### 2. VAC-1-85 - M. J. WIENS, ET AL

Petition of M. J. WIENS, ET AL to vacate the south 10 feet of Oakey Boulevard from the east right-of-way line of Las Vegas Boulevard South, easterly approximately 245 feet and including the radius corners.

Staff recommends APPROVAL, subject to:

1. Vacate only the south five (5') feet of Oakey Boulevard.

PROTESTS: 0

Bugbee -  
APPROVED, subject to staff's condition.  
Unanimous  
(Tracy and Johnston excused)

MR. NULL stated this is a request for a 10-foot vacation on the south side of Oakey Boulevard between Las Vegas Boulevard to the alley east of Las Vegas Boulevard. This portion of Oakey Boulevard has an existing right-of-way of 80 feet with a constructed street section of 60 feet. The Traffic Engineering Division has recommended, at minimum, a 75 foot street right-of-way on Oakey Boulevard, 60 foot right-of-way to the east. This 75 foot section is needed for a transition and for two travel lanes in each direction, plus a left-turn lane. The Department of Design and Development has indicated that recently there was installed a sanitary sewer in the south half of Oakey Boulevard; and, if a future storm sewer is ever installed they would need the north 5 feet of the area being requested for Vacation. The future location of the storm sewer would start between Colorado and Wyoming, just to the east of Western Avenue, and would collect the storm water to flow to Oakey and into Boulder Highway. Staff would recommend the south 5 feet be vacated only with the standard conditions.

TED WIENS, JR., 1701 Las Vegas Boulevard South, appeared and represented the application. He discussed this with staff and is agreeable to a 5-foot Vacation.

City Council to set date for Public Hearing on 4-3-85.

### 5. Z-15-85 - METROPOLITAN DEVELOPMENT CORPORATION

Application of METROPOLITAN DEVELOPMENT CORPORATION for reclassification of property generally located north of Stewart Avenue, west of the Las Vegas Wash Drainage Channel, from R-1 to R-CL.  
Proposed Use: Single-Family Homes

Staff recommends APPROVAL, subject to:

1. Resolution of Intent with a twelve-month time limit.
2. Application amended to Lots 1 through 11, Block 7, and Lots 21 through 37, Block 8, of Parkwood Unit 10.
3. Submit and record a reversionary map for those portions of the existing Parkwood subdivision which will be affected by this action as required by the Department of Community Planning and Development.
4. Submit a new tentative and final subdivision map as required by the Department of Community Planning and Development.

6. Standard conditions 5 - 8.

PROTESTS: 0

Bugbee -  
APPROVED, subject to the conditions.  
Unanimous  
(Tracy and Johnston excused)

MR. WILLIAMS stated the existing site is subdivided on an R-1 basis. This proposal is to convert the vacant part of the subdivision to R-CL. The lots are to be 50 feet wide. Even though this is more than the R-CL lot requirement, staff feels the R-1 homes that do exist in that subdivision expect the same type of development to take place around them. There have been similar requests in the past and staff and the Planning Commission have supported R-1 across from R-1. Staff would recommend approval, but limit the R-CL zoning to the east portion of the subdivision where R-1 homes are not constructed.

MIKE KOIZUMI, VTN-Nevada, 2300 Paseo Del Prado, and TOM HILL, President of Metropolitan Development Corporation, appeared and represented the application. They objected to constructing R-1 homes across from the R-1 already in existence.

Gragson Highway, 600 feet south of Lake Mead Boulevard, N-U Zone (under Resolution of Intent to C-1); Parcel 2: the southeast corner of Oran K. Gragson Highway and Lake Mead Boulevard, N-U Zone (under Resolution of Intent to C-1).

Staff recommends APPROVAL, subject to:

1. Conformance to the plot plan and sign elevations.
2. The advertising message is limited to the applicant's subdivision only.
3. The signs shall be removed in two years or whenever the last unit in the tract is sold, whichever occurs first.

PROTESTS: 0

Coleman -  
APPROVED for only one sign on each parcel and staff's conditions.  
Unanimous  
(Tracy and Johnston excused)

MR. WILLIAMS stated the applicant is currently in the process of constructing an R-CL subdivision along Smoke Ranch Road. He wishes to construct three signs to advertise his development. The C-1 zone allows off-premise signs. He only intends to have the signs for the duration of the development. This is a public hearing item. Staff would recommend approval, subject to the conditions.

RON TIBERTI, Tiberti-Blood, Inc., 500 South 3rd Street, appeared and represented the application. He would be willing to construct only two signs, one in each parcel.

MRS. COLEMAN felt three signs in the area would be too many.

JAMES MCCALL, 3700 Las Vegas Boulevard South, appeared in favor.

MOOSE LODGE 1763

Request of LAS VEGAS MOOSE LODGE 1763  
for a Plot Plan Review of property  
generally located at 1600 Gragson  
Avenue, C-V Zone.

Mack -  
DENIED  
Unanimous  
(Tracy and Johnston excused)

MR. WILLIAMS stated this item was denied at the last meeting because there was no representation of the applicant at the meeting. The Moose Lodge would like to provide some recreational vehicle spaces for its visiting members. There is a church and fraternal organization in the area. Staff feels their organizations would want to provide recreational vehicle spaces also if this application was approved. Staff feels this type of application is for tourists and should be on the major streets. Staff recommended denial.

DON JACOBS, Junior Past Governor of Las Vegas Moose Lodge 1763, appeared and represented the application. At the present time the property is full of weeds. They feel this would be an improvement to the area. They plan to landscape the property. Most of the people using the spaces would be retired citizens. They plan to name the park after former Mayor Oran K. Gragson. They were not aware this item would be heard at a previous meeting which is the reason none of the members were in attendance. The park would not be advertised to the general public, but they would charge a fee to their members using the park. The Moose Lodge would see that the property is maintained and supervised. They would probably rent to visiting members on a monthly basis.

This is final action.

9. Conformance to the original conditions of Z-71-78.

Bugbee -  
APPROVED, subject to the conditions.  
Unanimous  
(Tracy and Johnston excused)

MR. WILLIAMS stated this property was rezoned to C-1 in 1978. The Planning Commission was given the authority to review the plot plan at the time of development, which is the reason for this application. They are proposing a shopping center consisting of a 3,600 square foot bar and a 7-Eleven Store with gasoline sales. The gasoline sales will require a special use permit. In addition, they are proposing some general retail shops for a total of 7,200 square feet. They will be providing 102 parking spaces which is the requirement. There are homes existing to the north of this proposed shopping center and the applicant has indicated he would be willing to construct an 8-foot high block wall along the north property line. Staff was handed a petition this afternoon containing 170 to 180 names in protest. This is a permitted use in a C-1 zone. Staff would recommend approval, subject to the conditions. This is not an advertised public hearing.

COMMISSIONER BUGBEE did not feel the Planning Commission has any jurisdiction over the bar.

BARRY BECKER, 50 South Jones Boulevard, appeared and represented the application. This is the first phase of a 10-acre shopping plaza. They do not have a tenant for the bar at this time. This property was master planned in 1978 on both sides of Rainbow Boulevard with R-1, R-E, R-PD18, R-3 and Commercial.

There were approximately 25 persons in the audience in protest.

(Tracy and Johnston excused)

MR. WILLIAMS stated this is a cul-de-sac that projects off Decatur Boulevard. The Planning Commission can recognize the unusual shaped lot and allow a deviation to the normal 50 foot standard. He wishes one corner of the building to extend 42 feet to the front property line and the corner of the rear building to extend within 40 feet of the rear property line. The average will be 50 feet, which is what the Code requires. Staff recommends approval, subject to the condition.

KEN TEMPLETON, Ken Templeton Realty, 2601 West Charleston Boulevard, appeared and represented the application.

This is final action.
