MR. FOSTER stated this application was initiated by the City as a result of the improvement of Rancho between Charleston and Sahara. Sixty feet was dedicated for street widening purposes, but only fifty feet was used. Staff does not envision the street being widened any more to the east because of the location of the homes in the area.

Request for a Plot Plan Review for an off-premise sign located on the northwest corner of St. Louis Avenue and Weldon Place, C-1 Zone.

Guthrie -  
DENIED

Motion carried with Bugbee voting "No."  
(Coleman excused)

MR. FOSTER stated there are two properties involved in this application, one is northwest of Rainbow Boulevard and Charleston Boulevard and the other is northeast of Rainbow Boulevard and Charleston Boulevard. They are proposing two signs at the north end of the properties and one to the west which are adjacent to residential. Two signs will be three-sides on the immediate corner of Charleston and Rainbow. There are too many signs proposed on these two parcels with some being located adjacent to residential and for these reasons staff recommends denial.

RON RIEGER, Ronco, Inc., 508 Campbell Drive, appeared and represented the application. There will be 600 feet between the signs. The signs on the corners of Charleston and Rainbow will be high tri-faced signs. If the owners develop the property, the signs will be taken down.
