AGENDA SUMMARY PAGE
SPECIAL CITY COUNCIL MEETING OF: APRIL 11, 2005

DEPARTMENT: CITY CLERK

DIRECTOR: BARBARA JO RONEMUS

☐ **CONSENT** ☒ **DISCUSSION**

SUBJECT:

Discussion and possible action on the certification of canvassed election returns for the City of Las Vegas 2005 Municipal Primary Election, City Councilman Ward 6 and Municipal Judge Department 5 (At Large)

Fiscal Impact:

☒ No Impact	Amount:
☐ Budget Funds Available	Dept./Division:
☐ Augmentation Required	Funding Source:

PURPOSE/BACKGROUND:

The results of the April 5, 2005 Primary Election were canvassed comparing the computer printout of ballots counted and the results thereof with the official ballot statements for the 333 precincts used in the election. There was an active voter registration of 233,954 resulting in a 6.4% election turnout. Per the Clark County Registrar of Voters there were no unreconcilable errors in the 15,003 ballots cast making the tabulation 100% accurate. As to the 5,754 mail and absent ballots reconciled under my hand, there were also no unreconcilable errors making that tabulation 100% accurate as well.

RECOMMENDATION:

That the City Council accept and certify the official election results for the City's Municipal Primary Election as presented.

BACKUP DOCUMENTATION:

1. Results of Canvass from the Clark County Registrar of Voters
2. Subdivision Reports: Ward 6 and At Large
3. "Statement of Vote" containing voter abstract information for Councilman Ward 6 and Municipal Court Judge Department 5

MOTION:

REESE - APPROVED to accept and certify the official election results as presented - UNANIMOUS

MINUTES:

CITY CLERK RONEMUS reviewed the information under the Purpose/Background section and recommended approval. She informed the Council that this was the first election utilizing the optical scan balloting process entirely and said CHIEF DEPUTY CLERK BEVERLY BRIDGES did an admirable job facing the challenges posed by the new system. She commended MS. BRIDGES and thanked her staff for a job well done.

COUNCILMAN WOLFSON asked about the cost of the election so far and whether changing the election cycle could be financially advantageous. MS. RONEMUS was unable to estimate the current costs because bills for several services had not yet been received. She confirmed that rescheduling the elections to November could result in some savings. She added that doing so might cause some people to think the open Municipal elections are partisan if moved to November because County, State and Federal elections, which are held at that time, are partisan elections. COUNCILMAN WOLFSON said that savings would only be one factor to consider. He then questioned the cost of this election when compared to the special elections held for Wards 1 and 2. MS. RONEMUS indicated the current Ward 6

MEETING OF:**

MINUTES - Continued:

election should cost about the same as both special elections did. She added that during the special elections, polling locations were consolidated and that would not be the case for this general election for Ward 6. The additional cost of not consolidating the sites would be minimal.

MS. RONEMUS clarified for MAYOR GOODMAN that the zero listed in a category titled Election Day Advantage Turnout represents the ABC style voting machines, which were not used at all during this election. She also clarified that early votes listed represented individuals going to the polls during early voting while the listing for mail turnout was for mail-in ballots only. The Mayor found it interesting that the number of mail ballots exceeded the early vote turnout numbers and suggested that the ability to vote early has changed politics forever. MS. RONEMUS was also surprised by the excellent mail turnout.

COUNCILMAN WOLFSON found the numbers of mail-in voters very impressive since those people have to make a special effort to get the mail ballots sent to them. He confirmed with MS. RONEMUS that a request must be made to obtain the forms to vote in that manner. During this election, the City did mail out interest cards so people could request mail-in ballots. Many of the voters using that method come from senior citizen centers or are people who have always voted by mail. COUNCILMAN WOLFSON suggested that more mail ballot activity be encouraged in future elections. MS. RONEMUS indicated her support for a mail election and pointed out that it could result in cost savings.
