ANNOUNCEMENTS

Satisfaction of Open Meeting Law and Reading of Standard Conditions:

All Zoning items shall conform to the following general conditions:

1. Conformance to the plot plan and elevations;
2. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be cause for revocation of a business license;
3. Submittal of a landscaping plan prior to or at the time application is made for a building permit, license, or prior to occupancy;
4. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets. (Excluding single family development);
5. Satisfaction of City Code requirements and design standards of all City departments;
6. Approval of the parking and driveway plans by the Traffic Engineer;
7. Repair any damage to the existing street improvements resulting from this development as required by the Department of Design and Development;
8. Provision of fire hydrants and water flow as required by the Department of Fire Services.

MINUTES

Approval of the August 9, 1984 City Planning Commission Minutes

CHAIRMAN MACK called the meeting to order at 7:30 P.M.

STAFF PRESENT

Harold P. Foster, Director,
Department of Community
Planning and Development.
Robert C. Clemmer, Chief,
Zoning Division
Les Comeau, Planning Assistant
Val Steed, Deputy City Attorney
Linda Owens, Deputy City Clerk

MR. FOSTER announced the meeting was being held in compliance with the Open Meeting Law.

MR. FOSTER read the standard conditions that apply to approved rezoning cases.

Coleman -
APPROVED
Unanimous

ITEM

COMMISSION ACTION

NEW BUSINESS:

1. Z-61-84 - BEN F. WITSELL

Request of BEN F. WITSELL, ET AL, for reclassification of property generally located south of the intersection of Rock Springs Drive and Washington Avenue, from N-U to R-PD11. (Referred back by City Council)

Proposed Use: Medium Density Residential (Condominiums)

STAFF RECOMMENDATION: APPROVAL, subject to:

1. Resolution of Intent with a twelve-month time limit.
2. Application shall be amended to R-1 on the west 5 acres.
3. Install street improvements on Washington Avenue and Rock Springs Drive and the east/west street as required by the Department of Community Planning and Development, Division of Land Development and Flood Control.
4. Dedicate 40' of right-of-way for Washington Avenue and a 25' property line radius at the intersection of Washington Avenue and Rock Springs Drive as required by the Department of Design and Development.

PROTESTS: 4 on record with staff from previous meeting.

Bugbee -
APPROVED, subject to staff's conditions.
Unanimous

MR. FOSTER stated this item was referred back to the Planning Commission by the City Council because the applicant presented a revised development plan at the City Council meeting. The applicant is now proposing that the south portion of the west 5 acres be approved for R-PD11 rather than just the easterly 2 1/2 acres. Staff recommended west of Rock Springs Drive south of Washington Avenue be amended to R-1 and only R-PD11 approved on the southeasterly 2 1/2 acres.

JOHN D. TAYLOR, 6784 West Casa Linda, appeared as one of the owners of the property.

OPPOSITION:

ELAINE FLEMMING SMITH, 1012 Pagosa Way

LLOYD BRUNDAGE, 901 Tenaya Way

VINCENT MARTINEZ, 7100 Alamosa Way

12 Persons in the audience

59 Signatures on petition

To be heard by the City Council on 11/7/84.

(19:33-19:54)

ITEM

2. Z-73-84 - CHARLESTON HEIGHTS DEVELOPMENT
COMPANY

Request of CHARLESTON HEIGHTS DEVELOPMENT
COMPANY for reclassification of property
(Parcel I) generally located on the east side
of Tenaya Way between Gowan Road and Cheyenne
Avenue, from N-U to R-CL.

Proposed Use: Medium Low Density Single
Family Residence

and request for reclassification of property
(Parcel II) generally located on the east
side of Dalecrest Drive, north of Gowan Road,
from N-U to R-PD18.

Proposed Use: Medium High Density
Residential

STAFF RECOMMENDATION: ABEYANCE

Bugbee -
ABEYANCE
Unanimous

MR. FOSTER stated the property
owners were notified this item
would be held in abeyance until
the next meeting to properly
advertise the two parcels.

To be heard by the City
Planning Commission on 11/8/84.

3. Z-74-84 - JAMES B. McCALL, ET AL

Request of JAMES B. McCALL, ET AL, for reclassification of properties generally located west of Lorenzi Boulevard, south of Smoke Ranch Road, north of Washington Avenue, and east of Buffalo Drive, from N-U to R-CL, R-3 and C-1.

STAFF RECOMMENDATION: ABEYANCE.

Johnston -
ABEYANCE
Unanimous

MR. FOSTER stated this parcel consists of 185 acres. The applicant is requesting commercial storage units in the C-1 zone which would require a use permit or that particular use be advertised on the rezoning application. The applicant has indicated he would rather have the application held in abeyance and advertise the storage units with the rezoning notification. Staff will notify the property owners this item will be heard on 11/8/84.

To be heard by the City
Planning Commission on 11/8/84.

ITEM

4. Z-75-84 - THOMAS T. BEAM

Request of THOMAS T. BEAM for reclassification of property generally located at the northeast corner of Alta Drive and Shadow Lane, from R-1 to R-3.

Proposed Use: Medium Density Residential

STAFF RECOMMENDATION: APPROVAL, subject to:

1. Resolution of Intent with a twelve-month time limit.
2. Eliminate the 3 accessways to Shadow Lane and provide an additional access to Alta Drive.
3. Relocate the guardhouse as required by the Traffic Engineer.
4. Reduce the number of units to a maximum of 457.
5. Dedicate 30' of right-of-way for Shadow Lane and Alta Drive as required by the Department of Design and Development.
6. Install street improvements on Alta Drive and Shadow Lane as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
7. Conformance to the City addressing regulations as required by the Department of Community Planning and Development.
8. Standard conditions 1-8.

Bugbee -
APPROVED, subject to staff's conditions.
Unanimous

MR. FOSTER stated this parcel is approximately 18 acres in size. This application is for 504 units, but R-3 density will only allow 457 units. Staff is concerned about the amount of apartment development in this area. Staff recommended approval of the application for 457 units.

KEN GRAGSON, 4411 Marlana Circle, appeared and represented the applicant.

OPPOSITION:

TERESA LAPORTE, 417 Vandalia Street

BRUCE BARTLETT, 301 Deauville Street

GRANT PERRY, 500 Shadow Lane

DICK THOMAS, 300 Shadow Lane

JOHN SANDNESS, 321 Beaumont Street

To be heard by the City Council on 11/21/84.

5. Z-76-84 - NEVADA SOUTHERN TITLE, INC.

Request of NEVADA SOUTHERN TITLE, INC. for reclassification of property generally located on the northeast corner of Lone Mountain Road and Oran K. Gragson Highway, from R-E and C-2 to R-MH.

Proposed Use: Mobile Home Park

STAFF RECOMMENDATION: APPROVAL

Guthrie -
DENIED

Motion carried with Bugbee and Mack voting "No" and Johnston "Abstaining" from voting.

MR. FOSTER stated this is a 36-acre site. Half of the parcel is zoned R-E and half C-2. The area to the west and south is zoned R-E. The applicant is proposing a 214 lot mobile home development where the lots will be sold. The applicant is applying for a Variance to allow the reduced lot sizes and private streets. It will be a wall-in community. There will be a central recreational facility. The lots are a minimum of 50' x 90' in size with the drives 40' wide. This is approximately 6 units per acre.

DAN KEISERMAN, 2028 Heritage Oaks Street, appeared and represented the developer.

OPPOSITION:

ELIZABETH NEWBARRE, 4687 Balsam Street

13 Signatures on petition

3 Letters

RAY POTTER, 4595 Balsam Street

JERRY FAIRCHILD, 6805 Serene Street

MARVIN ROGGE, 2809 Kings Way

JOSEPH FIELDING, 4743 Balsam Street

MARY KLOSOWSKI, 4615 Balsam Street

RALPH REELEY, 4722 Balsam Street

23 Persons in the audience

To be heard by the City Council on 11/21/84.

PONDEROSA EQUITIES CORPORATION

Request of PONDEROSA EQUITIES CORPORATION for a PLOT PLAN REVIEW on property generally located on the northeast corner of Carl Avenue and Jones Boulevard, R-1 Zone (Under Resolution of Intent to R-3).

STAFF RECOMMENDATION: APPROVAL, subject to:

1. Provide parking lot revisions as required by the Department of Community Planning and Development.
2. Standard conditions 1-8.

Johnston -
APPROVED, subject to staff's conditions.
Unanimous

MR. FOSTER stated the applicant is revising this development plan. It is 23 units per acre. The number of units have been reduced from 240 to 236. There will be 331 parking spaces where 292 are required.

MIKE NELSON, 6705 Shetland Drive, appeared and represented the application.

This is final action.

7. Z-56-74 - PLOT PLAN REVIEW
ROBERT LARSON & ASSOCIATES

Request of ROBERT LARSON & ASSOCIATES for a Plot Plan Review of property generally located on the west side of Rancho Road, between Sirius Avenue and Meade Avenue, M Zone.

STAFF RECOMMENDATION: APPROVAL, subject to:

1. Provide vehicular access to Sirius Avenue.
2. Recording of the Order of Vacation of the portion of Rigel Avenue approved for Vacation.
3. Install street improvements on Rigel Avenue as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
4. Install sidewalks on Rancho Road and Sirius Avenue as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
5. Noise levels cannot exceed the M district performance standards.
6. Lights shall be directed from the residential to the north.
7. Standard conditions 1-8.

Tracy -
APPROVED, subject to staff's conditions.
Unanimous
(Johnston abstained)

MR. FOSTER stated this is for an amusement park. They are now proposing to redesign the layout and only develop it on the south portion. All the parking will be on the west side of the property.

ROBERT LARSON, Architect, 1014 Dade Street, appeared and represented the applicant.

DAN MATSON, 1150 Mulberry Lane, Dixon, California.

This is final action.

Request of VTN for a PLOT PLAN REVIEW of property generally located on the west side of Torrey Pines Drive, 1300' south of Smoke Ranch Road, N-U Zone (under Resolution of Intent to R-PD14).

STAFF RECOMMENDATION: APPROVAL, subject to:

1. Conformance to the plot plan redesigned as required by the Department of Community Planning and Development.
2. Dedicate 40' of right-of-way for Torrey Pines Drive and 30' of right-of-way for James Bilbray Drive.
3. If phased, provide access easements for the private drives to dedicated public right-of-way.
4. Standard conditions 1-8.

Bugbee -
APPROVED, subject to staff's conditions.
Unanimous

MR. FOSTER stated there will be a substantial amount of drainage water flowing from a west to an east direction along the north portion of the property. To accommodate the water there will have to be a slight redesign to the street pattern.

CHARLEY JOHNSON, VTN-NEVADA, 2300 Paseo Del Prado, appeared and represented the applicant. They will work on the street alignment with staff.

DICK CROSBY, applicant, appeared.

To be heard by the City Council on 11/7/84.

RE: VAC-21-84

Dear Mr. Hambleton:

Your petition to vacate the twenty foot (20') wide north/south alley generally located between Clark Avenue on the north, Maryland Parkway on the east, Bonneville Avenue on the south, and Eleventh Street on the west, was considered by the City Planning Commission on October 23, 1984.

The Commission voted to refer this item with a recommendation of **APPROVAL**, subject to the following conditions:

1. Reservation of easements for the facilities of the various utility companies together with reasonable ingress thereto and egress therefrom.
2. Conformance to code requirements and design standards of all City departments.
3. Vacation shall not be recorded until all of the above conditions have been met.

A public hearing date will be set at the City Council meeting of November 7, 1984 at 2:00 P.M. in the Council Chambers of City Hall, 400 East Stewart Avenue, Las Vegas, Nevada. The Council requires you or your representative be present at this meeting.

RE: Z-32-82 PLOT PLAN REVIEW

Dear Mr. Costello:

Your request for a Plot Plan Review of property generally located on the north-west corner of Potosi and Sahara Avenue, N-U Zone (under Resolution of Intent to C-1), was considered by the City Planning Commission on October 23, 1984.

The Commission voted to **APPROVE** this request, subject to the following conditions:

1. Install street improvements on Potosi Street and sidewalks on Sahara Avenue as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
2. Conformance to the plot plan and elevations.
3. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler system shall be cause for revocation of a business license.
4. Submittal of a landscaping plan prior to or at the same time application is made for a building permit, license or prior to occupancy.
5. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets.
6. Satisfaction of City Code requirements and design standards of all City departments.

RE: Z-34-81 PLOT PLAN REVIEW

Dear Mr. Mitchell:

Your request for a Plot Plan Review of property generally located on the southwest corner of Alta Drive and El Capitan Way, N-U Zone (under Resolution of Intent to C-V), was considered by the City Planning Commission on October 23, 1984.

The Commission voted to **APPROVE** this request, subject to the following conditions:

1. Conformance to the plot plan amended to place the chain link fence on the north side of the frontage road on Alta Drive and on the east side of the frontage road on El Capitan Way.
2. Approval of the land division with access to dedicated public right-of-way.
3. Enter into an agreement for the installation of off-site improvements on El Capitan and Alta, as determined by the City of Las Vegas.

This action by the Planning Commission is final.

WilliamsNEW BUSINESS:

1. Z-61-84

This was referred back to P. C. by the City Council at the 10/3/84 meeting due to a new plan being proposed. The new plan has some merit if slightly modified, i.e., if another row of R-1 lots were placed on the south side of the e/w cul-de-sac and the cul-de-sac were to be modified to an east/west street connecting the property to the west. Then possibly the R-PD10 would be appropriate for several reasons. First the residue of property north of the e/w expressway would be better suited to an R-PD10 type of development, and, secondly, if the east 2½ acres were developed at 20 units per acre (GP Profile), and this western portion of the site at R-1, this proposed density would be exceeded indicating a meld to this point would be justified.

The R-1 change will reduce the R-PD10 area to 4.5 acres gross or 47 units max plus 12 R-1 sites for 59 total and in conjunction with the R-1 to the west will have the illusion of a solid R-1 area. Their proposal is 8 R-1 lots and 55 units in 5-8 unit buildings with one and two story sections of 2 & 3 bedroom units each having 2 car garages plus 32 guest spaces. The buildings are attractive.

The new GP profiles reflects the southeast 2½ acres as M (20 u/ac) and the westerly 5 acres as ML (6-12 u/ac so the proposed is not out of place.) The current GP allows that 60% of the neighborhood could be in the 7-15 range so it would also be acceptable.

There are 4 R-1 homes directly north.

Staff recommends approval, subject to:

1. ROI with a 12 month time limit.
2. Application shall be amended to R-1 on the west 5 acres and R-PD11 on the 2½ acres southeast.
3. The east/west cul-de-sac shall be redesigned to continue west.

TO: FOSTER
RE: 10/23/84 PC Conditions

October 23, 1984
Page Two

4. Standard conditions 2-8 shall apply to the R-PD10 portion.
5. Dedicate 40' of right-of-way for Washington Avenue and a 25' property line radius at the intersection of Washington Avenue and Rock Springs Drive as required by the Department of Design and Development.
6. Install street improvements on Washington Avenue and Rock Springs Drive and the e/w street as required by the Department of Community Planning & Development, Division of Land Development and Flood Control.

PROTESTS: 4
THIS IS A PUBLIC HEARING

SET FOR CC: 11/7/84

2. Z-73-84

ABEYANCE FOR
RENOTIFICATION

These 2 parcels are slightly disjointed. Parcel 2 is an adjustment of the R-PD18 line to Dalecrest Drive which was the approved concept. The City caused a slight shift in the street alignment and the legal description supplied for the transfer of the R-PD18 density to Lorenzi caused this. It amounts to 1.66 acres in which 26 units are proposed.

Staff recommends approval.

Parcel 1 is a proposal of 49 R-CL lots with an alley system as Tenaya is a secondary major requiring 100' frontages for access.

The previously approved zoning was R-D which was predicated on rural development west of Tenaya. The zoning case for Metropolitan-Becker allowed R-CL west of Tenaya and the new GP profile proposes M/L and PF (detention basin) on the west side of Tenaya. These lots have to face a secondary major due to the slope of the parcel. The R-1 lots to the east back up to this proposal. One lot to the north sides. The R-CL lots on the west side of Tenaya back up to these lots. Council mandated 50' lots on the west side of Tenaya which, if applied here, would reduce the density to 4.3 u/gr. acre, 45' frontages would yield 5 units per gross acre and the low density under both GPs. Staff also feels this is effective infilling as the major was not improved with the bulk of subdivision development to the east.

Staff recommends approval, subject to:

1. ROI with a 12 month time limit.
2. The minimum lot width of the R-CL shall be 45'.
3. Dedicate 40' of right-of-way for Gowan Road and a 25' radius at the intersection of Gowan Road and Tenaya Way as required by the Department of Design and Development.

ABEYANCE

3. Z-74-84

REQUEST THAT IT
BE HELD IN ABEYANCE
TO ALLOW COMMERCIAL
STORAGE UNITS IN
NOTICE

This proposal is as discussed, with medium high density between Rock Springs and Lorenzi and the O. K. Gragson Highway, with commercial at the intersection of Vegas Drive and Lake Mead Boulevard and R-CL northwest of Washington and Antelope.

No plans or elevations have been submitted. Staff would like to see the density of Parcel 9 on the notice reduced to an R-PD12 maximum and preferably R-CL. In this proposal, the following are R-3:

Parcel 13	containing 13 acres	@ 20	estimated	=	260 units
" 12	" 20.18 ac	@ 20	"	=	403 units
" 9	" 30 "	@ 20	estimated	=	600 units
" 7	" 8.4 "	@ 20	"	=	168 units
" 6	" 10 "	@ 20	"	=	200 units
	81.58 ac			=	1,631 units

R-CL:

Parcel 1	containing 60 acres	@ 7	estimated	=	420 units
	141.58 ac.			=	2,051 units

C-1:

Parcel 11	containing 3.17				
" 10	" 10				
" 8	" 3.24				
" 5	" 6				
" 4	" 6				
" 3	" 7.32				
" 2	" 7.18				
	42.91				

Total Acres 184.49

Total Units 2,051

Staff recommends approval, subject to:

1. ROI with a 15 year time limit.

2. The plot plans and elevations shall be approved by the P.C. on the R-3 and C-1 portions.
3. The site plans and elevations of the R-CL portion shall be approved by the Department of Community Planning and Development.
4. Dedication of r/w as required by the Department of Design and Development at the time of development.
5. Install street improvements as required by the Department of Community Planning and Development at the time of development.
6. Standard conditions 5-8 shall apply to the R-CL portion.

PROTESTS:
THIS IS A PUBLIC HEARING

SET FOR CC: 11/7/84

4. Z-75-84

This west $\frac{1}{2}$ of a 40 acre site which has been zoned in 2 previous cases, Z-108-78 and Z-88-80, which have expired. In the latter case, 20.2 acres were zoned for 440 units. In this case, they are proposing 504 units on 17.97 acres. The maximum number of units permitted on 17.97 acres is 457 and to be equal to the previous case, 400 units would be equivalent.

In the previous cases, the rationale was that the 300' strip of R-4 on Highland was traded for the equivalent density of R-3 with half the site used for offices and retail. In this case, the R-4 strip remains which would allow 400 more units.

Staff does not feel that this additional density should be granted unless the 8 acre R-4 strip is rezoned to something other than apartment zoning. The same person owns that property. Further, the R-4, R-1 and R-3 pattern does not make sense. Possibly, the P.C. could initiate an action on that and hold this request in abeyance for consideration of the whole parcel.

In the past case, access to Shadow was prohibited.

This project will consist of 228 2 bedroom units and 276 1 bedroom and efficiency units in 2 story buildings of 16, 20, and 24 units per building.

561 spaces are required and 579 are provided.

To: Foster
RE: 10/23/84 PC Conditions

October 23, 1984
Page Five

Buildings are attractive with the awnings and landscaping is adequate. There is a recreation area provided.

Staff recommends denial without prejudice until the R-4 strip is eliminated.

If approved, subject to:

- 1 of these*
- ~~1.~~ ROI with a 12 month time limit.
 - ~~2.~~ Eliminate the 3 access ways to Shadow Lane and provide an additional access to Alta Drive.
 - ~~3.~~ Relocate the guard house as required by the Traffic Engineer.
 - ~~4.~~ Reduce the number of units to a maximum of 457.
 - ~~5.~~ Dedicate 30' of r/w for Shadow Lane and a 20' radius at the intersection of Shadow Lane and Alta Drive as required by the Department of Design and Development.
 - ~~6.~~ Install street improvements on Alta Drive and Shadow Lane as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
 - ~~7.~~ Standard conditions 1-8.
 - ~~8.~~ Conformance to the City addressing regulations as required by the Department of Community Planning and Development.

We have no provision in the Code for compact lot type mobile home estates on private drives but we do for stick built housing. The zoning on this property is C-2 660' from C/L of the highway and R-E on the balance, which is about $\frac{1}{2}$ and $\frac{1}{2}$. Mobile homes exist along Rancho Drive on Craig Road $\frac{1}{2}$ mile south. The Lone Mountain Road Fire Station and a $\frac{1}{2}$ acre lot with a mobile home are south of the entry.

Due to the code deficiency, staff would support the variance for the reduced lot sizes and private street system.

The 214 lots proposed on 35.97 acres is 6 units/acre.

R-MH requires a 6' block wall around the park. The RV and boat storage will be in the C-2 district. The lots are basically 50' x 90' with 40' private drives.

Staff recommends approval, subject to:

1. ROI with a 12 month time limit.
2. Approval of a variance for the 4,500 sq. ft. lots and the private drives.
3. Approval of the security entry system by the Traffic Engineer.
4. Conformance to the flood hazard reduction provisions of the City Code.
5. Dedicate 80' of r/w for Lone Mountain Road as required by the Department of Design and Development.
6. Install street improvements on Lone Mountain Road as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
7. Provide a second means of access at Rancho Drive as required by the Traffic Engineer.

This proposal regroups the buildings, relocates the driveway on Carl and proposes buildings fronting Carl. It also changes the unit count from 240 to 236. They are providing 331 spaces where 292 spaces are required for the 20-1 bedroom, 208-2 bedroom and 8-3 bedroom units, 2 story buildings. Attractive designs, R-1 homes to south.

Staff recommends approval, subject to:

1. Standard conditions 1-8..

PROTESTS: N/A

7. Z-56-74

There was a previously approved recreation facility plan that left 200' to the north for future expansion utilizing access from Rancho and Sirius Avenue but not Rigel. A portion of Rigel was approved for vacation. A variance was granted due to the building sizes in the original plan but that variance will be unnecessary for this project.

This plan does not utilize the north 360' of the block.

During the variance hearing, several of the industrial users appeared and were concerned that this type of operation might interfere with the industrial uses. With primary access from Rancho, that was not perceived as a problem but in this concept, there may be interference.

Re: 10/23/84 PC Conditions

October 23, 1984
Page Seven

Staff feels that vehicular access to Rigel should be eliminated. 84 parking spaces are required and 125 are provided and in addition there will be usable curb space.

Staff recommends approval, subject to:

1. Provide vehicular access to Sirius Avenue.
2. Recording of the Order of Vacation of the portion of Rigel Avenue approved for vacation.
3. Install street improvements on Rigel Avenue as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
4. Install sidewalks on Rancho Road and Sirius Avenue as required by the Division of Land Development and Flood Control of the Department of Community Planning and Development.
5. Noise levels cannot exceed the M district standards.
6. Lights shall be directed from the residential to the north.
7. Standard conditions 1-8.

SET FOR P.C. FINAL ACTION

8. Z-60-80

This was originally proposed as a condominium development and this review is to allow 4-plex lots, an entirely different concept. The approved density is 14 units per acre and this proposal falls within that range, i.e., 14.4 units per acre. The prior plan incorporated Balzar and not James Bilbray Drive. Genzer submitted a revised plan that curves Eugene to the north to pick up drainage at the north property line. Proposed phasing leaves dead end alley ways.

Staff recommends approval, subject to:

1. Conformance to plot plan amended to comply with City requirements.
2. Dedicate 40' of r/w for Torrey Pines Drive and 30' of r/w for James Bilbray Drive.
3. If phased, provide access easements for the private drives to dedicated public r/w.
4. Standard conditions 1-8.

9. Z-27-81

There are R-1 homes to the west and a 20' alley. This proposal is 190' deep from Charleston and the one parcel is 159+-, meaning they will be dividing the 153' parcel to the north leaving approximately 113' which is okay. PM-33-83 has been approved. Screen western exposure roof mechanics. Typical Stop & Go elevations.

Staff recommends approval, subject to:

1. Conformance to the plot plan and elevations amended to screen the roof mechanics from the residences to the west.
2. Conformance to the original conditions of Z-27-81.

P.C. FINAL ACTION

10. Z-34-81

This is in the previously approved location for the reservoir at the southwest corner of El Capitan and Alta in a C-V district. There is R-3 zoning to the west.

They are proposing an 8' chain link fence between the street and the landscaping.

Access is questionable. Land Division approval should be required. Landscaping looks great.

Staff recommends approval, subject to:

1. Conformance to the plot plan amended to place the chain link fence on the north side of the frontage road on Alta Drive and on the east side of the frontage road of El Capitan Way with interwoven slats in the area of the above grade pumps and related piping.
2. Approval of the Land Division with access to dedicated public right-of-way.

12. Z-57-78

This house was constructed in error of the original building permit, which showed 17'1½" to the rear property line as it was assumed that a drainage and power company easement came from the property as there was a wall constructed on the west side of the easement.

The recorded plat indicates that the lot is 120' deep yet the owner indicated the house to be 3½ from the west (rear) property line and has a 20' setback in front and the house is 100'10½" deep. This would require a 124' deep lot so this may be a survey error. Staff would be more comfortable to have a "0" setback in the rear approved and a 19' front setback approved which would accommodate the structure based on the engineering information we have available.

Due to the effective open space east of the wall, which has, from a practical point of view, been abandoned and the fact that inspectors did not halt development at an earlier point in time, staff would not be opposed. Heretofore, the P.C. has allowed attached garages 5' from the rear property line. Mr. and Mrs. Van Hefner should be notified.

If approved, subject to:

1. Conformance to the plot plan.
2. This action authorizes a 3 foot rear setback and a 19' front setback.
3. Approval by the Homeowners Association.

13. CD-2-84

This property is across from the L.V.V.W.D. offices and it has already been converted to comply with C-D standards. The request for copy service usually entails a drive-in window. In the Stevens cases, the drive-in windows were restricted. See Z-18-68(18).

The C-D zone precludes drive-in type businesses.

Staff recommends approval, subject to:

1. This approval of a copy service does not authorize a drive-in window.

POSITION STATEMENT

Members of the Planning Commission:

My name is Van Heffner, residing at 125 Rosemary Lane, Las Vegas, Nevada 89107.

I am here to express our concern about the Ed Hutchins property, which is adjacent to our property.

On the morning of February 27, 1984, I met with Mr. Hutchins to advise him that we owned property on both sides of our wall. This was prior to the pouring of any foundations or improvements to this land. I personally told Mr. Hutchins that we owned 10 or 15 feet on the east side of our wall but that a formal survey had not been completed.

We are very concerned about the structure violating our privacy and greatly reducing the value and saleability of our property.

My question to you is, was this building permit approved and were there any allowances of alterations to this permit? Is the structure in compliance with any permit, consistent with the planned development restrictions and requirements of Rancho Bel Air? We did not receive any notice to this effect, as the adjacent property owners.

A suggestion is presented to the planning commission for consideration to allow any alteration to the set-back. In order to attempt to restore our privacy and retain our property value, I would suggest the relocation of our wall 12 feet to the east and northeast, the planting of appropriate landscaping to totally screen this imposing structure and the elimination of their second floor windows and doors. The expenses of this suggestion, including surveying and out-of-pocket expenses directly related to this matter, would be fully paid by Mr. Hutchins as restitution.

An alternative suggestion is the relocation of his structure to meet the zoning requirements of his lot.

Respectfully submitted,

Van Heffner

VWH/ryn
