Sprint Conferencing Services offers many optional features. These features can be used to tailor your conference call to meet the needs of a particular meeting. Some features for consideration are:

- **Conference Fax*** - distribute documents to the conference participants in minutes.
- **Audiotaping*** - high quality cassette tapes of the conference can be made the same day (transcription* of the taped conference is also available).
- **Password Security** - for highly confidential conferences each participant must provide the password.
- **Automated Polling*** - participants can answer pre-established questions with their touch tone phones.

* these features incur an additional charge.
