MR. FOSTER stated this involves a
request for a mobile home park for
184 mobile homes. The density will
be 6.1 units per acre. They are
proposing 29 R-V parking spaces and
visitor parking for 46 spaces. There
will be a recreation facility. Staff
feels the R-E pattern has been
established by the lot layout
immediately to the west and south. A
better location would be farther east
next to the commercial along Rancho

STEVE TURNER, Engineer, Baughman and

Bugbee -
 APPROVED, subject to staff's conditions with truck parking to be permitted, Milo Way to be blocked off and single-story buildings.
 Motion carried with Johnston and Mack voting "No."

MR. FOSTER stated this request is to rezone approximately 9 acres to commercial for parking and an engineering/maintenance facility. Adjacent properties to the north are zoned R-4 and C-1 and developed as a motel and parking area. To the west are single-family residences, offices and apartments. They propose 834 parking spaces for cars, 15 spaces for trucks and 10 spaces for buses. However, they have applied to the Board of Zoning Adjustment for a Variance to allow the bus parking. Staff recommends approval of the application, subject to deleting the truck parking.

CHARLEY JOHNSON, Engineer, VTN-Nevada, 2300 Paseo Del Prado, and JAMES FASO, Bingo Palace, 3648 South Bronco Road, appeared and represented the application. They plan to park the trucks and buses in one area. They concur with staff's conditions, except the truck parking.

DENIED as being incompatible with
the area.
Motion carried with Johnston and
Mack voting "No" and Tracy excused.

MR. FOSTER stated this site is
presently zoned P-R. There is P-R
along Charleston Boulevard. The
proposed use of this site is for
a Federal Office Building, minor
servicing of government automobiles
and parking. The building will be
three stories in height and contain
140 employees. Staff feels the 117
parking spaces would be deficient
to accommodate the employees and
visitors. Staff felt the three-
story building was out of character
for this area. Staff recommended
denial.

BARRY D. LEAVITT, 4901 West Desert

the application. There will be
approximately 42,000 square feet
of office space.

DARRELL LEAVITT AND DON BAUMGARTNER
appeared. There will not be any
windows overlooking the residential
areas. All the servicing of the
cars will be inside the building.
There will not be any gas pumps on
the property. They would be willing
to drop the parking level down a half
story. This building will be used
24 hours a day and the amount of
parking should be sufficient.

BARRY LEAVITT said he had a petition

MR. FOSTER stated this site is
approximately 600 feet north of
Sahara Avenue. It is a proposed
shopping center facility with
44,000 square feet of building
area. They will have ample parking
spaces. Staff would recommend
denial because this proposal is not
consistent with the General Plan.

MICHAEL FOSBEE, Developer, appeared
and represented the application.
This property is approximately 600
feet north of Sahara Avenue. There
is quite a lot of traffic in the
area which would make this property
unsuitable for residences.

ROBERT WILLIAM, 6257 Catella, appeared
in favor to represent the owner of the
property. There is too much traffic
in the area for residential develop-
ment.

PROTESTS: 4 on record with staff

Guthrie -
DENIED
Unanimous

MR. FOSTER stated this request is to rezone approximately 14 acres to commercial for three off-premise signs on the Masonic Memorial Temple property. The three signs are proposed along the north property line perpendicular to the Highway and are 500 feet apart. The easterly sign is about 100 feet west of the adjacent R-1 properties. The signs will be 14' x 48' in size and 50' high. Staff recommended denial because commercial should stay on the north side of the Gragson Highway.

BOB VAN OSTRAND, Connell Outdoor Advertising, appeared. This property will never be developed at R-1. They would be willing to eliminate one of the signs and put a condition on this for a one-year review.

ROBERT FRANDSEN, 100 Rancho Vista Drive, appeared in protest. It would be improper to have signs on the south side of the freeway.

JAMES MALKAM, 101 Azalea Circle, appeared in protest. This will not enhance the area. These signs will reduce the value of the homes in the area.

LLOYD GRONBERG, 104 Dahlia Lane, appeared in protest. Commercial zoning is inappropriate.

BOB VAN OSTRAND appeared in rebuttal feeling this is a commercial area and would agree to amend the application to the north 50 feet to accommodate the signs.

FAVOR: 5 speakers at meeting

Bugbee -
 APPROVED with staff's conditions and excluding Condition No. 2.
 Motion carried with Coleman and Guthrie voting "No."

MR. FOSTER stated staff received a petition on this request from 20 property owners and business persons in the area in favor of this request. The petition indicated the change would assist in the economic development and growth for the area. Fire Services, Metropolitan Police Department and the United States Postal Service are opposed to the name change on segments of the three streets. There are about 20 street name signs that would have to be changed if this were approved. Staff recommends denial.

JOSH ELLIOTT, JR., ET AL, 1200 North "D" Street, appeared and represented the application. In 1980 they came before the Planning Commission for a street name change that was denied. They want to honor Dr. Martin Luther King and this will not create astronomical problems. This will be Dr. Martin Luther King Loop.

CHAIRMAN TRACY suggested these streets could be Lane, Road, etc. or they could name of the new expressways after Dr. Martin Luther King.

PAULA JOHNSON, 2225 Jansen Avenue appeared in protest. She would like one entire major thoroughfare to have this name.

RUTH SHELBY, 1617 Ludwig Drive, appeared in favor. However, this street should go through the City and not just on streets in this area.

WENDELL WILLIAMS, 2200 Canary Way, appeared in favor. Each metropolitan city has carried his name.
