King asking the members of the Board to consider the placing of a light at the intersection of Charleston Drive, and the Union Pacific Railroad tracks in the southern part of the City. He also called the attention to the billboard near the Standard Oil storage station on South Main, and stated that this sign was obstructing the view at this point.

The following petition was presented to the Board, the same having been filed with the Clerk, November 6th:

To the Honorable Mayor and City Commissioners,
of the City of Las Vegas, Nevada.
Gentlemen:

We, the undersigned owners and taxpayers of property on the following streets to-wit,

Fifth Street	from	Stewart Street	to	Mesquite Avenue
Sixth	"	Fremont	"	"
Seventh	"	Fremont	"	"
Eighth	"	Fremont	"	Stewart Street
Ninth	"	Fremont	"	Ogden
Tenth	"	Fremont	"	Ogden Street
Fremont	"	Eighth	"	Twelfth Street

hereby petition your honorable body to create a special improvement district comprising said streets and construct therein curbs and gutters and street paving with a two and one half inch Durite Asphaltic Concrete base course, an one and one half inch Durite Asphaltic Concrete wearing surface together with the necessary grading therefor.

We further petition your honorable body to cause this work to be assessed against the abutting property as prescribed by law in one or more assessments as may be necessary and payment of these assessments to be made either in cash or by allowing them to go to bond at the discretion of the individual abutting property owners.

C. C. Boyer, Frank Wait, Chas. Dimmock, and E. Hicks protested against their names appearing on said petition, and after some discussion it appeared to the Board that the names of those protesting against their names being used on said petition had been taken from a petition that had been circulated some time before asking for the improvement of Ogden Street only, and that one page from the former petition had been placed with the petition presented to the Board at this time.

There upon motion of Commissioner Smith, seconded by Commissioner German, it was moved that the petition be released from file, and be returned to the party presenting said petition for correction.

Vote on said motion was as follows: Commissioners German, Hansell, and Smith, and His Honor the Mayor voting Aye. Nones None.
