

10 [*4.] *2. The use shall conform to, and is subject to, the provisions of LVMC Title 6, as they presently exist
11 and may be hereafter amended.

12 [*5.] *3. The Special Use Permit shall be void without further action if the use ceases for a period exceeding
13 90 days.

14 [*6.] *4. No Special Use Permit for this use is available for any parcel that is located within 1000 feet of a
15 parcel on which nonrestricted gaming is conducted, [, measured as described in Minimum Special Use Permit
16 Requirement 2.] The prohibition in the preceding sentence does not apply to any parcel regarding which a
17 Special Use Permit for a marijuana dispensary has been approved.

18 SECTION 44: Title 19, Chapter 12, Section 70, is hereby amending the entry for the
19 use "Teen Dance Center" so that the Conditional Use Regulations for that use read as follows:

20 **Conditional Use Regulations:**

21 1. The establishment must be located more than 1000 feet from any sexually oriented business. [The
22 distance shall be the shortest distance between the property line of the proposed teen dance center which is
23 closest to the existing sexually oriented business, and the other being the property line of the sexually oriented
24 business which is closest to the proposed teen dance center. The distance shall be measured in a straight line
25 without regard to intervening obstacles. For purposes of this paragraph, the term "property line" refers to
26 property lines of fee interest parcels and not leasehold parcels.]

1 2. The hours of operation shall be limited to the period between 6:00 p.m. and midnight.

2 3. The floor area shall not exceed 5000 square feet.

3 SECTION 45: Title 19, Chapter 18, Section 10, is hereby amended to read as follows:

4 **19.18.010 General**

5 Terms which are used in this Title and are not specifically defined shall be given their ordinary meaning,
6 unless the context requires or suggests otherwise. Of necessity, the limitations of language and space make
7 it impossible to draft ordinance provisions that can anticipate every conceivable factual possibility and
8 conclusively answer every possible difference in interpretation or focus. For those reasons, there inevitably
9 will be questions of interpretation and intent that cannot be resolved by ordinance language to the complete
10 satisfaction of all who have an interest or stake in ordinance language. Taking into account the foregoing, as
11 well as the common law discretion afforded to governmental agencies in the interpretation of statutes and
12 ordinances, the City Council declares that, [In] in the case of ambiguity or uncertainty concerning the
13 meaning of a particular term, whether or not defined, the Director and staff of the Department shall have the
14 authority to assign an interpretation which is consistent with the intent and purpose of this Title, or an
15 interpretation which is consistent with previous usage or interpretation. That authority includes without
16 limitation the authority to interpret, based on the context and intent, whether the words “and” and “or” are
17 used as:

18 A. Facilitating language;

19 B. Limiting language; or

20 C. Choice-providing language, including to whom any choice belongs.

21 SECTION 46: Title 19, Chapter 18, Section 20, is hereby amended by amending the
22 definition of the term “Access” to read as follows:

23 Access. A way or means of approach to provide vehicular or pedestrian physical entrance to a property. In
24 general, the type of access or accesses intended will be specified in the Code. Where not specified in any
25 particular case, the determination whether the term refers to vehicular access, pedestrian access, or both, will
26 depend on the context. The use of the term may not always be intended to denote a particular type of access

1 in every case, or to indicate or suggest that access of any kind at anyone's choice is always intended. Instead,
2 like many terms defined in this Section, the intent in using the term in a particular context may be for it to
3 encompass more than one type of access, used for the sake of convenience rather than for the sake of dictating
4 a particular result or denoting that any particular access is acceptable, unrelated to context.

5 SECTION 47: Title 19, Chapter 18, Section 20, is hereby amending the definition of the
6 term "Assisted Living Apartment" to read as follows:

7 **Assisted Living Apartment.** An apartment or apartment complex which provides personal care services to
8 senior citizens for daily living needs. Such services may include, but are not limited to, preparation and
9 service of meals, housekeeping, laundry, monitoring of rooms, monitoring of medication, or assistance with
10 bathing. The term includes commercial uses that are ancillary to an apartment complex as long as the total
11 amount of floor space dedicated to such uses does not exceed 5% of the total gross floor area of the apartment
12 complex, [and] there is no external signage for [, nor external access to,] the commercial uses[.], and those
13 uses are not accessible other than internally and only to persons residing within the apartment or apartment
14 complex. The term does not include a convalescent care facility/nursing home or other medical facility that
15 is specifically defined in this Chapter.

16 SECTION 48: Title 19, Chapter 18, Section 30, is hereby amended by adding thereto a
17 new subsection (F), reading as follows:

18 **F. Distance Separation**

19 1. Numerous provisions of this Code require distance separations between uses. Generally,
20 such requirements are designed to protect certain uses from actual or potential adverse impacts of other uses,
21 or to reduce or eliminate the effects of a concentration or clustering of the impacts of certain uses. Such
22 distance separation requirements normally operate to limit new development rather than 1) operating as a per
23 se prohibition of certain existing uses within a certain distance of each other or 2) prohibiting a protected use
24 from being established near a use that might negatively impact that protected use. Phrases that are used in
25 this Title to express such distance separation requirements include without limitation 1) the prohibition of a
26 particular use within a certain distance from another specified use, 2) a statement that a particular use may

1 not be located closer than a specified distance from another use, and 3) a statement that a particular use must
2 be located at least a specified distance from another specified. In some cases the required distance separation
3 is between uses of the same kind, while in others between uses of different kinds as specified. Where a
4 particular type or means or standard of measurement is specified, that specification governs. Otherwise, the
5 provisions of this Subsection (F) shall be applied and govern regarding the determination and measurement
6 of distance separation requirements, no matter what terminology is used to express that requirement.

7 2. Unless otherwise specifically provided by this Title, distance separation is measured
8 horizontally, without regard for elevation change or intervening obstacles, as the shortest straight-line
9 distance between the lot lines of the properties containing the two uses.

10 3. When either of two uses subject to a distance separation requirement is located within the
11 boundaries of a commercial or residential subdivision as defined in NRS Chapter 278, the following
12 provisions apply:

13 a. For a protected use or other use that might be subjected to potentially negative
14 impacts, "lot line" refers to the boundary of a lot established by the final map for the subdivision, and does
15 not include the boundary of a condominium parcel or a parcel established by a record of survey.

16 b. For a proposed use, "lot line" refers to the boundary of a lot established by the
17 final map for the subdivision, and does not include the boundary of a condominium parcel.

18 c. For a proposed use, "lot line" refers to the boundary of a lot established by the
19 final map for the subdivision, and does not include the boundary of a parcel established by a record of survey
20 unless all of the following provisions are met:

21 i. Using the parcel line of the parcel created by the record of survey for the
22 purpose of measuring the distance separation would qualify that parcel under the distance separation
23 requirement;

24 ii. All parking spaces required by Section 19.12.070 for the use are located
25 on the same parcel created by the record of survey and containing the use;

26 iii. The use has direct pedestrian and vehicular access (both ingress and

egress) from a street having a minimum right-of-way width of 100 feet. The required pedestrian and vehicular access must be located within the parcel lines of the parcel created by the Record of Survey and on which the use is located; and

iv. If the access provided on the subject parcel to meet the requirements of Subsubparagraph (iii) above also provides access to and from other parcels within a commercial subdivision, or if parking within the subdivision is shared, then an agreement satisfactory to the City Attorney that provides reciprocal cross-access, ingress and egress and/or parking throughout the commercial subdivision is required.

4. The provisions of this Subsection (F) are not subject to the provisions of this Title pertaining to exceptions, deviations, waivers or variances.

SECTION 49: For purposes of Section 2.100(3) of the City Charter, Sections 19.00.080, 19.12.070, 19.18.020 and 19.18.030 are deemed to be subchapters rather than sections.

SECTION 50: The Department of Planning is authorized and directed to incorporate into the Unified Development Code the amendments set forth in Sections 2 to 48, inclusive, of this Ordinance.

SECTION 51: If any section, subsection, subdivision, paragraph, sentence, clause or phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional, invalid or ineffective.

SECTION 52: Whenever in this ordinance any act is prohibited or is made or declared to be unlawful or an offense or a misdemeanor, or whenever in this ordinance the doing of any act is required or the failure to do any act is made or declared to be unlawful or an offense or a misdemeanor, the doing of such prohibited act or the failure to do any such required act shall constitute a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than \$1,000.00 or by imprisonment for a term of

1 not more than six months, or by any combination of such fine and imprisonment. Any day of any violation
2 of this ordinance shall constitute a separate offense.

3 SECTION 53: All ordinances or parts of ordinances or sections, subsections, phrases,
4 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada, 1983
5 Edition, in conflict herewith are hereby repealed.

6 PASSED, ADOPTED and APPROVED this 6th day of November, 2019.
