RECOMMENDING COMMITTEE MEETING OF: NOVEMBER 2, 2004

DEPARTMENT: CITY ATTORNEY

DIRECTOR: BRADFORD R. JERBIC

☐ **CONSENT** ☒ **DISCUSSION**

SUBJECT:

NEW BILL:

Bill No. 2004-69 - ABEYANCE ITEM - Establishes new solid waste and recycling regulations. Proposed by: Mark R. Vincent, Director of Finance and Business Services

Fiscal Impact:

☒ No Impact	Amount:
☐ Budget Funds Available	Dept./Division:
☐ Augmentation Required	Funding Source:

PURPOSE/BACKGROUND:

The City's current solid waste code provisions were enacted more than fifty years ago and do not take into account many contemporary industry standards and practices as well as current state and federal regulatory provisions. Solid waste issues transcend the boundaries of the City and other local jurisdictions within the County metropolitan areas, each contracting with Republic Services, Inc. to perform solid waste collection and disposal services. Accordingly, this bill is modeled after recent changes made in the County code in order to achieve regulatory uniformity. This bill specifically designates the items included within the solid waste stream, hazardous waste stream, medical waste stream, and recyclable materials stream for regulatory purposes; restricts hours of solid waste collection in residential areas; and conditionally waives collection fees for absentee residents.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

BACKUP DOCUMENTATION:

1. Bill No. 2004-69
2. Proposed First Amendment

MOTION:

COUNCILMAN WOLFSON recommended Bill 2004-69 be forwarded as a First Amendment to the Full Council with a "Do Pass" recommendation. COUNCILWOMAN MONCRIEF concurred.

MINUTES:

COUNCILWOMAN MONCRIEF declared the Public Hearing open.

MARK VINCENT, Director, Finance and Business Services, said that since this matter first appeared on the Recommending Committee agenda, he met twice with representatives of Republic Services. Discussions at those meetings resulted in a Proposed First Amendment, a copy of which is included in the backup. The current 50-year ordinance needed updating. A lot of the changes are in line with the County's recycling ordinance, which was updated in 1996. He then outlined the proposed changes, principally adding definitions for the followings: hazardous waste, medical waste, sewage waste, recycling, gross revenue to gross cash receipts.

A late penalty fee was also added, which is included in most of the other franchise ordinances. A

provision on customer service standards was added to Section 33 requiring the franchisee to record and respond to complaints within 48 hours. If the complaint cannot be resolved, a written report must be provided to the City as to the issues and why the complaint could not be resolved. If the City is not satisfied, the Director of Finance will have the ability to direct the franchisee to resolve the complaint in a manner acceptable to the City. Included in Section 34 is new language regarding a telephone answering system and language allowing the City to establish reasonable minimum performance standards

Under discontinuation of service, which has been a very difficult issue, a provision was added making the discontinuation of water service the trigger for discontinuation of solid waste and recycling services. Republic Services will be allowed to charge a \$15 processing fee for discontinuation of services, with no reactivation fee. Rates have also been added for rental of containers for medical and sewage waste.

As far as sewage waste service, the fees will escalate according to CPIU, as all other rates, but the franchisee shall be solely responsible for franchise fees and cannot pass these on to the City. This has been an issue, because the sewage, although collected from the Las Vegas hookups, eventually goes to the plant located in Clark County. The County has no interest in attaching a franchise fee onto revenues collected for processing the City's waste. In the event the County should reconsider, the City would be indemnified against such a fee structure.

ROBERT GROSSBECK, 5820 South Pecos Road, appeared on behalf of Republic Services, accompanied by ROBERT COIL, President of the Southern Nevada operation, and JENNIFER SIMICH, Director of Government Relations. MR. GROSSBECK concurred with the changes MR. VINCENT outlined.

COUNCILWOMAN MONCRIEF asked if the section regarding medical waste is more of a clean up in terminology or if it changes the rules on removal of medical waste. MR. VINCENT answered that it is more of a clean up on terminology. There was a legal case in Clark County that addressed this issue, and this is one of the definitions the court directed be cleaned up in the ordinance. MR. GROSSBECK concurred. He added that 50 years ago, when this ordinance was drafted, nobody thought about medical waste being separated from solid waste. The language in the proposed ordinance incorporates all the recent changes in federal regulations.

COUNCILMAN WOLFSON confirmed with MR. VINCENT that no immediate subsequent amendments are intended and that he worked closely with Republic Services on the proposed amendments.

MR. COIL expressed his appreciation to City staff for its efforts and cooperation on these changes.

No one appeared in opposition.

COUNCILWOMAN MONCRIEF declared the Public Hearing closed.

27 (3) Until hauled to a designated temporary emergency collection area, all
28 putrescible solid waste shall be stored indoors in plastic bags or outdoors in containers or receptacles

1 which will not permit access by flies or animals or constitute a fire hazard; and

2 (4) All putrescible solid waste hauled to a temporary emergency collection
3 area must be securely contained in plastic bags.

4 SECTION 9: (A) It is unlawful for any person other than the owner, the City or
5 a franchisee, or their duly appointed agents, to interfere in any manner with any receptacles containing
6 solid waste or recyclables or to remove any such receptacle from the location where placed for pickup
7 by the owner, the City or a franchisee.

8 (B) It is unlawful for any person, other than the operator of a drop-off center or his
9 or her duly appointed agent, to interfere with or remove any recyclables from a drop-off center.

10 SECTION 10: It is unlawful to use any cart or vehicle for the transportation or removal
11 of solid waste or recyclables unless such cart or vehicle is appropriately constructed and covered,
12 within industry standards, to prevent or minimize odors from or leakage, sifting, spilling, drifting or
13 blowing of such solid waste or recyclables in or upon the streets through which such cart or vehicle
14 may be driven.

15 SECTION 11: (A) Every person owning or managing any place of business, public
16 building, multiple dwelling or single-family residence, except as otherwise provided in Subsection
17 (E) of this Section, shall provide a receptacle sufficient for the depositing of all solid waste from the
18 premises. A solid waste franchisee may rent solid waste receptacles to its customers pursuant to the
19 rates specified in this Chapter, but the responsibility for placement of such rented receptacles remains
20 with the person owning or managing the place of business, public building, multiple dwelling or
21 single-family residence.

22 (B) A franchisee shall provide to its curbside recyclables collection customers,
23 upon request and at no additional cost to such customers, appropriate receptacles for the storage and
24 collection of recyclables.

25 (C) On any single-family residential lot, it is unlawful to place, keep, store or locate
26 any solid waste or recyclables receptacle within the right-of-way of a street, sidewalk or alley, or
27 within any front yard as defined in the zoning regulations of the City; provided, however, that such
28 receptacles may be placed within such area for the purpose of the collection of solid waste and

1 recyclables from midnight to midnight on the day designated for the pickup thereof and for a period
2 not to exceed ten hours prior to midnight of the day of pickup.

3 (D) On any multi-family, commercial or industrial lot, it is unlawful to place, keep,
4 store or locate any dumpster or other solid waste or recyclables receptacle within the right-of-way of
5 a street, sidewalk or alley. Dumpsters shall be stored within an enclosure if an enclosure was required
6 in connection with development approval or is otherwise provided on the lot. The construction of
7 dumpster enclosures is encouraged, if such construction was not required in accordance with a
8 development approval. To the extent reasonably possible, development plans and approvals
9 concerning the construction of dumpster enclosures shall be coordinated with the solid waste
10 franchisee.

11 (E) Places of business whose rubbish consists principally of boxes, cartons and
12 other items of such bulk that the placing of the same in a receptacle would be impracticable may
13 provide for such rubbish to be piled on the premises of such place of business adjacent to a street or
14 alley, provided such boxes or cartons shall be flattened and tied in bundles. The monthly rate to be
15 charged such places of business for collecting, transporting and disposing of such rubbish shall be
16 computed in accordance with the rates set forth in Section 17 of this Ordinance and based upon the
17 bulk of such piles.

18 (F) The provisions of this Section may be enforced by the City's Department of
19 Neighborhood Services, as well as the Las Vegas Metropolitan Police Department.

20 SECTION 12: Each receptacle which is not emptied by mechanical or hydraulic
21 equipment shall have a capacity of not less than three nor more than thirty-three gallons. Multiple
22 dwellings, places of business and public buildings shall also be permitted to use the types and sizes
23 of receptacles listed in Section 17 of this Ordinance. Solid waste receptacles shall be constructed
24 watertight and shall be provided with handles and tight-fitting covers. Each such receptacle and cover
25 shall be made of a material approved for such use by the City. Covers shall not be removed except
26 when necessary to place solid waste therein. Each receptacle and its cover shall be kept clean from
27 accumulating grease and decomposing material.

28 SECTION 13: (A) No person other than the owner, the City or a franchisee, or their

1 agents may:

2 (1) Remove any solid waste or recyclables from the solid waste receptacles
3 or recyclables receptacles that are intended for pickup by a franchisee as part of its solid waste
4 collection and curbside recyclables collection programs;

5 (2) Remove recyclables that have been tied, boxed, bundled or otherwise
6 collected and placed for pickup by a franchisee as part of its curbside recyclables collection program;
7 or

8 (3) Tamper with, engage in, interfere with or participate in curbside
9 recyclables collection.

10 (B) No person other than an owner or operator of a drop-off center, or their
11 authorized agents, may remove recyclables from the drop-off center or recyclables that have been
12 bundled, boxed, tied or otherwise collected and placed adjacent to the drop-off center.

13 SECTION 14: (A) All solid waste shall be placed in a receptacle; provided,
14 however, that:

15 (1) Places of business may place rubbish on their premises pursuant to
16 Subsection (E) of Section 11 of this Ordinance; and

17 (2) Tree trimmings, scrap lumber and other solid waste capable of being

1 SECTION 21: (A) To ensure the uniform, safe and sanitary treatment of solid waste
2 in the City and to discourage the illegal handling and disposal of solid waste, it shall be mandatory
3 for any person owning, occupying or managing any premises in the City which are connected to water
4 service to subscribe to solid waste collection service provided by the City or its authorized franchisee
5 and to pay the charges specified in this Chapter. No person may discontinue paying for solid waste
6 collection service for his or her premises, unless such premises are not connected to water service for
7 the entire billing period.

8 (B) In order to discontinue paying for solid waste collection service pursuant to
9 Subsection (A) of this Section, a person must request discontinuation of service and provide proof that
10 no water service to the premises is provided. Such request is subject to an administrative fee of
11 fifteen dollars for the costs of processing the request. No fee may be charge to reestablish service to
12 the premises after service has been discontinued pursuant to this Subsection (B).

13 (C) All charges for regular or periodic services provided by the City, its
14 franchisees, or their duly appointed agents, pursuant to this Chapter shall be billed in advance on the
15 first business day of the quarterly or monthly billing period, as applicable. Bills will be due and
16 payable on the fifteenth day after the applicable billing date. All charges for services under this
17 Chapter, including the penalties for delinquent payment, shall constitute a debt and obligation of the
18 legal owner and the person having the management of the places of business, public buildings,
19 multiple dwellings and residences to the City or its franchisee, and such persons shall be liable
20 therefor in a civil action commenced by the City or its franchisee in any court of competent
21 jurisdiction for the recovery of such charges and penalties.

22 (D) A customer shall be entitled to a refund of any advance payment for service
23 he or she has made, minus any administrative fee paid pursuant to Subsection (B) of this Section,
24 upon presenting proof that a connection to water service did not exist at the customer's premises
25 during the entire billing period for which the advance payment was made. All refunds from a
26 franchisee to a customer shall be paid within thirty days from the date of the customer's request for
27 reimbursement or date of franchisee's knowledge that a refund is owed.

28 (E) No person shall accept and no franchisee shall offer or give any solid waste

1 collection, transportation and disposal services or curbside recyclables collection services without
2 charge, or shall offer or give a discount, refund or rebate of any charge authorized by this Chapter,
3 except that this provision does not apply to charitable organizations which are exempt from federal
4 income tax pursuant to Section 501(c) of the Internal Revenue Code or as further provided by
5 franchise agreement.

6 (F) If any person fails to pay the charges authorized by this Chapter within fifteen
7 days after they become due and payable, such charge shall be considered delinquent and a penalty of
8 two percent per month (or fraction thereof) of the delinquent amount shall be added thereto.

9 SECTION 22: (A) In addition to all other charges established by this Chapter, a
10 franchisee may pass through to its customers such charges as are necessary for the franchisee to
11 recoup all State business license taxes paid pursuant to Section 187 of Chapter 5, Statutes of Nevada
12 2003, 20th Special Session. The franchisee shall list such charges separately on its bills.

13 (B) A franchisee shall provide to the City, on or before March 1 each year and in
14 a form satisfactory to the City, a detailed report for the preceding calendar year containing the
15 following information concerning the franchisee's State business license taxes:

16 (1) The amount of taxes paid during the prior calendar year;

17 (2) How such taxes were calculated including the number of employees
18 upon which such taxes were based;

19 (3) The number of customers in the City served by the franchisee during
20 the prior calendar year;

21 (4) The total pass-through tax charges collected from customers during the
22 prior calendar year; and

23 (5) The method that the franchisee will use to pass through such taxes to
24 its customers for the current year, including any adjustments to the pass-through tax charges necessary
25 to correct for any excess or under charges during the prior calendar year.

26 SECTION 23: All solid waste collection charges or fees authorized and established
27 by this Chapter, including any penalties assessed under Section 21 of this Ordinance, shall constitute
28 a lien upon the real property of the premises served until such charges and fees have been paid. Such

1 lien shall be enforced in the following manner:

2 (A) A lien shall not be recorded against any property until the record owner of the
3 property has been mailed written notice of the delinquency at his or her last address shown by the
4 records of the County Assessor, and such delinquency has not been cured within fifteen days after the
5 mailing of the notice.

6 (B) The provider of solid waste collection may record in the office of the County
7 Recorder, no later than four hundred days following the date on which such charges or fees become
8 delinquent, a notice of solid waste service lien in favor of the person claiming the lien and signed by
9 an authorized representative of the person claiming the lien. The notice of solid waste lien shall
10 contain the amount of the charges or fees due, the periods for which such charges or fees are due, the
11 name of the record owner(s) of the property, and a legal description of the property.

12 (C) The provider of solid waste collection may bring an action for foreclosure
13 against such property in the same manner as an action for foreclosure of any other lien, commenced
14 within two years after the date of recording the notice of solid waste lien.

15 SECTION 24: (A) The rates and charges established pursuant to this Chapter shall
16 be adjusted annually based upon the percentage of change in the CPI-U.

17 (B) Rate changes shall be made effective as of July 1, each year, and shall be based
18 upon the percentage change in the CPI-U for the twelve-month period of the preceding calendar year.

19 (C) Annual increases to rates and charges adjusted in accordance with the
20 percentage change in the CPI-U shall not be greater than six and one-half percent when the percentage
21 change in CPI-U is within the range of zero (no change) to ten percent and shall be done in the
22 following manner:

23 (1) When the percentage change in the CPI-U is between zero and six and
24 one-half percent, the charges are to be adjusted by the actual percentage change; and

25 (2) When the percentage change is between six and one-half percent and
26 ten percent, the rates and charges adjustment shall not be greater than six and one-half percent.

27 (D) When an unforeseen economic circumstance has occurred during the preceding
28 calendar year, the City Council may consider and may approve a method for adjusting rates which

1 is not based on changes to the CPI-U. In any year following a period when the adjustment to rates
2 was based on some other method, rate adjustments shall again be based on changes in the CPI-U.

3 (E) A minimum of one annual rate adjustment based on the CPI-U method must
4 occur between annual rate adjustments based on methods other than the CPI-U method.

5 SECTION 25: (A) Every franchisee shall pay a quarterly franchise fee, in the
6 amount specified in the franchise agreement, based on its cash receipts derived from the collection
7 of solid waste and curbside recyclables collection for the preceding calendar quarter. All franchise
8 fees shall be due no later than thirty days after the end of each calendar quarter.

9 (B) All rates that a franchisee charges its customers for the collection of solid waste
10 and curbside recyclables collection pursuant to this Chapter and the franchise agreement shall be
11 deemed to include the franchise fee which the franchisee pays to the City. The franchisee may pass
12 such fees through to its customers only as a part of the general service rates charged to its customers,
13 not as a separate charge that is additional to the general service rates.

14 (C) If a franchise fee is received by the City after the due date, a late fee of two
15 percent per month (or fraction thereof) of the delinquent amount will be assessed to the franchisee.

16 SECTION 26: All solid waste and hazardous waste collected from the public and
17 private places and premises in the City shall not be deposited at any place other than at a disposal site
18 operated in accordance with all applicable laws, rules and regulations.

19 SECTION 27: (A) Any person may dispose of solid waste at any disposal site
20 operated in accordance with all applicable laws, rules and regulations.

21 (B) Any single-family resident of the City who is a current customer of a franchisee
22 may dispose of the solid waste generated at his or her own single-family dwelling at any authorized
23 disposal site operated by the franchisee within the "urban solid waste service area" in Clark County,
24 without charge, upon presentation of a current quarterly bill for residential service from the franchisee
25 and a valid, government-issued photo identification.

26 SECTION 28: The City, in addition to the remedies and penalties above named, may
27 seek injunctive relief against any violator of this Chapter, with or without prior notice, to prevent or
28 correct any solid waste, hazardous waste or recyclable materials problem.

1 SECTION 29: Nothing in this Chapter shall limit the right of any person to donate or
2 sell his or her source-separated recyclable materials.

3 SECTION 30: Nothing in this Chapter shall limit the right of the City to collect,
4 transport, process or dispose of any solid waste, hazardous waste or recyclable material including the
5 operation of transfer stations and recycling centers.

6 SECTION 31: Solid waste and hazardous waste, as defined in Section 3 of this
7 Ordinance and for the purpose of this Chapter, are a nuisance per se.

8 SECTION 32: (A) Notwithstanding any provision of this Code to the contrary
9 (other than Subsection (D) of this Section), no franchisee shall perform solid waste collection or
10 curbside recyclables collection in the City other than from 6:00 a.m. to 10:00 p.m. on property which
11 is developed for residential use.

12 (B) A franchisee shall use its best efforts to respond immediately to any complaint
13 that it receives from the City or any of its residents concerning any alleged violation of Subsection
14 (A) of this Section. At a minimum, the franchisee shall:

15 (1) Promptly investigate whether such violation occurred;
16 (2) Take appropriate action to prevent further violations of Subsection (A)
17 no later than two days after receiving the complaint; and

18 (3) Notify the City, in writing, no later than two days after receiving the
19 complaint, of the franchisee's determination as to whether a violation occurred and, if so, what actions
20 the franchisee has taken to prevent further violations of Subsection (A).

21 (C) If a franchisee receives any complaint from the City or any of its residents
22 concerning unreasonable noise in a residential area that is being generated by solid waste collection
23 between the hours of 10:00 p.m and 6:00 a.m. near (but not within) that residential area, the franchisee
24 shall use its best efforts to respond promptly to the complaint and to take appropriate action to prevent
25 or minimize, to the extent reasonably possible, the noise that is being generated near the residential
26 area. At a minimum, the franchisee shall:

27 (1) Promptly investigate whether and to what extent noise is being
28 generated in the residential area by solid waste collection between the hours of 10:00 p.m and 6:00

1 a.m. near (but not within) that residential area; and

2 (2) Notify the City, in writing, of the franchisee's determination as to
3 whether such noise is being generated and, if so, what actions the franchisee has taken to prevent or
4 minimize such noise in the future.

5 (D) In case of an emergency or for other good cause shown, the City Manager or
6 his or her designee may grant temporary written approval to make collections of solid waste and
7 curbside recyclables outside of the hours specified in Subsection (A) of this Section.

8 SECTION 33: Title 9, Chapter 8, of the Municipal Code of the City of Las Vegas,
9 Nevada, 1983 Edition, is hereby repealed.

10 SECTION 34: Section 33 of this Ordinance shall become effective as of 12:01 A.M.
11 the day after publication of this Ordinance by title.

12 SECTION 35: Sections 1 through 32, inclusive of this Ordinance shall become
13 effective as of 12:02 A.M. the day after publication of this Ordinance by title.

14 SECTION 36: If any section, subsection, subdivision, paragraph, sentence, clause or
15 phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid
16 or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
17 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
18 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
19 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
20 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
21 invalid or ineffective.

14 may be driven.

15 SECTION 11: (A) Every person owning or managing any place of business, public

26 any solid waste or recyclables receptacle within the right-of-way of a street, sidewalk or alley, or
27 within any front yard as defined in the zoning regulations of the City; provided, however, that such

2 not to exceed ten hours prior to midnight of the day of pickup.

3 (D) On any multi-family, commercial or industrial lot, it is unlawful to place, keep,
4 store or locate any dumpster or other solid waste or recyclables receptacle within the right-of-way of
5 a street, sidewalk or alley. Dumpsters shall be stored within an enclosure if an enclosure was required
6 in connection with development approval or is otherwise provided on the lot. The construction of
7 dumpster enclosures is encouraged, if such construction was not required in accordance with a
8 development approval. To the extent reasonably possible, development plans and approvals
9 concerning the construction of dumpster enclosures shall be coordinated with the solid waste
10 franchisee.

11 (E) Places of business whose rubbish consists principally of boxes, cartons and
12 other items of such bulk that the placing of the same in a receptacle would be impracticable may
13 provide for such rubbish to be piled on the premises of such place of business adjacent to a street or
14 alley, provided such boxes or cartons shall be flattened and tied in bundles. The monthly rate to be
15 charged such places of business for collecting, transporting and disposing of such rubbish shall be
16 computed in accordance with the rates set forth in Section 17 of this Ordinance and based upon the

24 watertight and shall be provided with handles and tight-fitting covers. Each such receptacle and cover
25 shall be made of a material approved for such use by the City. Covers shall not be removed except
26 when necessary to place solid waste therein. Each receptacle and its cover shall be kept clean from
27 accumulating grease and decomposing material.

28 SECTION 13: (A) No person other than the owner, the City or a franchisee, or their

1 agents may:

3 or recyclables receptacles that are intended for pickup by a franchisee as part of its solid waste
4 collection and curbside recyclables collection programs;

6 collected and placed for pickup by a franchisee as part of its curbside recyclables collection program;

7 or

8 (3) Tamper with, engage in, interfere with or participate in curbside

12 bundled, boxed, tied or otherwise collected and placed adjacent to the drop-off center.

13 SECTION 14: (A) All solid waste shall be placed in a receptacle; provided,
14 however, that:

15 (1) Places of business may place rubbish on their premises pursuant to
16 Subsection (E) of Section 11 of this Ordinance; and

5 transporting and disposing of solid waste three times per week shall be one and one-half times the
6 charge for service two times per week.

1 SECTION 21: The charge for sewage-waste service shall be \$15.78 per wet ton of
2 sewage waste, subject to applicable CPI-U adjustments made pursuant to this Chapter. If any
3 jurisdiction other than the City imposes any franchise fee on a franchisee based upon its cash receipts
4 or gross revenues from sewage-waste services provided by the franchisee, the franchisee shall be
5 solely responsible for such franchise fees and shall not pass such franchise fees through to the City.

6 SECTION 22: (A) To ensure the uniform, safe and sanitary treatment of solid waste
7 in the City and to discourage the illegal handling and disposal of solid waste, it shall be mandatory
8 for any person owning, occupying or managing any premises in the City which are connected to water
9 service to subscribe to solid waste collection service provided by the City or its authorized franchisee
10 and to pay the charges specified in this Chapter. No person may discontinue paying for solid waste
11 collection service for his or her premises, unless such premises are not connected to water service for
12 the entire billing period.

13 (B) In order to discontinue paying for solid waste collection service pursuant to
14 Subsection (A) of this Section, a person must request discontinuation of service and provide proof that
15 no water service to the premises is provided. Such request is subject to an administrative fee of
16 fifteen dollars for the costs of processing the request. No fee may be charged to reestablish service
17 to the premises after service has been discontinued pursuant to this Subsection (B).

18 (C) All charges for regular or periodic services provided by the City, its
19 franchisees, or their duly appointed agents, pursuant to this Chapter shall be billed in advance on the
20 first business day of the quarterly or monthly billing period, as applicable. Bills will be due and
21 payable on the fifteenth day after the applicable billing date. All charges for services under this
22 Chapter, including the penalties for delinquent payment, shall constitute a debt and obligation of the
23 legal owner and the person having the management of the places of business, public buildings,
24 multiple dwellings and residences to the City or its franchisee, and such persons shall be liable
25 therefor in a civil action commenced by the City or its franchisee in any court of competent
26 jurisdiction for the recovery of such charges and penalties.

27 (D) A customer shall be entitled to a refund of any advance payment for service
28 he or she has made, minus any administrative fee paid pursuant to Subsection (B) of this Section,

1 upon presenting proof that a connection to water service did not exist at the customer's premises
2 during the entire billing period for which the advance payment was made. All refunds from a
3 franchisee to a customer shall be paid within thirty days from the date of the customer's request for
4 reimbursement or date of franchisee's knowledge that a refund is owed.

5 (E) No person shall accept and no franchisee shall offer or give any solid waste
6 collection, transportation and disposal services or curbside recyclables collection services without
7 charge, or shall offer or give a discount, refund or rebate of any charge authorized by this Chapter,
8 except that this provision does not apply to charitable organizations which are exempt from federal
9 income tax pursuant to Section 501(c) of the Internal Revenue Code or as further provided by
10 franchise agreement.

11 (F) If any person fails to pay the charges authorized by this Chapter within fifteen
12 days after they become due and payable, such charge shall be considered delinquent and a penalty of
13 two percent per month (or fraction thereof) of the delinquent amount shall be added thereto.

14 SECTION 23: (A) In addition to all other charges established by this Chapter, a
15 franchisee may pass through to its customers such charges as are necessary for the franchisee to
16 recoup all State business license taxes paid pursuant to Section 187 of Chapter 5, Statutes of Nevada
17 2003, 20th Special Session. The franchisee shall list such charges separately on its bills.

18 (B) A franchisee shall provide to the City, on or before March 1 each year and in
19 a form satisfactory to the City, a detailed report for the preceding calendar year containing the
20 following information concerning the franchisee's State business license taxes:

21 (1) The amount of taxes paid during the prior calendar year;

22 (2) How such taxes were calculated including the number of employees
23 upon which such taxes were based;

24 (3) The number of customers in the City served by the franchisee during
25 the prior calendar year;

26 (4) The total pass-through tax charges collected from customers during the
27 prior calendar year; and

28 (5) The method that the franchisee will use to pass through such taxes to

1 its customers for the current year, including any adjustments to the pass-through tax charges necessary
2 to correct for any excess or under charges during the prior calendar year.

3 SECTION 24: All solid waste collection charges or fees authorized and established
4 by this Chapter, including any penalties assessed under Section 22 of this Ordinance, shall constitute
5 a lien upon the real property of the premises served until such charges and fees have been paid. Such
6 lien shall be enforced in the following manner:

7 (A) A lien shall not be recorded against any property until the record owner of the
8 property has been mailed written notice of the delinquency at his or her last address shown by the
9 records of the County Assessor, and such delinquency has not been cured within fifteen days after the
10 mailing of the notice.

11 (B) The provider of solid waste collection may record in the office of the County
12 Recorder, no later than four hundred days following the date on which such charges or fees become
13 delinquent, a notice of solid waste service lien in favor of the person claiming the lien and signed by
14 an authorized representative of the person claiming the lien. The notice of solid waste lien shall
15 contain the amount of the charges or fees due, the periods for which such charges or fees are due, the
16 name of the record owner(s) of the property, and a legal description of the property.

17 (C) The provider of solid waste collection may bring an action for foreclosure
18 against such property in the same manner as an action for foreclosure of any other lien, commenced
19 within two years after the date of recording the notice of solid waste lien.

20 SECTION 25: (A) The rates and charges established pursuant to this Chapter shall
21 be adjusted annually based upon the percentage of change in the CPI-U.

22 (B) Rate changes shall be made effective as of July 1, each year, and shall be based
23 upon the percentage change in the CPI-U for the twelve-month period of the preceding calendar year.

24 (C) Annual increases to rates and charges adjusted in accordance with the
25 percentage change in the CPI-U shall not be greater than six and one-half percent when the percentage
26 change in CPI-U is within the range of zero (no change) to ten percent and shall be done in the
27 following manner:

28 (1) When the percentage change in the CPI-U is between zero and six and

1 one-half percent, the charges are to be adjusted by the actual percentage change; and

2 (2) When the percentage change is between six and one-half percent and
3 ten percent, the rates and charges adjustment shall not be greater than six and one-half percent.

4 (D) When an unforeseen economic circumstance has occurred during the preceding
5 calendar year, the City Council may consider and may approve a method for adjusting rates which
6 is not based on changes to the CPI-U. In any year following a period when the adjustment to rates
7 was based on some other method, rate adjustments shall again be based on changes in the CPI-U.

8 (E) A minimum of one annual rate adjustment based on the CPI-U method must
9 occur between annual rate adjustments based on methods other than the CPI-U method.

10 SECTION 26: (A) Every franchisee shall pay a quarterly franchise fee, in the
11 amount specified in the franchise agreement, based on its cash receipts derived from the collection
12 of solid waste and curbside recyclables collection for the preceding calendar quarter. All franchise
13 fees shall be due no later than thirty days after the end of each calendar quarter.

14 (B) All rates that a franchisee charges its customers for the collection of solid waste
15 and curbside recyclables collection pursuant to this Chapter and the franchise agreement shall be
16 deemed to include the franchise fee which the franchisee pays to the City. The franchisee may pass
17 such fees through to its customers only as a part of the general service rates charged to its customers,
18 not as a separate charge that is additional to the general service rates.

19 (C) If a franchise fee is received by the City after the due date, a late fee of two
20 percent per month (or fraction thereof) of the delinquent amount will be assessed to the franchisee.

21 SECTION 27: All solid waste and hazardous waste collected from the public and
22 private places and premises in the City shall not be deposited at any place other than at a disposal site
23 operated in accordance with all applicable laws, rules and regulations.

24 SECTION 28: (A) Any person may dispose of solid waste at any disposal site
25 operated in accordance with all applicable laws, rules and regulations.

26 (B) Any single-family resident of the City who is a current customer of a franchisee
27 may dispose of the solid waste generated at his or her own single-family dwelling at any authorized
28 disposal site operated by the franchisee within the "urban solid waste service area" in Clark County,

1 without charge, upon presentation of a current quarterly bill for residential service from the franchisee
2 and a valid, government-issued photo identification.

3 SECTION 29: The City, in addition to the remedies and penalties above named, may
4 seek injunctive relief against any violator of this Chapter, with or without prior notice, to prevent or
5 correct any solid waste, hazardous waste or recyclable materials problem.

6 SECTION 30: Nothing in this Chapter shall limit the right of any person to donate or
7 sell his or her source-separated recyclable materials.

8 SECTION 31: Nothing in this Chapter shall limit the right of the City to collect,
9 transport, process or dispose of any solid waste, hazardous waste or recyclable material including the
10 operation of transfer stations and recycling centers.

11 SECTION 32: Solid waste and hazardous waste, as defined in Section 3 of this
12 Ordinance and for the purpose of this Chapter, are a nuisance per se.

13 SECTION 33: The following customer service standards shall apply to each franchisee:

14 (A) The franchisee shall be required to implement a complaint resolution procedure
15 to handle all complaints received by either the City or the franchisee. The complaint resolution
16 procedure shall include the following:

17 (1) The franchisee shall be required to record all complaints and if possible
18 resolve them within forty-eight hours of their receipt.

19 (2) If the franchisee cannot resolve a complaint within forty-eight hours
20 of its receipt, the franchisee shall within that period, provide the City with a written report detailing
21 why resolution could not be reached within that period, the actions that will be taken to resolve the
22 complaint and the timeline to reach a resolution of the complaint.

23 (B) If the City is not satisfied with the franchisee's proposed resolution of a
24 complaint, the Director of Finance and Business Services, or his or her designee, shall have the
25 authority to direct the franchisee to resolve the complaint in a manner that is satisfactory to the City.

26 (C) No later than thirty days after the end of each month, the franchisee shall
27 provide the City with a written monthly report, in a form satisfactory to the City, summarizing the
28 complaints received by the franchisee and the resolutions thereof for the preceding month.

1 SECTION 34: (A) Each franchisee shall at all times maintain a telephone answering
2 system that measures the:

3 (1) Average wait time from the time that customer calls reach the franchisee
4 to the time that such calls are answered by a person (not a machine);

5 (2) Number of calls that reach the franchisee but are dropped before a
6 representative of the franchisee answers such calls; and

7 (3) Percentage of time during which all of the franchisee's customer service
8 telephone lines are busy.

9 (B) No later than thirty days after the end of each month, the franchisee shall
10 provide the City with a written monthly report regarding its telephone answering system, in a form
11 satisfactory to the City, summarizing the average wait time, the number of dropped calls and the
12 percentage of time during which all lines were busy during the preceding month.

13 (C) The franchisee shall establish, after consultation with the City, reasonable
14 minimum standards for its telephone answering system for the average wait times, number of dropped
15 calls and percentage of time during which all lines are busy.

16 (D) Each monthly report required by Subsection (B) of this Section shall include
17 a summary of whether the franchisee is or is not in compliance with the agreed upon standards
18 established pursuant to Subsection (C) of this Section and, if the franchisee is not in compliance, what
19 actions the franchisee will take to meet the standards in future months.

20 SECTION 35: Title 9, Chapter 8, of the Municipal Code of the City of Las Vegas,
21 Nevada, 1983 Edition, is hereby repealed.

22 SECTION 36: Section 35 of this Ordinance shall become effective as of 12:01 A.M.

24 SECTION 37: Sections 1 through 34, inclusive of this Ordinance shall become
25 effective as of 12:02 A.M. the day after publication of this Ordinance by title.

26 SECTION 38: If any section, subsection, subdivision, paragraph, sentence, clause or
27 phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid
28 or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or

1 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
2 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
3 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
4 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
5 invalid or ineffective.

6 SECTION 39: Whenever in this ordinance any act is prohibited or is made or declared
7 to be unlawful or an offense or a misdemeanor, or whenever in this ordinance the doing of any act is
8 required or the failure to do any act is made or declared to be unlawful or an offense or a
9 misdemeanor, the doing of such prohibited act or the failure to do any such required act shall
10 constitute a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than
11 \$1,000.00 or by imprisonment for a term of not more than six months, or by any combination of such

7 measured from centerline thereof); and bounded on the west by the east line
8 of the West Half (W 1/2) of the Southwest Quarter (SW 1/4) of the Southeast
9 Quarter (SE 1/4) of said Section 26, also being the centerline of MUSTANG
10 ROAD (30.00 feet wide as measured from centerline thereof).

11 SECTION 2: The City Council hereby determines that the described territory
12 meets the requirements provided by law for annexation to the City for the following reasons:

- 13 A. The area to be annexed was contiguous to the City's boundaries at the
14 time the annexation proceedings were instituted;
- 15 B. More than one-eighth (1/8) of the aggregate external boundaries of
16 the area are contiguous to the City;
- 17 C. The territory proposed to be annexed is not included within the
18 boundaries of another incorporated city or within the boundaries of
19 any unincorporated town as those boundaries existed as of July 1,
20 1983;
- 21 D. The City is eligible to annex the described territory since the
22 landowners have signed a petition constituting one hundred percent
23 (100%) of the owners of record of individual lots or parcels of land
24 within the annexation area.

25 SECTION 3: The City will provide police protection through the Las Vegas
26 Metropolitan Police Department, fire protection, street maintenance, and library services
27 immediately upon annexation. Garbage collection by the company franchised by the City
28 will also be provided immediately. The City sanitary sewer system will serve the proposed
annexation area. Any connection to or extension of this sewer line to serve the annexation
area shall be at the expense of the landowners. Other services, such as participation in the
City's recreational programs, special education classes and programs, public works planning,
building inspections, and other City services will also be available immediately. Utilities

1 such as gas, electricity, telephone, and water are provided by private utility companies and
2 other services to the area will not be affected by annexation. Street paving, curbs and gutters,
3 sidewalks and street lights which are not in place at the time of annexation will be installed
4 in the presently developed areas upon the request of the property owners and at their expense
5 by means of special assessment districts. Such improvements will be extended into the
6 undeveloped areas as development takes place and the need therefor arises, and will be
7 located according to the needs of the area at that time. Such installations will also be made
8 at the expense of the property owners, either by means of special assessment districts or as
9 prerequisites to the approval of subdivision plats, building permits or other land use or
10 development applications.

11 SECTION 4: The annexation of the described territory shall become
12 effective on the 12th day of November, 2004, and on that date the City will have the funds
13 appropriated in sufficient amount to finance the extension into the described territory of
14 police protection, fire protection, street maintenance, street sweeping, and street lighting
15 maintenance.

16 SECTION 5: The described territory, together with the inhabitants and
17 property thereof, shall, from and after the 12th day of November, 2004, be subject to all
18 debts, laws, ordinances and regulations in force in the City and shall be entitled to the same
19 privileges and benefits as other parts of the City, and shall be subject to municipal taxes
20 levied by the City.

21 SECTION 6: The City Engineer is hereby instructed to cause to be prepared
22 an accurate map or plat of the described territory and to record the map or plat, together with
23 a certified copy of this ordinance, in the office of the County Recorder of Clark County,
24 Nevada, which recording shall be done prior to the 12th day of November, 2004.

25 SECTION 7: The described territory, which previously has been zoned R-E
26 (County of Clark classification), is hereby classified with the following City of Las Vegas
27 classifications, which are deemed to be the City equivalents of the County classification:

SECTION 8: If any section, subsection, subdivision, paragraph, sentence, clause of phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional, invalid or ineffective.
