RECOMMENDING COMMITTEE MEETING OF: JUNE 16, 2009

Minutes:

MARK VINCENT, Director of Finance and Business Services, gave a brief history of this item. He explained that this bill was in response to a recommendation made in the Fundamental Service Review which had been approved by the City Council as part of the City's efforts to reduce costs and enhance revenue. This bill proposed increasing several fees had remained flat for almost 30 years and attaching a fee to re-inspections. Additionally, this bill would simplify the gross fee revenue structure. MR. VINCENT acknowledged that the economic outlook has worsened for both the City and the community and recognized the difficulty in raising fees at this time.

JIM DiFIORE, Manager of Business Services, stated that staff had met with industry members on several occasions and presented a First Amendment in response to the comments received. He noted and explained the amendments on Pages 2, 4, 8 and 13.

CAROLE VILARDO, Nevada Taxpayer's Association, 2303 East Sahara Avenue, thanked MR. DiFIORE and MR. VINCENT for providing all the information she requested. She expressed concern with the proposed administrative fees. She stated the \$180 re-inspection fee was exorbitant and suggested the re-inspection fee be based on the wages of the personnel performing the re-inspection. She also stated that the 25 percent late penalty fee was excessive in the current economic environment and noted the existing 15 percent penalty was substantial. She suggested that businesses that are habitually delinquent in paying their fees have a specific penalty process.

KIPP COOPER, Greater Las Vegas Association of Realtors, 1750 East Sahara Avenue, concurred with MS. VILARDO'S statements and suggested the timeline for assessing the late fee penalty be increased to 30 days. Also, he suggested that licenses, particularly non-privileged licenses, be considered expired after 60 days.

COUNCILMAN ROSS thanked staff for their hard work on this bill and their efforts to work with the industry. He asked the audience to indicate by show of hands who had attended the meetings with staff and a majority of the attendees indicated that they had done so. While he stated that taxpayers should not carry the burden of the businesses and industries in the City, he could not support this bill in the current economic climate. He noted the City's responsibility to encourage businesses to locate within its jurisdiction and suggested that staff work more closely with the industry to gain more support for this bill.

COUNCILMAN STEINMAN observed that several fees have not been raised for almost 30 years, but acknowledged the challenge in bringing this bill forward given the current economic challenges. MR. DiFIORE explained that this bill had been prepared over a year ago, but was not brought forward until after the Fundamental Service Review. The bill's effective date of July 1, 2009, had not been changed because the industry had been given ample notice. He pointed out that this bill pertained to service-related costs and the effective date could be changed. He also noted that the City Council has given temporary approval to the 90-day administrative licensing process. MR. VINCENT added that the administrative approval licensing process was an effort to streamline the business license approval process and help businesses open more quickly.

**RECOMMENDING COMMITTEE MEETING OF: JUNE 16, 2009**

COUNCILMAN ROSS suggested striking the bill from the agenda or holding it in abeyance to allow staff to address remaining issues. CHIEF DEPUTY CITY ATTORNEY STEED suggested forwarding the bill to the Council to allow the full Council to consider the bill as it currently exists.

## **BUSINESS IMPACT STATEMENT**

### **BILL NO. 2009-22**

**(Updates the business licensing provisions of the Municipal Code by adding certain administrative and service-related fees, and adjusting various license fees and license origination charges)**

This business impact statement was prepared pursuant to NRS 237.090 to address the impact of a proposed ordinance, Bill No. 2009-22, that will update the business licensing provisions of the Municipal Code by adding certain administrative and service-related fees, and adjusting various license fees and license origination charges.

**1. The following constitutes a description of the manner in which comment was solicited from affected businesses, a summary of their responses and an explanation of the manner in which other interested persons may obtain a copy of the summary.**

A copy of the proposed ordinance and an invitation to respond were provided to the Las Vegas Chamber of Commerce and other interested parties. Comments were received from the LVCC, the Nevada Tavern Owners Association, and on behalf of Bilbos Bar and Grill. A summary of those comments, which is available to interested persons as part of this business impact statement, is as follows:

- In the current state of the economy, adding new fees and increasing existing fees will be an unnecessary and ill-timed burden on the business community.
- Administrative fees and service charges, including those related to inspections, are unwarranted and burdensome.

**2. The estimated economic effect of the proposed rule on businesses, including, without limitation, both adverse and beneficial effects, and both direct and indirect effects:**

#### **Adverse effects:**

- New or increased fees for administrative functions
- Increase in license-related fees for certain license categories

#### **Beneficial effects:**

- Increased and better enforcement of licensing regulations because of partial cost recovery

#### **Direct effects:**

- New or increased fees for administrative functions
- Increase in license-related fees for certain license categories
- Increased and better enforcement of licensing regulations because of partial cost recovery

**Indirect effects:**

None noted

**3. The following constitutes a description of the methods the local government considered to reduce the impact of the proposed rule on businesses and a statement regarding whether any, and if so which, of these methods were used:**

No additional methods to reduce the impact were considered or used. The City's consideration of the objections that were raised includes the following:

–Many of the administrative and enforcement functions under the City's licensing regulations have not had any cost-recovery element associated with them, or cost recovery has been insufficient. Certain services and functions the City provides that are done at the request of a licensee or license applicant, or that are occasioned by a licensee or applicant, should not have to be borne entirely by the taxpayers and should be chargeable to those who create the need or the occasion for performing the service or function. The charging of fees for these administrative and enforcement services and functions is viewed as reasonable in light of what is provided, and does not cover the City's full cost of providing the services and functions.

–Increasing and adjusting certain fee categories is justified as an attempt to partially offset the effects of inflation and the increased need to recover a portion of costs.

**4. The estimate of the annual cost to the local government for enforcement of the proposed rule is:**

Minimal additional cost

**5. If the proposed rule provides for a new fee or increases an existing fee, the total annual amount expected to be collected is:**

Approximately \$845,000

**6. If the proposed rule provides for a new fee or increases an existing fee, the money generated by the new fee or increase in existing fee will be used by the local government to:**

Offset costs of administration and enforcement of licensing provisions, and provide a revenue source for the provision of general City services

**7. If the proposed rule includes provisions that duplicate or are more stringent than federal, state or local standards regulating the same activity, the following explains why such duplicative or more stringent provisions are necessary:**

Minutes:

JIM DiFIORE, Manager of Business Services, explained that currently, the gross sales license fee was based on a sliding scale and the original version of this bill would have increased the gross sales tax fee to 0.0075 percent of the gross sales. The bill has since been amended and only businesses with gross sales over \$180,000 would pay the fee based on a percentage of the gross sales. Additionally, the Consumer Price Index (CPI) had been removed as a basis for increasing the gross sales license fee.

Regarding businesses that pay a flat licensing fee, population growth had been removed as a basis for increasing that fee. MR. DiFIORE explained that population growth and CPI had been used as a basis for increasing the fees because it was permitted by State law. This bill will increase the flat fees by a percentage of the CPI and, when there is no increase in the CPI, there will be no increase in the fee.

This bill would also impose a licensing fee on businesses that lease or rent commercial space. In response to industry input, staff had established a fee schedule based on the fees charged by Clark County on warehouse space, which MR. DiFIORE read for the record. Those fees would also be subject to adjustments based on the CPI. The bill's effective date would be January 1, 2010.

COUNCILMAN ROSS requested clarification of some gaming terms on Page 3 and MARK VINCENT, Director of Finance and Business Services, explained that some outdated terms had been left in the document to allow the City to continue to collect revenue from any potential source.

LAUREN CALVERT, Lionel, Sawyer & Collins, appeared on behalf of the World Market Center. She expressed concern with Sections 8 and 9 and suggested those could be interpreted very broadly as the language was ambiguous. MR. DiFIORE explained that each separately addressed building would be charged the licensing fee and CHIEF DEPUTY CITY ATTORNEY VAL STEED suggested MS. CALVERT submit language which would address her client's concerns.

ANDY GRUBER, Treasurer for Cashman Company, 2300 West Sahara Avenue, requested clarification of which fees would be affected by the CPI, stating the current version of the bill was not clear. CHIEF DEPUTY CITY ATTORNEY STEED noted the sections which clearly defined which businesses would be affected by the CPI. MR. GRUBER also expressed opposition to the licensing of commercial lessors, suggesting it would be double taxation by charging additional fees to businesses that lease commercial property.

PAUL LARSEN, Lionel, Sawyer & Collins, 300 South 4th Street, appeared on behalf of the Las Vegas Chamber of Commerce and concurred with MS. CALVERT and MR. GRUBER. He

**RECOMMENDING COMMITTEE MEETING OF: JUNE 16, 2009**

suggested that efforts by the City to generate revenue beyond the costs of regulation are inappropriate and expressed his opposition to any automatic fee increase not approved by a direct vote of the City Council.

MR. VINCENT noted that business license fees generate revenues that support the General Fund as well as Business Licensing. CHIEF DEPUTY CITY ATTORNEY STEED stated that the City Charter and State law authorize the City to regulate businesses for regulatory purposes and revenue. He observed that the words "tax" and "fee" are used interchangeably, but both a tax and a fee cannot be charged on a business.

CAROLE VILARDO, Nevada Taxpayer's Association, 2303 East Sahara Avenue, expressed her opposition to tying the business licensing fees to the CPI and recommended that an average of five years be used with no increase greater than three percent. She also agreed with MR. LARSEN that these fees were a tax intended to raise revenue, and stated that the cost of government increases in relation to the amount of money it is able to raise.

KIPP COOPER, Greater Las Vegas Association of Realtors, 1750 East Sahara Avenue, concurred with MR. LARSEN and MS VILARDO and requested direct oversight of these fees by the City Council. He expressed concern with Sections 8 and 9, noting the language was not clear and the size and scope of the bill is not clear. He suggested that the bill violated State law by requiring multiple business licenses for professionals already licensed by the State.

MR. DiFIORE noted that licensed professionals, such as property managers, are consistently required to obtain a business license when they manage one or more properties within the City. He explained the property owner and the property manager would both be required to obtain business licenses as they were separate entities conducting different types of business and that requirement was not double taxation.

STEVE SHORE, Vice President of Cox Communications, 1700 Vegas Drive, stated that his company and many other are struggling to cope with the recession and the overall impact of the economy has been more detrimental than they had expected. He pointed out that the State had increased taxes on businesses during the recent Legislative Session and suggested that increasing these fees would negatively impact the community and the City.

COUNCILMAN ROSS thanked everyone for their comments and expressed his appreciation to those who had met with him. He also thanked staff for their efforts on this bill and expressed his support for recouping costs for the City. He stated he was not opposed to the City making money to continue providing services, but acknowledged that businesses have been impacted by past Legislative session. He explained that he wanted to encourage businesses to locate within the City and stressed that the City should be more accommodating to businesses.

**BUSINESS IMPACT STATEMENT  
BILL NO. 2009-23**

**(Updates the City's business license fee provisions to increase the gross sales license fee; include for certain license fee categories annual fee adjustments based on the Consumer Price Index and the City's growth rate; adjust license fees for certain alcoholic beverage licenses; and add provisions regarding the licensing and regulation of persons who rent or lease certain types of commercial property)**

This business impact statement was prepared pursuant to NRS 237.090 to address the impact of a proposed ordinance, Bill No. 2009-23, that will update the City's business license fee provisions to increase the gross sales license fee; include for certain license fee categories annual fee adjustments based on the Consumer Price Index and the City's growth rate; adjust license fees for certain alcoholic beverage licenses; and add provisions regarding the licensing and regulation of persons who rent or lease certain types of commercial property.

**1. The following constitutes a description of the manner in which comment was solicited from affected businesses, a summary of their responses and an explanation of the manner in which other interested persons may obtain a copy of the summary.**

A copy of the proposed ordinance and an invitation to respond were provided to the Las Vegas Chamber of Commerce (LVCC) and other interested parties. Comments were received from the LVCC, the Nevada Tavern Owners Association, the Greater Las Vegas Association of Realtors®, Red Rock Motorcycle Sales, Inc., Thomas & Mack Company, and on behalf of Bilbos Bar and Grill. A summary of those comments, which is available to interested persons as part of this business impact statement, is as follows:

- In the current state of the economy, adding new fees and increasing existing fees will be an unnecessary and ill-timed burden on the business community.
- Imposing a gross receipts tax on the renting or leasing of commercial space will be devastating to an already fragile market segment, is an arbitrary and unjust "tax," and will result in "double taxation" of sorts.
- Imposing an annual fee increase based on CPI and growth is too extreme, unpredictable and potentially arbitrary; is in some respects "double-dipping"; will be difficult to challenge as to the determination of the increase each year; and unreasonably goes on in perpetuity, with no mechanism or plan for review or reevaluation.

**2. The estimated economic effect of the proposed rule on businesses, including, without limitation, both adverse and beneficial effects, and both direct and indirect effects:**

**Adverse effects:**

- Increased license fees that are burdensome in difficult economic times.
- Additional burden of reporting transactions, when requested to do so, for certain persons engaged in the business of commercial rentals.

**Beneficial effects:**

- Increased cost recovery for licensing-related administrative and enforcement functions.
- Increased revenues by which the City can provide municipal services.

**Direct effects:**

- Increased license fees that are burdensome in difficult economic times.
- Increased cost recovery for licensing-related administrative and enforcement functions, and increased revenues by which the City can provide municipal services.

**Indirect effects:**

None noted

**3. The following constitutes a description of the methods the local government considered to reduce the impact of the proposed rule on businesses and a statement regarding whether any, and if so which, of these methods were used:**

After consideration of the objections raised, it was decided not to include in the ordinance the CPI increase for gross sales licenses. No methods to reduce the other impacts were used. The City's consideration of the remaining objections includes the following:

- Fee increases have not been implemented for some time and have not kept up with inflation and other growth-related factors. The City has a relatively limited number of options to increase its revenue, given that most of the City's revenue stream is in the control of others. The fee increases and adjustments retained in the ordinance are viewed as a reasonable means of updating the City's revenue base without creating an undue burden on licensees.
- Establishing a more specific licensing and fee category for those who lease or rent commercial property will help the City capture revenue that has gone uncaptured in the past because the category was not specifically called out by ordinance.

**4. The estimate of the annual cost to the local government for enforcement of the proposed rule is:**

Minimal additional cost

**5. If the proposed rule provides for a new fee or increases an existing fee, the total annual amount expected to be collected is:**

Approximately \$556,000

**6. If the proposed rule provides for a new fee or increases an existing fee, the money generated by the new fee or increase in existing fee will be used by the local government to:**

Offset costs of administration and enforcement of licensing provisions, and provide general revenues for the provision of City services

**7. If the proposed rule includes provisions that duplicate or are more stringent than federal, state or local standards regulating the same activity, the following explains why such duplicative or more stringent provisions are necessary:**

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS

Section 1 This Ordinance shall be known as, and may be cited by, the short title "District No 1485 (FY2010) Levy Ordinance" (hereinafter the "Ordinance")

Section 2 The City Council has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit and the same be, and the same hereby is, overruled, and finally passed on by the City Council, except as provided in the District No 1485 (FY2010) Assessment Protest Resolution

Section 3. ~~All actions, proceedings, matters and things heretofore taken, had and done by~~ the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning Special Improvement District No 1485 – Alta Drive (Landscape Maintenance FY2010) including, but not limited to, the creation of the District, the amount of the maintenance contract, the levy of assessments for those purposes, the determination that the tracts in the District will receive special benefits and market value

increases, and the validation and confirmation of the final assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed

Section 4. For the purpose of paying the costs and expenses of the Maintenance Project, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed) are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by the Maintenance Project) and described in the final assessment roll for the District, as filed in the office of the City Clerk on April 15, 2009, and as modified and confirmed by the District No 1485 (FY2010) Assessment Protest Resolution duly adopted by the City Council on June 3, 2009.

Section 5 The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand; provided that all or any part of such assessments may, at the election of the owner, be paid in installments, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in four (4) substantially equal quarterly installments of principal until paid in full, without interest, payable at the office of the City Treasurer on July 24, 2009, October 1, 2009, January 1, 2010 and April 1, 2010. Failure to pay any installment when due shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City, the exercise of said option to be indicated by the commencement of foreclosure proceedings by the City, and the whole amount of the unpaid principal shall, after such delinquency, whether said option is or is not exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as ~~determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid~~ balance of the assessment and accrued interest until the day of sale or until paid, but at any time prior to the date of the sale the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, and all penalty interest accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The

owner of any property assessed and not in default as to any installment or payment may, at any time (at the option of such owner), pay the whole or any installment of the unpaid principal

Pursuant to NRS 271 357 and NRS 271 360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted, (b) the property owner's application for renewal of the Hardship Determination is disapproved, or (c) the property owner pays all previous and current assessments. The property owner shall file an application for renewal of the Hardship Determination each year when the Maintenance Project is levied. The owner shall also be subject to the lien as provided in Section 6 hereof.

Section 6 The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. June 21, 2009) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal, penalties, and collection costs).

Section 7 Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Council may require the City Treasurer to apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8 In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal, the City Council shall forthwith cause the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.625. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor.

Section 9 The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable and the last day for their payment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher or his designee and filed with the City Clerk of the City. In accordance with NRS 271.390(2) the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her

last known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk. Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments have been paid in full or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271 390(2) and NRS 271 405(7) and in Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR  
LANDSCAPE MAINTENANCE IN CITY OF LAS VEGAS, NEVADA SPECIAL  
IMPROVEMENT DISTRICT NO 1485 - ALTA DRIVE (LANDSCAPE  
MAINTENANCE FY2010)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No 1485 (FY2010) Levy Ordinance (hereinafter the "Levy Ordinance") was duly passed, adopted, signed and approved on June 17, 2009. The Levy Ordinance levied and assessed the cost and expense of landscape maintenance against the lots, tracts and parcels of land specially benefited by the maintenance in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No 1485 - Alta Drive (Landscape Maintenance)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance)

Assessments are due and payable at the office of the City Treasurer in Las Vegas, Nevada, on or before July 21, 2009, being 30 days after the effective date of the Levy Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, without interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in four (4) substantially equal quarterly installments of principal until paid in full, being payable at the office of the City Treasurer in Las Vegas, Nevada, on July 24, 2009, October 1, 2009, January 1, 2010, and April 1, 2010. Failure to pay any assessment installment when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal will, after such delinquency, whether the City's option is or is not exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. but at any time prior to the date of the sale, the owner may pay the amount of all delinquent

installments originally becoming due on or before the date of payment, and all penalty interest accrued, and will thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any installment of the unpaid principal

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted, (b) the property owner's application for renewal of the Hardship Determination is disapproved, or (c) the property owner pays all previous and current assessments. The property owner shall file an application for renewal of the Hardship Determination each year when the Maintenance Project is levied. The owner shall also be subject to the lien as provided in Section 6 hereof.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271.380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from June 21, 2009, (i.e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

Dated this June 17, 2009

Beverly K. Bridges, CMC, City Clerk

By ordinance, that connection charge is subject to periodic adjustment in order to account for inflation and increased costs. This ordinance will establish the fee schedule for the next three years, incorporating a 1.5% increase each six months over that period. Notice of the proposed increase was published in the newspaper and a public hearing was held at the Council meeting of May 20, 2009.

Minutes:

CHIEF DEPUTY CITY ATTORNEY VAL STEED stated this is a bill follow-up to an ordinance adopted in 2006 to help fund the Systems Conveyance and Operations Program. The

**RECOMMENDING COMMITTEE MEETING OF: JUNE 16, 2009**

ordinance indicated that the City Council would periodically review and adjust sewer connection fees. Staff has determined that the appropriate increase would be 1.5 percent each six months over the next three years on new connections. The business impact statement process had been performed and no comments had been received. He recommended approval.

COUNCILMAN ROSS explained that this bill would support the Clean Water Coalition's efforts to keep Lake Mead blue. COUNCILMAN STEINMAN noted that the current new connection fee is very minor and this fee would only impact new construction.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE TO AMEND THE OFFICIAL ZONING MAP ATLAS OF THE CITY OF LAS VEGAS BY CHANGING THE ZONING DESIGNATIONS OF CERTAIN PARCELS OF LAND, AND TO PROVIDE FOR OTHER RELATED MATTERS.**

Proposed by: M. Margo Wheeler,  
Director of Planning and Development

Summary: Amends the City's Official Zoning Map Atlas by changing the zoning designations of certain parcels of land.

**THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN AS FOLLOWS:**

**SECTION 1:** The Official Zoning Map Atlas of the City of Las Vegas, as adopted in Title 19, Chapter 2, Section 10, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended by changing the zoning designations for the parcels of land listed in the attached document. The parcels of land have been approved for rezoning by vote of the City Council or by means of a resolution of intent to rezone pursuant to applicable zoning regulations. In each case the conditions of rezoning have been fulfilled, and changing the corresponding zoning designations on the Official Zoning Map Atlas is now indicated. On the attached document, the parcels are listed by Assessor's Parcel Number. The attached document shows, for each parcel, the zoning designation currently shown on the Official Zoning Map Atlas (indicated as "Current Zoning") and the new zoning designation to be shown for the parcel (indicated as "New Zoning").

**SECTION 2:** The Planning and Development Department is authorized and directed to make such changes to the Official Zoning Map Atlas as are necessary to reflect the amendments described in Section 1 of this Ordinance. In accordance with LVMC 19.02.010, the Official Zoning Map Atlas is stored and maintained in the offices of the Planning and Development Department.

**SECTION 3:** Of the parcels referred to in Section 1 of this Ordinance whose rezoning was approved by means of a resolution of intent to rezone, few if any of those resolutions have been reduced to writing—as was the practice previously. All actions and proceedings by the City concerning the rezoning of those parcels are hereby ratified, approved and confirmed as if the resolutions of intent had been reduced to writing, and the City Council deems that no additional action in that regard is necessary.

1 SECTION 4: If any section, subsection, subdivision, paragraph, sentence, clause or  
2 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or  
3 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or  
4 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the  
5 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,  
6 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,  
7 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,  
8 invalid or ineffective.

9 SECTION 5: All ordinances or parts of ordinances or sections, subsections, phrases,  
10 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,  
11 1983 Edition, in conflict herewith are hereby repealed.
