Minutes:

BILL ARENT, Acting Director of the Office of Business Development, explained the amendment to the Participation Agreement is necessary in order to allow Buy-Low Market, which has been very successful, to make additional improvements that were not part of the original agreement.

For MEMBER BARLOW, MR. ARENT explained that Buy-Low Market requested modification of the tenant improvement grant funds from the Agency for sub-lease year 2010 to be paid at the end of sub-lease year 2009, in order to accelerate further store renovations and provide a fresh-cut meat counter. The improvements started in August 2009 and the expansion will create an additional 15-30 full- and part-time positions. He recommended approval of advancing next year's grant payment.

PAUL VAZIN, President, Buy-Low Market, Inc., and JOHN EDMOND, Edmond Town Center, were present. MR. EDMOND stated that even in these hard times, Buy-Low Market is prospering and has created the potential for future tenants. The customers are very excited about having a variety of meat choices. He expressed appreciation to the Agency Members for all their assistance.

CHAIRMAN GOODMAN was very impressed that the market is doing so well despite the commercial downturn. He congratulated MEMBER BARLOW for his endeavors in this matter.

MR. VAZIN displayed pictures, copies of which were not submitted, of the store improvements, and stated that customers will have a 72-foot counter with a variety of meats. He attributed his success to good management and development.

MR. EDMOND advised MEMBER WOLFSON that MR. VAZIN has done so well because of the location and his eagerness to make improvements to satisfy his diverse customer base. MEMBER WOLFSON noted that he visited the store and noticed that the employees are also extremely friendly.

MEMBER BARLOW thanked MESSRS. VAZIN and EDMOND and Agency staff for all they have accomplished in working together. He hopes other developers in Ward 5 are as successful.

e) The insurance coverage required herein must provide for a 30-day written notice to the Agency before any amendments, modifications, suspension, cancellations, reductions or non-renewal of coverage. This notice requirement does not waive the insurance requirements contained herein.

f) In the event the Participant fails to obtain or maintain the insurance required herein, the Agency shall have the right in addition to the remedies available under Sections 701 and 707 to pay the premium to reinstate the insurance coverage which the Sub-tenant has failed to maintain or to procure substitute insurance coverage which in either case the Agency shall be entitled to collect the cost thereof from the Participant or deduct the same from any sums due the Participant under this Agreement.

h) The Participant shall also furnish or cause to be furnished evidence satisfactory to the Agency that any contractor with whom it has contracted for performance of the work on the Site carries worker's compensation insurance required by law.

§504 City, Agency, and Other Governmental Permits

Before commencement of construction or development of any improvement upon the Site, the Participant shall, at its own expense, secure or cause to be secured any and all permits which may be required by the City of Las Vegas or any other governmental agency affected by such construction, development or work. The Agency staff shall provide reasonable assistance deemed appropriate by the Agency to the Participant in securing these permits. Participant hereby agrees and acknowledges that (i) Agency review of any elements of the Project is for the sole purpose of assuring compliance with this Agreement, (ii) that nothing in this Agreement operates as a development approval, permit or entitlement for the development/construction of any portion of the Development, (iii) that Participant will be required to obtain all reviews, approvals and permits required for the construction of the Development or any portion of the Development.

§505 Rights of Access

For the purposes of assuring compliance with this Agreement, representatives of the Agency and the City shall have the right of reasonable access to the Site without charges or fees and at normal construction hours during the period of construction for the purposes of this Agreement including, but not limited to, the inspection of the work being performed in constructing the improvements. Such representatives of the Agency or the City shall be those who are so identified in writing by the Executive Director of the Agency and who shall, whenever reasonably possible, give prior notice of such Site visits. Subject to NRS Chapter 41, the Agency and City shall indemnify the Participant and hold it harmless from any damage caused or liability arising out of this right to access.

§506 Compliance with Local, State and Federal Laws

The Participant recognizes that this Agreement will result in the Agency providing financial incentives to the Participant in excess of \$100,000. In accordance with NRS §279.500, the Participant agrees that the Project is subject to the Prevailing Wage Act, NRS §338.010 through §338.094, inclusive. The Participant agrees to comply with the Prevailing Wage Act and all other provisions of NRS that are applicable to the Project because of the incentives exceeding \$100,000. The Participant shall obtain a State of Nevada Public Works Project Number as required by the State Labor Commissioner.

The Participant shall use the State Labor Commissioner's prevailing rate of per diem wages in the locality in which the improvements are to be constructed for each craft or type of workman needed to construct the improvement. Subject to the provisions of applicable law, the Participant agrees not to pay less than the specified prevailing rate of wages to the contractor and its employees selected to construct the improvements. The Participant will include the substance of the prevailing wages requirement of this Section 506 as contractual language in all contracts and lower tier subcontracts. In addition, all solicitations and contracts shall contain the applicable prevailing wage rates. The Participant will monitor compliance to the payment of prevailing wages pursuant to NRS § 338.

The Participant shall require that the selected contractor keep accurate records showing the name, occupation and actual per diem wages paid to each employee used in connection with construction of the improvement. Such records shall be open to inspection and reproduction by the Agency during normal business hours. The Participant will send one (1) copy of each wage report to the attention of the City of Las Vegas Purchasing and Contracts Manager, 400 Stewart Ave., Las Vegas, Nevada, 89101.

A Certificate of Completion shall be issued by the city of Las Vegas after completion of all construction in the form attached hereto as Attachment "E", along with accompanying documentation in the form attached hereto as Attachment "F", required of the Participant.

The Certificate of Completion shall be, and shall so state therein that it is, a conclusive determination of the satisfactory completion of the construction required by this Agreement or such portion thereof and of total compliance with the terms hereof. After issuance of the Certificate of Completion, any party then owning or thereafter purchasing, leasing or otherwise acquiring any interest covered by said Certificate of Completion shall not (because of such ownership, purchase, lease or acquisition) incur any obligation or liability under this Agreement, except that such party shall be bound by any covenants contained in the Agreement appended hereto as Attachment "F". Except as otherwise provided herein, after the issuance of the Certificate of Completion, neither the Agency, the City nor any other person shall have any rights, remedies or controls with respect to the portion thereof that it would otherwise have or be entitled to exercise under this Agreement as a result of a default in or breach of any provision of this Agreement, and the respective rights and obligations of the parties with reference to the Site or such portion thereof shall be as set forth in Sections 601 to 604 inclusive, of this Agreement.

The foregoing covenants shall run with the land.

EMPLOYMENT PLAN

EMPLOYMENT PLAN FOR BUY-LOW MARKET INC.,

The Employment Plan of **Buy-Low Market Inc.**, is prepared in accordance with NRS 279.482(2) and the City of Las Vegas Redevelopment Agency Employment Plan Policy (hereinafter the "Policy") dated June 3, 1992, and amended June 6, 2001. (Attachment 1). This Employment Plan outlines the steps to be taken by Buy-Low Market Inc., to assist it in achieving compliance with the Policy. In accordance with the Policy, developers and build-to-suit owners which receive redevelopment project funds are encouraged to hire individuals who live within the area of the operations and are economically disadvantaged residents, physically handicapped, members of racial minorities, veterans, women, and/or the homeless.

The Plan herein is divided into two parts, as contemplated by the Policy. Since Buy-Low Market Inc., is an entity which is proposing to remodel commercial retail space for a Grocery store, it hereby submits an employment plan in its capacity as a "Sub-tenant."

PART I

Sub-tenant Employment Plan

The Development Employment Plan shall apply during the construction phase of the Project.

1. Description of the Facilities to be Constructed. The facilities to be constructed by Buy-Low Market Inc., will consist of approximately 40,000 square feet for a retail grocery store. Please see Section 103, and Attachments "C" and "D" of the participation Agreement for a complete description of the facilities. 2. Contracts for Construction of the Project. Buy-Low Market Inc., will promote, and will cause its general contractor to promote, the utilization

of women, minority, disabled, and veteran owned business enterprises for the construction of the Project, as discussed more fully in paragraph 3 below. In this regard, it will establish, as targets, the participation goals established by the City in its "Equal Opportunity Contracting Policy." See Attachment 2. These goals represent the dollar value of subcontracts and materials agreements awarded to women, minority, disabled and veteran owned businesses expressed as a proportion of the total dollar value of bids.

The Policy requests a list and the amount of contracts to be let for the construction of the redevelopment project. Buy-Low Market, Inc. will prepare, or cause its general contractor to prepare such a list of contracts that have been let and those contracts for which Bid documents have not yet been prepared. As construction drawings and bid documents are received, after the date of the Participation Agreement, the general contractor, through its construction manager, will seek input regarding the bid estimates from various contractors and subcontractors, including minority, women, disabled, veterans ("MWDV") business firms. Bid documents will then be completed and disseminated, using the City's Minority Vendors Directory, as described below. It is anticipated that these documents will be prepared approximately three months after the signing of the Participation Agreement. At such time, Buy-Low Market, Inc., will submit an Addendum to this Plan identifying the construction contracts.

3. Manner of Involving, MWDV Businesses. Buy-Low Market, Inc. hereby certifies that, for the construction phase of the Project, it will use and instruct, or cause its general contractor to use and instruct, its project manager and construction manager to use the City's Minority Vendors Directory to locate potential subcontractors. These entities shall notify qualified vendors identified in such directory of contracts to be let for construction, in sufficient

time to allow effective participation by MWDV owned business firms. A copy of the notification shall be submitted to the Redevelopment Agency.

PART II

Participant Employment Plan

The Participant_Employment Plan shall apply to Participant hiring of new permanent employees during the post construction phase of the Project. In addition, even though portions of the Project are not being supported by redevelopment funds, Participant will adopt the employment objectives stated in the Policy for the entire Project. In this regard, Participant recognized that subcontractors of permanent operations will be required to adhere to the Employment Plan, to the extent possible, which will be effected through contractual language included in any agreements with such subcontractors.

I. Description of Existing Opportunities for Employment within the Area.

Prior to construction of the Project, Buy-Low Market, Inc. believes that the current opportunities in the area are quite limited. Of the limited opportunities that are available, even fewer are in the project area and, to the best of the knowledge of, Buy-Low Market, Inc there

may not be any full time employment opportunities currently existing in new commercial retail projects. It is anticipated that employment opportunities will be in full time construction and part time employment opportunities to as well as landscape, maintenance and security personnel.

The intent of the Policy is that a project benefited by redevelopment funds creates new jobs for residents of the Redevelopment Area and the City of Las Vegas Special Impact Area. The information shown in Attachment 4 taken from 2000 Census data compiled by the City's Community Planning and Development Department, contains a statistical breakdown in terms of race and employment categories for each of the Census Tracts in the Special Impact Area.

2. Estimate and Description of New Jobs Created as a Result of the Project. It is estimated that 85 new permanent jobs will be created as a direct result of the Project. Additional permanent jobs will be created with each new phase of the Project as set forth in Attachment 5.

3. Description of the Steps to be Taken to Achieve Objectives. It is the intent of Buy-Low Market, Inc to fill as many as possible new permanent jobs created as a direct result of the Project by residences in the targeted areas who are economically disadvantaged, physically handicapped, members of racial minorities, veterans, homeless and women. A variety of steps are planned in order to meet this objective. First, the general contractor will advertise in newspapers of general circulation, trade association papers and MWDV focused media concerning new permanent employment opportunities associated with the Project. (See Attachment 3).

Second, Buy-Low Market, Inc will utilize the following referral agencies to seek assistance in identifying qualified job applicants;

6. Buy-Low Market, Inc will work closely with the agencies designated in item 3 to provide them the information needed for the agencies to design and establish programs to train and upgrade the skills of qualified employees to fill the needs of their businesses. EMPLOYMENT PLAN POLICY

(As Adopted on June 6, 2001)

A. What is the purpose of the Employment Plan Policy?

The purpose of this Employment Plan Policy is to encourage developers and build-to-suit owners/lessees participating in a redevelopment project funded by the Redevelopment Agency to hire individuals of specially targeted population groups (economically disadvantaged residents, physically handicapped, members of racial minorities, veterans or women) who live within the area of operation.

B. Who must submit Employment Plans?

1. **Developers:** As appropriate for the redevelopment project, the developer shall submit to the Redevelopment Agency an Employment Plan for the construction phase of the redevelopment project in accordance with the requirements of this Policy. For purposes of this Policy, a "developer" means any person or entity who is proposing to construct commercial, office, retail or industrial space with the assistance of the Redevelopment Agency and includes both developers of speculative space and build-to-suit owners.

A "developer of speculative space" means any developer who constructs commercial, office, retail or industrial space for the purpose of conveying or leasing to an unknown owner and/or tenant. A "build-to-suit developer" means any developer who constructs commercial, office, retail or industrial space in accordance with the customized specifications of a known owner and/or lessee to whom the space will be conveyed or leased upon completion of the redevelopment project.

2. **Build-to-Suit Owners/Lessees:** As appropriate for the redevelopment project submitted by a build-to-suit developer, the owner/lessee for which the redevelopment project is to be constructed shall submit to the Redevelopment Agency an Employment Plan for the post construction phase of the redevelopment project in accordance with the requirements of this Policy.

For purposes of this Policy, "build-to-suit owner/lessee" means the owner and/or lessee of commercial, office, retail or industrial space which has been constructed by the developer to the customized specifications of the owner/lessee.

3. **Owners/Lessees:** An owner/lessee of speculative commercial, industrial, office or retail space shall be exempt from submitting an Employment Plan.

C. What is the term of the Employment Plan?

1. The developer shall adhere to the Employment Plan only during the construction phase of the development.
2. The build-to-suit owner/lessee shall adhere to the Employment Plan for at least as long as the redevelopment project remains subject to the Owner Participation Agreement (OPA)/Disposition and Development Agreement (DDA). Each OPA/DDA will include the specific time periods based on the particular relevant aspects of the project. All subcontractors of permanent operations will be required to adhere to the Employment Plan through contractual language included in any agreement with the build-to-suit owner/lessee. The appropriate requirements of the Employment Plan Policy shall be included in the Owner Participation Agreement.
3. Employment Plans must be submitted to the Agency for review during negotiations for redevelopment funding to be approved as part of the OPA/DDA.

D. What information must the developer provide in the Employment Plan?

The developer shall provide the Agency with a list and amount of all contracts to be let for the construction of the redevelopment project.

E. What procedures shall the developer adhere to?

The developer is required to submit an Employment Plan for the construction phase of the redevelopment project, and shall be referred to the City's Minority Vendors Directory. The developer shall notify the vendors identified in the Minority Vendors Directory of all contracts to be let for the redevelopment project. A copy of the notification shall be submitted to the Redevelopment Agency.

F. What information must be in the Employment Plan submitted by Build-to-Suit Owner/Lessees?

1. A description of the existing opportunities for employment within the area. This information is available from the Nevada Employment Security Department. The Agency shall make every effort to assist the build-to-suit owner/lessee in obtaining this information for inclusion in the Employment Plan.
2. A projection of the effect that the redevelopment project will have on opportunities for employment within the area. In other words, the number of new jobs created as a result of the redevelopment project and a description of the skills required to fill the positions. The build-to-suit owner/lessee must supply this information to the Redevelopment Agency.
3. It is the intent of this Policy that a minimum of 51% of all new jobs created as a direct result of the Redevelopment Project be filled by residents of the Redevelopment Area and/or the City of Las Vegas Special Impact Area (SIA) and/or Census Tracts 5.03 and 5.04 (these tracts will be eligible for SIA designation upon release of the 1990 census information). The Redevelopment Agency shall have the authority to reduce the employment requirements of this section after a showing of just cause. This includes the refilling of those jobs for the duration of the Employment Plan. The build-to-suit owner/lessee is required to submit an Employment Plan which describes how the operation will employ persons who are:
 - a. *economically disadvantaged*
 - b. *physically handicapped*
 - c. *members of racial minorities*
 - d. *veterans*
 - e. *women*
4. The build-to-suit owner/lessee shall, as part of the Employment Plan, utilize one or more of the following referral agencies for the purpose of receiving qualified job applicants. Only nominal administrative fees can be charged to the employee by non-profit referral agencies for referral or job placement. These referral agencies, by virtue of their activities, are recognized as having a knowledge of the applicant pool available to assist in the location of and, in some cases, training and upgrading of skills of qualified applicants to fill the unique needs of each business.

-
- a. *Nevada Employment Security Department*
 - b. *Nevada Business Services*
 - c. *Nevada Black Chamber of Commerce*
 - d. *Latin Chamber of Commerce*
 - e. *Las Vegas Indian Center*
 - f. *Nevada Association for the Handicapped*
 - g. *Nevada Welfare Department*

 - k. *Bureau of Vocational Rehabilitation of Southern Nevada*
 - l. *Dr. Martin Luther King, Jr. Committee*
5. Build-to-suit owner/lessees shall be required to pay a minimum rate which is the higher of the federal minimum wage or the market rates paid by employers in similar businesses in order to ensure that redevelopment jobs provide decent standards of living for employees.
 6. Build-to-suit owner/lessee shall establish an in-house training program for promoting employees, provided the operation employs a total of more than (25) employees. The training program shall be included as part of the Employment Plan.

G. What procedural guidelines must Build-to-Suit Owner/Lessee follow?

1. The build-to-suit owner/lessee agrees to submit written notification to the referral agency of job positions available for hire at least thirty (30) working days prior to the employer's anticipated hiring date.
2. Such written notification shall include a description of the required job qualifications, the rate of pay, the anticipated hiring date, and the date by which the referral agency must refer qualified applicants to the build-to-suit owner/lessee in order to be considered for hiring to the vacant position including management, technical and professional positions.
3. The build-to-suit owner/lessee need not notify the referral agency of any vacancy to be filled by an internal promotion from his own work force.

-
4. In the event that the referral agency fails to refer qualified individuals within thirty (30) working days for consideration of the vacant job openings of which the build-to-suit owner/lessee has notified the referral agency, the build-to-suit owner/lessee will be free to directly fill any and all remaining positions after so notifying the referral agency in writing.
 5. The build-to-suit owner/lessee shall make the final decision on hiring new employees but shall be encouraged to select employees from among qualified persons referred by the referral agencies. This does not release the build-to-suit owner/lessee from the requirements of this Policy.
 6. The build-to-suit owner/lessee will not discriminate against any applicant for employment because of race, religion, age, handicap, color, sex, national origin.
 7. The Redevelopment Agency shall be copied on all written correspondence between the build-to-suit owner/lessee and the referral agency.

H. What are the reporting requirements?

1. The developer shall inform the Agency of the selected bidder after the bid is awarded, including a justification for not selecting the minority vendor, if such is the outcome. Backup documentation shall be provided to the Agency, as requested.
2. The build-to-suit owner/lessee shall submit a report to the Redevelopment Agency within thirty (30) calendar days after the end of each calendar quarter. This report will provide the Agency with a list of employees' names, addresses, rates of pay and health benefit status, and whether or not they were referred by the above agencies. Affected employees shall be notified that this information is being reported to the Agency. The Agency shall use this information for the sole purpose of determining compliance of the owner/lessee with the submitted Employment Plan. This information shall not be submitted to any other person or organization for any other purpose.

ANALYSIS OF THE
PUBLIC PURPOSE AND BENEFITS
OF THE BUY-LOW MARKET, INC.

City of Las Vegas
Office of Business Development
Las Vegas Redevelopment Agency
June 4, 2008

BUY-LOW MARKET, INC. - LAS VEGAS
PUBLIC PURPOSE/PUBLIC BENEFIT ANALYSIS

BUY-LOW MARKET INC., involves the redevelopment and re-tenanting of approximately 43,000 square feet of commercial retail shopping center space, formerly operating as a Vons Grocery Store, which closed in August 2004, within the Edmond Town Center neighborhood shopping center located at: 1061 West Owens Avenue, Las Vegas Nevada City of Las Vegas (the "Project").

The Agency is proposing in the Participation Agreement (PA) to offer Public Investment not to exceed a total of Nine Hundred Thousand Dollars (\$900,000) as follows: \$200,000 grant towards new equipment purchased; annual tenant improvement and remodeling rebate (lease year end) not to exceed \$100,000 per year for seven (7) years. Under a separate agreement, Buy-Low Market will submit a complete and timely Commercial Visual Improvement Program (CVIP) application to the Agency for consideration and approval by the Agency Board and City Council. Subject to the terms and conditions of an approved CVIP grant, Buy-Low Market will be reimbursed up to a maximum of \$50,000 for qualified exterior improvements.

In order to evaluate the public purpose and benefits of the proposed project, the Agency is following the guidelines established in the Community Redevelopment Law. Pursuant to NRS 279.486, in order for the Agency to participate, the Agency must determine (a) The buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located; and (b) no other reasonable means of financing those buildings, facilities, structures or other improvements are available. The Agency has determined that the Project satisfies both of these tests. In reaching this determination, the Agency is making the following findings which are supported by the following supporting documentation:

**SUMMARY OF REQUIRED FINDINGS
PER NRS CHAPTER 279.486(a)**

1.	279.486(2)(a)(1)	Encourage the creation of new business or other appropriate development	Applied Economics Analysis Report*
2.	279.486(2)(a)(2)	Create jobs or other business opportunities for nearby residents	Applied Economics Analysis Report
3.	279.486(2)(a)(3)	Increase local revenues from desirable sources	Applied Economics Analysis Report
4.	279.486(2)(a)(4)	Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located	Applied Economics Analysis Report

5	279.486(2)(a)(6)	Require for their construction, installation or operation the use of qualified and trained labor	Employment Plan
6	279.486(2)(a)(7)	Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency	Applied Economics Analysis Report
7.	279.486(a)(2)	No other reasonable means of financing those buildings, facilities, structures or other improvements are available	Applied Economics Analysis Report

*A copy of the Report is on file with the Redevelopment Agency within the Office of Business Development

Finding 1: The Project encourages the creation of new business or other appropriate development. New development subsequent to the opening of BUY-LOW MARKET will be the balance of in-line commercial space of approximately 100,000 sq ft, and up to 40,000 sq ft of out-parcel pad developments with leases traditionally tied to the Grocery Anchor's operation being open to the general public.

Finding 2: The Project creates jobs or other business opportunities for nearby residents. See above table

Finding 3: The Project Increase local revenues from desirable sources. See above table

Finding 4: The Project Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located. See above table

Finding 5: The Project requires for its construction, installation and operation the use of qualified and trained labor. See above table

Finding 6: The Project demonstrates greater social and financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the Agency.

The operator is bringing a new grocery chain to West Las Vegas community that does not currently operate in the Las Vegas market.

The Agency will require the developer to pay Prevailing Wage to all workers employed in the construction of the project. For permanent employment, the developer is estimating that the project will employ over 85 people who will earn approximately \$1,600,000 in wage and salary payments each year. This generates an annual employee

economic impact of \$5,513,921 in year one. Applied Economics Analysis showed that the indirect and induced labor would yield 106 new employees earning \$1,194,257.

Finding 7: No other reasonable means of financing are available, because of one or more of the following reason(s) as checked by the Participant:

a. The improvements, if financed by the Participant through cash on hand or through debt financing from a private lender, would not result in a reasonable rate of return to the Participant; or

b. The Participant would not undertake the full set of improvements contemplated in the Agreement's Scope of Work through resources reasonably available to the Participant.

Working with the American Institute of Architects Las Vegas Chapter, the RDA sponsored a design charrette on Friday, September 18, 2009. The charrette focused on "greening" downtown Las Vegas.

The charrette launched a new academic year at UNLV's Downtown Design Center at Fifth Street School. The Interlocal Agreement between the RDA and the UNLV Design Center will focus on research and student design services. The purpose is to generate new ideas to strongly encourage sustainable development within the urban center of the redevelopment area. REDEVELOPMENT AGENCY MEETING OF: OCTOBER 7, 2009

Minutes:

BILL ARENT, Acting Director of the Office of Business Development, stated the Design Center has a big presence at the Fifth Street School. Staff is working with UNLV's Design Center to provide additional services for the potential next step in continuing the sustainability efforts beyond Symphony Park to all of downtown. This contract provides a \$50,000 grant to UNLV's Design Center to provide research and design concepts for adding sustainability to the Downtown Centennial Plan. Agency staff will work with PROFESSOR ROBERT DORGAN, research assistants and graduate students to produce drawings of new concepts to be incorporated into the Centennial Plan or become the genesis of a new plan, based on the concepts of LEED-ND (neighborhood design) for Symphony Park. This pilot project could become an annual relationship.

JEFF KOEP, Dean of the College of Fine Arts, and ROBERT DORGAN, Associate Professor in the School of Architecture and Director of the Downtown Design Center, were present. MR. KOEP was really pleased with this relationship with the City. He stated it is important that the students be engaged where the action is occurring, and it is the reason for establishing the Design Center downtown. Other models throughout the country have proven to be very successful.

MR. DORGAN mentioned all available classes and said that this venture will provide tremendous opportunities to the students.

CHAIRMAN GOODMAN appreciated the programs designed to improve the downtown area.

- 1) It is specifically agreed between the Parties executing this Agreement that it is not intended by the Parties that any of the provisions of any part of this Agreement create in the public or any member thereof a third party beneficiary status hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement. UNLV and RDA agree to keep and maintain under generally accepted accounting principles full, true and complete records and documents pertaining to this

The RDA has the right to assume that the UNLV Representative has full authority to act for UNLV on all matters arising under or relating to this Agreement.
- 8) All deliverables produced under this Agreement, as well as all data, notes, and documentation collected during this Project, are the joint property of the RDA and UNLV.
- 9) The term of this Agreement shall be from October 7, 2009 through May 15, 2010.
- 10) The RDA shall have the right at any time to terminate further performance of this Agreement, in whole or in part, for any reason whatsoever (including no reason). Such termination shall be effected by written notice from the RDA to UNLV, specifying the extent and effective date of the termination. On the effective date of the termination, UNLV shall terminate all work and take all reasonable actions to mitigate expenses. WHEREAS, in furtherance of the Redevelopment Plan (the "Redevelopment Plan") for the City of Las Vegas Redevelopment Area (the "Redevelopment Area"), the Agency approved a Commercial Visual Improvement Program (the "Commercial VIP") for the purpose of assisting property owners and their tenants in the rehabilitation of their buildings in order to revitalize and promote the economic stability of the Redevelopment Area; and

WHEREAS, pursuant to the Agency's Commercial Visual Improvement Program ("Commercial VIP"), the Agency agrees to rebate a portion of the cost of Pre-approved Qualified Exterior Improvements on qualifying commercial properties located within the Redevelopment Area of the City of Las Vegas, up to a maximum of one-half (1/2) of the approved contract cost of such improvements or \$50,000, whichever is lesser; and

WHEREAS, the PARTICIPANT desires to participate in the Commercial VIP pursuant to the terms and provisions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreement contained herein, the AGENCY and PARTICIPANT do hereby agree as follows:

SECTION 1: SCOPE OF AGREEMENT. The purpose of this agreement is to effectuate the Redevelopment Plan by contributing funds to that certain property, as more particularly described in the "Legal Description of the Site," attached hereto as Attachment " 1 " and incorporated herein by reference (the "Property" or "Site"). Implementation of this Agreement will further the goals and objectives of the Redevelopment Plan. This Agreement is subject to the provisions of the Redevelopment Plan which the City Council of the City of Las Vegas adopted on March 5, 1986, by Ordinance No. 3218, as amended. Said Redevelopment Plan, as it now exists and as it may be subsequently amended, is incorporated herein by reference and made a part hereof as though fully set forth herein.

SECTION 2: PARTIES TO THE AGREEMENT. The Agency is a public body, corporate and politic, exercising governmental functions and powers, and organized and existing under the Community Redevelopment Law of the State of Nevada (NRS 279.382, *et seq.*). The principal office of the Agency is located at 400 Stewart Avenue, Las Vegas, Nevada, 89101. "Agency", as used in this Agreement, includes the City of Las Vegas Redevelopment Agency and any assignee of or successor to its rights, powers and responsibilities. The PARTICIPANT warrants it has a valid and binding leasehold interest in (as defined hereinafter), the Site and as demonstrated by Attachment " 2 ", "Proof of Ownership or Leasehold Interest",

which is attached hereto and is incorporated herein by reference. "PARTICIPANT", as used in this Agreement, includes not only the PARTICIPANT as identified in the opening paragraph of this Agreement, but also any assignee of, or successor to, its rights, powers and responsibilities. The Agency and the PARTICIPANT individually may be referred to as "party" or collectively as "parties" hereinafter.

SECTION 3: IMPROVEMENTS TO THE SITE AND PROJECT BUDGET. The PARTICIPANT shall make improvements to the Site, or to the buildings, fixtures or appurtenances thereon, according to the Scope of Work and Tentative Schedule of Improvements, which is attached hereto as Attachment " 3 " and by this reference is made a part hereof. The Scope of Work and Tentative Schedule of Improvements shall provide a line item budget, acceptable to the Agency, for all work to be performed. Within 30 days of execution of this Agreement by the Agency, PARTICIPANT agrees to commence, or cause the commencement of, rehabilitation and improvement of the Site, pursuant to the plans and other documents submitted by PARTICIPANT and approved by Agency in accordance with the CVIP Guidelines. PARTICIPANT shall complete the improvements within 180 days of commencement of work. Additional time may be given upon approval of the Agency, which approval shall not be unreasonably withheld. The improvements to the Site also shall be referred to as the "Project" or "Improvements" hereinafter. The Agency shall maintain a right of access to the Site, provided that the Agency gives the PARTICIPANT a minimum of twenty-four (24) hours written, advance notice prior to entering the Site.

SECTION 4: CONTRACTOR SELECTION REQUIREMENTS. If the Project exceeds \$10,000, then the PARTICIPANT in compliance with NRS 279.478 must obtain three (3) or more competitive bids from properly licensed contractors. If the PARTICIPANT is unable to obtain (3) or more competitive bids, the PARTICIPANT shall provide the Agency, upon request, with documentation detailing when and which licensed contractor(s) were contacted.

SECTION 5: DESIGN REVIEW COMMITTEE. For reviewing the architectural and engineering design of the Project, the Agency has appointed a Design Review Committee comprised of one or more staff members from the following City of Las Vegas municipal departments: Office of Business Development; Planning and Development Department; Land Development, Public Works; Development Coordination, Public Works; and City of Las Vegas Department of Building & Safety. At its discretion, the Agency may solicit input from additional City staff depending on the individual needs of the Project. The Design Review Committee shall meet on an ad hoc basis. The Design Review Committee shall recommend approval or disapproval of the Project Scope of Work. If the Project is disapproved, the Agency shall retain the right to ask the PARTICIPANT to make changes to the proposed Scope of Work.

SECTION 6: COMPLIANCE WITH APPLICABLE DEVELOPMENT STANDARDS. The PARTICIPANT must comply with all development standards applicable to the Scope of Work, including but not limited to, the Zoning Code of the City of Las Vegas, the Building Code of the City of Las Vegas, and the Fire Code of the City of Las Vegas. Additional development standards may apply depending on the specific location of the Site.

SECTION 7: FAILURE TO COMPLETE WORK. If the contractor selected by the PARTICIPANT fails to complete all of the work specified in the Scope of Work, then the Agency may pursue any and all legal and equitable remedies available under this Agreement, as more specifically described in Section 13 hereinafter.

SECTION 8: UNRELATED IMPROVEMENTS. Nothing herein is intended to limit, restrict or prohibit the PARTICIPANT from undertaking any other work in or about the subject premises which is unrelated to Commercial VIP provided for in this Agreement.

SECTION 9: COMPLIANCE WITH THE REDEVELOPMENT PLAN AND EMPLOYMENT PLAN. The Agency finds that the Project as contemplated by this Agreement complies with the Commercial VIP Guidelines and therefore would be deemed a substantial benefit to the Redevelopment Area. The Agency finds that the Project, upon completion, would achieve one or more of the following:

1. Encourage new commercial development;
2. Create or retain jobs for nearby residents;
3. Increase local revenues from private revenue sources;
4. Increase levels of human activity in the Redevelopment Area;
5. Possess attributes that are unique, either as to type of use or level of quality and design;
6. Require for their construction, installation or operation the use of qualified and trained labor; or
7. Demonstrate greater social or financial benefits to the community that would a similar set of buildings, facilities, structures or other improvements not paid for by the Agency.

The Agency has also considered the opinions of persons who reside in the Redevelopment Area or the immediate vicinity of the Redevelopment Area. In addition, the Agency has compared the level of spending proposed by the Agency and the projections of future revenue made on the buildings, facilities, structures or other improvements.

The PARTICIPANT has declared that no other reasonable means of financing are available to undertake the improvements to the Property because the return on investment is not reasonable and the improvements are being financed through cash on hand and/or debt financing through a private lender. Furthermore, the PARTICIPANT would not undertake the full set of improvements contemplated in the Agreement through resources reasonably available to the PARTICIPANT pursuant to the Participant Affidavit and Employment Plan, attached hereto as Attachment " 5 " and by this reference made a part hereof.

The PARTICIPANT has also declared and provided the Agency with an Employment Plan, which is attached hereto as Attachment "5 " and by this reference is made a part hereof. The PARTICIPANT, for itself and its successors and assigns, represents that in the construction of improvements on the Site provided for in this Agreement, the PARTICIPANT shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, marital status, ancestry or national origin.

SECTION 10: CONFLICTS OF INTEREST AND DISCLOSURE REQUIREMENTS. No member, official or employee of the Agency shall have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official or employee participate in any decision relating to this Agreement which affects his personal interests or the interests of any corporation, partnership or association in which he is directly or indirectly interested. The PARTICIPANT warrants that it has not paid or given, and will not pay or give, any third party any money or other consideration for obtaining this Agreement. No member, official or employee of the Agency shall be personally liable to the PARTICIPANT in the event of any default or breach by the Agency or for any amount which may become due to the PARTICIPANT or on any obligations under the terms of this Agreement. Pursuant to Resolution RA-4-99 adopted by the governing board of the Agency effective October 1, 1999, PARTICIPANT warrants that it has disclosed, on the Disclosure of Principals form attached hereto as Attachment " 4 " and incorporated herein by reference, all persons and entities holding more than 1% (one percent) interest in PARTICIPANT or any principal member of PARTICIPANT. Throughout the term hereof, PARTICIPANT shall notify City in writing of any material change in the above disclosure within 15 (fifteen) days of any such change.

SECTION 11: DEFAULTS AND REMEDIES. Failure or delay by either party to perform any term or provision of this Agreement constitutes a default under this Agreement. The nondefaulting party shall notify the defaulting party that a default exists and that the defaulting party must cure same within thirty (30) days of receipt of the notice of default. The party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay, and shall complete such cure, correction or remedy with reasonable diligence and during any period of curing shall not be in default. In addition to any other rights or remedies, either party may institute legal action to cure, correct or remedy any default, to recover damages for any default or to obtain any other remedy consistent with the purpose of this Agreement. Such legal actions must be instituted in the District Court, County of Clark State of Nevada, in any other appropriate court in that county, or in the Federal District Court in the appropriate district of Nevada. The nondefaulting party may also, at its option, cure the breach and sue in any court of proper jurisdiction to collect the reasonable costs incurred by virtue of curing or correcting the defaulting party's breach. Further, the nondefaulting party may file legal action to require the defaulting party to specifically perform the terms and conditions of this Agreement. Upon occurrence of an Event of Default by either the PARTICIPANT or the Agency during the existence of this Agreement, the non-defaulting party, at its option, may institute an action for specific performance of the terms and obligations (including the payment of any monetary obligation) of this Agreement. During the existence of this Agreement and upon the occurrence of a PARTICIPANT Event of Default, the Agency shall have the right to terminate, and this Agreement shall so terminate, the date that the written notice of termination is received by the PARTICIPANT or such other date as may be specified in the written notice. In the event of termination of this Agreement by the Agency, the PARTICIPANT agrees to return any and all Agency Funds heretofore paid to the PARTICIPANT pursuant to the provisions of this Agreement within ten (10) calendar days after the termination date. Failure to return any and all Agency Funds paid to the PARTICIPANT shall entitle the Agency to sue the PARTICIPANT for specific performance as provided in this Section and to pursue the Agency's remedies, legal and equitable, for such damages as permitted by law.

SECTION 12: SUBSEQUENT AGENCY APPROVALS. Any approvals of the Agency required and permitted by the terms of this Agreement may be given by the Executive Director of the Agency or such other person that the Agency designates in writing.

SECTION 13: TERM. The term of this Agreement shall end upon the completion of all duties and obligations to be performed by each of the parties hereto.

SECTION 14: SEVERABILITY. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be valid under applicable law, but if any provision shall be invalidated, it shall be deemed to be severed from this Agreement and the remaining provisions shall remain in full force and effect.

SECTION 15: GOVERNING LAW. The interpretation and enforcement of this Agreement shall be governed in all respects by the laws of the State of Nevada.

SECTION 16: NOTICES. Notices shall be in writing and shall be given by personal delivery, by deposit in the United States mail, certified mail, return receipt requested, postage prepaid, or by express delivery service, freight prepaid, in each case by delivery to the PARTICIPANT and the Agency at the addresses set forth in this Agreement or at such other address as a party may designate in writing. The date notice given shall be the date on which the notice is delivered, if notice is given by personal deliver, or five (5) calendar days after the date of deposit in the mail or with an express delivery service, if the notice is sent through the United States mail.

SECTION 17: CAPTIONS. The captions contained in this Agreement are for the convenience of the parties and shall not be construed so as to alter the meaning of the provisions of the Agreement.

SECTION 18: ENTIRE AGREEMENT, WAIVERS AND AMENDMENTS. This Agreement is executed in two duplicate originals, each of which is deemed to be an original. This includes Attachment " 1 " through Attachment " 5 " inclusive, attached hereto and incorporated herein by reference, all of which constitute the entire understanding and agreement of the parties. This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the subject matter hereof. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of Agency and the PARTICIPANT and no waiver of one provision shall be construed as a waiver of that provision in the future or as a waiver of any other provision. All amendments hereto must be in writing and signed by the appropriate authorities of Agency and the Owner.

VIP Participant Affidavit and Employment Plan

STATE OF NEVADA }

COUNTY OF CLARK }

I, Paul Hennessey, being first duly sworn, depose and state under penalty of perjury as follows:

1. I am a corporate officer, managing member, or sole proprietor of the Hennessey's Las Vegas, Inc. a company duly organized in the State of Nevada as a Corp (Corporation/LLC/Sole Proprietorship). The Participant is seeking the assistance of the city of Las Vegas Redevelopment Agency ("Agency") for making improvements to the property at 425 Fremont Street ("Site"), as more particularly described by the VIP agreement ("Agreement") being contemplated by the city of Las Vegas Redevelopment Agency at its public hearing to be held on

2. I hereby warrant that I either own the site, or have a leasehold interest in the site for a minimum of five years subsequent to the effective date of this agreement.

Assistance from the Agency will allow me to make improvements to the site which I could not otherwise do. This will result in substantial benefit to the Redevelopment Plan Area and the neighborhood adjacent to the Site because of one or more of the following reasons (check one or more):

- a. Encourage the creation of new business or other appropriate development; [x]
b. Create jobs or other business opportunities for nearby residents; [x]
c. Increase local revenues from desirable sources; [x]
d. Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located; [x]
e. Possess attributes that are unique, either as to type of use or level of quality and design; [x]
f. Require for their construction, installation or operation the use of qualified and trained labor; [x] and
g. Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency. []

3. No other reasonable means of financing those buildings, facilities, structures or other improvements are available, because of one or more of the following reason(s) as checked by the Participant:

- a. An inducement for new businesses to locate or existing businesses to remain within the redevelopment area in which the business would ordinarily choose to locate outside the redevelopment area if the grant were not provided. Evidenced by a "but for" letter or statement from the business owner; [x] or
b. There is a public objective and/or requirement that is more stringent and/or costly to undertake than a business would ordinarily embark upon. Evidenced by state or city ordinance. [] or
c. There has been a lack of rehabilitation in the area and it is deemed unreasonable for the business to invest in improving the area unless the grant is provided. Evidenced by photographs of the immediate surrounding area displaying the slum and blight. [] or
d. The exterior improvements to the property or business do not have a direct affect on revenues therefore making such an investment is not deemed acceptable by a customary financial institution. Evidenced by a denial letter from a financial institution. [] or

VIP Participant Affidavit and Employment Plan

- e. The visual improvement of the property or addition of the business to the area is so dramatic that it is a catalyst for economic development in the area. Evidenced by a positive economic impact analysis.

Participant agrees to submit to the Agency its documentation which evidences that no reasonable means of financing are available to the Participant.

4. Participant hereby warrants the following:

- a. The property on which the project is situated is free of all Mechanic's Liens at the time of application. *JS* (Initial)
- b. The applicant has no current bankruptcy proceedings, or past bankruptcy proceedings, whether corporate or personal, within the past five years. *JS* (Initial)
- c. The applicant has no past-due federal, state, county or city of Las Vegas tax bills at the time of application. *JS* (Initial)
- d. The applicant has no past-due bills or debts payable to the city of Las Vegas or the Redevelopment Agency. *JS* (initial)

5. Participant hereby acknowledges that existing opportunities for employment within the surrounding neighborhood of the redevelopment project are limited for neighborhood residents. Most residents must travel outside the neighborhood to find employment opportunities outside the redevelopment area, via public transportation or personal vehicles. Of the existing businesses within the neighborhood, many are family owned and have been in business for a long time. These existing businesses are not in an expansion mode and are not likely to employ neighborhood residents.

Furthermore, the project will help facilitate the continued expansion of employment opportunities by setting an example to other property/business owners to renovate their property/business and help create more employment opportunities through an expansion of business and renovation of vacant storefronts. The Project will allow neighborhood residents to apply for those positions (when available) for which they are qualified for as an employment opportunity. Appropriate measures will be taken to ensure that the neighborhood is aware of any job opportunities available from the business.
