STANDARD CONDITIONS:

ALL AGENDA ITEMS MAY BE SUBJECT TO ONE OR MORE OF THE FOLLOWING:

Zoning Applications:

1. Resolution of Intent with a twelve month time limit.
2. Conformance to the plot plan and building elevations.
3. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be cause for revocation of a business license.
4. Submittal of a landscaping plan prior to or at the same time application is made for a building permit or license, or prior to occupancy, whichever occurs first.
5. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets (excluding single family development).
6. Satisfaction of City Code requirements and design standards of all City departments.
7. Approval of the parking and driveway plans by the Traffic Engineer.
8. Repair any damage to the existing street improvements resulting from this development as required by the Department of Public Works.
9. Remove all unused driveway cuts and replace with "L" curb and new sidewalk as required by the Department of Public Works.
10. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of a building or grading permit, whichever may occur first.
11. Provision of fire hydrants and water flow as required by the Department of Fire Services
12. The required fence heights shall be measured from the side of the fence with the least vertical exposure above the finished grade as required by the Department of Community Planning and Development.

Subdivision Application:

Tentative Maps:

1. Approval of the Tentative Map shall be for no more than twelve (12) months. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map within twelve (12) months of the approval of the Tentative Map, a new Tentative Map must be filed.
2. Street names to be provided in accord with the City's Street Name Policy.
3. Subject to all conditions of City departments and State Subdivision Statutes.
4. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the approval of a Final Map.

Final Maps:

1. Conformance with the Tentative Map.

Vacation Applications:

1. Reservation of easements for the facilities of the various utility companies together with reasonable ingress thereto and egress therefrom.
2. Conformance to code requirements and design standards of all City departments.
3. The Reconveyance shall not be recorded until all of the above conditions have been met.
4. If the Reconveyance is not recorded within one (1) year after approval by the City Council or an Extension of Time is not granted by the Planning Commission, then approval will terminate and a new petition must be submitted.

GENERAL PLAN CITIZENS ADVISORY COMMITTEE MEMBER PRESENT:

Abe Mayhan, Co-Chairman

CHAIRMAN HUDGENS announced this meeting is in compliance with the Open Meeting Law.

Segerblom -
CONSIDER GENERAL PLAN RECOMMENDATIONS AND VOTE ON ENTIRE GENERAL PLAN ON DECEMBER 12, 1991.
Unanimous
(Dixon and Pippin excused)

CHAIRMAN HUDGENS stated the area being discussed tonight is from Decatur Boulevard eastward and the city limits on the north, east and south. A final hearing will be held to discuss all the recommended changes.

ERIK KING, 617 Kenny Way, was concerned about the zoning change at the northeast corner of

PLANNING COMMISSION

COUNCIL CHAMBERS • 400 EAST STEWART AVENUE

ITEM

COMMISSION ACTION

1. CONTINUATION OF THE REVIEW AND RECOMMENDATION OF THE UPDATED CITY OF LAS VEGAS GENERAL PLAN (CONTINUED)

SOUTHEAST SECTOR PROPOSED FUTURE LAND USE PLAN

Charleston and Campbell. Currently this area is residential, except for a strip along Charleston Boulevard that is commercial. The commercial goes back to the school on Palomino Lane. This is an update of the Master Plan of 1985. It appears there was a change to commercial which lapsed. It should revert back to residential.

MR. REYNOLDS said all parcels that were rezoned since the maps were adopted in August of 1985 were used as a starting point. The parcel in his neighborhood which was rezoned to service commercial which has expired and has reverted back to residential.

ERIK KING said on the southeast there is a strip of service commercial frontage. In discussing with the neighborhood group, the intent was not to make this any deeper. In 1985 this was a condition. The intent was just to keep commercial frontage and not to put commercial in neighborhoods. He wants to keep it residential. Traffic flow will increase and there is a school on Palomino Lane. He is not opposed to changing the density. He was also concerned about the property on the northwest corner of Shetland and Charleston. There is commercial property that goes back so far and then residential behind it. On the new map the lot behind the commercial, which is now residential, is going to be zoned commercial.

CAROL JARVIS, 606 Lacy Lane, said one side of Shetland is deeper than on the northeast side. We were here three months ago when there was an application to change from residential to commercial, which was on the west side of Shetland. Wasden Elementary School only has one entrance so residential will keep the traffic down.

COMMISSIONER SOLOMON asked how this area was changed to service commercial when it was defeated on a rezoning application.

MR. NULL said there was a previous

1. CONTINUATION OF THE REVIEW AND RECOMMENDATION OF THE UPDATED CITY OF LAS VEGAS GENERAL PLAN (CONTINUED)

SOUTHEAST SECTOR PROPOSED FUTURE LAND USE PLAN

request to rezone this property to C-D and the north part of the parcel was amended to P-R. Now there is a new zoning case. The S-C classification includes P-R zoning as well as C-1, C-D, C-C, etc. Staff has the policy that once a rezoning is approved, it is shown on the Community Profiles. Since the City Council has not taken any action on the new zoning case, staff had nothing to go by so it was left.

MR. REYNOLDS said all persons who have identified themselves at the General Plan public hearing meetings will be notified that the final meeting will be on December 12, 1991.

ADJOURNMENT:

The meeting adjourned at 6:36 P.M.

ITEM

COMMISSION ACTION

***CONSENT ITEMS:**

Items noted with an asterisk () are considered routine by the Planning Commission and may be enacted by one motion. However, any item may be discussed if a Commission member, applicant or citizen so desires.

STANDARD CONDITIONS:

All Agenda Items may be subject to one or more of the following:

1. Resolution of Intent with a twelve month time limit;
2. Conformance to the plot plan and building elevations;
3. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be cause for revocation of a business license;
4. Submittal of a landscaping plan prior to or at the same time application is made for a building permit or license, or prior to occupancy, whichever occurs first;
5. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets (excluding single-family development);
6. Satisfaction of City Code requirements and design standards of all City departments;
7. Approval of the parking and driveway plans by the Traffic Engineer;
8. Repair any damage to the existing street improvements resulting from this development as required by the Department of Public Works;
9. Remove all unused driveway cuts and replace with "L" curb and new sidewalk as required by the Department of Public Works;
10. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of a building or grading permit, whichever may occur first;

CHAIRMAN HUDGENS stated Items 1 thru 16 are considered routine and can be approved as consent items by one motion.

CHAIRMAN HUDGENS pointed out the standard conditions for rezonings, tentative maps, final maps, and vacation items are listed on the agenda.

20. PLOT PLAN AND BUILDING ELEVATION REVIEW
Z-5-63

Applicant: DERMODY PROPERTIES
Application: Proposed Ortho Mattress Store
Location: West side of Martin L. King Boulevard, north of Alta Drive
Zone: C-1

STAFF RECOMMENDATION: APPROVAL, subject to the following:

1. Install landscaping along Martin L. King Boulevard and around the building to match the landscaping for the furniture store to the north as required by the Department of Community Planning and Development.
2. Reconstruct the most southerly driveway on this site to conform with Standard Drawing #222a or the design approved by the Traffic Engineer prior to occupancy of this parcel as required by the Department of Public Works.
3. Standard Conditions 2 - 9 and 11.

PROTESTS: N/A

Moffitt - APPROVED, subject to staff's conditions.
Unanimous
(Dixon excused)

MR. GENZER stated this request is for a one story 4,000 square foot Ortho Mattress store on a 20,040 square foot pad of a 10.69 acre parcel. The elevations show stucco exteriors with an accent color band for the exteriors and a flat roof line. Access is via two driveways from Martin L. King Boulevard which are shared with the existing office supply and furniture stores located on the other two pads on the property. The 17 parking spaces exceed Ordinance requirements. Staff recommended approval, subject to the conditions.

KEVIN GRAFF, 4200 South Valley View Boulevard, appeared and represented the application. He concurred with staff's conditions.

This is final action.

(7:11-7:12)

ITEM

21. PLOT PLAN AND BUILDING ELEVATION REVIEW
Z-48-66

Applicant: EMPIRE MOTOR WORKS, INC.
Application: Convert existing carport into a garage and storage area.
Location: 2211 South Paradise Road
Zone: C-1

STAFF RECOMMENDATION: APPROVAL, subject to the following:

1. Remove the northerly tandem parking space along Paradise Road as required by the Ordinance.
2. Install landscaping between the property line along Paradise Road and the front of the building in the area shown as the northerly tandem parking space on the submitted site plan as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged.
3. Remove the existing outdoor storage items as required by the Ordinance.
4. Conformance to the plot plan as amended by the above conditions.
5. Conformance to the building elevations.
6. Standard Conditions 3 - 8 and 11.

PROTESTS: N/A

Pippin - APPROVED, subject to staff's conditions.
Unanimous
(Dixon excused)

MR. GENZER stated this request is to legalize the conversion of an attached carport to an enclosed garage and storage building. The applicant made the conversion without a building permit and was given a violation notice. The elevations depict wood siding exteriors with a flat roof line. Access is via a shared driveway with the property to the south from Paradise Road. The eight parking spaces include two spaces in tandem along Paradise Road and two spaces in the garage/storage building. Tandem parking spaces which require the moving of one car to allow the other car to exit are not allowed by Ordinance. There is a vehicle and camper shell stored along the north side of the existing building. Outdoor storage of this type is not allowed in a C-1 district. In addition, adequate access to the parking spaces along the south side of the building and the garage conversion at the rear of the lot must be provided. The present access is inadequate unless the applicant has a Joint Use Agreement with the adjacent property owner to the south. By eliminating the tandem parking space along Paradise Road the applicant will have sufficient additional area to install much needed landscaping on this site. Staff recommended approval, subject to the conditions.

RICHARD GALLEGOS, Architect, 3980 Spitze Drive, appeared and represented the applicant. He concurred with staff's conditions.

COMMISSIONER SEGERBLOM thought most of the adjacent property was P-R.

RICHARD GALLEGOS said the neighbors to the north and south are office use. This is a garage.

MR. GENZER said this was an existing carport at the rear of the property which has been converted into a garage which can be used for vehicles or storage of materials.

Z-54-85**

Applicant: AHERN RENTERS CENTER
 Application: Proposed Temporary Office Trailer
 Location: 1701 West Bonanza Road
 Zone: C-2 and C-M

STAFF RECOMMENDATION: APPROVAL, subject to the following:

1. The modular office structure shall be removed from the property on or before November 26, 1993.
2. Provide a minimum 10 foot wide landscape planter along Bonanza Road and install 24 inch box trees 40 feet on center with shrubs and ground cover in the planter in conformance with the Landscape and Wall Buffer System Guidelines as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged.
3. Dedicate an additional 15 feet of right-of-way for a total half-street width of 50 feet on Bonanza Road adjacent to this site as required by the Department of Public Works.
4. The new driveway to Bonanza Road shall be designed and constructed in accordance with Standard Drawing #222a as required by the Department of Public Works.
5. Conformance to the plot plan as amended by the above conditions.
6. Conformance to the building elevations.
7. Standard Conditions 3 - 8 and 11.

PROTESTS: N/A

Moffitt -
 APPROVED, subject to staff's conditions.
 Unanimous
 (Dixon excused)

MR. GENZER stated this request is for a 2,160 square foot modular retail sales office. The structure has been installed near the northeast corner of the property without a building permit being obtained. The elevations show wood siding exteriors with a flat roof line. The applicant has indicated that the modular office is needed for approximately two years. There will be ample parking for this use. Staff recommended approval, subject to the conditions.

DONALD AHERN, 8805 Robinson Ridge, appeared and represented the application. He concurred with staff's conditions.

COMMISSIONER SOLOMON asked how long the structure has been at this location.

DONALD AHERN said it has been there for sixty days.

COMMISSIONER SOLOMON asked if he plans to build a permanent structure at the end of the two years.

DONALD AHERN answered in the affirmative.

This is final action.

(Dixon excused)

MR. GENZER stated this request is for a 17,000 square foot one-story building for a State Farm Insurance Service Center with 98 employees. Damaged vehicles will be inspected within an enclosed building and no damaged vehicles will be stored on site. The elevations show brick exteriors with a flat roof line. There is an existing chain link fence along the Oran K. Gragson Highway which will be replaced by a block wall installed by the City of Las Vegas. Access is via two driveways from Box Canyon Drive. There will be ample parking. Staff recommended approval, subject to the conditions.

DORIAN FORTNEY, Castello Company, 2345 East University, Phoenix, Arizona 85034 appeared and represented the applicant. He concurred with staff's conditions.

To be heard by the City Council on
12/18/91.

(7:18-7:20)

ITEM

24. REVIEW OF CONDITION - Z-74-84(1)

Applicant: JAMES B. McCALL
 Application: Request to eliminate the requirement for the development of a row of R-1 zoned lots along the west side of Tenaya Way which would allow the entire site to be developed on an R-CL basis.

Location: North of Washington Avenue

STAFF RECOMMENDATION: APPROVAL, subject to the following:

1. The existing Resolution of Intent shall be amended to remove the R-1 zoning along Tenaya Way and replace with R-CL which will allow R-CL zoning for the entire site.
2. Conformance to all other original Conditions of Approval.

PROTESTS: 2 on record with staff
 3 speakers at meeting
 1 signature on petition

APPROVALS: 3 signatures on petition
 1 letter submitted at meeting

NOTICES MAILED: 209

Solomon - APPROVED, subject to staff's conditions.
 Motion carried with Pippin and Segerblom voting "No."
 (Dixon excused)

MR. GENZER stated this request is to amend the existing Resolution of Intent to allow R-CL zoning for the entire site without a row of R-1 lots along Tenaya Way. The applicants reason for the proposal is that there is an existing 138KV power line and poles along the west side of Tenaya Way. He feels it is impractical to create a row of R-1 lots with power transmission lines in the front yard areas and that an R-CL development backing to Tenaya Way with the power poles located outside the fenced rear yards would be more appropriate. The applicant is proposing to construct a decorative wall along Tenaya Way and plant a row of mature evergreen trees in the rear yard areas of the proposed lots. Staff recommended approval, subject to the conditions.

JAMES B. McCALL, 1502 Elizabeth Avenue, appeared and represented the application. He concurred with staff's conditions. This is a 40 acre parcel. There is a 40 foot easement, 20 feet on each side of the pole lines. The power line has been in place for approximately twenty years. Because of restrictions in easements you cannot park along streets nor within easement right-of-way so with a 20 foot setback in front of the homes there could not be any parking in front of the driveway. He would be willing to build a stucco wall with pilasters. The wall will be approximately 2,000 feet. He will plant two trees in the back yards of each home abutting Tenaya Way. The property owners are currently looking at a 6 to 9 foot berm that runs along Washington to Tenaya and north to Brazwell. The main purpose for the berm is to prohibit dumping on the property. He met with the property owners in the area. The concern of the property owners is to line up one of the entrances with Calvado, which he agreed to do. Also, they want more dips in the road on Carmen Avenue.

PLANNING COMMISSION

COUNCIL CHAMBERS • 400 EAST STEWART AVENUE

COMMISSION ACTION

ITEM

24. REVIEW OF CONDITION - Z-74-84(1) (CONTINUED)

COMMISSIONER SEGERBLOM asked what will be between the wall and street.

JAMES B. McCALL said the wall will be right up to the sidewalk.

RICK NOELL, 7216 Washington Avenue, appeared in protest. At the corner of Rainbow and Washington is a two-lane bridge. There is a severe traffic problem in the area at the present time.

COMMISSIONER SEGERBLOM asked how the houses to the north of this property handle the power line.

JAMES B. McCALL said the houses back up to Tenaya Way which is what is being requested on this application.

COMMISSIONER SEGERBLOM was concerned about parking in the right-of-way.

MR. GENZER said parking is allowed under a Nevada Power line right-of-way.

JAMES B. McCALL said there is a problem parking under this power line because of such high voltage.

KEN AKERS, 1201 North Tenaya Way, appeared in protest. He called Nevada Power Company and could not find anyone to make a statement that there would not be any parking under the power line. The builder would have to present the plans to their agency.

JAMES B. McCALL said he contacted the Nevada Power Company. He did not buy this property with the power lines existing. This property has been in his family for approximately forty years. January of 1992 construction of the Buffalo Interchange will commence and when completed will relieve alot of traffic on the Washington Avenue bridge.

BOBBY MITE, 1209 North Tenaya Way, appeared in protest. At the present time there are no posted signs prohibiting parking under the power line. This will block his view.

JAMES B. McCALL appeared in

PLANNING COMMISSION

24. REVIEW OF CONDITION - Z-74-84(1) (CONTINUED)

rebuttal. This will block the view of the skyline, but not totally.

COMMISSIONER MOFFITT was concerned about the location of the power line.

JAMES B. McCALL said the power company would require a one million dollar public liability policy by the homeowners for the front of the homes if the line went through the front yards.

MR. STANDERFER said the Subdivision Regulations state on collector and arterial streets that there cannot be any homes fronting those streets.

JAMES B. McCALL presented a signature of approval by one of the homeowners in the area. The block wall will be to the west of the power poles.

A GENTLEMAN presented a petition with three signatures in favor and one signature in opposition.

COMMISSIONER SOLOMON asked if the homes in the R-CL area would be single story and two stories.

JAMES B. McCALL said there would be a mix.

COMMISSIONER SOLOMON suggested that the row of houses could be single story.

JAMES PINJUV, 2613 Colanthe, appeared and represented the applicant. A row of single story homes does not lend itself to an aesthetically pleasing street scene. The lots will average 4,500 square feet and the homes will range from 1,100 to 2,100 square feet.

To be heard by the City Council on 12/18/91.

25. VAC-45-91

Applicant: HOWARD HUGHES
PROPERTIES, LIMITED
PARTNERSHIP

Application: Petition of Vacation to
vacate a public sewer
easement

Location: West of Rampart
Boulevard, south of
Tournament Hills Drive

STAFF RECOMMENDATION: APPROVAL, subject to
the following:

1. All public improvements adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to recordation of an Order of Vacation as required by the Department of Public Works.
2. The Order of Vacation shall not be recorded until all of the above conditions have been met provided, however, that Condition No. 1 may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas.
3. Standard Conditions 2 and 4.

PROTESTS: 0

NOTICES MAILED: 1

Moffitt -
APPROVED, subject to staff's
conditions.
Unanimous
(Dixon excused)

MR. GENZER stated this request is to vacate a public sewer easement within the private street right-of-way of a portion of Trophy Hills Drive and all of Grove Crest Lane within the Tournament Hills Subdivision at Summerlin. This request was submitted to realign the private streets on an amended Final Map. Staff recommended approval, subject to the conditions.

CHRIS ANDERSON, Alca Engineering, 1555 South Rainbow Boulevard, appeared and represented the applicant. He concurred with staff's conditions.

No one appeared in opposition.

The City Council will set a date for a public hearing on this item at their 12/4/91 meeting. The public hearing will be held on 12/18/91.

COMMISSION ACTION

26. Z-80-91 (AMENDED)

Applicant: PAKRON MARAYONK
 Application: Zoning Reclassification
 From: R-1
 To: P-R
 Location: 1736 Lewis Avenue
 Proposed Use: Professional Office

STAFF RECOMMENDATION: DENIAL. If APPROVED, subject to the following:

1. Install 24 inch box drought tolerant trees 25 feet on center along the west property line as required by the Department of Community Planning and Development.
2. Install 24 inch box trees with shrubs and ground cover in the planters along both street frontages as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged.
3. Construct a six foot high decorative wall on the west property line where none exists as required by the Department of Community Planning and Development.
4. Dedicate an additional five feet for a total radius of 20 feet at the southwest corner of Lewis Avenue and Bruce Street as required by the Department of Public Works.
5. Driveways shall be designed and located in accordance with Standard Drawing #222a as required by the Department of Public Works.
6. Construct all incomplete half-street improvements adjacent to this site and construct a handicap ramp at the southwest corner of Bruce Street and Lewis Avenue as required by the Department of Public Works.
7. Construct alley paving adjacent to this site where none presently exists and construct a depressed alley driveway at its intersection with Bruce Street as required by the Department of Public Works.
8. Remove all substandard public street and alley improvements adjacent to this site and replace with new improvements meeting current City standards as required by the Department of Public Works.
9. Landscape and maintain the excess public street rights-of-way on Bruce Street and

Pippin - (R-1 zoning not appropriate for this property) APPROVED, subject to staff's conditions. Motion carried with Segerblom voting "No." (Dixon excused)

MR. GENZER stated this request was before the Planning Commission in October of this year for C-1 zoning. When it went to the City Council it was referred back to the Planning Commission so the application could be revised from C-1 to another zone. The applicant is requesting professional zoning but submitted a variance request to allow a grocery store in a P-R district. The single story building has been reduced from 3,010 to 2,500 square feet. The elevations show stucco exteriors and a parapet roof line. A block wall exists on the west property line. Access is via one driveway from Bruce Street and an alley along the south property line. The 10 proposed parking spaces meet the requirements. Staff recommended denial as this request is not in conformance with the General Plan.

JERRY HELTON, 333 North Rancho, Suite 138, appeared and represented the applicant. Previously the applicant was requesting C-1 with a Special Use Permit for an Oriental Chinese Market. The City Council felt R-1 zoning is no longer appropriate and a different use of the property to act as a buffer between the higher intensity C-2 and C-1 zonings immediately adjacent to the property and the residential property surrounding it might be more appropriate. This is a vacant lot. It is unlikely that a residential structure would be built at this location. He pointed out on maps how the area is developed at the present time.

RICHARD WRIGHT, 302 East Carson Avenue, appeared in protest to represent his father who lives at 220 South Bruce Street. This request was sent back to the Planning Commission to find a use other than a grocery store. A grocery store could be put on Charleston Boulevard. If this property would be rezoned to P-R

Lewis Avenue as required by the Department of Public Works.

- 10. Obtain an Encroachment Agreement for all landscaping in the public street rights-of-way on Bruce Street and Lewis Avenue as required by the Department of Public Works.
- 11. Conformance to the plot plan as amended by the above conditions.
- 12. Conformance to the building elevations.
- 13. Standard Conditions 1, 3 - 9, 11 and 12.

PROTESTS: 1 on record with staff
1 speaker at meeting

NOTICES MAILED: 46

with a condition that a variance would not be allowed, his father would not be objecting.

MR. GENZER said this request is for P-R which would only allow a professional office. A variance request will be heard by the Board of Zoning Adjustment. This request is only for a professional office in a P-R zone.

JERRY HELTON said in a P-R zone the use of any retail sales is prohibited. This will never be an R-1 property.

RICHARD WRIGHT requested this property only be used for an office.

COMMISSIONER SEGERBLOM asked if other zonings have been done conditional on construction of a certain type of structure or the zoning reverts back to its original zoning.

CHIEF DEPUTY CITY ATTORNEY STEED said there is a tremendous gap between C-1 and P-R. The City Council sometimes imposes a use limitation on C-1 zoning. Another way to deal with it is to request the applicant to come back with a variance application. The Planning Commission's responsibility is to make their recommendation based on P-R zoning for this application. A variance is not being considered at this meeting. This applicant has done what he was requested to do.

JERRY HELTON appeared in rebuttal. The protest staff has is from the landlord of the site the Oriental Market is presently located on because the applicant would move. If the variance is granted, they will pursue the market.

COMMISSIONER SOLOMON asked counsel if P-R zoning was requested by the City Council.

CHIEF DEPUTY CITY ATTORNEY STEED said it was his understanding that no specific zoning was requested by the City Council.

COMMISSIONER SOLOMON said perhaps R-2 or R-3 zoning could be requested.

To be heard by the City Council on 12-18-91. (7:59-8:40)

27. Z-100-91

Applicant: WILLIAM M. AND KATHERINE HINDE
 Application: Zoning Reclassification
 From: R-E
 To: R-D
 Location: 3711 Malner Lane
 Proposed Use: Single Family Dwellings
 Size: 1.7 Acres

STAFF RECOMMENDATION: APPROVAL, subject to the following:

1. Construct half-street improvements on Malner Lane adjacent to this site as required by the Department of Public Works.
2. Provide paved legal access to this site prior to occupancy of any new units within this development as required by the Department of Public Works.
3. Standard Conditions 1, 2, 6 - 8 and 11.

PROTESTS: 1 on record with staff

APPROVALS: 1 speaker at meeting

NOTICES MAILED: 70

Moffitt -
 APPROVED, subject to staff's conditions.
 Unanimous
 (Dixon excused)

MR. GENZER stated this request is for four lots varying in area from 18,106 to 18,428 square feet at a density of 2.4 dwelling units per acre. There is an existing dwelling located on proposed Lot 1. Access is via Malner Lane which is a dirt/gravel street. Staff recommended approval, subject to the conditions.

JOE KALASKY, 531 North Riata Way, appeared and represented the applicant. He concurred with staff's conditions.

MIKE POWERS, 5026 Leo Drive, appeared in favor. These are smaller than half-acre lots. That is not a problem as long as future developers do not feel a precedent has been set for this area. He asked the minimum square footage of the houses.

JOE KALASKY answered the houses will be from 2,000 to 2,500 square feet.

To be heard by the City Council on 12/18/91.

(8:40-8:45)

28. Z-101-91

Applicant: PAYLESS DRUG STORES
NORTHWEST
Application: Zoning Reclassification
From: C-C
To: C-1
Location: 3830 W. Sahara Avenue
Proposed Use: Commercial Shopping
Center
Size: 10.2 Acres

STAFF RECOMMENDATION: APPROVAL, subject to the following:

1. Provide landscaping planters as indicated on the plot plan along Sahara Avenue and Valley View Boulevard and install 24 inch box trees 40 feet on center with shrubs and ground cover in the planters as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged.
2. Install 24 inch box evergreen trees 40 feet on center with shrubs and ground cover in the existing 5 foot wide planter outside the wall along the north property line as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged.
3. Aesthetically enhance the rear (north) building elevations of Buildings D, E, F, and G as required by the Department of Community Planning and Development.
4. Increase the height of the existing wall along the north property line to six feet as required by the Department of Community Planning and Development. The exterior side of the wall shall be finished to match the aesthetically enhanced rear (north) building elevations.
5. Any outdoor garden shop areas are limited to live-plant nursery stock only unless a Variance is approved.
6. Dedicate an additional five feet of right-of-way for a total radius of 20 feet at the southwest corner of El Camino Avenue and Valley View Boulevard as required by the Department of Public Works.
7. Construct a handicap ramp at the southwest corner of El Camino Avenue and Valley View Boulevard as required by the Department of Public Works.

Solomon - APPROVED, subject to staff's conditions.
Unanimous
(Dixon excused)

MR. GENZER stated this site was before the Planning Commission in October of this year for a plot plan review under the existing C-C zoning. That was approved and at the time it was suggested the applicant come back with a request to rezone the site to C-1 inasmuch as the C-C only occurs on this one parcel in the city limits. This request is to demolish the existing building and construct a new 128,132 square foot shopping center which will include an Albertson's market, Payless Drug Store, drive-thru restaurants and retail shops. The elevations depict a combination of block, split faced block, stucco and accent tile exteriors with a combination of a mansard tile and flat roof lines. The plan indicates landscaping along Sahara Avenue, Valley View Boulevard, El Camino Avenue and within the parking lot areas. There is an existing four to five foot wall along the north property line and a proposed six foot high screening masonry wall at the southeast corner of the site which will separate this development from the existing uses at the northwest corner of Sahara Avenue and Valley View Boulevard. Access is via seven driveways, two each from Sahara Avenue and Las Verdas Street and three from Valley View Boulevard. The 485 parking spaces exceed Ordinance requirements. Staff recommended approval, subject to the conditions.

GREG BEVER, Lundin Development, 16400 Pacific Coast Highway, #207, Huntington Beach, California, appeared and represented the applicant. He concurred with staff's conditions. This is the same site that was before the Planning Commission in October.

LARRY ROSS, Church Engineering, 6600 West Charleston Boulevard, appeared and represented the applicant.

JOSEPHINE SCHUPA, 3812 El Camino Avenue, appeared to obtain

additional information. She asked if the applicant is purchasing homes on El Camino Avenue and was concerned about the block wall.

GREG BEVER said the property that will be redeveloped consists of only what is paved and developed now with the existing Payless Drug Store. The existing block wall will be increased to six feet and have a new finish. We will be demolishing the existing buildings.

To be heard by the City Council on 12/18/91.

(8:45-8:54)

29. Z-102-91

Applicant: CITY OF LAS VEGAS
 Application: Zoning Reclassification
 From: N-U
 To: C-V
 Location: Southwest corner of Oakey Boulevard and Torrey Pines Drive
 Proposed Use: Flood Control Detention Basin
 Size: 27.4 Acres

STAFF RECOMMENDATION: APPROVAL, subject to the following:

1. The perimeter of the site shall be landscaped as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged.
2. Dedicate an additional five feet for a total radius of 20 feet at the southeast corner of Oakey Boulevard and Redwood Street and at the northwest corner of Torrey Pines Drive and O'Bannon Drive and an additional five feet for a total radius of 25 feet at the southwest corner of Torrey Pines Drive and Oakey Boulevard as required by the Department of Public Works.
3. Construct half-street improvements on Oakey Boulevard, Torrey Pines Drive, O'Bannon Drive and Redwood Street as required by the Department of Public Works.
4. Submit a vacation application for Sorrel Street and El Parque Avenue adjacent to this site as required by the Department of Public Works.
5. Construct half-street improvements on Sorrel Street and El Parque Avenue (unless vacated) as required by the Department of Public Works.

PROTESTS: 0

NOTICES MAILED: 226

Moffitt -
 ABEYANCE UNTIL THE 1/9/92 PLANNING COMMISSION MEETING.
 Unanimous
 (Dixon excused)

MR. GENZER said the Department of Public Works may want to hold this item in abeyance.

TOM CHIATOVICH, Department of Public Works, said that when he came to this meeting he found there are several citizens who wish to have more time to discuss this request and the Department of Public Works would be willing to hold this item in abeyance. This request is to build a detention basin that is on the Clark County Regional Flood Control Master Plan.

CHAIRMAN HUDGENS brought up the issue of dust.

TOM CHIATOVICH doesn't feel dust will be a problem.

CHAIRMAN HUDGENS asked who owns the land.

TOM CHIATOVICH said the City has right-of-way, but the Bureau of Land Management is the owner.

CHAIRMAN HUDGENS asked what the consequences would be if this detention basin were not put in this area.

TOM CHIATOVICH said the Master Plan would have to be revised. He was unaware of any other land that could be used for a detention basin. If this land was not available, larger pipes would have to be utilized all the way along Oakey Boulevard to the freeway. The construction period is scheduled for nine months.

COMMISSIONER SEGERBLOM was concerned what would happen if this basin overflowed.

TOM CHIATOVICH said this basin is designed for a hundred year flood.

MARK BROWN, 1924 Eliminator Drive, requested a thirty day extension.

TOM CHIATOVICH agreed to a thirty day extension.

To be heard by the Planning Commission on 1/9/92. (8:54-9:09)
