Gentlemen In the matter of the petition from owners of property abutting on the east side of Main street from Garces to Stewart street, praying for the construction of a sidewalk thereon, which was referred to me at the last regular meeting of the Board, with instructions to prepare a plat showing in full the proposed improvement, the abutting lots, their valuation as shown by the last Tax list or assessment roll for State and County Taxation, and if a Majority of the owners had signed the petition praying for said improvement, I have investigated and respectfully report on the matter as follows to-wit:- First the City Clerk informs me that he had examined the petition from the property owners and that a Majority of the property owners in said proposed improvement District have signed the petition.

Second; I find upon examination of Ordinance 47. relating to grades and Sidewalks that the sidewalk prayed for in the petition if constructed must be ten feet wide in the front of blocks 2&3 and five feet wide in front of blocks 1,4,5,6,7,&8, thus making the improvement cost twice as much in front of blocks 2&3 as it will in front of Blocks 1,4,5,6,7,&8. I have consulted with the City Attorney and he advises me that to make the proposed improvement in one assessment District would make an unjust assessment roll on the front foot rule of assessments, and on his advice I have prepared plan and estimate on two separate Assessment District the one to be called Assessment District No. 5. Comprising Blocks 1,4,5,6,7,&8 and the other to be Called Assessment District No.6 Comprising blocks No's 2&3. Whereupon motion of Commissioner Matzdorf and seconded by Commissioner Ball and duly carried it was ordered that said estimate as prepared by the Commissioner of Streets be and the same is hereby approved and placed on file, the vote being as follows to wit:- Commissioner Matzdorf, aye, Elwell aye, Ball aye, Hicks, aye and his honor the Mayor W.E. At this time H.M. Lillis the City Attorney presented the following to the Board.

In response to your order, in your resolution dividing the Main Street Sidewalk Improvement into two special assessment Districts, directing me to prepare and present to your Board notices of intention and Ordinances governing the same I hereby submit the following to wit:- Notice to improve special assessment District No. 5, by constructing a sidewalk on the East side of Main street therein. A Notice to improve special assessment No. 6. by constructing a sidewalk on the east side of Main street therein. An ordinance for the improvement of special assessment No. 5, by constructing a sidewalk on the east side of Main street therein. An ordinance for the improvement of special assessment District No. 6, by constructing a sidewalk on the east side of Main street therein. Resp. Submitted Henry M. Lillis City Attorney. Whereupon motion being duly made and carried it was ordered that said report be accepted and placed on file with the Clerk of this Board.

Therefore after due consideration upon the part of the Board it was upon motion of Commissioner Ball and seconded by Commissioner Matzdorf and duly carried ordered that the following be

adopted." In the matter of the proposed improvement of Main street by constructing a sidewalk on the east side thereof from the water section of Main street and Garces street northerly to Stewart Street coming on regularly for action it was found that Ordinance No. 27 of the City of Las Vegas placed Blocks No's Two (2) and Three (3) of Clark's Las Vegas Townsite in the City of Las Vegas, Nevada, in the fire limits of said City; and Ordinance No. 47 declares that all of the sidewalks constructed in the Fire limits shall be ten feet wide in front of the property if the lot is vacant, and fifteen feet wide if the lot has a building erected thereon. In the proposed improvement of Main street by the construction of a sidewalk on the east side thereof it will be necessary to reconstruct the said sidewalk ten feet wide in front of blocks numbered Two (2) and three (3) and five feet wide in front of Blocks numbered 1,4,5,6,7,8. It will therefore cost double the amount of money to construct the sidewalk in front of a lot in block 2&3 than it will in Blocks No's 1,4,5,6,7,8. If the special assessment is made on the basis of frontage then the owners of lots in Blocks 1,4,5,6,7,8,8. would have to bear a pro rata share of the expenses of constructing the extra five feet in width of the sidewalk required to be constructed in front of said Blocks No. Two (2) and Three (3) and make an unequal assessment if the District proposed to be improved was placed in one special Assessment.

Therefore be it resolved that two special assessment districts be and they are hereby created out of the lots, pieces or parcels of land abutting on Main street, from its intersection with Garces Street to its intersection with Stewart Street, to be known and designated as follows to-wit: Special Assessment District Number Five (5) to comprise all of the lots, pieces or parcels of land abutting on said Main street, in blocks numbered One (1) Four (4) Five (5) Six (6) Seven (7) and Eight (8). Special assessment District No. 6. to comprise all of the lots pieces or parcels of land abutting on Main street, in block numbered Two (2) and Three (3). And the City attorney is hereby directed and authorized to prepare and present to this Board Notice of Intention of this Board to improve Main street in both of said districts as prayed for in the petition of the property owners praying for said improvement, the vote on the above resolution being as follows to-wit:- Commissioners Matzdorf, aye, Elwell, aye, Ball aye, Hicks aye, and his honor the Mayor W.E. Hawkins voting aye.

There upon the City Attorney presented to the Board the Notice of intention for sidewalk District No. 5, as follows which was read to the Board in full as follows to-wit:- " Notice of Intention of the Board of City Commissioners of the City of Las Vegas, in the County of Clark, State of Nevada to order improvement of Main street by constructing cement concrete sidewalk on the East side of said Street.
