PURPOSE/BACKGROUND:

It has been determined that current zoning regulations do not provide sufficient distinction between establishments that provide massage therapy as a principal use and those that do so on an ancillary or accessory basis. This bill will create the use “accessory massage” and set forth the circumstances under which it will be permitted as an accessory use.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

Minutes:

COUNCILWOMAN TARKANIAN declared the Public Hearing open.

MARGO WHEELER, Director of the Planning and Development Department, stated that this bill would allow massage therapy as an accessory use to a principal use, as delineated, without a public hearing, as it would not be the primary use on site. All license requirements would remain in place.

RECOMMENDING COMMITTEE MEETING: FEBRUARY 20, 2007

COUNCILWOMAN TARKANIAN asked how staff would be policing accessory uses. MS WHEELER replied that all applicants would be required to undergo a background check, as part of the licensing process. Also, outside signage will be limited to advertising the principal use only, eliminating any visible impact to the neighborhood.

COUNCILWOMAN TARKANIAN noted that, when she was newly elected to the Council, she had to vote on a matter involving a doctor who wanted to be able to perform massage, and that business was classified as a massage parlor. She asked MS. WHEELER how that would change under this bill. MS. WHEELER replied that it would fall under the proposed bill, and the massage therapy use would be considered ancillary to the primary doctor's office.

COUNCILMAN ROSS confirmed with MS. WHEELER that the best way to protect the community would be to require applicants to go through the background-check process, with full discretion ultimately given to the Council. MS. WHEELER added that massage therapy, ancillary or not, is a privileged use, for which a license would have to be obtained through the licensing process.

COUNCILWOMAN TARKANIAN declared the Public Hearing closed.

SECTION 2: Table 2 of the Land Use Tables adopted in Title 19, Chapter 4, Section 10, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to provide that the use "Accessory Massage" is permitted as an accessory use in the P-R, N-S, O, C-D, C-1, C-2, C-M and M Zoning Districts. In order to reflect the amendment, the Retail and Personal Services" element of the Land Use Tables is amended to add thereto a new row for the use, reading as follows:

SECTION 3: Title 19, Chapter 20, Section 20, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended by amending the definition of the use "Massage Establishment" to read as follows:

7 SECTION 5: For purposes of Section 2.100(3) of the City Charter, LVMC 19.04.010

10 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or
11 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
12 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
13 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
14 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
15 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
16 invalid or ineffective.

17 SECTION 7: All ordinances or parts of ordinances or sections, subsections, phrases,
18 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,

ORDINANCE NO. _____

AN ORDINANCE CONCERNING CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1506 – FREMONT STREET PEDESTRIAN IMPROVEMENTS (LAS VEGAS BOULEVARD TO 8TH STREET) PROVIDING FOR THE PAYMENT OF THE COSTS AND EXPENSES OF SAID IMPROVEMENTS; ASSESSING A PORTION OF THE COST OF LOCAL IMPROVEMENTS AGAINST THE ASSESSABLE LOTS, TRACTS, AND PARCELS OF LAND BENEFITED BY SAID IMPROVEMENTS; RATIFYING, APPROVING AND CONFIRMING ALL ACTION PREVIOUSLY TAKEN; PRESCRIBING DETAILS IN CONNECTION THEREWITH.

Summary: Levy Ordinance

WHEREAS, the City Council of the City of Las Vegas (the "City Council" and "City," respectively) in the County of Clark and State of Nevada (the "State"), has heretofore, pursuant to the requisite preliminary proceedings, created Las Vegas, Nevada, Special Improvement District No. 1506 – Fremont Street Pedestrian Improvements (Las Vegas Boulevard to 8th Street) (the "District"), for the purpose of acquiring and improving local improvements (the "Project") and has provided that a portion of the entire cost and expense of the Project shall be paid by special assessments, according to benefits, levied against the benefited lots, tracts and parcels of land in the District; and

WHEREAS, the District has been properly created by an ordinance heretofore adopted under the provisions of Nevada Revised Statutes ("NRS") Chapter 271; and

WHEREAS, the City Council has heretofore determined that a portion of the cost and expense of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from the Project; and

WHEREAS, in accordance with NRS 271.360, the City Council has heretofore determined, and does hereby declare, that the net cost of the Project (including all necessary incidentals which either have been or will be incurred in connection with the District) is \$5,506,280, of which \$3,536,280 is available from other sources and \$1,970,000 is to be assessed upon the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from the Project; and

WHEREAS, the City Council, by resolution heretofore adopted, directed the City Engineer of the City (the "City Engineer") to make out a final assessment roll for the District; and

WHEREAS, after a determination of the portion of the costs of such work to be paid by the property specially benefited, the City Council, together with the City Engineer (with the assistance of the City Engineer Division) made out a final assessment roll for the District containing, among other things, the names and addresses of the last known owners of the property to be assessed, a description of each lot, tract, or parcel of land to be assessed, and the amount of the assessment thereon. The City Engineer has reported the final assessment roll to the City Council and the City Engineer has filed the final assessment roll with the City Clerk; and

WHEREAS, the City Council thereupon fixed a time and place, to wit: Wednesday, January 17, 2007, at 1:00 p.m., at the Las Vegas City Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada, when all complaints, protests and objections to the final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the Project, by any person interested, and by any parties aggrieved by such assessments, would be heard and considered by the City Council; and

WHEREAS, the City Engineer (with the assistance of City Engineer Division) has, in accordance with the provisions of law relating thereto, given the requisite legal notice by both mail and publication that complaints, protests and objections to assessments for the Project should be filed with the City Clerk, and that the City Council would hear and consider any and all complaints, protests or objections on Wednesday, January 17, 2007, at 1:00 p.m., at the Las Vegas City Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada; and

WHEREAS, the City Council caused the final assessment roll for the District to be filed in the records of the office of the City Clerk on December 20, 2006. The City Clerk, by publication and by mail, gave the requisite notice of the time and place of such hearing, of the filing of the final assessment roll in her office, of the date of filing the same, and of the right of any such person to object specifically in writing and of the waiver of any objection in the absence of such objection; and

WHEREAS, at the time and place so designated, the City Council met to hear and determine all objections filed or made orally by any interested party; and

WHEREAS, all complaints, protests and objections, both written and oral, were found to be without sufficient merit and overruled, except as provided in the District No. 1506 Assessment Protest Resolution; and

WHEREAS, by the District No. 1506 Assessment Protest Resolution, the City Council modified, corrected and revised the final assessment roll and modified, corrected, revised and confirmed the final assessment roll to be in final form; and

WHEREAS, the assessments do not exceed the benefits to the property assessed nor that portion of the total cost of the Project payable from assessments as heretofore determined; and

WHEREAS, it is incumbent upon the City Council to provide when said assessments shall become due and penalties payable after any delinquency; and

WHEREAS, the City Council has determined, and does hereby determine, that the City shall pay the costs of the Project, in part, with funds derived from the levy of assessments, and the City will pay one-half or more of the costs of the Project with monies derived from other than the levy of special assessment, and that the exception provided by NRS 271.306(2) (a) does exist with respect to the Project.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

Section 1. This Ordinance shall be known as, and may be cited by, the short title "District No. 1506 Levy Ordinance" (the "Ordinance").

Section 2. The City Council has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District and the Project is without sufficient merit and the same be, and hereby is, overruled, and finally passed on by the City Council, except as provided in the District No. 1506 Assessment Protest Resolution.

Section 3. All actions, proceedings, matters and things heretofore taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning the District, including, but not limited to, the creation of the District, the acquisition of the Project, the amount of the construction contract, the levy of assessments for those purposes, the

determination that the tracts in the District will receive special benefits and market value increases, and the validation and confirmation of the final assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed.

Section 4. For the purpose of paying a portion of the costs and expenses of the Project, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed) are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by the Project) and described in the final assessment roll for the District, as filed in the office of the City Clerk on December 20, 2006, and as modified and confirmed by the District No. 1506 Assessment Protest Resolution duly adopted by the City Council on February 7, 2007.

Section 5. The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand, provided that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments, the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in forty (40) substantially equal semiannual installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this Ordinance, both principal and interest on such assessments being payable semiannually at the office of the City Treasurer on April 1 and October 1 in each year, commencing on October 1, 2007. After the effective date of this Ordinance, the City Director of Finance and Business Services shall provide the rate of interest on unpaid installments of assessments, which will not exceed the maximum rate of interest permitted under the statutes of the State. If assessment bonds are issued, such rate will not exceed by more than 1% of the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds," which shall have been most recently published before the time bids for the bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If assessment bonds are not issued, such rate shall not exceed 9%. Failure to pay any installment, whether

of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City. The exercise of said option to be indicated by the commencement of foreclosure proceedings by the City. The whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether or not said option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment may at any time (at the option of such owner) pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date, together with the payment of a penalty for such prepayment of three percent (3%) of the principal of the installments so prepaid. If such prepayment takes place after March 27, 2007, but before the rate of interest on deferred installments of assessments is fixed by the City Director of Finance and Business Services, such interest accruing thereon to the next interest payment date shall be calculated at seven and 25/100 percent (7.25%) per annum (i.e., the presumed rate of interest on the assessment bonds for the District plus one percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expire; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely

manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Section 6. The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. February 25, 2007) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. ~~Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Treasurer may apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.~~

Section 8. In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal or interest, the City Council shall forthwith cause the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.630. Nothing herein shall be construed as preventing the City, at

the direction of the City Council, from collecting any assessment by suit in the name of the City Council.

The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If a foreclosure is not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of the City. Any bondholder may also proceed against the City to protect and enforce the rights of the bondholders under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most effective to protect and enforce the rights aforesaid. All such proceedings, at law or in equity, shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondholders to foreclose such delinquent assessments or to proceed against the City shall not relieve the City or any of its officers, agents or employees of any liability for its failure to foreclose such delinquent assessments.

Section 9. The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll for the District containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the Clark County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable. The notice shall further state that payment must be made in full prior to the end of the 30 day period to avoid paying interest on the assessment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days

shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher and filed with the City Clerk. In accordance with NRS 271.390(2), the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk. Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

~~Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in~~
Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS
FOR IMPROVEMENTS IN CITY OF LAS VEGAS, NEVADA SPECIAL
IMPROVEMENT DISTRICT NO. 1506 – FREMONT STREET
PEDESTRIAN IMPROVEMENTS (LAS VEGAS BOULEVARD TO 8TH
STREET).

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No. 1506 Levy Ordinance (the "Levy Ordinance") was duly passed, adopted, signed and approved by the City Council of the City of Las Vegas on February 21, 2007. The Levy Ordinance levied and assessed a portion of the cost and expense of such improvements against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No. 1506 – Fremont Street Pedestrian Improvements (Las Vegas Boulevard to 8th Street)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the Levy Ordinance).

Assessments are due and payable at the office of the City Treasurer, in Las Vegas, Nevada, on or before March 27, 2007, being 30 days after the effective date of the Levy Ordinance, ~~without interest and without demand, provided that all, or any part of such assessments may, at the~~ election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the ~~whole assessment within the 30-day period will be conclusively considered and held an election on the~~ part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in forty (40) substantially equal semi-annual installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from February 25, 2007 (i.e., the effective date of the Levy Ordinance) both principal and interest being payable semi-annually at the office of the City Treasurer, Las Vegas, Nevada, on April 1 and October 1 in each year, commencing on October 1, 2007. After the effective date of the Levy Ordinance, the City Director of Finance and Business Services shall provide the rate of interest on unpaid installments of assessments, which will not exceed the maximum rate of interest permitted under the statutes of the State. If assessment bonds are issued, such rate will not exceed by more than 1% of the highest rate of interest on the assessment bonds for the

District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds," which shall have been most recently published before the time bids for the bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If assessment bonds are not issued, such rate shall not exceed 9%. Failure to pay any assessment installment, whether principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether or not the City's option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored the right, thereafter, to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semi-annual installment of the unpaid principal with interest accruing thereon to the next interest payment date, together with the payment of a penalty for such prepayment of three percent (3%) of the principal of the installments so prepaid. If such prepayment takes place after March 27, 2007, but before the rate of interest on deferred installments of assessments is fixed by the City Director of Finance and Business Services, such interest accruing thereon to the next interest payment date shall be calculated at seven and 25/100 percent (7.25%) per annum (i.e., the presumed rate of interest on the assessment bonds for the District plus one percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the

term of the bonds expires; (c) the property owner's application for renewal of a Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 of the Levy Ordinance.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271.380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from February 25, 2007 (i.e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

----- Dated this February 21, 2007. -----

BARBARA JO RONEMUS, City Clerk

(End of Form of Notice)

RECOMMENDING COMMITTEE MEETING: FEBRUARY 20, 2007

LOIS TARKANIAN, STEVEN D. ROSS; (Against-None); (Abstain-None); (Did Not Vote-None); (Excused-None)

Minutes:

COUNCILWOMAN TARKANIAN declared the Public Hearing open.

CHRIS WARE, Franchise Officer, Finance and Business Services, noted that, with regard to solid waste, the City's code was last updated prior to 2004, and there were significant differences between jurisdictions. But, even after the update, things continued to evolve, and changes were made by Henderson and Clark County. City staff has worked closely with Clark County and Henderson toward achieving uniformity. MR. WARE then outlined the code changes, as described under the Purpose/Background section.

COUNCILWOMAN TARKANIAN asked how staff would ensure Republic Services' compliance with pick-up schedules in order to avoid overflow pick-ups. She explained that she has received many complaints about trash not being picked up, causing overflow. MR. WARE replied that there is no perfect solution, but the proposed bill states that Republic Services is not authorized to charge if the overflow is caused by a missed pick-up. Changes in procedure will require that a Republic supervisor follow-up to verify the overflow. There is a provision that City staff, if deemed appropriate, can require Republic to waive overflow charges. COUNCILWOMAN TARKANIAN stated that the key factor is for building owners to immediately report missed pick-ups.

MR. WARE then pointed out some of the more significant changes proposed in the bill: 1) an overflow charge of \$30; 2) an increase in the late fee from 71 cents a quarter to \$3 a quarter for residential customers; 3) a requirement that all businesses have 96-gallon plastic mobile containers with wheels; 4) timelines for Republic Services to respond to customer-service calls; 5) approval by the City of alternative pick-up locations in cases where the original site is deemed unsafe.

MR. WARE noted that all the changes would greatly assist City staff in enforcing the code. He thanked BOB COYLE, Republic Services, for his cooperation in drafting the ordinance. MR. WARE recommended approval.

COUNCILWOMAN TARKANIAN commented that extensive work was done and much appreciated.

MR. COYLE complimented MR. WARE for all his hard work and effort. He did all the work for Henderson and Clark County, because they copied his words. If adopted, the City will have a state-of-the-art solid waste ordinance. COUNCILWOMAN TARKANIAN noted that MR. WARE is an asset to the City.

RECOMMENDING COMMITTEE MEETING: FEBRUARY 20, 2007

COUNCILMAN ROSS stated that Republic Services has been committed to the City for sometime. Both have worked together to make this a better place to live. He volunteered to start a residential recycling pilot program in his neighborhood.

COUNCILMAN ROSS then asked if residential customers could adjust pick-up schedules as well. MR. WARE replied that such a provision has never been considered and is not included in this bill.

COUNCILWOMAN TARKANIAN remarked that more changes are necessary, but it is wonderful to see the industry and the City working together to make things better.

COUNCILWOMAN TARKANIAN declared the Public Hearing closed.

20 standards established pursuant to Subsection [(C)] (F) of this Section and, if the franchisee is not in
21 compliance, what actions the franchisee will take to meet the standards in future months.

22 SECTION 35: Title 9, Chapter 8, of the Municipal Code of the City of Las Vegas,
23 Nevada, 1983 Edition, is hereby amended by adding thereto a new section, designated as Section
24 9.08.340, reading as follows:

25 **9.08.340:** (A) For purposes of this Section, a "container damaged beyond proper use" shall
26 mean a solid waste container used by a non-residential customer that has been damaged to such an
27 extent that it can no longer be properly used for solid waste collection, including but not limited to a
28 container that has broken wheels so that it cannot be rolled in and out of an enclosure in which it is

1 stored.

2 (B) For purposes of this Section, a franchisee shall be deemed to have notice that
3 a container has been damaged beyond proper use no later than the earlier of the following dates:

4 (1) the date on which the franchisee receives oral or written notice of the
5 damage; or

6 (2) the first regularly scheduled collection day after the damage has
7 occurred.

8 (C) If a franchisee provides a container to a non-residential customer and such
9 container is damaged beyond proper use through the franchisee's own actions or through normal wear
10 and tear, or if the franchisee damages any other container that is used by a non-residential customer
11 through the franchisee's own negligence or misconduct, the franchisee shall:

12 (1) Fix or repair such container, at its own cost, no later than seven calendar
13 days after it has notice of the damage;

14 (2) Be deemed to have missed each collection that is regularly scheduled
15 from the date on which the franchisee has notice of the damage until such time as the container is
16 fixed or replaced; and

17 (3) Automatically issue a credit to the customer for each missed pickup in
18 accordance with Subsection (E) of this Section.

19 (D) If a franchisee misses or improperly performs a collection for a non-residential
20 customer for any reason other than a container being damaged beyond proper use, resulting in solid
21 waste that the customer has properly put out for collection not being collected, the franchisee shall,
22 within twenty-four hours of receiving notice of such missed or improper collection, send a second
23 vehicle to the premises to properly collect such solid waste.

24 (E) If a franchisee fails to fix or replace a container damaged beyond proper use as
25 required by this Section, or to correct a missed or improper collection for a non-residential customer
26 as required by this Section, the franchisee shall automatically issue a prorated credit to such
27 customer's account, based on the charges for regularly scheduled collection service to the premises
28 for the applicable billing period, regardless of whether the customer makes any request for such a

1 credit.

2 SECTION 36: Sections 14, 16, 18 and 23 of this Ordinance shall become effective as
3 of 12:01 a.m. the day after publication of this Ordinance by title.

4 SECTION 37: If any section, subsection, subdivision, paragraph, sentence, clause or
5 phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid
6 or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
7 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
8 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
9 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
10 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,

14 required or the failure to do any act is made or declared to be unlawful or an offense or a
15 misdemeanor, the doing of such prohibited act or the failure to do any such required act shall
16 constitute a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than

BUSINESS IMPACT STATEMENT

BILL NO. 2007-7

Regarding Proposed Ordinance Amendments to City's Solid Waste Management Regulations (LVMC Chapter 9.08)

This Business Impact Statement was prepared pursuant to NRS 237.090 to address the impact of proposed ordinance amendments to Chapter 9.08 of the Las Vegas Municipal Code concerning solid waste management, including the following changes: updating service charges; increasing frequency-of-service options; adding minimum container requirements; adding charges for overflow collections; eliminating discontinuation-of-service charges; deregulating charges for categories of waste for which competitive markets exist; adding customer service requirements concerning fixing damaged containers and correcting missed collections; and allowing solid waste collection at alternative locations to avoid unsafe driving maneuvers.

1. The following constitutes a description of the manner in which comments were solicited from affected businesses, a summary of their response, and an explanation of the manner in which other interested persons may obtain a copy of the summary. NRS 237.090(1)(a)

Affected Businesses: The proposed ordinance amendments may affect all businesses in the City.

Solicitation of Public Comments: A Public Notice of proposed amendments to the City's solid waste management regulations, including a solicitation of comments thereon, was published in the Las Vegas Review-Journal on December 29, 2006.

Prior to the publication of such Notice, three meetings were held at the City with representatives of several types of businesses, including property managers, to review and provide comments on the proposed changes. After making revisions to the proposed ordinance amendments, another meeting was held at Clark County to review the revisions with representatives from property managers' groups – particularly with regard to the provisions concerning minimum container requirements and charges for the collection of overflowing containers.

Copies of the proposed amendments were sent electronically to representatives of several types of businesses, including property managers, on December 22, 2006. A copy of the proposed amendments was also sent electronically to the Las Vegas Chamber of Commerce on December 26, 2006.

Availability of Documents: Copies of the proposed ordinance amendments were and are available for review at: City of Las Vegas, Business Services Division, 400 Stewart Avenue, 3rd floor, Las Vegas, Nevada 89101.

Summary of Public Comments: No comments were received in response to the Public Notice. At meetings prior to the publication of the Public Notice, representatives of various industry groups expressed the following concerns: (1) minimum container requirements were set at levels that were too high; (2) overflow charges were too high and required better definitions and more procedural

safeguards to avoid unfair or abusive charges; and (3) the issue of a franchisee collecting waste at alternative locations, if the normal location for collection would require unsafe maneuvers by the franchisee's trucks, should not be addressed in this ordinance.

2. The following summarizes the estimated economic effect of the proposed rule on businesses, including, without limitation, adverse, beneficial, direct and indirect effects. NRS 237.090(1)(b)

In General: Increases in charges for solid waste service reflect applicable Consumer Price Index adjustments, and are not increases to existing charges.

Adverse Effects: The amendments will require all businesses to meet minimum container requirements, which are intended to provide for adequate solid waste service for such customers. This may require some businesses to increase their service levels, by increasing their frequency of service or container size, or by renting or purchasing additional containers.

Properties that continue to have waste overflowing from their containers will be subject to overflow charges.

Service charges will be deregulated for certain categories of service for which competition is allowed – i.e., construction and demolition waste, septic-tank waste, grease-trap waste and yard waste. This could result in higher charges for these services by the City's solid waste franchisee.

Developers may incur increased costs in developing their properties, if they have to revise development plans that might otherwise require unsafe driving maneuvers by solid waste collection trucks in order to avoid alternative waste collection locations.

Beneficial Effects: New frequency-of-service options could result in some businesses paying less for service.

New customer service standards concerning the fixing or replacement of damaged containers, and the correction of missed collections, could result in credits to customers' accounts.

Discontinuation-of-service charges are eliminated.

Direct Effects: Adds once/week, three times/week, four times/week, five times/week and seven times/week service options; adds overflow charges; and eliminates discontinuation-of-service charges.

Indirect effects: Adds customer service standards; see possible effects above.

3. The following constitutes a description of the methods that the local government considered to reduce the impact of the proposed rule on businesses, and whether any of the following

methods were used: simplifying the proposed rule; establishing different standards of compliance for a business; and modifying a fee or fine set forth in the rule so that a business could pay a lower fee or fine. *NRS 237.080(4)(a), (b) and (c); NRS 237.090(1)(c)*

In General: City staff analyzed existing solid waste service levels for over 1400 nonresidential customers in order to determine a schedule of “conservative” minimum container requirements based on different types of businesses. As a result, the requirements that were initially proposed were reduced substantially, to levels equating to approximately 50% of the average existing service levels for these customers.

The definition of “overflow” was modified, so that certain situations that originally would have constituted an overflow no longer do. Procedural safeguards were added or clarified with regard to how and when an overflow charge can be assessed. The amount of the overflow charge originally proposed was reduced by approximately one-third.

No changes were made to the provisions that allow a franchisee, with the City’s approval, to collect solid waste from an alternative location if the normal collection location would require unsafe driving maneuvers by the franchisee’s trucks. This is a safety issue that should not be compromised based solely on decreased profits for developers.

Simplification of Rules: The changes requested by businesses were not based on simplification of the rules, but some definitional and procedural changes that were requested concerning overflow charges were made.

Establishing Different Standards for Businesses: Inapplicable; the rules for which comments were received were specifically intended for businesses.

Modifying Fees or Fines: The lowering of the minimum container requirements lessens any increased costs that businesses may incur in order to meet such requirements. The changes to the overflow charge provisions decrease the likelihood of a business being assessed an overflow charge. The amount of the overflow charge that can be assessed was decreased by approximately one-third.

4. The following summarizes the governing body’s estimate of the annual costs to the local government for enforcement of the proposed rule. *NRS 237.090(1)(d)*

No additional costs.

5. The following summarizes the total annual amount that the local government expects to collect from any new or increased fees, and the manner in which the money will be used. *NRS 237.090(1)(e)*

New/Increased Fees: There are no new fees to the City. (See Section 2, “In General”) The City may indirectly receive additional franchise fees based on revenue received by its franchisee resulting

from minimum container requirements and overflow charges, the amount of which cannot be estimated at this time.

Use of Money: Any additional franchise fees received by the City will go into the City's general fund.

6. The following summarizes any provisions of the proposed rule which duplicate or are more stringent than federal, state or local standards regulating the same activity, and explains why such provisions are necessary. NRS 237.090(1)(f)

Duplicative Rules: NRS 444.440 et seq. provides a framework under which the City is required to establish by ordinance regulations for a solid waste management system, provided that no such ordinance shall be in conflict with any regulation adopted by the State Environmental Commission. This proposed ordinance amendments are in compliance with NRS.

Reason for Duplication: Inapplicable.
