The Board of City CommissionersFROM:  
ASHLEY HALL, DEPUTY CITY MANAGER

SUBJECT: A RESOLUTION REQUESTING THE CLARK COUNTY BOARD OF COMMISSIONERS TO IMPOSE AN ADDITIONAL TWO CENTS (2¢) PER GALLON TAX ON MOTOR VEHICLE FUEL TO BE APPLIED TOWARDS PENDING AND FUTURE STREET AND HIGHWAY PROJECTS.

PURPOSE/BACKGROUND

The bonding capacity of the Regional Transportation Commission is limited by the amount of gas tax revenue available for debt service. Revenues currently available have reached bonding limitations, and are insufficient to complete upcoming priority projects. The additional two cents (2¢) per gallon will generate approximately \$4,800,000 per year which can be applied towards pending and future projects.

FISCAL IMPACT

None.

RECOMMENDATIONS

It is the recommendation of the Office of the City Manager that this resolution be approved.

A RESOLUTION OF THE BOARD OF COMMISSIONERS  
OF THE CITY OF LAS VEGAS REQUESTING THE  
CLARK COUNTY BOARD OF COMMISSIONERS IMPOSE  
AN ADDITIONAL TWO (2¢) CENTS PER GALLON  
TAX ON MOTOR VEHICLE FUEL

WHEREAS, the Regional Transportation Commission was established to plan, build and maintain a system of major streets and highways for the Las Vegas Valley; and

WHEREAS, the Regional Transportation Commission has recommended priority improvements totalling \$166,479,700 in 1981 dollars; and

WHEREAS, further delay in commencing work on the projects will result in further inflationary increases to the project development costs; and

WHEREAS, the capacity to issue bonds to finance the aforesaid improvements is dependent upon the tax revenues received; and

WHEREAS, the revenues available have reached bonding limitations; and

WHEREAS, the Nevada State Legislature approved Assembly Bill 701 which modified N.R.S. 373.030 and provides that the Board of County Commissioners may impose a tax on motor vehicle fuel sold in the County in an amount not to exceed four (4) cents per gallon; and

WHEREAS, the Clark County Board of Commissioners have previously imposed a two (2) cents per gallon tax on motor vehicle fuel; and

WHEREAS, the levy of the additional tax will generate approximately \$4,800,000 per year which can be applied toward projects; and

WHEREAS, the recommended priority projects will greatly benefit the citizens of the City of Las Vegas.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the City of Las Vegas to request the Board of County Commissioners to impose an additional two (2) cents per gallon tax on motor vehicle fuel in order that work on needed transportation projects may commence.
