Present Mayor Hesse, Commissioners Thomas, and Smith together with the City Attorney and Clerk.

Absent Commissioners German, and Hansell.

Commissioner Thomas was appointed by the Mayor to approve several bills as Finance Commissioner, due to Finance Commissioner German.

Mr. Webster L. Benham, of the Benham Engineering Company of Kansas City Mo. appeared before the Board in regards to the contract held between the City of Las Vegas, and Koebig and Koebig, for sewer improvement in the City of Las Vegas. Mr. Benham had been in communication with Mr. Koebig, and was of the impression that Koebig and Koebig would like to transfer said contract to the Benham Engineering Company, if such could be done.

Ham chairman of a Committee appointed some time ago to investigate the matter of the contract between the City of Las Vegas, and the firm of Koebig and Koebig, Sanitary Engineers, for the construction of a sewer plant and system in the City of Las Vegas, and ask that said Committee make an investigation into the matter of the transfer of said contract, and then to assure themselves as to the standing of Mr. Benham as an engineer, and have a report ready to present to the Board of Commissioners January 1st, 1931.

No further business appearing before the Board at this time the meeting adjourned.
