OFFICE OF THE CITY CLERK, LAS VEGAS,  
CLARK COUNTY, NEVADA.  
SEPTEMBER 13th, 1932.

Minutes of a recessed regular meeting of the Board of Commissioners of the City of Las Vegas held on the 13th day of September 1932 at the hour of seven thirty o'clock P.M.

Roll call showed the following present, Mayor Cragin, Commissioners Mundy, German, Thomas and Hansell and City Attorney and Clerk.

The final estimate on the contract of Fuller Construction Company on construction of sanitary main sewers and disposal plant was presented to the Board and request made for final payment.

The Board required that Fuller Construction Company furnish to the Board satisfactory evidence showing that all materials, labor, machine hire, and so forth had been paid for both by the Fuller Construction Company and subcontractors under it.

Thereupon Fuller Construction Company presented and filed with the Board the affidavit of A.J. Reinhart, its representative, showing all such bills having been paid, and also presented receipted vouchers for nearly all of said claims, and check stubs for various minor claims as evidence of remittance of the amounts thereof to various creditors.

Said Fuller Construction Company also filed the affidavit of L.J. Watson and Wayne D. Baldwin, represented by it to be the only subcontractors, which affidavit showed payment by such subcontractors of all bills for labor and materials incurred by them under such sub-contracts.

There was also filed with the Board a maintenance bond as required by the contract between the City of Las Vegas, and said Fuller Construction Company.

There was also filed an order of said Fuller construction Company on said Board dated September 10th, 1932 in favor of Pacific Clay Products, directing the payment direct to the said Pacific Clay Products of the sum of \$14,421.02 as balance due in full to said Pacific Clay Products for materials furnished the contractor on said job.
