COUNCIL CHAMBERS • 400 EAST STEWART AVENUE

PHONE 386-6301

CALL TO ORDER: 7:30 P.M. in the Council Chambers of City Hall, 400 East Stewart Avenue, Las Vegas, Nevada

ROLL CALL:

ANNOUNCEMENT: Satisfaction of Open Meeting Law Requirements

MINUTES: Approval of the minutes of the December 11, 1986 Planning Commission meeting

ACTIONS: UNLESS OTHERWISE INDICATED DURING THE MEETING, ALL ACTIONS BY THE PLANNING COMMISSION ARE RECOMMENDATIONS TO THE CITY COUNCIL, IN WHICH CASE ALL FINAL DECISIONS, CONDITIONS, STIPULATIONS OR LIMITATIONS ARE MADE BY THE CITY COUNCIL.

STANDARD CONDITIONS:

ALL AGENDA ITEMS SHALL BE SUBJECT TO THE FOLLOWING:

Zoning Applications:

- (1) Conformance to the plot plan and elevations;
- (2) Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler system shall be cause for revocation of a business license;
- (3) Submittal of a landscaping plan prior to or at the same time application is made for a building permit, license or prior to occupancy, whichever occurs first;
- (4) All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets (excluding single family development);
- (5) Satisfaction of City Code requirements and design standards of all City departments;
- (6) Approval of the parking and driveway plans by the Traffic Engineer;
- (7) Repair any damage to the existing street improvements resulting from this development as required by the Department of Public Works; and
- (8) Provision of fire hydrants and water flow as required by the Department of Fire Services.

Subdivision Applications:

Tentative Maps:

- (1) Approval of the tentative map shall be for no more than twelve months. If a final map is not recorded on all or a portion of the area embraced by the tentative map within twelve months of the approval of the tentative map, or an extension of time up to one year, is not granted for the tentative map, a new tentative map must be filed.
- (2) Street names to be provided in accord with the City's Street Name Policy.
- (3) Subject to all conditions of City departments and State Subdivision Statutes.

Final Maps

- (1) Conformance with the tentative map.

Vacation Applications:

- (1) Reservation of easements for the facilities of the various utility companies together with reasonable ingress thereto and egress therefrom.
- (2) Conformance to code requirements and design standards of all City departments.
- (3) Vacation shall not be recorded until all of the above conditions have been met.
- (4) If the Order of Vacation is not recorded within one year after approval by the City Council or an extension is not granted by the Planning Commission, then approval will terminate and a new petition must be submitted.

2. REVIEW OF DEVELOPMENT PLANS AND BUILDING ELEVATIONS - Z-82-85 - (ABEYANCE ITEM)

Applicant: METROPOLITAN DEVELOPMENT COMPANY

Application: Request for review of development plans and building elevations for Metropolitan's Mission Bend and Cypress Station subdivisions.

Location: West side of Torrey Pines Drive, south of Peak Drive

Zone: N-U (under Resolution of Intent to R-CL and R-PD8)

Staff Recommendation: APPROVAL, subject to:

1. Conformance to the submitted plot plan and building elevations.

Bugbee -
APPROVED, subject to staff's condition.
Unanimous
(Mack excused)

MR. FOSTER stated the development plans and building elevations for each phase of this R-PD development were to be reviewed by the Planning Commission prior to development. The Mission Bend Project will have four models on 50 foot minimum width lots with detached two-car garages in the front yard area. The houses will be set back a minimum of three feet from the side property line on one side and a minimum of seven feet on the other. The Cypress Station Project will have three house models with attached two-car garages on 40 foot minimum width lots. Standard side setbacks will be five feet on one side and six feet on the other. Garages will be set back a minimum of 16 feet. The elevations are attractive on both developments. The homes will be two stories. Staff recommended approval, subject to the condition.

DIANA BOSSARD, Wallace Engineering, 1555 S. Rainbow Blvd., appeared and represented the applicant. They are in agreement with staff's conditions.

Thom Boulevard
Zone: R-E
Staff Recommendation: DENIAL

Bugbee -
DENIED
Motion carried with Mack abstaining
from voting.

MR. FOSTER stated this is a four
lot subdivision. Staff is request-
ing the applicant pave the cul-de-
sac and half street frontage on
Hickam Ave. The applicant is
objecting because of the cost.
Staff feels this area is develop-
ing rapidly. There are major sub-
divisions along the north of this
property with paved streets. Staff
recommended denial because it was
concerned that the area will become
developed with no paved streets.

SAL DIMODICA appeared and
represented the application. He
is going to have to put in water
line improvements on this which
will cost \$25,000. He just wants
to have gravel streets. Paving
will cost an additional \$16,000.

PEGGY SANDOW, P. O.Box 44012,
Las Vegas, NV, appeared and
represented the applicant. If he
paves the streets, the paving
would have to be dug up when the
utilities are installed.

MR. JOHNSTON indicated the water
lines could be installed to each
property.

Applicant: ERNEST A. BECKER ENTERPRISES

Application: Request to allow installation of a chain link fence with slats as an emergency access to Portsmouth Way where a block wall with no access was previously required.

Location: 4701 Meadows Lane

Zone: C-2

Staff Recommendation: APPROVAL, subject to:

1. The emergency access gate is to remain closed at all times unless opened by the Department of Fire Services.
2. Design of the opaque gate is to be approved by the Department of Community Planning and Development.
3. Remove existing curb, gutter and sidewalk and replace them as required by the Department of Public Works.

PROTESTS: 1 on record with staff
2 speakers at meeting
24 signatures on petition

Bugbee -

APPROVED, subject to staff's conditions with the gate a maximum of 6 feet in width, wrought iron, fastened to the wall with bolts, no hinges and gate and apron approved by the Fire Department. Unanimous

MR. FOSTER stated a portion of the property on the southeast corner of Decatur and Meadows Lane is being developed. The applicant would like to have an emergency access on the rear of this property to an existing hydrant so he does not have to install a new fire hydrant. They are proposing a chain link fence with slats. Staff recommended approval with an ornamental type fence. This is an advertised public hearing.

BARRY BECKER, 50 S. Jones Blvd., appeared and represented the application. This is merely for an emergency access for the Fire Department. The applicant is willing to work with staff on any type of fence and gate.

DWIGHT CLAIR, 4605 Providence Lane, appeared in protest. They want the wall to remain as it is. This should just be a gate to be opened only by the Fire Department. He is fearful that in the future this will be used as access by everyone to this property.

KENNETH CYPET, 4625 Providence Lane, appeared in protest. The applicant has already started the opening. He presented a petition with 24 signatures in protest.

To be heard by the City Council on 2/18/87.

9. Z-91-86 - REFERRED BACK BY THE CITY COUNCIL

Applicant: CHRISTINA M. HIXSON,
EXECUTRIX OF THE ESTATE OF
ERNST F. LIED
Application: Zoning Reclassification
From: N-U
To: R-D, R-CL, R-PD18 and
C-1
Location: Southeast corner of Lorenzi
Boulevard and Cheyenne
Avenue
Proposed Use: Single Family and Multi-
Family, Residential and
Shopping Center

Staff Recommendation: APPROVAL, subject
to:

1. Resolution of Intent with a twelve
month time limit.
2. The R-PD18 be amended to R-CL.
3. The R-D lots shall have a minimum
width of 100 feet.
4. The plot plan and building elevations
for the C-1 development shall be
subject to Planning Commission review.
5. Conformance to the building
elevations for the R-CL and R-D
developments.
6. The homes on the R-D lots be
developed concurrently with, or
prior to, the R-CL.
7. Install half-street paving and
provide the necessary dedication on
Lorenzi Boulevard adjacent to the
C-1 parcel at the time the R-CL
develops south of the C-1 parcel.
8. Install transition paving and
dedicate the necessary right-of-way
on Cheyenne Avenue, adjacent to the
C-1 zoned parcel, at the time the
R-CL and R-D lots are developed.

Mack -
APPROVED, subject to staff's
conditions.
Motion carried with Tracy voting
"No."

MR. FOSTER stated this was referred
back to the Planning Commission
from the City Council and there
were a number of changes requested.
The City Council felt the R-PR18
was inappropriate and it should be
amended to R-CL, the lots should be
55 feet wide and the houses a
minimum of 1,100 square feet. The
original application was for only
9.5 acres of C-1. They are
requesting an additional 1.5 acres
of C-1 which will have to be
handled by a separate zoning
application. Staff would recommend
approval, subject to the condi-
tions.

HAL OBER, 3123 Pradera Circle, and
GARY LAKE, RA Homes, appeared and
represented the applicant. When
this was submitted there was
R-PD18. The seller has agreed to
eliminate the R-PD18. They propose
a buffer of R-D. The neighbors would
like to see the sidewalk eliminated
on the R-D buffer on Garehime. They
do not object to that request. This
proposal will reduce the density
by 50% from the previous proposal.

LANCE AHLSTROM, 3130 Garehime,
appeared in protest. They would
like to see a gradual lot size
from 55 feet to 60 feet to 70 feet
up to the R-D buffer across from
the existing R-E. This will
reduce the density. There is a
traffic problem in the area at
the present time.

JEFFERY CATES, 3163 Ramrod,
appeared in protest. He showed an
aerial map and pointed out the
various types of zoning in the
area.

Dedicate 25 foot radii for the southeast corner of Cheyenne Avenue and Lorenzi Boulevard and the southwest corner of Cheyenne Avenue and Garehime Street, a 15 foot radius for the northwest corner of Garehime Street and Brooks Avenue, and a 20 foot radius for the northeast corner of Brooks Avenue and Lorenzi Boulevard as required by the Department of Public Works.
11. Install half-street improvements for Cheyenne Avenue, Garehime Street, Brooks Avenue and Lorenzi Boulevard, and full-street improvements for all interior streets, as required by the Department of Public Works.
12. Post an amount equivalent to 25% of the cost of a traffic signal system at the intersection of Cheyenne Avenue and Lorenzi Boulevard at the time of the development of the C-1 parcel.
13. Submit a drainage and hydrology study as required by the Department of Public Works.
14. A rezoning application be filed for the proposed southerly extension of the C-1 parcel.
15. Standard Conditions 2 - 8.

PROTESTS: 31 persons in audience
6 speakers at meeting

RICHARD HIBLER, 6620 W. Cheyenne, appeared in protest. The density is too high. He purposely moved into this area to be in a low density area.

TOM ELLINGWOOD, 6590 Brooks Ave., appeared in protest. The schools are overcrowded already.

MARGARET MINSTER, 6221 Fort West Rd., appeared in protest. This is not compatible with the area.

ROBERT HOFFMEISTER, 3093 Woods Drive, appeared in protest. He objected to tying the Z-91-86 and Z-92-86 subdivisions together. There are empty stores in the area already.

MARGARET MINSTER said when they purchased their homes they were told this property would remain residential.

HAL OBER appeared in rebuttal. The R-CL lots will not be less than 50 feet in width. This conforms with the City's Master Plan.

To be heard by the City Council on 2/4/87.

MR. FOSTER stated there are homes in the southeast. There is vacant land to the north and west. The applicant is proposing the development of a church and a non-profit convalescent care facility on the property. A related administration building will also be constructed. There was a church approved on the property by means of a Use Permit, but it never was developed. There will be ample parking.

MICHAEL ROBINSON, 1019 Adams Ave., appeared and represented the convalescent care facility.

H. A. THOMPSON, 3234 Simmons St., appeared and represented the church.

EDNA CRANE, 434 Greenbriar Townhouse Way, appeared and represented the owners of the property on Highland Dr. from Owens to Lake Mead in protest. This is a good idea for the area, but the buildings should be placed differently on the property. She indicated the church should be on the east side of the property so it would not affect any bars proposed if the property on the west side of Highland is zoned commercial.

To be heard by the City Council on 2/18/87.

Location: 200-234 West Sahara Avenue
Proposed Use: Retail Sales and Services, Gasoline Sales and a Wedding Chapel

Staff Recommendation: APPROVAL, subject to:

1. Resolution of Intent with a twelve month time limit.
2. All existing Resolutions of Intent on this property are expunged.
3. Install a six foot decorative block wall with wall niches every 30 feet along the north property line and a 6' high block wall along the north half of the west property line adjacent to the existing apartments as required by the Department of Community Planning and Development.
4. Install 24 inch boxed minimum size Aleppo Pines within each wall niche as required in Condition No. 3.
5. Dedicate a 25 foot radius at the northwest corner of Sahara Avenue and Fairfield Drive and a 20 foot radius at the southwest corner of Cincinnati Street and Fairfield Drive as required by the Department of Public Works.
6. Provide a 20 foot wide paved access along the west property line to the rear parking area as required by the Department of Community Planning and Development.
7. Install one 20 foot wide driveway opening on Cincinnati Street in alignment with the alley on the north side of the street as required by the Department of Community Planning and Development.
8. Provide aesthetic treatment to the north building elevation as required by the Department of Community Planning and Development.

Mack -

APPROVED, subject to staff's conditions except no gasoline sales.

Unanimous

MR. FOSTER stated there recently was a rezoning to C-2 on the south-east corner of this property. Now they are requesting C-1 on most of the site, and the C-2 for the wedding facility. There is residential to the north. Staff feels this is compatible with the area, but feels there should be some modification to the layout. There should be a block wall on the north with niches in it for landscaping and only one access to Cincinnati. The buildings should be moved so there is a drive along the west to the rear parking. There is proposed a convenience store with gasoline sales on the property. Staff recommended approval, subject to the conditions.

FOAD AKHAVAN, 1022 E. Sahara Ave., appeared and represented the applicant. They would like to have two driveways to Cincinnati. There will just be pumps for gas, no servicing of cars.

TOM BUSHY, 2300 W. Oakey Blvd., appeared in protest. He is the dealer of the nearby Texaco station. There are two service stations within a block right now.

TIM ROSTER, 5197 Auburn, appeared in protest. There is no need for more gasoline sales in the area. This will increase the traffic.

CHARLES STEVENS, 544 Canosa Ave., appeared in protest. He owns the Exxon station just east of this proposal.

DENIED
Motion carried with Bugbee and
Johnston voting "No."

MR. FOSTER stated this is a small
site. They are proposing an "L"
shaped building. There is parking
and landscaping along the Rainbow
side at the corner. There will be
14,290 square feet in Phase One
and 5,000 square feet in Phase Two.
Staff was concerned about a strip
zoning pattern evolving on this
segment of Rainbow. Staff felt
this was not in keeping with the

Unanimous

MR. FOSTER stated it was suggested at the last Planning Commission meeting that the Supplemental Agenda be eliminated from the Planning Commission agenda. The Supplemental Agenda allowed non-public hearing items to be placed on it up to a week before the meeting. This did not allow sufficient time for staff and the members of the Planning Commission to field check the properties. Also, it was difficult for staff to obtain comments from the various departments and evaluate each request within this short time period. Staff was in favor of eliminating the Supplemental Agenda.
