PURPOSE/BACKGROUND:

Under the City's residential permit parking ordinance, the City currently is authorized to establish two-hour parking zones in areas designated as residential permit parking zones. In any such zone, persons with a residential parking permit for that zone may park in the zone without regard to the time limitation. This bill will add flexibility by authorizing an increase in the time limit for such a zone to three hours.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

Bill No. 2004-6

COMMITTEE RECOMMENDATION:

COUNCILWOMAN MONCRIEF recommended Bill 2004-6 be forwarded to the Full Council with a "Do Pass" recommendation. COUNCILMAN WEEKLY concurred.

MINUTES:

COUNCILMAN WEEKLY declared the Public Hearing open.

MIKE SHELDON, Director, Detention and Enforcement, said that this is basically a housekeeping matter. Historically Detention has established residential parking zones in certain areas with a mixture of residential and professional uses to ensure that residents have a place to park and that parking is not all taken up by the businesses' customers. The law allowed this on a 90-day temporary basis, with the City Council having to review any extensions of time or any petitions to establish the parking zone on a permanent basis, based on the Traffic Engineer's recommendation. This bill allows the Traffic Engineer to establish residential parking zones instead of Detention and Enforcement.

PURPOSE/BACKGROUND:

The zoning regulations currently are written in a way that requires a special use permit for the use “Beer/Wine/Cooler Art Event.” It has been determined that this type of use is sufficiently limited in frequency and impact that requiring a special use permit is not necessary. This bill will eliminate that requirement.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing, and recommendation to the City Council for final action.

BACKUP DOCUMENTATION:

Bill No. 2004-7

COMMITTEE RECOMMENDATION:

COUNCILWOMAN MONCRIEF recommended Bill 2004-7 be forwarded to the Full Council with a “Do Pass” recommendation. COUNCILMAN WEEKLY concurred.

MINUTES:

COUNCILMAN WEEKLY declared the Public Hearing open.

ROBERT GENZER, Director, Planning and Development, commented that a “Beer/Wine/Cooler Art Event” in the code is for on-premise consumption at an art gallery or studio during the hours of an artistic exhibition, presentation, or performance. It could be a few hours or a one-day event. Staff was not aware that the code currently requires a special use permit be issued for such an event, and is recommending the elimination of that requirement through this bill, as staff is not aware of any instance where a special use permit has been obtained for such an event. This type of event would still require licensing, so there is no need for a special use permit.

PURPOSE/BACKGROUND:

The City's zoning regulations generally do not treat swap meets as a separate type of land use, categorizing them under a broader retail category. Because of the nature of the use, it is deemed appropriate to establish particularized requirements for the use. This bill establishes the circumstances under which swap meets will be allowed in commercial and industrial zoning districts.

This bill should be submitted to a Recommending Committee for review, hearing, and recommendation to the City Council for final action.

MINUTES:

ROBERT GENZER, Director, Planning and Development, stated that COUNCILMAN REESE requested this ordinance change because he has had a number of locations in Ward 3 where business locations have been replaced by swap meets, which have caused problems with the neighbors when special events are held. This ordinance will require a special use permit for swap meets in the C-1 and C-2 zones and conditional use permits in the C-M and M zones. Staff recommends approval.

PURPOSE/BACKGROUND:

Several months ago the City Council adopted Ordinance No. 5609 to allow, by special use permit, the keeping of carrier or racing pigeons in several of the larger-lot residential zoning districts. It is now proposed to authorize the same thing in additional zoning districts, namely, the R-1, R-CL, R-2, C-D, C-1, C-2, C-M and M Zoning Districts. If adopted, this bill will accomplish that change.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing, and recommendation to the City Council for final action

BACKUP DOCUMENTATION:

Bill No. 2004-9

COMMITTEE RECOMMENDATION:

COUNCILWOMAN MONCRIEF recommended Bill 2004-9 be forwarded to the Full Council with a "Do Pass" recommendation. COUNCILMAN WEEKLY concurred.

MINUTES:

COUNCILMAN WEEKLY declared the Public Hearing open.

CITY ATTORNEY BRAD JERBIC advised that after the Council adopted an ordinance late last year regarding the keeping of racing pigeons, MR. SCHWARTZ brought to his attention that the City left out of the ordinance a number of locations around town. Consequently, he agreed to put together an ordinance that would encompass MR. SCHWARTZ' request, with the understanding that the Planning Department would have some input. CITY ATTORNEY JERBIC requested holding this matter in abeyance to allow the racing pigeon organizations and Planning and Development staff to meet.

Item 5 – Bill No. 2004-9

MINUTES – Continued:

PAUL JENSON, pigeon racer, agreed to meet with Planning staff to resolve any differences. He expressed concern about limiting pigeon racing to commercial areas given that it is a family sport. He became involved in pigeon racing as a Boy Scout and has enjoyed it since.

COUNCILMAN WEEKLY asked how pigeons are raced. MR. JENSON answered that the racers raise a certain breed called the racing homing pigeon that is known for its instinct to return to its home. These birds will return to their home loft 99% of the time. A computer chip is placed on the pigeon's leg and scanned into a computer before being shipped off to the releasing point. The pigeons fly from 100 to 700 miles a day to return to the loft. Racing pigeons receive very special treatment, are kept very clean and healthy, and are only out 1.5 to 2 hours in the morning and evening for practice during racing season, which is from March to May and October to December. They are raced on Saturdays. There are two clubs in Las Vegas that are members of the National Association of the American Racing Pigeon Union and the International Federation of Pigeon Racers. These organizations have their own guidelines that pigeon racers must follow.

MR. JENSON answered for COUNCILWOMAN MONCRIEF that the lofts are located outdoors and that the pigeons are noisiest during breeding season. Also, he keeps about 100 birds, 40 old ones and 60 young ones, to effectively race.

COUNCILWOMAN MONCRIEF confirmed with ROBERT GENZER, Director, Planning and Development, that each case would be dealt with separately because a special use permit would be required. MR. GENZER added that his main concern is with some of the districts that are being requested for addition, particularly R-CL and R-2, which could include 3,000 or less square feet per lot. These lots are not capacious enough to allow accessory uses. He is not too concerned about the R-1 district because the special use permit will require that surrounding residents be notified, and, if any complaints are registered, the matter could be brought back to Council to be reheard on the merits of the special use permit.

DICK EARTHMAN, a long time teacher, stated pigeon racing is a very popular sport in many other states and in other countries. He has only received one complaint since 1950 when he became involved in pigeon racing. The pigeons are kept in a loft most of the time. He maintained that racing pigeons are not a nuisance because they have to be kept healthy in order to race and breed well.

COUNCILMAN WEEKLY indicated that this matter would be held for two weeks so that further discussion could be held to resolve the concerns. CITY ATTORNEY JERBIC requested the Clerk's office go forward with publication of the bill for possible adoption on 3/17/2004.

PURPOSE/BACKGROUND:

At its meeting of February 18, 2004, the City Council is scheduled to approve a development agreement for the Cliffs Edge Development. Pursuant to State law, such an agreement must be adopted by ordinance. This bill will accomplish that adoption.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing, and recommendation to the City Council for final action.

BACKUP DOCUMENTATION:

Bill No. 2004-10

COMMITTEE RECOMMENDATION:

COUNCILWOMAN MONCRIEF recommended Bill 2004-10 be forwarded to the Full Council with a "Do Pass" recommendation. **COUNCILMAN WEEKLY** concurred.

MINUTES:

NOTE Subsequent to the meeting, a Verbatim Transcript was prepared and made a part of the Final Minutes.

COUNCILMAN WEEKLY declared the Public Hearing open.

CHIEF DEPUTY CITY ATTORNEY STEED indicated that the Council recently approved this agreement. In order to be completely enforceable, the agreement needs to be adopted by ordinance and recorded. There are some changes, but they do not change the essence of the agreement. One change clarifies that the City will assist the developer in obtaining right-of-way, but not financially. Also, the reference made to the Uniform Building Code was corrected to the International Building Code, which was recently adopted by the Council. It is in order. He recommended approval as a First Amendment.

RECOMMENDING COMMITTEE MEETING OF MARCH 1, 2004

City Attorney

Item 6 – Bill No. 2004-10

MINUTES – Continued:

ATTORNEY TOM AMICK, 3800 Howard Hughes Parkway, appeared on behalf of Cliff's Edge, LLC. He clarified that the amendment includes the most recent and revised version of the agreement. DEPUTY CITY MANAGER FRETWELL questioned if there should be a map identifying the parks as pods 111 and 302 and noted that the design guidelines were not part of this agreement. ATTORNEY AMICK indicated that copies of the most recent design guideline section are being made for distribution at the beginning of the following week. DEPUTY CITY MANAGER FRETWELL felt it necessary to reflect that this agreement is not complete and that the agreement for Council's consideration on 3/17/2004 will include the associated design guidelines, pertinent definitions, and maps. CHIEF DEPUTY CITY ATTORNEY STEED retracted his recommendation for adoption as a First Amendment and suggested the First Amendment version be adopted at the Council meeting, at which time all the necessary documentation will be included, rather than introducing a second amendment.

No one appeared in opposition.

COUNCILMAN WEEKLY declared the Public Hearing closed.

SECTION 2 GENERAL PURPOSE AND INTENT

2.1 Recitals. This Agreement is predicated upon the following facts and findings:

(a) City Intent. The City desires to enter into this Agreement in conformity with the requirements of NRS and as otherwise permitted by law and this Agreement to provide for public services, public uses and urban infrastructure, to promote the health, safety and general welfare of the City and its inhabitants, to minimize uncertainty in planning for and securing orderly development of the Planned Community and surrounding areas, to insure attainment of the maximum efficient utilization of resources within the City at the least economic cost to its citizens and otherwise achieve the goals and purposes for which the laws authorizing development agreements were enacted.

(b) Owner Intent. In accordance with the legislative intent evidenced by NRS Chapter 278, Owner wishes to obtain reasonable assurances that Owner may develop the Planned Community in accordance with the conditions established in this Agreement. Owner acknowledges that there are insufficient public services, which includes facilities and infrastructure, existing or planned at this time, and in

order to develop the Planned Community, Owner is willing to enter into this Agreement in order to provide certain public services, facilities and infrastructure in the area of the Planned Community. Because of the nature of the Planned Community, the type and extent of the public improvements and infrastructure to the Planned Community to be provided by Owner, and the type and extent of the public and private improvements to be provided within the Planned Community, the Owner's decision to commence development of the Planned Community is based on expectations of proceeding and the right to proceed with the Planned Community in accordance with this Agreement, the Applicable Rules and the Zoning Actions. Owner further acknowledges that this Agreement was made a part of the record at the time of its approval by the City Council and that the Owner agrees without protest to the requirements, limitations, or conditions imposed by the Agreement and the Zoning Action.

(c) Acknowledgment of Uncertainties. The parties acknowledge that circumstances beyond the control of either party could defeat their mutual intent that the Planned Community be developed in the manner contemplated by this Agreement. Among such circumstances is the unavailability of water or other limited natural resources, Federal regulation of air and water quality, and similar conditions. It is not the intent of the parties nor shall this Section be construed as excusing the City of any obligation hereunder of depriving Owner of any right under this Agreement, which can be performed.

2.2 Incorporation of Recitals. The foregoing recitals shall be deemed true and correct in all respects with respect to this Agreement and shall serve as the basis for the interpretation of this Agreement.

SECTION 3

APPLICABLE RULES AND CONFLICTING LAWS

3.1 Reliance on Zoning Actions, Design Guidelines and Applicable Rules. The City and Owner agree that Owner will be permitted to carry out and complete the entire Planned Community in accordance with the uses and densities set forth in the Zoning Action and the Design Guidelines, and in accordance with this Agreement and the Applicable Rules.

3.2 Modification of Applicable Rules. City and Owner acknowledge and agree the Zoning Action and Design Guidelines are peculiar to the Planned Community and may not be amended, modified or changed with respect to the Planned Community without the express written consent of Owner, except as otherwise explicitly provided in this Agreement. In the event the City adopts new ordinances, rules or regulations, such new ordinances, rules or regulations will not apply to Owner or development of the Planned Community except in those limited circumstances provided below.

3.3 Application of Subsequently Enacted Rules. Except as provided below, no standard, policy or regulation regarding subdivision, land use, zoning, growth management, timing and phasing of construction, or construction methods shall be imposed by the City upon the Planned

Community, except those in effect on the Effective Date. City may hereafter, during the term of this Agreement, apply to the Planned Community only those rules, regulations, ordinances, laws, general or specific plans, and official policies promulgated or enacted after this Effective Date that:

- (a) are not in conflict with the Applicable Rules or Design Guidelines,
- (b) the application of which govern procedural matters or would not prevent or materially impede, hinder or delay development in accordance with this Agreement, and
- (c) do not constitute Development Fees.

3.4 Limitation on Imposition of New Fees or Standards. Notwithstanding the terms of Section 3.3, above:

- (a) The City may increase cost-based fees that apply uniformly to all development in the City.
- (b) The development of the Planned Community shall be subject to the Uniform Building Codes in effect at the time of issuance of the permit for the particular development activity.

In such event, the provisions of Section 3.5 through 3.8 of this Agreement are applicable.
- (e) Notwithstanding subsections (b), (c) and (d) of this Section the foregoing, should the City adopt or amend new ordinances, rules, regulations or policies that exceed the limitations of the foregoing Sections 3.2 through 3.4, Owner shall have the option, in its sole discretion, of accepting such new or amended matters by the giving written notice of such acceptance. - (d) Any other change or modification of a similar nature, which the Planning Director determines will not have a material negative impact on the Planned Community.

A nonmaterial modification shall be reviewed and acted on administratively by the Planning Director within thirty (30) days. If Owner is aggrieved by the Director's decisions, Owner may appeal that decision directly to the City Council in accordance with the Applicable Rules. Material modifications include any modification which does not qualify as a nonmaterial modification, and shall be processed in accordance with the Applicable Rules.

4.4 Subdivision Maps.

- (a) Except as provided in subsection (b) of this section, the Parties agree that any Subdivision Maps required or requested by Owner in connection with the Planned Community shall be reviewed and considered for approval in accordance with the Applicable Rules.

4.6(a) City hereby agrees that, except for any landscaped areas located outside the public right-of-way, all of the dedicated public roadways, curbs and street lights which are within or adjacent to the Planned Community will be maintained by the City in good condition and repair at the City's sole cost and expense pursuant to the Applicable Rules.

4.6(b) Owner agrees that prior to the release of any final maps for recording, other than a parent final map, Owner will cause to be formed one or more property owners

associations within the Planned Community. With respect to any parent final map, Owner will cause the formation of a master association governing the property incorporated in the map. Such associations will be responsible to maintain in good condition and repair all of the landscaping and other facilities, other than those identified in Section 6 of this Agreement, which the City requires to be maintained by such associations as a condition of approval, including all developed and undeveloped landscaped areas such as parks and park facilities, trail corridors, drainage easements, sight visibility zones, and any landscaping on public rights of way. Owner agrees that such property owner associations shall be created pursuant to declarations of covenants and restrictions recorded against the Planned Community and that such associations shall have the power to assess the subject landowners to pay the cost of such maintenance and repair and to create and enforce liens in the event of the nonpayment of such assessments. Owner further agrees that such declarations will contain a covenant running to the benefit of the City, and enforceable by City, that such facilities will be maintained in good condition and repair. Such associations will be Nevada not-for-profit corporations with a board of directors elected by the subject landowners, provided, however, that so long as Owner owns any land covered by such declarations, Owner may control the board of directors of such association.

The City shall have the right to review the declaration for the sole purpose of determining its compliance with the provisions of this Section 4.

4.7 Maintenance Plan. The declaration will provide for a plan of maintenance of such improvements. Such plan must contain provisions that substantially conform to those set forth in Exhibit E. City and Owner may modify such standards as they from time to time agree.

4.8 Release of Owner. Following the Owner's compliance with the foregoing requirements for the creation of the associations to maintain the improvements, and approval of the maintenance plan with respect to each such association, City will look solely to such property owners associations in connection with the maintenance of the improvements in the particular development covered by the declaration and Owner shall have no further liability in connection with the maintenance and operation of such improvements.

4.9 Additional Property.

- (a) Owner may acquire additional land within the Planned Community. Such land will be automatically included within the terms and conditions of this Development Agreement, and will be subject to the requirements of the Design Guidelines and the Applicable Rules.
- (b) Owner may not include property outside the boundaries of the Planned Community within the terms of this Agreement without the prior approval of the City Council.

4.10 Cooperation in Financing. City will execute and deliver within thirty (30) days of written request to Owner or any designee of Owner, such documents as may be reasonably requested to acknowledge that: i) City has no lien on the Property as a direct result of this Agreement, or that any lien is as stated by the City; ii) City shall recognize and allow a lender which has foreclosed or acquired a portion of the Planned Community from Owner to inure to the rights and benefits of this Agreement as to such property; and iii) Owner is not in default of this Agreement or if Owner is in default of this Agreement, the specific ground of default. Nothing herein shall be deemed to relieve Owner of its obligations under this Agreement or its liability for failure to perform its obligations under this Agreement.

4.11 Enforcement of Design Guidelines.

(a) General Intent.

City and Owner agree that it is in the best interests of both parties that all development within the Planned Community occur in conformance with the Design Guidelines. The parties hereby agree to follow the procedures set forth in this Section to ensure that the provisions of the Design Guidelines are uniformly enforced within the Planned Community.

(b) Development on Non-Owner Parcels.

City agrees that it will not process any building permit, Subdivision Map or Land Use Approval application involving a Non-Owner Parcel without first referring the application to Owner for Owner's review. Owner shall review such applications to determine whether the proposed project conforms to the standards set forth in the Design Guidelines.

Within thirty (30) days of receiving the application, Owner shall issue a report to the City indicating: i) whether the project conforms to the standards set forth in the Design Guidelines; ii) what standards, if any, the project fails to meet; iii) any recommendations Owner has to modify the project so that it does conform; and iv) any other information Owner deems relevant to the proposed project. City shall not approve any application that Owner has identified as failing to meet the standards without first holding a public hearing and notifying Owner in writing of such hearing. Any hearing held pursuant to this Section shall be

conducted in accordance with the Applicable Rules.

In the event Owner fails to issue the report within thirty (30) days, City may, without further notice to Owner, process the application in conformance with the Code and all other City rules, policies, regulations, general plans, laws or ordinances then in effect.

(c) Residential Development on Owner Parcels.

Owner shall have the sole responsibility to enforce the Design Guidelines with respect to Residential Development on the Owner Parcels. Owner shall certify, using a form that substantially complies with Exhibit F, that each proposed project conforms to the standards set forth in the Design Guidelines. City agrees that it will not process any building permit or Subdivision Map application until it receives the certification identified in this Section. After receiving such certification, the applications shall be processed in accordance with the Applicable Rules.

(d) Nonresidential Development on Owner Parcels.

Owner and City shall have joint responsibility for enforcing the Design Standards for Nonresidential Development on the Owner Parcels. Prior to submitting any building permit, Subdivision Map or Land Use Approval application for a Nonresidential Development, Owner shall review the application to determine whether the proposed project conforms to the standards set forth in the Design Guidelines.

Owner shall include in any building permit, Subdivision Map or Land Use Approval application a report indicating: i) whether the project conforms to the Design Guidelines; ii) what standards, if any, the project fails to meet; iii) any recommendations Owner has to modify the project so that it does conform; and iv) any other information Owner deems relevant to the proposed project. City agrees to process any application containing the report identified in this Section in accordance with the Applicable Rules.

4.12 Community Directional Signage. Pursuant to the Zoning Action, prior to the issuance of building permits for development within the Planned Community, Owner will submit to the Planning Department a plan showing temporary and directional signage for the Planned Community. The plan shall utilize themes and village identities consistent with the Design Guidelines.

The plan shall be reviewed and acted on administratively by the Planning Director within thirty (30) days. If Owner is aggrieved by the Director's decision, Owner may appeal the decision directly to the City Council.

SECTION 5 REVIEW AND DEFAULT

5.1 Frequency of Reviews. As required by NRS Chapter 278, at least once every year during the term of this Agreement, on a date determined by Owner and City, Owner shall provide, and City shall review in good faith, a report submitted by Owner documenting the extent of Owner's and City's material compliance with the terms of this Agreement during the preceding two years.

The report shall contain information regarding the progress of development within the Planned Community, including, without limitation: (i) data showing the total number of residential units built and approved on the date of the report; (ii) specific densities within each project and within the Planned Community as a whole; and (iii) the status of development within the Planned Community and the anticipated phases of development for the next calendar year. In the event Owner fails to submit such a report, Owner shall be in default of this provision and City shall prepare such a report and conduct the required review in such form and manner as City may determine in its sole discretion. City shall charge Owner for its reasonable expenses, fees and costs incurred in conducting such review and preparing such report. If at the time of review an issue not previously identified in writing is required to be addressed, the review at the request of either party shall be continued to afford reasonable time for response.

5.2 Opportunity to be Heard. The report required by this Section shall be considered solely by the City Council. City and Owner shall each be permitted an opportunity to be heard orally and in writing before the City Council regarding performance of the parties under this Agreement. The Planning Director may, in his discretion, provide copies of the report to members of the City's Planning Commission for their information and use.

5.3 General Provisions-Default. In the event of any noncompliance with any provision of this Agreement, the party alleging such noncompliance shall deliver to the other in writing not less than thirty (30) days notice of default. The time of notice shall be measured from the date of certified mailing. The notice of default shall specify the nature of the alleged default and the manner and period of time in which it may be satisfactorily corrected, during which period the party alleged to be in default shall not be considered in default for the purposes of termination or institution of legal proceedings. Such period shall not be less than the thirty (30) day period required for notice of default. If the default is corrected, then no default shall exist and the noticing party shall take no further action. If the default is not corrected, the party charging noncompliance may elect any one or more of the following courses.

5.3(a) Option to Terminate. After proper notice and the expiration of the above-referenced period for correcting the alleged default, the party alleging the default may give notice of intent to amend or terminate this Agreement as authorized by NRS Chapter 278. Following any such notice of intent to amend to terminate, the matter shall be scheduled and noticed as required by law for consideration and review solely by the City Council.

5.3(b) Amendment or Termination by City. Following consideration of the evidence presented before the City Council and a finding that a default has occurred by Owner and remains uncorrected, City may amend or terminate this Agreement. Termination shall not in

any manner rescind, modify, or terminate any vested right in favor of Owner, as determined under the Applicable Rules, existing or received as of the date of the termination. Owner shall have sixty (60) days after receipt of written notice of termination to institute legal action pursuant to Section 5.6 hereof to determine whether a default existed and whether City was entitled to terminate this Agreement.

5.3(c) Termination by Owner. In the event City substantially defaults under this Agreement, Owner shall have the right to terminate this Agreement after the hearing set forth in this Section. Owner shall have the option, in its discretion, to maintain this Agreement in effect, and seek to enforce all of City's obligations hereunder under the procedures set forth in this Section and Section 5.5.

5.3(d) Waiver. Failure or delay in giving notice of default shall not constitute a waiver of any default. Except as otherwise expressly provided in this Agreement, any failure or delay by any party in asserting any of its rights or remedies in respect of any default shall not operate as a waiver of any default or any such rights or remedies, or deprive such party of its right to institute and maintain any actions or proceedings that it may deem necessary to protect, assert, or enforce any of its rights or remedies.

5.4 Unavoidable Delay, Extension of Time. Neither party hereunder shall be deemed to be in default, and performance shall be excused, where delays or defaults are caused by war, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, restrictions imposed or mandated by governmental entities, failure of governmental agencies (other than City) to perform acts or deeds necessary to the performance of this Agreement, enactment of conflicting state or federal laws or regulations, new or supplementary environmental regulations, litigation, or similar matters beyond the control of the parties. In addition, nonperformance of a party hereunder shall be excused as a result of the failure of the other party to perform under this Agreement which failure of the other party actually causes such nonperformance. If written notice of any such delay is given to City within thirty (30) days after the commencement thereof, an automatic extension of time, unless otherwise objected to by City within thirty (30) days of such written notice, shall be granted coextensive with the period of the enforced delay, or longer as may be required by circumstances or as may be subsequently agreed to between City and Owner. Any such extensions of time shall have no effect upon the timing of and the conclusions reached in the reviews to be conducted pursuant to Section 5.1 above.

5.5 Legal Action. City and Owner agree that they would not have entered into this Agreement if either were to be liable for damages under or with respect to this Agreement that would be greater than without this Agreement. Accordingly, City and Owner may pursue any course of action or equity available for breach, except that neither party shall be liable to the other or to any other person for any monetary damages for a breach of this Agreement that are greater than such damages or liability would have been without this Agreement pursuant to the Applicable Rules. Prior to the institution of any legal action, the party seeking legal action must give the thirty (30) day notice of default as set forth in Section 5.3. Following such notice, a public hearing must be held by the City Council where the allegations will be considered and a decision regarding their merits will be reached. Any judicial review of this decision or any legal action taken pursuant to this Agreement will be heard by the court under the standard of review appropriate to Court review of zoning actions and the decision of the City Council shall be

overturned or overruled if its decision is clearly arbitrary and capricious. Judicial review of the decision of the City Council shall be limited to the evidence presented to the City Council at the public hearing. Jurisdiction for judicial review or any judicial action under this Agreement shall rest exclusively with the Eighth Judicial District Court, State of Nevada or the Federal Court in Nevada.

5.6 Notices. All notices required by this Section shall be sent in accordance with Section 12.7.

5.7 Applicable Laws; Attorneys' Fees. This Agreement shall be construed and enforced in accordance with the laws of the State of Nevada. Each party shall bear its own attorneys' fees and court costs in connection with any legal proceeding hereunder.

6.2(b) Time for Completion. Owner shall commence construction and complete the parks identified as pods 111 and 302 as follows:

	<u>Commence Construction</u>	<u>Complete Construction</u>

6.2(c) Limitation on Owner's Obligation. Except as provided in this subsection, Owner's total financial obligation to provide the parks identified in this Section shall not exceed \$4,000,000.

If the parks required by this subsection are not completed by December 31, 2010 (the "Scheduled Completion Date"), then the Owner's obligation shall be increased as of said date by the amount which is equal to the percentage increase in the cost of living during

the period of time between the Effective Date of this Agreement and the Scheduled Completion Date. The City shall compute the increase in the cost of living based on U.S. Consumer Price Index for Urban Wage Earners and Clerical Workers for all items, Los Angeles-Riverside-Orange County, CA region (1982-84 = 100), published by the Bureau of Labor Statistics of the U.S. Department of Labor (the "Index"). Said increase shall be made by multiplying the Owner's obligation by a fraction the numerator of which shall be the Index number for the month immediately prior to the Scheduled Completion Date and the denominator of which shall be the index number for the month immediately prior to the Effective Date of this Agreement. The City's computation thereof shall be conclusive and binding, but shall not preclude any adjustment which may be required in the event of a published amendment of the Index figures upon which the computation was based. If at a time required for the determination of the adjusted obligation, the Index is no longer published or issued, the City shall select and use such alternate index as is then generally recognized and accepted for similar determinations of purchasing power.

6.3 Multi Use Transportation Trail. Owner shall construct and dedicate to the City the Multi Use Transportation Trail depicted in the Design Guidelines. The trail shall be constructed in conformance with the design standards set forth in the Applicable Rules. Such facilities shall include all or some of the following amenities: turf areas, walking, jogging and biking paths, trees, plants, irrigation and other apparatuses designed to serve residents of the Planned Community. The facilities shall be designed in a manner acceptable to City, and shall be constructed concurrent with the construction of the adjacent roadway.

6.5 Use of Flood Control Facilities. City will consider allowing Owner to have the right to construct parks, trails and recreational facilities within drainage corridors, drainage channels, and flood plains so long as such facilities meet the minimum design and construction standards of the City and the Clark County Regional Flood Control District (where applicable).

6.6 Residential Construction Tax. Chapter 4.24 of the Code imposes a fee upon the privilege of constructing residential units (hereinafter "Residential Construction Tax"). Owner and any Designated Builder shall be entitled to a credit against the Residential Construction Tax for the cost of any public facility constructed pursuant to this Section.

Credits shall be available to Owner and Designated Builders at the time Owner posts a bond for 100 percent of the estimated construction cost of the facility for which the credit is sought. The credit shall be initially limited to 75 percent of the estimated construction cost of the facility. After the facility is constructed and dedicated to City and/or accepted as complete by City, Owner shall provide to City copies of all construction invoices, bills and payment checks. City will then adjust the final credit to reflect the actual construction costs of the facility.

6.7 Ownership, Control and Limitation of Owner Obligations. City acknowledges that development of certain facilities described in this Section are dependent on City obtaining a

BLM lease or the right to use private property not controlled by Owner. In the event City is unable to obtain the required lease or right in the time and manner consistent with Owner's obligation to complete the facility, Owner and City may mutually agree to adjust to timelines specified in this Agreement.

Owner shall have no obligation to participate in, pay, contribute or otherwise provide any further exaction, including special assessment district assessments, other assessments or Development Fees, or to provide land, facilities or improvements beyond those specified in this Section.

City will cooperate with Owner to obtain and use, or to assist Owner in obtaining and using, any state, regional or federal funds (including, without limitation, funds available pursuant to the Southern Nevada Public Land Management Act of 1998, as amended) available for the acquisition, construction, or maintenance of public facilities required to be developed by Owner under this Section.

SECTION 7 WATER

7.1 Water Supply. The parties acknowledge that the City currently has no role in the allocation of water to customers of the Las Vegas Valley Water District. If, however, the City assumes any role in water allocation during the term of this Agreement, City agrees it will endeavor to allocate or cause to be allocated to the Planned Community water in order that the development of the Planned Community will continue uninterrupted. City and Owner will cooperate with the Las Vegas Valley Water District in granting over their respective properties reasonable easements or right-of-ways either on or off project necessary for the installation of water facilities to serve the development. Owner agrees to execute all Affidavits of Waiver and Consent forms required by City in order for water laterals and mains to be a part of any proposed special improvement districts.

SECTION 8 SANITATION

City agrees that no other off site sewer line will be required for the full development of the Planned Community. Owner shall grant rights-of-way or easements to perpetuate the continuation of sewer lines. City will assist in obtaining all rights-of-way, permits, easements or other interests not owned by owner necessary to construct the facilities required in this Section. The City agrees that if any sewers required onsite to the Planned Community are required to be over sized in order to serve areas outside of the Planned Community, the City will offer reimbursement for the over sizing through its standard sewer refunding process, except to provide capacity to property within the Planned Community. Except for sewer connection fees pursuant to the Applicable Rules, Owner shall have no obligation to participate in, pay, contribute or otherwise provide any further exaction, including special improvement district assessments, other assessments or Development Fees, to provide for

Accordingly, City shall impose a Traffic Signal Impact Fee at the time and the issuance of any building permit within the Planned Community. The fee shall be calculated as set forth in this Section, and in accordance with the Master Traffic Study. The fee shall be paid by the applicant for the building permit.

9.3(b) Schedule of Fees. The City shall impose and collect the fee required by this Section pursuant to the schedule shown as Exhibit _____:

9.3(c) Exemptions. The following shall be exempt from the imposition of the fee identified in this Section. An exemption must be claimed at the time of application for a building permit.

2. Replacement of a destroyed or partially destroyed or moved residential building or structure with a new building or structure of the same use, and with the same number of dwelling units.
3. Replacement of a destroyed or partially destroyed or moved nonresidential building or structure with a new building or structure of the same gross floor area and use.
4. In order to promote the economic development of the City or the public health, safety, and general welfare of its residents, the City Council may agree to pay some or all of the fees imposed by this Section from other funds of the City that are not restricted to other uses. made pursuant to goals and objectives articulated by the City Council.

9.3(d) Refunds.

1. If an applicant has paid a Traffic Signal Impact Fee Pursuant to this Section, and the building permit later expires without the possibility of further extension, and the development activity for which the impact fee was imposed did not occur and no impact has resulted, then the applicant who paid such fee shall be entitled to a refund of the fee paid, without interest. In order to be eligible to receive such refund, the applicant who paid such fee shall be required to submit an application for such refund within thirty (30) days after the expiration of the permit or extension for which the fee was paid.
2. At the time of payment of any fee under this Section, the City shall provide the applicant paying such fee with written notice of those circumstances under which refunds of such fees will be made. Failure to deliver such written notice shall not invalidate any collection of any impact fee under this Section.
3. Each refund must be paid to the owner of the property of record at the time the refund is paid. If the City paid the impact fee, the refund must be paid to the City.

9.3(e) Use of Fee. City agrees to use all fees collected pursuant to this Section to install only those Traffic Signal Improvements shown on the Traffic Signal Capital Improvement Plan. City agrees to install such improvements at such time as they are warranted by the Applicable Rules and the Master Traffic Study.

9.3(f) Owner Construction of Traffic Signal Improvement/Reimbursement. Owner may, in its discretion, elect to install Traffic Signal Improvements within the Planned Community and shown on the Traffic Signal Capital Improvement Plan, so long as such improvements are warranted by the Applicable Rules. After the improvement is constructed and dedicated to the City, Owner shall provide to City copies of all construction invoices, bills or payment checks. City shall, within ninety (90) days of receiving such invoices, bills or checks, reimburse Owner for the total construction costs of the improvement, unless otherwise agreed by Owner and City.

Owner shall be responsible for paying for the costs of constructing any facilities necessary and shall dedicate all rights of way and easements to accommodate such facilities. City will assist in obtaining all rights-of-way, permits, easements or other interests not owned by Owner necessary to construct the facilities required in this Section. Except as otherwise set forth above, Owner shall have no obligation to participate in, pay, contribute or otherwise provide any further exaction, including special improvement district assessments, other assessments or Development Fees, to provide for, facilities or improvements for flood control improvements outside of the Planned Community that are a substitute therefore, except to the extent necessary to comply with the required drainage studies.

SECTION 11 SPECIAL IMPROVEMENT DISTRICT

11.1 Consideration of Special Improvement District. City agrees to consider and, if appropriate, process, facilitate, and expedite, with due diligence, any applications for developer initiated special improvement districts which may be identified as material to the development of the Planned Community. The Parties agree, however: (i) that nothing contained in this Section or elsewhere in this Agreement constitutes in any way a pre-approval or authorization of any such developer initiated special improvement districts; and (ii) any developer initiated special improvement district must be processed and approved pursuant to the Applicable Rules.

SECTION 12 GENERAL PROVISIONS

12.1 Duration of Agreement. The term of this Agreement shall commence upon the Effective Date and shall expire on the tenth (10th) anniversary of the Effective Date, unless terminated earlier pursuant to the terms hereof. City agrees that Owner shall have the right to extend the term of this Agreement for an additional ten (10) years upon the following conditions:

- (i) Owner provides written notice of such extension to City prior to the expiration of the original ten (10) year term of this Agreement; and
- (ii) Owner is not in default of this Agreement.

Upon such extension of this Agreement, Owner and City shall enter into an amendment to this Agreement memorializing the extension of the term.

12.2 Assignment.

12.2(a) To an Affiliate of Owner. The rights of Owner under this Agreement

may be freely transferred or assigned to an Affiliate of Owner provided that such entity shall assume in writing all obligations of Owner hereunder, and provide substitute security in form and amount acceptable to the City for any security previously provided by Owner in compliance with the Code, if any.

12.2(b) To a Third Party. If Owner sells or transfers more than fifty percent (50%) of the Planned Community to a party other than an Affiliate, Owner shall be relieved of its obligations under this Agreement, provided that such transferee assumes all duties and obligations of Owner then unsatisfied and provides substitute security, in form and amount acceptable to City, for any of Owner's previous obligations for which Owner provided performance security, if any.

12.2(c) Transfer Not to Relieve Owner of its Obligation. Except as expressly provided herein, no assignment or transfer of any portion of the Planned Community shall relieve Owner of its obligations hereunder as to the portion of the Planned Community so assigned or transferred, and such assignment or transfer shall be subject to all of the terms and conditions of this Agreement, provided, however, that no such transferee shall be deemed to be the Owner hereunder unless such transferee expressly assumes such obligations and duties of Owner. This subsection shall have no effect upon the validity of obligations recorded as covenants, conditions, restrictions or liens against parcels of real property.

12.2(d) In Connection with Financing Transactions. Owner has full discretion and authority to transfer, assign or encumber the Planned Community or portions thereof, in connection with financing transactions, without limitation to the size or nature of any such transaction, the amount of land involved or the use of the proceeds therefrom, and may enter into such transactions at any time and from time to time without permission of or notice to City. All such financing transactions shall be subject to the terms and conditions of this Agreement.

12.3 Amendment or Cancellation of Agreement. Except as otherwise permitted by NRS Chapter 278 and this Agreement, this Agreement may be amended from time to time or canceled, but only upon the mutual written consent of the parties hereto. All proposed amendments shall be considered solely by the City Council.

12.4 Indemnity; Hold Harmless. Except as expressly provided in this Agreement, Owner shall hold City, its officers, agents, employees, and representatives harmless from liability for damage or claims for damage for personal injury, including death and claims for property damage which may arise from the direct or indirect operations of Owner or those of its contractors, subcontractors, agents, employees, or other persons acting on Owner's behalf which relate to the development of the Planned Community. Owner agrees to and shall defend City and its officers, agents, employees, and representatives from actions for damages caused or alleged to have been caused by reason of Owner's activities in connection with the development of the Planned Community. Owner agrees to indemnify, hold harmless, and provide and pay all costs and attorneys fees for a defense for City in any legal action filed in a court of competent jurisdiction by a third party alleging any such claims or challenging the validity of this Agreement. The provisions of this Section shall not apply to the extent such damage, liability, or claim is proximately caused by the intentional or negligent act of City, its officers, agent, employees, or representatives.

12.5 Binding Effect of Agreement. Subject to Section 12.2 hereof, the burdens of this Agreement bind, and the benefits of this Agreement inure to, the parties' respective successors in interest and the property which is the subject of this Agreement.

12.6 Relationship of Parties. It is understood that the contractual relationship between City and Owner is such that Owner is not an agent of City for any purpose and City is not an agent of Owner for any capacity.

12.7 Notices. All notices, demands and correspondence required or provided for under this Agreement shall be in writing and delivered in person or mailed by certified mail postage prepaid, return receipt requested. Notices shall be addressed as follows:

To City: CITY OF LAS VEGAS
400 Stewart Avenue

Either party may change its address by giving notice in writing to the other and thereafter notices, demands and other correspondence shall be addressed and transmitted to the new address. Notices given in the manner described shall be deemed delivered on the day of personal delivery or the date delivery of mail is first attempted.

12.8 Entire Agreement. This Agreement constitutes the entire understanding and agreement of the parties. This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto and supersedes all negotiations or previous agreements between the parties with respect to all of any part of the subject matter hereof.

12.9 Waivers. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate officers of City or Owner, as the case may be.

12.10 Recording; Amendments. Promptly after execution hereof, an executed original of this Agreement shall be recorded in the Official Records of Clark County, Nevada. All amendments hereto must be in writing signed by the appropriate officers of City and Owner in a form suitable for recordation in the Official Records of Clark County, Nevada. Upon completion of the performance of this Agreement, or its earlier revocation or termination, a statement evidencing said completion, revocation or termination shall be signed by the appropriate officers of the City and Owner and shall be recorded in the Official Records of Clark County, Nevada.

12.11 Headings; Exhibits; Cross References. The recitals, headings and captions used in this Agreement are for convenience and ease of reference only and shall not be used to construe,

interpret, expand or limit the terms of this Agreement. All exhibits attached to this Agreement are incorporated herein by the references contained herein. Any term used in an exhibit hereto shall have the same meaning as in this Agreement unless otherwise defined in such exhibit. All references in this Agreement to sections and exhibits shall be to sections and exhibits to this Agreement, unless otherwise specified.

12.12 Release. Each residential lot shown on a recorded Subdivision Map within the Planned Community shall be automatically released from the encumbrance of this Agreement without the necessity of executing or recording any instrument of release upon the issuance of a building permit for the construction of a residence thereon.

12.13 Severability of Terms. If any term or other provision of this Agreement is held to be invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect, provided that the invalidity, illegality or unenforceability of such terms does not materially impair the parties' ability to consummate the transactions contemplated hereby. If any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall, if possible, amend this Agreement so as to affect the original intention of the parties.

IN WITNESS WHEREOF, this Agreement has been executed by the parties on the day and year first above written.

The Plan will include provisions for maintenance of all landscaping and related irrigation systems, including the following landscaped areas, if applicable, and part of the applicable project, whether developed or natural:

- (1) Common areas;
- (2) Parks, trails, and related facilities and equipment;
- (3) Drainage easements that contain landscaping;
- (4) Sight visibility zones, as defined in the Applicable Rules; and
- (5) Any areas of landscaping located within public rights-of-way which are required by law or by the City approval of the development to be maintained by the association.

(B) The Plan will include provisions for maintenance of common area lighting and for security walls located within common areas, but excluding any walls located on an individual unit or lot.

(C) The Plan will include provisions for periodic inspection, maintenance and repair of the improvements described herein in such a manner and with such frequencies so as to maintain the improvements to prevent deterioration, to avoid unsightliness and maintain the aesthetic appearance, the function and look of the improvements as originally intended. Any significant deviation from those standards may be implemented only after consultation with and the approval of the City. The required maintenance and repair shall include, without limitation:

(1) Maintenance of all landscaping in a healthy condition, with all grass cut to an appropriate length, all plants and bushes appropriately trimmed and maintained, and diseased or dead portions of landscaping promptly replaced with healthy plant materials.

(F) The Plan will include a provision requiring the posting with the City and maintenance thereafter of a continuing bond, acceptable to the City, to guarantee the payment of all of such maintenance costs for a continuing period of one year from any given date. The requirement for the posting and maintenance of such bond shall be maintained only until the association has the capital reserves to cover such one-year's maintenance.

RECOMMENDING COMMITTEE MEETING OF
March 1, 2004

VERBATIM TRANSCRIPT – ITEM 6

25 **COUNCILMAN WEEKLY**

26 All right, where are we?

27

28 **COUNCILWOMAN MONCRIEF**

29 Six.

30

31 **COUNCILMAN WEEKLY**

32 Okay. Number six, Bill No. two thousand and four-ten, adopts development agreement with
33 Cliff's Edge, LLC, for the Cliff's Edge Development, proposed by Bob Genzer.

34

35 **VAL STEED**

36 This agreement was approved was approved by the Council, may have been your last meeting,
37 on the Planning agenda. Under State law, in order to be completely enforceable, these
38 agreements need to be adopted by ordinance and recorded. So, we introduced a bill that attached
39 a version that had been approved by the – City Council, subject to some changes being made. In
40 the meantime, we have made those changes. They're very minute. They don't change the –
41 essence of the agreement. In one case there was clarification that staff would, or the City would
42 help the developer obtain right-of-way, but not financially. And in another case there's a
43 correction to a reference to the Building Code. It said Uniform Building Code and, of course,
44 recently you have adopted the International Building Code, instead of the Uniform Building
45 Code. So, we generisized (sic) that language a little bit.

46 Other than that, it's in – proper form to be recommended as a First Amendment to the full
47 Council.

48

49 **COUNCILMAN WEEKLY**

50 Okay. It's noticed as a public hearing.

51

52 **TOM AMICK**

53 Tom Amick, 3800 Howard Hughes Parkway. I'm here on behalf of Cliff's Edge. Just wanted to
54 make clear that the version that Val and Betsy have is – now the most recent and revised version,

RECOMMENDING COMMITTEE MEETING OF
March 1, 2004

VERBATIM TRANSCRIPT – ITEM 6

55 that has the red lines removed, the changes that Val referred to, the exhibits added, so that that
56 one should be the one that (inaudible) is the most current version and should replace the one in
57 your backup.

58

59 **COUNCILMAN WEEKLY**

60 And do we have that?

61

62 **VAL STEED**

63 And which is the new one that each of you have.

64

65 **COUNCILMAN WEEKLY**

66 Right.

67

68 **COUNCILWOMAN MONCRIEF**

69 This one (inaudible)

70

71 **TOM AMICK**

72 Pardon?

73

74 **COUNCILMAN WEEKLY**

75 Mr. Genzer, you have something to add?

76

77 **ROBERT GENZER**

78 No. I believe Ms. Fretwell actually does.

79

80 **BETSY FRETWELL**

81 I just had a couple of clarifying questions. Tom, would we normally have a map in here that
82 identifies the parks that are denoted as Pod 11, 111 and 302?

RECOMMENDING COMMITTEE MEETING OF
March 1, 2004

VERBATIM TRANSCRIPT – ITEM 6

83 **TOM AMICK**

84 I don't know, is that in the, unless that's in the design. Is that in the design guideline section?

85

86 **BETSY FRETWELL**

87 Well, the design guidelines aren't in here either and that was my other question, so –

88

89 **TOM AMICK**

90 They have the most recent design guideline section. They're, we're, they're making like 20

91 copies and we're going to deliver those at the beginning of the week. They have –

92

93 **BETSY FRETWELL**

94 So, –

95

96 **TOM AMICK**

97 They have the most, staff has the most current copy of the design guidelines. It has all the

98 colored maps and everything that's current. I just – don't think it's part of the backup.

99

100 **BETSY FRETWELL**

101 I think that maybe we just need to reflect that this is not totally complete yet and that what will

102 be going to Council will have the design guidelines and –

103

104 **TOM AMICK**

105 Correct.

106

107 **BETSY FRETWELL**

108 – and should have, you know, whatever pertinent definitions or maps associated with it to make

109 sure that it's all inclusive.

110

111 **TOM AMICK**

112 Yes.

RECOMMENDING COMMITTEE MEETING OF
March 1, 2004

VERBATIM TRANSCRIPT – ITEM 6

113 **BETSY FRETWELL**

114 Okay. 'Cause, that's not in what's here, right now.

115

116 **TOM AMICK**

117 'Kay.

118

119 **BETSY FRETWELL**

120 There are a couple of exhibits missing.

121

122 **ROBERT GENZER**

123 And I'll check on that with Gary Leobold.

124

125 **COUNCILMAN WEEKLY**

126 Okay. Anything else? Okay. Anyone else from the public? No one. Councilwoman?

127

128 **COUNCILWOMAN MONCRIEF**

129 Move that Item No. 6 go to full Council with a Do Pass.

130

131 **COUNCILMAN WEEKLY**

132 All in favor?

133

134 **GABRIELA PORTILLO-BRENNER**

135 First Amendment?

136

137 **VAL STEED**

138 Let me suggest that rather than have this be the First Amendment, we'll have the First

139 Amendment contain this and the addition of the missing exhibits, so that we don't have to do a

140 Second –

RECOMMENDING COMMITTEE MEETING OF

146

147 **BETSY FRETWELL**

148 Okay.

149

150 **COUNCILMAN WEEKLY**

151 Okay. That'll be our motion. All in favor?

Summary: Levy Ordinance

WHEREAS, the City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) in the County of Clark and State of Nevada, has heretofore, pursuant to the requisite preliminary proceedings, created Las Vegas, Nevada, Special Improvement District No. 1472 – Durango Drive (Lone Mountain Road to Tropical Parkway) (hereinafter the "District"), for the purpose of acquiring a Street Project, Sanitary Sewer Project, and a Water Project as defined in Chapter 271, Nevada Revised Statutes (hereinafter the "Project") and has provided that a portion of the entire cost and expense of the Project shall be paid by special assessments, according to benefits, levied against the benefited lots, tracts and parcels of land in the District; and

WHEREAS, the District has been properly created by an ordinance heretofore adopted under the provisions of the Consolidated Local Improvement Law, and

WHEREAS, the City Council has heretofore determined that a portion of the cost and expense of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from the improvements of the Project; and

WHEREAS, in accordance with NRS 271.360, the City Council has heretofore determined, and does hereby declare, that the net cost of all improvements in the District (including all necessary incidentals which either have been or will be incurred in connection with the District) is \$4,064,248 35, of which, \$3,895,347.11 is available from other sources and of which \$168,901.24 is to be assessed upon the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from the improvements of the Project; and

WHEREAS, the City Council, by resolution heretofore adopted and directed the City Engineer of the City (hereinafter the "City Engineer") to make out a final assessment roll; and

WHEREAS, after a determination of the portion of the costs of such work to be paid by the property specially benefited, the City Council, together with the City Engineer (with the assistance of the Engineering Integration Division) made out a final assessment roll containing, among other things, the names and addresses of the last known owners of the property to be assessed, a description of each lot, tract, or parcel of land to be assessed, and the amount of the assessment thereon. The City Engineer has reported the final assessment roll to the City Council and the City Engineer has filed the final assessment roll with the City Clerk; and

WHEREAS, the City Council thereupon fixed a time and place, to wit: Wednesday, February 4, 2004, at 1:00 p.m., at the Las Vegas City Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada, when all complaints, protests and objections to the final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the improvements in the District, by any person interested, and by any parties aggrieved by such assessments, would be heard and considered by the City Council; and

WHEREAS, the City Engineer (with the assistance of Engineering Integration Division) has, in accordance with the provisions of law relating thereto, given the requisite legal notice by both mail and publication that complaints, protests and objections to assessments for improvements in the District should be filed with the City Clerk, and that the City Council would hear and consider any and all complaints, protests or objections on Wednesday, February 4, 2004, at 1.00 p.m., at the Las Vegas City Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada; and

WHEREAS, the City Council caused the final assessment roll ("Tabulation of Parcels") to be filed in the records of the office of the City Clerk on January 7, 2004. The City Clerk, by publication and by mail, gave the requisite notice of the time and place of such hearing, of the filing of the final assessment roll in her office, of the date of filing the same, and of the right of any such person to object specifically in writing and of the waiver of any objection in the absence of such objection; and

WHEREAS, at the time and place so designated, the City Council met to hear and determine all objections filed or made orally by any interested party; and

WHEREAS, all complaints, protests and objections, both written and oral, were found to be without sufficient merit and overruled, except as provided in the District No 1472 Assessment Protest Resolution, and

WHEREAS, the City Council has determined, and does hereby determine, that the City shall pay the costs of the Project, in part, with funds derived from the levy of assessments, and the City will pay one-half or more of the costs of the Project with monies derived from other than the levy of special assessment, and that the exception provided by NRS 271 306(2)(a) does exist with respect to the Project, and

WHEREAS, the owners of certain property to be located within the proposed District have requested the City to include as part of the improvements to be constructed within the District, for such property, water and/or sewer improvements and such owners have executed an affidavit of waiver and consent (hereinafter the "Affidavit"), consenting to the construction of such improvements and the assessment of the cost of such improvements on such property

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

Section 1 This Ordinance shall be known as, and may be cited by, the short title "District No. 1472 Levy Ordinance" (hereinafter the "Ordinance")

Section 2. The City Council has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit

and the same be, and the same hereby is, overruled, and finally passed on by the City Council, except as provided in the District No 1472 Assessment Protest Resolution

Section 3. All actions, proceedings, matters and things heretofore taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning Special Improvement District No 1472 – Durango Drive (Lone Mountain Road to Tropical Parkway), including, but not limited to, the creation of the District, the acquisition of the Project, the amount of the construction contract, the levy of assessments for those purposes, the determination that the tracts in the District will receive special benefits and market value increases, and the validation and confirmation of the final assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed

Section 4. For the purpose of paying a portion of the costs and expenses of the Project, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed) are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said improvements) and described in the final assessment roll for the District, as filed in the office of the City Clerk on January 7, 2004, and as modified and confirmed by the District No 1472 Assessment Protest Resolution duly adopted by the City Council on February 18, 2004

Section 5. The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand, provided that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments, the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in twenty (20) substantially equal semiannual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this Ordinance, at a rate or rates which shall not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District, both principal and interest on such assessments being payable semiannually at the office of the City Treasurer on April 1 and October 1 in each year, commencing on October 1, 2004. After the effective

date of this Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds for the district. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City. The exercise of said option to be indicated by the commencement of foreclosure proceedings by the City. The whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether or not said option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment, may at any time (at the option of such owner), pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7.52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the

same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expire; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Section 6 The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. March 21, 2004) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7 Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Council may require the City Treasurer to apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8. In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal or interest, the City Council shall forthwith cause the owner

of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.630. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If a foreclosure is not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of the City. Any bondholder may also proceed against the City to protect and enforce the rights of the bondholders under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most effective to protect and enforce the rights aforesaid. All such proceedings, at law or in equity, shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondholders to foreclose such delinquent assessments or to proceed against the City shall not relieve the City or any of its officers, agents or employees of any liability for its failure to foreclose such delinquent assessments.

Section 9. The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first

such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable. The notice shall further state that payment must be made in full prior to the end of the 30 day period to avoid paying interest on the assessment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher and filed with the City Clerk of the City. In accordance with NRS 271.390(2), the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk. Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 10 of this Ordinance shall be in substantially the following form

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR IMPROVEMENTS IN CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT DISTRICT NO. 1472 – DURANGO DRIVE (LONE MOUNTAIN ROAD TO TROPICAL PARKWAY)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No 1472 Levy Ordinance (hereinafter the "Levy Ordinance") was duly passed, adopted, signed and approved on March 17, 2004. The Levy Ordinance levied and assessed a portion of the cost and expense of such improvements against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No. 1472 – Durango Drive (Lone Mountain Road to Tropical Parkway)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance).

Assessments are due and payable at the office of the City Treasurer, in Las Vegas, Nevada, on or before April 20, 2004, being 30 days after the effective date of the Levy Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in twenty (20) substantially equal semi-annual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from March 21, 2004, (i.e., the effective date of the Levy Ordinance) both principal and interest being payable semi-annually at the office of the City Treasurer, Las Vegas, Nevada, on April 1 and October 1 in each year, commencing on October 1, 2004. After the effective date of the Levy Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by Resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three

percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any assessment installment, whether principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether or not the City's option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored the right, thereafter, to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semi-annual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7.52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of a Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a

timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271.380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from March 21, 2004, (i.e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor

Dated this March 17, 2004.

BARBARA JO RONEMUS, City Clerk

(End of Form of Notice)

The officers of the City be, and they hereby are, authorized and directed to take all action necessary and appropriate to effectuate the provisions of this Ordinance, including, without limiting the generality of the foregoing, the preparation of all necessary documents, legal proceedings, the recording of the final assessment roll, and other items necessary or desirable for the completion of the levying of the assessments of the District and the issuance of the bonds therefor.

date of this Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds for the district. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City. The exercise of said option to be indicated by the commencement of foreclosure proceedings by the City. The whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether or not said option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment, may at any time (at the option of such owner), pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7.52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the

same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expire; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Section 6. The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. March 21, 2004) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes) The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Council may require the City Treasurer to apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien

Section 8. In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal or interest, the City Council shall forthwith cause the owner

of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.630. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If a foreclosure is not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of the City. Any bondholder may also proceed against the City to protect and enforce the rights of the bondholders under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most effective to protect and enforce the rights aforesaid. All such proceedings, at law or in equity, shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondholders to foreclose such delinquent assessments or to proceed against the City shall not relieve the City or any of its officers, agents or employees of any liability for its failure to foreclose such delinquent assessments.

Section 9 The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first

such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable. The notice shall further state that payment must be made in full prior to the end of the 30 day period to avoid paying interest on the assessment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher and filed with the City Clerk of the City. In accordance with NRS 271.390(2), the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk. Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11 The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 10 of this Ordinance shall be in substantially the following form.

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR IMPROVEMENTS IN CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT DISTRICT NO 1474 – RAINBOW BOULEVARD (SILVERSTREAM AVENUE TO SMOKE RANCH ROAD)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No. 1474 Levy Ordinance (hereinafter the "Levy Ordinance") was duly passed, adopted, signed and approved on March 17, 2004. The Levy Ordinance levied and assessed a portion of the cost and expense of such improvements against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No 1474 – Rainbow Boulevard (Silverstream Avenue to Smoke Ranch Road)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance).

Assessments are due and payable at the office of the City Treasurer, in Las Vegas, Nevada, on or before April 20, 2004, being 30 days after the effective date of the Levy Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in twenty (20) substantially equal semi-annual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from March 21, 2004, (i.e., the effective date of the Levy Ordinance) both principal and interest being payable semi-annually at the office of the City Treasurer, Las Vegas, Nevada, on April 1 and October 1 in each year, commencing on October 1, 2004. After the effective date of the Levy Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by Resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such

bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any assessment installment, whether principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether or not the City's option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored the right, thereafter, to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semi-annual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7.52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of a Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271 380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from March 21, 2004, (i e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

Dated this March 17, 2004

BARBARA JO RONEMUS, City Clerk

(End of Form of Notice)

WHEREAS, the City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) in the County of Clark and State of Nevada, has heretofore, pursuant to the requisite preliminary proceedings, created Las Vegas, Nevada, Special Improvement District No. 1481 – El Capitan Way (Centennial Parkway to US 95) (hereinafter the "District"), for the purpose of acquiring a Street Project, a Sanitary Sewer Project, a Storm Sewer Project and a Water Project as defined in Chapter 271, Nevada Revised Statutes (hereinafter the "Project") and has provided that a portion of the entire cost and expense of the Project shall be paid by special assessments, according to benefits, levied against the benefited lots, tracts and parcels of land in the District; and

WHEREAS, the District has been properly created by an ordinance heretofore adopted under the provisions of the Consolidated Local Improvement Law; and

WHEREAS, the City Council has heretofore determined that a portion of the cost and expense of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from the improvements of the Project; and

WHEREAS, in accordance with NRS 271.360, the City Council has heretofore determined, and does hereby declare, that the net cost of all improvements in the District (including all necessary incidentals which either have been or will be incurred in connection with the District) is \$5,317,450.00, of which, \$2,573,361.27 is available from other sources and of which \$2,744,088.73 is to be assessed upon

WHEREAS, the City Council, by resolution heretofore adopted and directed the City Engineer of the City (hereinafter the "City Engineer") to make out a final assessment roll, and

WHEREAS, after a determination of the portion of the costs of such work to be paid by the property specially benefited, the City Council, together with the City Engineer (with the assistance of the Engineering Integration Division) made out a final assessment roll containing, among other things, the names and addresses of the last known owners of the property to be assessed, a description of each lot, tract, or parcel of land to be assessed, and the amount of the assessment thereon. The City Engineer has reported the final assessment roll to the City Council and the City Engineer has filed the final assessment roll with the City Clerk; and

The City Clerk, by publication and by mail, gave the requisite notice of the time and place of such hearing, of the filing of the final assessment

roll in her office, of the date of filing the same, and of the right of any such person to object specifically in writing and of the waiver of any objection in the absence of such objection; and

WHEREAS, at the time and place so designated, the City Council met to hear and determine all objections filed or made orally by any interested party; and

WHEREAS, all complaints, protests and objections, both written and oral, were found to be without sufficient merit and overruled, except as provided in the District No. 1481 Assessment Protest Resolution; and

WHEREAS, by the District No. 1481 Assessment Protest Resolution, the City Council modified, corrected and revised the final assessment roll and modified, corrected, revised and confirmed the final assessment roll to be in final form; and

WHEREAS, it is incumbent upon the City Council to provide when said assessments shall become due and penalties payable after any delinquency; and

WHEREAS, the owners of certain property to be located within the proposed District have requested the City to include as part of the improvements to be constructed within the District, for such property, water and/or sewer improvements and such owners have executed an affidavit of waiver and consent (hereinafter the "Affidavit"), consenting to the construction of such improvements and the assessment of the cost of such improvements on such property.

Section 1. This Ordinance shall be known as, and may be cited by, the short title "District No. 1481 Levy Ordinance" (hereinafter the "Ordinance")

Section 2. The City Council has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit and the same be, and the same hereby is, overruled, and finally passed on by the City Council, except as provided in the District No. 1481 Assessment Protest Resolution.

Section 3. All actions, proceedings, matters and things heretofore taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning Special Improvement District No. 1481 – El Capitan Way (Centennial Parkway to US 95), including, but not limited to, the creation of the District, the acquisition of the Project, the amount of the construction contract, the levy of assessments for those purposes, the determination that the tracts in the District will receive special benefits and market value increases, and the validation and confirmation of the final assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed.

Section 4. For the purpose of paying a portion of the costs and expenses of the Project, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed) are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said improvements) and described in the final assessment roll for the District, as filed in the office of the City Clerk on January 7, 2004, and as modified and confirmed by the District No. 1481 Assessment Protest Resolution duly adopted by the City Council on February 18, 2004.

Section 5. The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand, provided that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments, the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in forty (40) substantially equal semiannual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this Ordinance, at a rate or rates which shall not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District, both principal and interest on such assessments being payable semiannually at the office of the City Treasurer on April 1 and October 1 in each year, commencing on October 1, 2004. After the effective date of this Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold the rate will not exceed by more than one percent (1%) the

highest rate of interest on the assessment bonds for the district. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City. The exercise of said option to be indicated by the commencement of foreclosure proceedings by the City. The whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether or not said option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment, may at any time (at the option of such owner), pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date, together with the payment of a penalty for such prepayment of three percent (3%) of the principal of the deferred installments so prepaid. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7 52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or

transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expire; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Section 6. The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. March 21, 2004) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Council may require the City Treasurer to apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8. In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal or interest, the City Council shall forthwith cause the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not

paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.630. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If a foreclosure is not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of the City. Any bondholder may also proceed against the City to protect and enforce the rights of the bondholders under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most effective to protect and enforce the rights aforesaid. All such proceedings, at law or in equity, shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondholders to foreclose such delinquent assessments or to proceed against the City shall not relieve the City or any of its officers, agents or employees of any liability for its failure to foreclose such delinquent assessments.

Section 9. The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable. The notice shall further state that payment must be made in

full prior to the end of the 30 day period to avoid paying interest on the assessment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher and filed with the City Clerk of the City. In accordance with NRS 271.390(2), the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk. Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

**NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR
IMPROVEMENTS IN CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT
DISTRICT NO. 1481 – EL CAPITAN WAY (CENTENNIAL PARKWAY TO US 95)**

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No. 1481 Levy Ordinance (hereinafter the "Levy Ordinance") was duly passed, adopted, signed and approved on March 17, 2004. The Levy Ordinance levied and assessed a portion of the cost and expense of such improvements against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No. 1481 – El Capitan Way (Centennial Parkway to US 95)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance).

Assessments are due and payable at the office of the City Treasurer, in Las Vegas, Nevada, on or before April 20, 2004, being 30 days after the effective date of the Levy Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in forty (40) substantially equal semi-annual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from March 21, 2004 (i.e., the effective date of the Levy Ordinance) both principal and interest being payable semi-annually at the office of the City Treasurer, Las Vegas, Nevada, on April 1 and October 1 in each year, commencing on October 1, 2004. After the effective date of the Levy Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by Resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three

percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any assessment installment, whether principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether or not the City's option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored the right, thereafter, to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semi-annual installment of the unpaid principal with interest accruing thereon to the next interest payment date and the payment of a penalty for such prepayment of three percent (3%) of the installment or installments of principal so prepaid. The City Council, by the Levy Ordinance, has established a prepayment penalty or premium of three percent (3%) of the principal of deferred installments so prepaid. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7 52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of a Hardship Determination is

disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner, or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271.380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from March 21, 2004 (i.e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

Dated this March 17, 2004.

BARBARA JO RONEMUS, City Clerk

(End of Form of Notice)

WHEREAS, the assessments do not exceed the benefits to the property assessed nor that portion of the total cost of the Project payable from assessments as heretofore determined; and

WHEREAS, it is incumbent upon the City Council to provide when said assessments shall become due and penalties payable after any delinquency, and

WHEREAS, the City Council has determined, and does hereby determine, that the City shall pay the costs of the Project, in part, with funds derived from the levy of assessments, and the City will pay one-half or more of the costs of the Project with monies derived from other than the levy of special assessment, and that the exception provided by NRS 271.306(2)(a) does exist with respect to the Project; and

WHEREAS, the owners of certain property to be located within the proposed District have requested the City to include as part of the improvements to be constructed within the District, for such property, water and/or sewer improvements and such owners have executed an affidavit of waiver and consent (hereinafter the "Affidavit"), consenting to the construction of such improvements and the assessment of the cost of such improvements on such property

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

Section 1 This Ordinance shall be known as, and may be cited by, the short title "District No. 1486 Levy Ordinance" (hereinafter the "Ordinance")

Section 2. The City Council has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit

and the same be, and the same hereby is, overruled, and finally passed on by the City Council, except as provided in the District No. 1486 Assessment Protest Resolution.

Section 3. All actions, proceedings, matters and things heretofore taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning Special Improvement District No. 1486 – Rainbow Boulevard (Rancho Drive to Ann Road), including, but not limited to, the creation of the District, the acquisition of the Project, the amount of the construction contract, the levy of assessments for those purposes, the determination that the tracts in the District will receive special benefits and market value increases, and the validation and confirmation of the final assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed.

Section 4. For the purpose of paying a portion of the costs and expenses of the Project, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed) are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said improvements) and described in the final assessment roll for the District, as filed in the office of the City Clerk on January 7, 2004, and as modified and confirmed by the District No. 1486 Assessment Protest Resolution duly adopted by the City Council on February 18, 2004.

Section 5. The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand, provided that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments, the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in twenty (20) substantially equal semiannual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this Ordinance, at a rate or rates which shall not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District, both principal and interest on such assessments being payable semiannually at the office of the City Treasurer on April 1 and October 1 in each year, commencing on October 1, 2004. After the effective

date of this Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds for the district. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City. The exercise of said option to be indicated by the commencement of foreclosure proceedings by the City. The whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether or not said option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment, may at any time (at the option of such owner), pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7.52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the

same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences. (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted, (b) the term of the bonds expire, (c) the property owner's application for renewal of the Hardship Determination is disapproved, (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner, or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof

Section 6. The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. March 21, 2004) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs)

Section 7. Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Council may require the City Treasurer to apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8. In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal or interest, the City Council shall forthwith cause the owner

of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.630. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If a foreclosure is not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of the City. Any bondholder may also proceed against the City to protect and enforce the rights of the bondholders under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most effective to protect and enforce the rights aforesaid. All such proceedings, at law or in equity, shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondholders to foreclose such delinquent assessments or to proceed against the City shall not relieve the City or any of its officers, agents or employees of any liability for its failure to foreclose such delinquent assessments.

Section 9. The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first

such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable. The notice shall further state that payment must be made in full prior to the end of the 30 day period to avoid paying interest on the assessment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher and filed with the City Clerk of the City. In accordance with NRS 271.390(2), the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk. Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 10 of this Ordinance shall be in substantially the following form.

(Form of Notice)

**NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR
IMPROVEMENTS IN CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT
DISTRICT NO 1486 – RAINBOW BOULEVARD (RANCHO DRIVE TO ANN ROAD)**

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No. 1486 Levy Ordinance (hereinafter the "Levy Ordinance") was duly passed, adopted, signed and approved on March 17, 2004. The Levy Ordinance levied and assessed a portion of the cost and expense of such improvements against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No. 1486 – Rainbow Boulevard (Rancho Drive to Ann Road)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance).

Assessments are due and payable at the office of the City Treasurer, in Las Vegas, Nevada, on or before April 20, 2004, being 30 days after the effective date of the Levy Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in twenty (20) substantially equal semi-annual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from March 21, 2004, (i.e., the effective date of the Levy Ordinance) both principal and interest being payable semi-annually at the office of the City Treasurer, Las Vegas, Nevada, on April 1 and October 1 in each year, commencing on October 1, 2004. After the effective date of the Levy Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Council shall by Resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such

bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any assessment installment, whether principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether or not the City's option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored the right, thereafter, to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semi-annual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after April 20, 2004, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 52/100 percent (7 52%) per annum (i.e., the "Index of Twenty Bonds" published January 15, 2004, plus three percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of a Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271.380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from March 21, 2004, (i.e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

Dated this March 17, 2004.

BARBARA JO RONEMUS, City Clerk

(End of Form of Notice)

WHEREAS, by a resolution heretofore passed and approved (the "Provisional Order Resolution"), the City Council declared its determination to create the District for the purpose of making the Project, stating therein the character and location of the Project, what portion of the entire expense thereof shall be paid by special assessments, and that the assessment is to be made according to benefits, by apt description designating the District, including the lands to be so assessed and definitely locating the improvements to be made, and

WHEREAS, the City Council has heretofore determined that a portion of the cost and expense of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from in the Project; and

WHEREAS, among other documents, the City Engineer and the Engineering Integration Division (hereinafter the "Engineer", collectively) made out a preliminary assessment roll and an assessment plat for the District which contains, among other things, the names and addresses of the last known owners of the property to be assessed, a description of each lot, tract, or parcel of land to be assessed; the amount

of the estimated assessment to be levied thereon; and the amount of maximum special benefits (and corresponding market value increases); and the Engineer has reported the preliminary assessment roll and assessment plat to the City Council and has prepared and reported the "Engineer's Report to the City Council on Benefits," and has filed the assessment plat, preliminary assessment roll and the Engineer's Report with the City Clerk, and

WHEREAS, pursuant to the Provisional Order Resolution, the City Council gave notice (in the manner specified by NRS 271.305) of the filing of the preliminary plans, assessment plat, preliminary assessment roll, typical section of the contemplated improvements, preliminary estimate of cost, and estimate of maximum benefits (and corresponding market value increases), and of the time and place of a hearing thereon; and

WHEREAS, the manner of giving such notice by mail, publication and posting was reasonably calculated to inform the parties of the proceedings concerning the District which might directly and adversely affect their legally protected interests; and

WHEREAS, all owners of property to be assessed and interested persons so desiring were permitted to file a written protest or objection on or before Friday, January 30, 2004, and to appear before the City Council on Wednesday, February 4, 2004, to be heard as to the propriety and advisability of acquiring and improving the Project provisionally ordered, as to the estimated cost thereof, the manner of payment therefor, and as to the amount thereof to be assessed, the benefits estimated to be conferred against each tract, and the corresponding market value increases expected for each tract in the District; and

WHEREAS, the City Council has determined, and does hereby determine, that the City shall pay the costs of the Project in part with funds derived from the levy of assessments, and the City will pay one-half or more of the costs with monies derived from sources other than the levy of special assessments and that the exception provided by NRS 271.306(2)(a) does exist with respect to the Project, and

WHEREAS, the written and oral objections and protests received were duly considered, and the City Council has determined that it is in the best interests of the City, and the inhabitants thereof, to create the District as theretofore proposed; and

WHEREAS, every written protest and other objection was found to be without sufficient merit and was overruled by the City Council by the Special Improvement District No. 1503 Protest Disposal Resolution; and

WHEREAS, any person filing a written complaint, protest or objection shall have the right, within 30 days after the City Council has finally passed on such complaint, protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, and

WHEREAS, the City Council and the Engineer have done all things necessary and preliminary to the creation of the District, by filing with the City Clerk an accurate estimate of cost, full and detailed, final revised plans and specifications, revised assessment plat, revised final map, and a report on benefits by the Engineer The City Council desires now to authorize such improvements and work by this Ordinance

NOW, THEREFORE, THE CITY COUNCIL, OF THE CITY OF LAS VEGAS, DOES ORDAIN AS FOLLOWS:

Section 1. That this Ordinance shall be known as, and may be cited by, the short title "Special Improvement District No 1503 Creation Ordinance" (the "Ordinance").

Section 2. That the City Council has heretofore determined and does hereby determine that each and every protest and objection made in connection with the District is without sufficient merit and the same be, and the same heretofore have been, by the Special Improvement District No 1503 Protest Disposal Resolution, overruled, and finally passed upon by the City Council

Section 3. That the City Council has also determined and does hereby declare as follows:

- (a) The public convenience and necessity require the creation of the District
- (b) The creation of the District is economically sound and feasible
- (c) The market value of each of the benefited lots, tracts and parcels of land in the District will be increased by an amount directly attributable to the Project for which the assessment is made

Section 4. That there hereby is created in the City an improvement district designated as the "Las Vegas, Nevada, Special Improvement District No 1503 – Durango Drive Phase IV (Tropical Parkway to Clark County Highway 215)" for the purpose of acquiring a Project as more particularly described below. The boundaries of the District, which include the location of the Project and the lots, tracts and

parcels of land to be assessed, shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements (as described below). The streets to be improved by the improvements are:

DURANGO DRIVE (NORTH SIDE) - from the centerline of Tropical Parkway west-northwest along the "S-curve" realignment of Durango Drive approximately 2,450 feet (120-foot right-of-way).

DURANGO LOOP ROAD (WEST SIDE) – from the centerline of Durango Drive north along Durango Loop Road approximately 635 feet (90-foot right-of-way).

DURANGO DRIVE (BOTH SIDES) – from the centerline of Centennial Parkway south-southeast on Durango Drive approximately 565 feet and north on Durango Drive approximately 370 feet to the southern right-of-way of Clark County Highway 215 (120-foot right-of-way).

Section 5. That the Project, which is hereby ordered to be acquired, shall be located within the boundaries of the District, and shall be as shown in the final plans and specifications heretofore filed in the City Clerk's office, without minor details being described. The character of the improvements shall be described more particularly as follows:

The improvements on Durango Drive and Durango Loop Road will consist of the grading, regrading, graveling, and asphalt paving as necessary for at least four (4) travel lanes, a two-way center left turn lane or raised medians, "L" type curb and gutter, commercial or residential driveway approaches and streetlights. The streetlights will be installed at the back of the curb and gutter at appropriate intervals.

The City Council has determined that the cost of the Project is of special benefit and shall be paid by special assessments against the lots, tracts and parcels of land so benefited.

Section 6. That the estimated total cost of the Project shall be apportioned and assessed as follows:

Total Cost	Estimated Amount of Special Assessments	Amount Available from Other Sources
\$ 5,573,600.00	\$ 349,029.49	\$ 5,224,570.51

The amounts to be assessed for the Improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the

estimated benefits and corresponding market value increases); provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the Improvements so that assessments according to benefits are equal and uniform.

The assessments will be levied on a front foot basis for the installation of pavement, curb, gutter, residential driveways and streetlights and on a square foot method for the installation of commercial driveways. Each property owner will be assessed for the cost of an 8-foot wide street pavement section (unless the property owner has development plans in progress and has been conditioned by City Council for installation of a half-street pavement section), curb and gutter, driveway approaches and streetlights, where not already existing.

Such basis of assessments has been designated by the City Council in the Special Improvement District No. 1503 Provisional Order Resolution.

Section 7. That the portion of the costs to be assessed against, and the maximum amount of benefits estimated (and corresponding market value increases) to be conferred upon, each piece or parcel of property in the District is stated in the assessment plat and addendum thereto, as designated preliminary assessment roll. In cases of wedge or "V" or any other irregularly-shaped tracts, the amount apportioned thereto shall be in proportion to the special benefits thereby derived.

Section 8. That the City Engineer, in cooperation with the City, is hereby authorized to advertise for performing the work and making the Improvements in the Las Vegas Review-Journal, a daily newspaper published in Las Vegas, Nevada, and of general circulation in the City. Such notice shall be published at least once, not less than seven days before the opening of bids. The notice shall be in substantially the form provided by the plans, specifications and contract documents

Section 9. That after the award of the contract, the City Council shall determine the total cost of the work performed, including incidentals, and assessments shall be levied in accordance with the laws of the State, and the City Council shall provide that the assessments may be payable without interest or demand at the election of the owner during a specified cash payment period, or in twenty (20) substantially equal semi-annual installments of principal and interest. The City Council shall provide the time and terms of payment of such assessments and shall fix penalties (not to exceed two percent (2%))

per month) to be collected upon delinquent payments. The City Council shall also provide the rate of interest on unpaid installments of assessments which will not exceed the current maximum rate of interest permitted under the Nevada Revised Statutes. If assessment bonds are issued, such rate will not exceed more than one percent (1%) of the highest rate of interest on any of the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed more than three percent (3%) the "Index of Twenty Bonds", which shall have been most recently published at the time bids for the bonds are received, or at a time a negotiated offer for the sale of such bonds is accepted. If bonds are not issued for the District, the City Council shall by resolution establish the rate of interest on unpaid and deferred installments of assessments.

Section 10 That all action, proceedings, matters and things heretofore taken, had and done by the City, and the officers thereof, (not inconsistent with the provisions of this Ordinance) concerning the District, including, but not limited to, the performing of all prerequisites to the creation of the District, the acquisition of the Improvements, the specially benefited property therein, the determination that the lots, tracts and parcels of land in the District will receive special benefits and market value increases, and the levy of assessments for that purpose be, and the same hereby are, ratified, approved and confirmed.

Section 11. That the officers of the City be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including without limiting the generality of the foregoing, the preparation of all necessary documents, legal proceedings, construction contracts, engineering specifications, contract addenda, and other items necessary or desirable for the completion of the levying of the assessments for the District and the issuance of the bonds.

Section 12. That in accordance with NRS 271.325 (6), upon the final adoption of this Ordinance, the City Clerk is hereby authorized and directed to immediately file in the office of the County Recorder a certified copy of the preliminary assessment roll (the list of the tracts to be assessed). The County Recorder is to record such assessment roll for the purpose of establishing the record of lien or liens against the lots, tracts, and parcels of land and the amounts of maximum benefits estimated to be assessed against each tract in the assessment area as set forth in this Ordinance.

Section 13. That all ordinances or resolutions, or parts thereof, in conflict with the provisions of this Ordinance, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or resolution, or part thereof, heretofore repealed.

Section 14. That in accordance with Section 2.110 of the Charter, this Ordinance when first proposed is to be read by title to the City Council, immediately after which an adequate number of copies of the proposed Ordinance are to be deposited with the office of the City Clerk for public examination and distribution upon request. Thereafter, the City Clerk is authorized and directed to give notice of the deposit together with the title of the Ordinance by publication at least once in the Las Vegas Review-Journal, i.e., a newspaper published and having general circulation in the City, at least ten (10) days before the adoption of the Ordinance, i.e., at least ten (10) days before March, 17, 2004, such publication to be in substantially the following form:
