

Mr. Leonard Blood of the Veterans of Foreign Wars appeared before the Board asking them to appropriate the sum of \$75.00 per month for the next six months to help defray the expenses of maintaining a Deputy Labor Commissioner in the City of Las Vegas. This sum would have to be taken from the Publicity Fund, and as that fund is almost depleted at the present time the Board decided to let the matter lay over until the money was proportioned from the taxes that will be paid in the month of May.
