

OFFICE OF THE CITY CLERK OF THE

CITY OF LAS VEGAS, NEVADA.

LAS VEGAS, NEVADA.

NOV. 6th, 1925.

At a regular adjourned meeting of the Board of City Commissioners, of the City of Las Vegas Nevada, *held on the 4th day of November, 1925*, at the hour of two o'clock P.M.

Present Hon. J. F. Hesse, Mayor, with Commissioners C. J. Hammond and O. J. Smith and V.H. Elwell, together with the City Attorney, and City Clerk, Commissioner E. B. Kandy, being absent.

Minutes of the previous meetings were read and approved as read.

Reports of officers were read, approved and ordered placed on file in the office of the Clerk.

All bills allowed as per claim book on file in the office of the Clerk. The Claim of the Arrowhead Mail Garage was ordered returned for itemization. The claim of Union Oil Company was ordered returned for requisitions.

✓ The communication and claim of T. K. Carroll requesting a refund on license paid on his apartment house was denied, upon motion duly made and unanimously carried.

Thereupon the Clerk presented the following communications:

November 2, 1925.

To the Honorable Mayor and
City Commissioners of City of Las Vegas,
Las Vegas, Nevada.

Gentlemen:

✓ Under present conditions due to a small license fee parties whose principal occupation has not been plumbing are enabled to do plumbing work which does not prove satisfactory and generally necessitates subsequent re-placement in a short time and by that time they have left the community. As you know, an established shop must do good work to build up its business and of necessity must make a charge sufficient to use the best materials, and, I believe, should have such protection as would keep out the unsatisfactory work.

I respectfully request that the license fee governing plumbing be raised to such an amount as would keep out the plumber who only cares for the single job and then leaves the community without any regard for the kind of work done. My suggestion in this regard would be that a plumber with an established shop pay \$150.00 per year license and the non-shop plumber a higher license.

Respectfully,

W. J. Rhoads.

and the Clerk was directed to request Mr. Rhoads to present a petition in which the other established plumbers joined in the request.

✓ At this time the Clerk presented the application of E. Mickerson for a gaming license (2 games) at the Colorado Hotel, the same having been heretofore approved by the Police and Fire Commissioner, whereupon it was ordered upon motion of Commissioner Smith, Seconded by Commissioner Elwell, that the Clerk issue a gaming license for two games to E. Mickerson at the Colorado Hotel. Vote on said motion was unanimous.

At this time George Sanderson and Mr. Gene Quaid appeared before the Board protesting against the present rate on Beauty Parlor licenses, whereupon the Board requested petitioners to ascertain the opinion of the other Beauty Parlor operators.

Thereupon the Clerk read for the first time proposed Ordinance No. 115 entitled: "An Ordinance to amend Section three (3) of Ordinance No. 103 of the City of Las Vegas, entitled "An Ordinance to amend section six (6) of Ordinance No. 77 of the City of Las Vegas, entitled "An Ordinance to prohibit gaming in the City of Las Vegas without first obtaining a license therefor, regulating the same, fixing the amount of such license, providing a penalty therefor, and repealing

all Ordinances in conflict therewith." and to amend said Ordinance No. 77 by adding a new section thereto to be known as Section 6b, and to repeal all Ordinances and parts of Ordinances in conflict with said amendments.

Whereupon the same was ordered passed to the second reading on motion of Commissioner Elwell, seconded by Commissioner Hammond. The vote on said motion was unanimous.

The following Resolution was adopted on motion of Commissioner Hammond, seconded by Commissioner Elwell:

RESOLVED THAT license and fines collected during the month of October 1925 be distributed as follows:

General Fund	490.50
Salary Fund	500.
Police & Fire	1800.
Street Fund	550.

The vote on said resolution was unanimous.

There being no further business to come before the Board at this time, it was ordered on motion duly made and unanimously carried that the Board adjourn until the next regular meeting to be held on the third day of December, A.D. 1925.

WITNESSES:

Thomas J. Whelan
CLERK.

APPROVED:
