Bill No. 2009-21 – Updates the hearing procedures of the Municipal Code relating to parking infractions. Proposed by: Bradford R. Jerbic, City Attorney

**PURPOSE/BACKGROUND:**

Under applicable City ordinances, parking citations may be contested by means of a hearing officer process. For those who don't choose that process, another potential means of contesting a citation has been to appear in response to a civil complaint filed by the City in Municipal Court. Because such a court process has not proved feasible, it has been proposed to allow those who wish to contest a citation in Municipal Court to request such a hearing by means of posting a \$500 bond, which would function as an appeal bond. This ordinance will implement that change

**RECOMMENDATION:**

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

**Minutes:**

CHIEF DEPUTY CITY ATTORNEY VAL STEED stated this bill was proposed to help update the City's parking infraction collection system.

**RECOMMENDING COMMITTEE MEETING OF: JUNE 2, 2009**

DEPUTY CITY ATTORNEY HEIDI ALMASE, City Attorney's Office, Civil Division, explained that this bill proposes changing the parking ordinance to require that any person seeking a judicial hearing post a \$500 bond. This will provide a mechanism for setting the hearing by Municipal Court. Following the hearing, any fine would be subtracted from the bond and the remaining money would be returned to the party who posted the bond.

DEPUTY CITY ATTORNEY ALMASE stated that refunding the money to a credit card takes 6-8 weeks and cash is refunded within two weeks. COUNCILMAN STEINMAN expressed concern with the delay in refunding the money. MARK VINCENT, Director of Finance and Business Services, stated the City could implement a policy requiring any refunds be processed within a week, noting that the City is not responsible for any delays after the refund is processed. DEPUTY CITY ATTORNEY ALMASE noted that the City processes refunds promptly, but the refund does not always appear quickly due to credit card billing cycles. CHIEF DEPUTY CITY ATTORNEY STEED suggested that if there is an issue with the return of monies within Municipal Court, that issue should be addressed within Municipal Court and not this ordinance.

DEPUTY CITY ATTORNEY ALMASE stated that parking fines range from \$25 to \$200 with the highest fines assessed for parking in front of fire hydrants and in handicapped parking spaces. Chronic offenders tend to have fines ranging from \$2500 to \$9500. Additionally, chronic offenders apply for judicial hearings that are not set for hearing or the offenders do not appear in court. If the offender chooses either a judicial hearing or arbitration through the hearing master and then does not pay the reduced or negotiated fine, that amount is sent to collections.

MR. VINCENT explained that the purpose of the Hearing Officer was to create a process for adjudicating parking tickets outside of the court system. However, citizens still had a right to a court hearing if they requested one, which has created a loophole where the parking tickets are not adjudicated and cannot be collected. If these hearings are not scheduled, the parking tickets are dismissed. The bond requirement is designed to discourage the use of the court process as a method of getting out of paying parking tickets fines.

DEPUTY CITY ATTORNEY ALMASE briefly explained the options available to someone who is issued a parking ticket. The person issued a ticket can decide to pay the fine, request an arbitration hearing with the Hearing Master or request a judicial hearing. Choosing the Hearing Officer means that the person issued the ticket is waiving the right to a judicial hearing.

If the judicial hearing is requested, Parking Enforcement processes the ticket as a civil case and refers it to the City Attorney's Office. A complaint is drafted and served to the person requesting the judicial hearing. The person requesting the hearing has 20 days to issue an answer. The party is usually offered a reduction of 50 percent of the face value of the ticket. Chronic offenders are usually not offered a reduction and the civil trial takes place.

Under this proposed ordinance, citizens seeking a judicial hearing for parking tickets would be required to obtain a bond from an outside party and submit it to the City. Parking Enforcement would then initiate the judicial hearing process. DEPUTY CITY ATTORNEY ALMASE pointed out that most \$20 parking tickets do not go through the judicial hearing process and

**RECOMMENDING COMMITTEE MEETING OF: JUNE 2, 2009**

noted that the judicial hearing process was typically requested by chronic offenders with several parking tickets.

MR. VINCENT stated that the City can put a hold on registration for vehicles with multiple parking tickets through the Nevada Department of Motor Vehicles. Additionally, the registration of vehicles could be suspended when the owners did not appear at the arbitration or judicial hearing or whose owners did not adhere to the negotiated settlement. A study indicated that owners of those vehicles simply register a different vehicle, have another person register the vehicle or cease registering the vehicle to avoid paying the fines.

DEPUTY CITY ATTORNEY ALMASE noted that the upfront costs of these judicial hearings are borne by the City. If the defendant wanted to pursue a counterclaim against the City, the defendant would be required to file a fee. COUNCILMAN STEINMAN stated that some effort should be made to recoup the costs from a person requesting a judicial hearing, noting the expense involved in these cases. DEPUTY CITY ATTORNEY ALMASE explained that the staff was making every effort to collect on outstanding parking fines and noted that the larger parking ticket cases included some court costs. She also pointed out that Parking Enforcement has collected over \$3 million in parking fines so far this year.

TEDDY RUSSELL, Las Vegas resident, expressed his support of the bill, but requested clarification of how the bond requirement would change the process. DEPUTY CITY ATTORNEY ALMASE reiterated that the bond would be required before any action would be taken by the City Attorney's Office. If the bond could not be obtained, the person issued the ticket could choose to go before the Hearing Master or pay the ticket.

JOSE MONROY, Henderson, Nevada, appeared in opposition of this ordinance, stating it was unfair to people who can not afford the bond. He suggested that the loophole benefits the City and recommended that the City go after chronic offenders under the current ordinance. He explained that he was issued a parking ticket while performing his duties as a City employee. He was reluctant to go before the Hearing Officer because he did not feel the Hearing Officer could be impartial. He noted that he had requested a judicial hearing in August 2008 and still had not received a court date.

DEPUTY CITY ATTORNEY ALMASE noted that several hundred cases were waiting to be processed when she joined the City about a year and a half ago. This ordinance would only impact future cases and not current cases. She explained that she makes every effort to negotiate and settle these cases and observed that posting a \$500 bond would require \$50 from the party seeking the hearing. The civil court system is not automated, which makes the process very slow.

MR. VINCENT noted that City employees, other than peace officers, are not exempt from complying with the Code and several City employees had a history of stacking tickets. He pointed out that each department can make a value judgment to determine whether the parking ticket was issued while the employee was performing work duties properly and that department has the option of paying the ticket as an operating expense.

**RECOMMENDING COMMITTEE MEETING OF: JUNE 2, 2009**

COUNCILMAN BARLOW stated he could not support this ordinance because the bond requirement could be a financial hardship to those seeking their day in court.

COUNCILMAN STEINMAN suggested that not requiring the bond for \$20 parking tickets and reserving it for chronic offenders. CHIEF DEPUTY CITY ATTORNEY STEED stated that graduating the bond requirement could be studied further and noted the bond is intended to show that a person is serious about seeking a judicial hearing. The purpose of the original parking ordinance was to remove parking tickets from the criminal arena while still allowing citizens their right to a hearing if they wished. This ordinance was an attempt to fix the glitches within the original ordinance.

SHERRY BONNETT, Supervisor of Parking and Hearings, explained that she reviews the final paperwork for all civil hearings. Most cases are from chronic offenders who know the civil hearing process does not work. She pointed out the Hearing Officer is an independent contractor who does not make extra money based on the cases that are heard. She explained this bond requirement was an effort to prevent people from tying up the court system with \$20 parking tickets and expressed her support for the proposed ordinance.

COUNCILMAN BARLOW wondered if it would be possible to require hearings by the Hearing Officer and not allow judicial hearing. CHIEF DEPUTY CITY ATTORNEY STEED stated that option could be studied, but noted that as a civil hearing, the citizen had the right to a judicial process. He noted there had been a reluctance to take away a citizen's right to a court hearing when the parking ordinance had been originally enacted.

COUNCILMAN BARLOW suggested that anyone challenging a parking ticket must go before the Hearing Officer and only allowing appeals through the judicial process. CHIEF DEPUTY CITY ATTORNEY STEED stated that option could be studied, but suggested that parking tickets, as civil cases with small penalties, may not need multiple levels of appeal.

21  
22 \_\_\_\_\_  
Defendant

23 (C) Any hearing conducted pursuant to Subsection (A), Paragraph (3) and  
24 Subsection (B) of this Section shall be presided over by a Hearing Officer who shall be an attorney  
25 licensed to practice law in the State of Nevada.

26 (D) With respect to any hearing conducted pursuant to Subsection (A), Paragraph  
27 (3) and Subsection (B) of this Section, a properly filed Notice of Infraction shall constitute a claim of  
28 liability and a claim for relief and no other such claim shall be required. Prima facie proof of the

1 violation alleged shall be established by the City providing the Hearing Officer with either a certified  
2 copy of the Notice of Infraction or the data stored in a computer or other device as described in  
3 Subsection (B) of Section 11.10.030, [ Subsection (B) of this Chapter.] No formal appearance by the  
4 City Attorney's office is required. The hearings and dispositions of all such actions shall be informal,  
5 with the Hearing Officer receiving witness statements or testimony and other evidence for the sole  
6 purpose of dispensing fair and speedy justice between the parties.

7 (E) The burden of proving any defense shall be upon the person raising such  
8 defense.

9 (F) If the Hearing Officer finds that the infraction did not occur or that an infraction  
10 was committed, but one or more of the defenses set forth below is applicable, the Hearing Officer shall  
11 enter his decision for the defendant. Such a decision shall release the registered owner and/or operator  
12 from all liability thereunder. Such defenses include, but are not limited to:

13 (1) At the time of the receipt of the notice, possession of the subject vehicle  
14 had been acquired by another in violation of the laws of the State of Nevada;

15 (2) If the notice alleges a violation of any ordinance pertaining to a meter,  
16 such meter was mechanically malfunctioning to the extent that its reliability was questionable;

17 (3) Compliance with the subject ordinances would have presented an  
18 imminent danger to persons or property;

19 (4) The area of the alleged violation was so inadequately marked or lit as  
20 to fail to give sufficient notice that access to the area was restricted or prohibited;

21 (5) A mechanical malfunction of the vehicle caused it to be parked in the  
22 area alleged and it was removed as soon as could be reasonably expected thereafter;

23 (6) At the time of the issuance of the Notice of Infraction, the vehicle was  
24 parked consistent with public safety, by a physically handicapped person, a disabled veteran or a  
25 person transporting a physically handicapped person or disabled veteran in compliance with NRS  
26 484.407.

27 (G) Except as provided in Subsection (H) of this Section, the defendant shall pay  
28 the total civil fines and penalties forthwith or at such times and on such conditions as the Hearing

1 Officer shall prescribe if it is found that the person has either failed to appear or otherwise defend  
2 against the issuance of the infraction as agreed or that the infraction has been committed and no  
3 applicable defense exists. It is the defendant's burden to establish by a preponderance of the evidence  
4 that, through no fault of himself or his agent, he failed to receive notice of the issuance of the Notice  
5 of Infraction as provided in this Chapter. If the defendant meets this burden, he is not liable for any  
6 civil penalties which would otherwise apply and such penalties shall not be included in any decision  
7 against the defendant.

8 (H) Upon request and proper proof, the Hearing Officer may reduce his decision  
9 concerning liability by up to twenty-five percent of the original amount found due in consideration of  
10 the timely payment of the prior balance if satisfied by the defendant that a preponderance of the  
11 evidence shows that the defendant has become indigent and will be unable to pay the balance.

12 (I) Upon reaching a decision, the Hearing Officer shall as soon as practicable  
13 thereafter, file a written decision substantially conforming to the following form:

14 City of Las Vegas, Clark County, Nevada, City of Las Vegas, Plaintiff v. \_\_\_\_\_,  
15 Defendant. Before, \_\_\_\_\_, Hearing Officer for the City of Las Vegas, Clark  
16 County, Nevada, decision is entered in favor of \_\_\_\_\_, (plaintiff or defendant) for

20 Las Vegas Municipal Code.] Section 11.10.080.

21 \_\_\_\_\_  
22 Hearing Officer

23 (J) Based upon the defendant's stipulation to be bound by the decision of the  
24 Hearing Officer, the City Attorney may petition the Las Vegas Municipal Court for the entry of a civil  
25 judgment against the defendant in an amount equal to that stated in the written decision of the Hearing  
26 Officer if the City Attorney determines this action to be necessary to enforce such decision. Service  
27 of such petition on the defendant must be made by certified mail, return receipt requested, restricted  
28 delivery, addressed to the registered owner of the vehicle at his last known address, as indicated by

1 the vehicle registration which is maintained by the Nevada Department of Motor Vehicles or in any  
2 other manner which is authorized by law. An affidavit or declaration of mailing, a signed, returned  
3 receipt, or other evidence of service shall be filed upon such service of the petition. Once a petition  
4 for civil judgment pursuant to this Subsection (J) has been filed with the Municipal Court, the  
5 assigned judge has jurisdiction to grant or deny the relief prayed for therein.

6 SECTION 2: Title 11, Chapter 10, Section 90, of the Municipal Code of the City of  
7 Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

8 **11.10.090:** (A) A response to a Notice of Infraction, as provided in [Subsection (A) or  
9 Subsection (B) of] Section 11.10.080, must be made within thirty calendar days after the date on  
10 which the Notice of Infraction is served. If no response is received during such thirty-day period, an  
11 additional civil penalty which is equal to the amount of the original civil fine must be assessed.

12 (B) After the expiration of the thirty-day response period, the Director of Finance  
13 and Business Services, or his authorized designee must send a Notice of Delinquency by mail to the  
14 registered owner of the vehicle at the registered owner's last known address, as indicated by the  
15 vehicle registration which is maintained by the Nevada Department of Motor Vehicles. The Notice  
16 of Delinquency must contain the date of the infraction, the amount of the civil fine and the amount  
17 of any penalty which is associated therewith. The registered owner has fifteen calendar days after the  
18 date of the Notice of Delinquency in which to respond thereto in the manner which is provided in  
19 [Subsection (A) or Subsection (B) of] Section 11.10.080. If no response is made to the Notice of  
20 Delinquency within such additional fifteen-day period, a civil penalty must be assessed equal to two  
21 times the original civil fine amount, in addition to the original civil fine.

22 SECTION 3: Title 11, Chapter 10, Sections 100, 110 and 120, of the Municipal Code  
23 of the City of Las Vegas, Nevada, are hereby repealed in their entirety.

24 SECTION 4: If any section, subsection, subdivision, paragraph, sentence, clause or  
25 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or  
26 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or  
27 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the  
28 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,

1 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,  
2 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,  
3 invalid or ineffective.

4 SECTION 5: All ordinances or parts of ordinances or sections, subsections, phrases,  
5 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,  
6 1983 Edition, in conflict herewith are hereby repealed.

**BUSINESS IMPACT STATEMENT  
BILL NO. 2009-22**

**(Updates the business licensing provisions of the Municipal Code by adding certain administrative and service-related fees, and adjusting various license fees and license origination charges)**

This business impact statement was prepared pursuant to NRS 237.090 to address the impact of a proposed ordinance, Bill No. 2009-22, that will update the business licensing provisions of the Municipal Code by adding certain administrative and service-related fees, and adjusting various license fees and license origination charges.

**1. The following constitutes a description of the manner in which comment was solicited from affected businesses, a summary of their responses and an explanation of the manner in which other interested persons may obtain a copy of the summary.**

A copy of the proposed ordinance and an invitation to respond were provided to the Las Vegas Chamber of Commerce and other interested parties. Comments were received from the LVCC, the Nevada Tavern Owners Association, and on behalf of Bilbos Bar and Grill. A summary of those comments, which is available to interested persons as part of this business impact statement, is as follows:

- In the current state of the economy, adding new fees and increasing existing fees will be an unnecessary and ill-timed burden on the business community.
- Administrative fees and service charges, including those related to inspections, are unwarranted and burdensome.

**2. The estimated economic effect of the proposed rule on businesses, including, without limitation, both adverse and beneficial effects, and both direct and indirect effects:**

**Adverse effects:**

- New or increased fees for administrative functions
- Increase in license-related fees for certain license categories

**Beneficial effects:**

- Increased and better enforcement of licensing regulations because of partial cost recovery

**Direct effects:**

- New or increased fees for administrative functions
- Increase in license-related fees for certain license categories
- Increased and better enforcement of licensing regulations because of partial cost recovery

**Indirect effects:**

None noted

**3. The following constitutes a description of the methods the local government considered to reduce the impact of the proposed rule on businesses and a statement regarding whether any, and if so which, of these methods were used:**

No additional methods to reduce the impact were considered or used. The City's consideration of the objections that were raised includes the following:

-Many of the administrative and enforcement functions under the City's licensing regulations have not had any cost-recovery element associated with them, or cost recovery has been insufficient. Certain services and functions the City provides that are done at the request of a licensee or license applicant, or that are occasioned by a licensee or applicant, should not have to be borne entirely by the taxpayers and should be chargeable to those who create the need or the occasion for performing the service or function. The charging of fees for these administrative and enforcement services and functions is viewed as reasonable in light of what is provided, and does not cover the City's full cost of providing the services and functions.

-Increasing and adjusting certain fee categories is justified as an attempt to partially offset the effects of inflation and the increased need to recover a portion of costs.

**4. The estimate of the annual cost to the local government for enforcement of the proposed rule is:**

Minimal additional cost

**5. If the proposed rule provides for a new fee or increases an existing fee, the total annual amount expected to be collected is:**

Approximately \$845,000

**6. If the proposed rule provides for a new fee or increases an existing fee, the money generated by the new fee or increase in existing fee will be used by the local government to:**

Offset costs of administration and enforcement of licensing provisions, and provide a revenue source for the provision of general City services

**7. If the proposed rule includes provisions that duplicate or are more stringent than federal, state or local standards regulating the same activity, the following explains why such duplicative or more stringent provisions are necessary:**

**BUSINESS IMPACT STATEMENT  
BILL NO. 2009-23**

**(Updates the City's business license fee provisions to increase the gross sales license fee; include for certain license fee categories annual fee adjustments based on the Consumer Price Index and the City's growth rate; adjust license fees for certain alcoholic beverage licenses; and add provisions regarding the licensing and regulation of persons who rent or lease certain types of commercial property)**

This business impact statement was prepared pursuant to NRS 237.090 to address the impact of a proposed ordinance, Bill No. 2009-23, that will update the City's business license fee provisions to increase the gross sales license fee; include for certain license fee categories annual fee adjustments based on the Consumer Price Index and the City's growth rate; adjust license fees for certain alcoholic beverage licenses; and add provisions regarding the licensing and regulation of persons who rent or lease certain types of commercial property.

**1. The following constitutes a description of the manner in which comment was solicited from affected businesses, a summary of their responses and an explanation of the manner in which other interested persons may obtain a copy of the summary.**

A copy of the proposed ordinance and an invitation to respond were provided to the Las Vegas Chamber of Commerce (LVCC) and other interested parties. Comments were received from the LVCC, the Nevada Tavern Owners Association, the Greater Las Vegas Association of Realtors®, Red Rock Motorcycle Sales, Inc., Thomas & Mack Company, and on behalf of Bilbos Bar and Grill. A summary of those comments, which is available to interested persons as part of this business impact statement, is as follows:

- In the current state of the economy, adding new fees and increasing existing fees will be an unnecessary and ill-timed burden on the business community.
- Imposing a gross receipts tax on the renting or leasing of commercial space will be devastating to an already fragile market segment, is an arbitrary and unjust "tax," and will result in "double taxation" of sorts.
- Imposing an annual fee increase based on CPI and growth is too extreme, unpredictable and potentially arbitrary; is in some respects "double-dipping"; will be difficult to challenge as to the determination of the increase each year; and unreasonably goes on in perpetuity, with no mechanism or plan for review or reevaluation.

**2. The estimated economic effect of the proposed rule on businesses, including, without limitation, both adverse and beneficial effects, and both direct and indirect effects:**

**Adverse effects:**

- Increased license fees that are burdensome in difficult economic times.
- Additional burden of reporting transactions, when requested to do so, for certain persons engaged in the business of commercial rentals.

**Beneficial effects:**

- Increased cost recovery for licensing-related administrative and enforcement functions.
- Increased revenues by which the City can provide municipal services.

**Direct effects:**

- Increased license fees that are burdensome in difficult economic times.
- Increased cost recovery for licensing-related administrative and enforcement functions, and increased revenues by which the City can provide municipal services.

**Indirect effects:**

None noted

**3. The following constitutes a description of the methods the local government considered to reduce the impact of the proposed rule on businesses and a statement regarding whether any, and if so which, of these methods were used:**

After consideration of the objections raised, it was decided not to include in the ordinance the CPI increase for gross sales licenses. No methods to reduce the other impacts were used. The City's consideration of the remaining objections includes the following:

- Fee increases have not been implemented for some time and have not kept up with inflation and other growth-related factors. The City has a relatively limited number of options to increase its revenue, given that most of the City's revenue stream is in the control of others. The fee increases and adjustments retained in the ordinance are viewed as a reasonable means of updating the City's revenue base without creating an undue burden on licensees.
- Establishing a more specific licensing and fee category for those who lease or rent commercial property will help the City capture revenue that has gone uncaptured in the past because the category was not specifically called out by ordinance.

**4. The estimate of the annual cost to the local government for enforcement of the proposed rule is:**

Minimal additional cost

**5. If the proposed rule provides for a new fee or increases an existing fee, the total annual amount expected to be collected is:**

Approximately \$556,000

**6. If the proposed rule provides for a new fee or increases an existing fee, the money generated by the new fee or increase in existing fee will be used by the local government to:**

Offset costs of administration and enforcement of licensing provisions, and provide general revenues for the provision of City services
