1. DISCUSSION AND POSSIBLE ACTION REGARDING A MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN CLARK COUNTY SCHOOL DISTRICT (CCSD) AND THE CITY OF LAS VEGAS (CLV) STATING THE OBLIGATIONS OF EACH PARTY IN CONSTRUCTION OF A NEW SPORTS FACILITY AT CLARK HIGH SCHOOL (\$700,000 PUBLIC WORKS/PARK MAINTENANCE - 1999 RECREATION BOND - WARD 1/MCDONALD)

Mr. Roark stated that this Memorandum of Understanding is between the Clark County School District and the City of Las Vegas. In December, 1999, the City committed \$700,000 for this project; \$400,000 for a softball field and \$300,000 for a soccer field. The City would like to enter into this Memorandum of Understanding to have in writing what the parties have agreed to and it can be referred back to, if necessary.

Mr. McNellis noted for the record that this item will be heard at the June 7, 2000, City Council Meeting. At that same meeting, there will be an early preapproval of the bid award for the contractor to install the lights for the Clark High School and West Middle School sites. The City is trying to get as much done as possible over the summer months so the facility can be ready by the fall season. Mr. McNellis explained that not many of the Clark High School students drive so the Clark County School District will remove part of the asphalt parking lot and install the soccer field in that area. They will have to go through the Planning Commission to get a parking variance because they are decreasing the number of parking spaces at that site.

Councilman Weekly commented that this will be great for this area. He inquired if the City will have the opportunity to do programming there. Mr. McNellis answered in the affirmative. It will be used by the school during the day and open for programs after school hours. Lights will also be installed on the soccer field. Councilman Weekly also inquired who would be responsible for the maintenance of the fields. Mr. Roark stated that the Clark County School District will be responsible for the utility bills at the location. The City will be responsible for watering, mowing and fertilizing.

No one appeared in opposition.

There was no further discussion.

Councilman Weekly recommended that Item 1 be forwarded to the Full Council with a "Do Pass" recommendation. Councilman Mack concurred.

2. DISCUSSION AND POSSIBLE ACTION REGARDING THE MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN CLARK COUNTY SCHOOL DISTRICT (CCSD) AND THE CITY OF LAS VEGAS (CLV) FOR APPROXIMATELY 7.7 ACRES OF PROPERTY LOCATED AT THE PARSONS ELEMENTARY SCHOOL, 4100 THOM BLVD - WARD 6/MACK

Mr. Roark stated that this is a Memorandum of Understanding between the Clark County School District and the City. It gives the City permission to enter onto the property, if funding becomes available, to build a park site at this location. Also, if the Clark County School District ever requires the property back, the City will be reimbursed all expenses for building the park. Councilman Mack asked if there would be relocation costs so the City would be able to build a new park. Mr. Roark replied that it would be a reimbursement for expenses only.

Theresa Malone, 3660 Thom Boulevard, Las Vegas, 89130, spoke on behalf of the Neighborhood Park Committee of the Northwest Area Residents Association (NARA). She expressed her appreciation to Councilman Weekly and Councilman Mack for their interest in providing community centers and parks for their constituents. She also submitted a list of NARA Committee members, including telephone numbers, should they be needed for input and requested that arrangements be made through Charles Bennion, Committee Chair. This list is made part of the final minutes.

Ms. Malone expressed her gratitude to City Manager Valentine and staff for their hard work and effort toward this project. She also thanked Shirley Barber, Clark County School District, for her enthusiasm.

Councilman Mack stated that this land has been vacant for some time. He repeated that there is a provision allowing the Clark County School District to take back the property if it is needed for future expansion. He thanked Dusty Dickens, Clark County School District, for her efforts regarding this Memorandum of Understanding. A budget of \$250,000 has been approved for the design phase of this project.

Councilman Weekly declared that he is happy to be a part of this project and working with Councilman Mack to improve the quality of life in this area of Las Vegas. He also stated that everyone can help by staying involved and supporting the efforts of Councilman Mack. Councilman Weekly affirmed that Stella Parsons, long time resident and educator, will be glad to know that there will be a park in this area.

No one appeared in opposition.

There was no further discussion.

Councilman Weekly recommended that Item 2 be forwarded to the Full Council with a "Do Pass" recommendation. Councilman Mack concurred.

3 DISCUSSION AND POSSIBLE ACTION REGARDING THE MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN CLARK COUNTY SCHOOL DISTRICT (CCSD) AND THE CITY OF LAS VEGAS (CLV) FOR APPROXIMATELY 7.5 ACRES OF PROPERTY LOCATED AT THE NEAL ELEMENTARY SCHOOL, 6151 W AZURE DRIVE - WARD 6/MACK

Mr. Roark stated that this is a Memorandum of Understanding between the Clark County School District and the City that allows the City to build a park at the Neal Elementary School location if funding becomes available. If the Clark County School District needs this property for expansion, they will reimburse the City for all costs.

Councilman Mack affirmed that there has been interest from Commissioner Kincaide about a joint use park at this location. He also stated that any time a park is built in the City of Las Vegas, it is for the whole community and not ward specific.

No one appeared in opposition.

There was no further discussion.

Councilman Weekly recommended that Item 3 be forwarded to the Full Council with a "Do Pass" recommendation. Councilman Mack concurred.

There is currently a contract between the Las Vegas Paving Corporation and the City to install water and sewer lines on Martin Luther King Boulevard.
