Minutes:

COUNCILMAN BARLOW declared the Public Hearing open.

CITY ATTORNEY BRAD JERBIC indicated that he previously requested this matter be held in abeyance because he could not be present at the last Recommending Committee Meeting and he wanted to make a record and provide some legislative history on this matter. Last year, the

CITY COUNCIL MEETING OF: MAY 4, 2010

Council was involved in prevailing litigation wherein the City Manager negotiated an agreement with the Culinary Union in exchange for it not pursuing an Initiative and Referendum Petition against the City of Las Vegas. The agreement consisted of a number of accords, including that this ordinance be crafted and approved by June 1, 2010. He explained that the agreement was reviewed by both parties and minor modifications were made that are included in this bill draft. The bill requires that, in the future, if there are any monies, land or contribution made to a Redevelopment project that involves non-restricted gaming/hospitality and the Agency or City has a proprietary interest in the financial outcome of such a project, then its developers will have to use the local union that represents hospitality workers, or the Culinary Union for the project. This does not mean the Culinary Union will have to be engaged for every project involving the Redevelopment Agency or the City. The only trigger is if the City should be involved in a project in which it has interest in a gaming/hospitality project and it receives a percentage to recover some of the City's investment, or some other type of project in which the City were to have a proprietary interest.

COUNCILMAN BARLOW confirmed that this ordinance will only apply to future projects. As far as those underway, CITY ATTORNEY JERBIC noted he would have to research for possible impact.

To COUNCILMAN BARLOW'S question of whether this ordinance would position the City in a good or bad posture, CITY ATTORNEY JERBIC replied that the Culinary Union took a strong interest in the City's Redevelopment Agency and its projects that in 2008, it began circulating a petition that would have terminated the Redevelopment Agency had it been placed on the ballot and would have made it impossible to provide financing for the new City Hall project. Hence, the need for the negotiated agreement with the Culinary Union, which was fashioned after agreements being used in other cities throughout the country that desired organized labor on board for projects utilizing public monies.

COUNCILMAN BARLOW asked if this ordinance would pertain to any other union as well. CITY ATTORNEY JERBIC answered that it does not require negotiations with other unions. Culinary Union is the only union that represents hospitality workers.

ATTORNEY JENNIFER LAZOVICH, 8345 Sunset Road, asked if this ordinance would apply to hotels/casinos within a special improvement district (SID). CITY ATTORNEY JERBIC did not believe the ordinance would apply under that scenario, as there is no schedule and it would merely involve the assessment of an SID for a project, which ties to a property and not to the profits of a business.

CITY ATTORNEY JERBIC further explained that the reason the courts uphold ordinances such as this one is because they recognize that if there is a disruption to the business or a taken percentage of the business, then there is an interest in making sure there is no disruption. In this case, the Culinary Union will, in exchange, guarantee they will not strike for the life of a project, whereby there is no disruption to the source of payment. Tax increment financing (TIFs) and SIDs do not fall under this ordinance, as they are tied to property values and not to labor disruption. This ordinance only applies to proprietary interest, and in exchange, there is no labor disruption.

**CITY COUNCIL MEETING OF: MAY 4, 2010**

COUNCILMAN ANTHONY appreciated hearing the history and understood the intent of the ordinance; however, in his opinion, the underlying philosophy is that the City of Las Vegas is dictating to private companies whether or not they should form a relationship with unions. He could not support the ordinance, as he felt it was a role the City of Las Vegas should not embark upon.

CITY ATTORNEY JERBIC confirmed with the Councilmen that the ordinance will go forward to City Council with a recommendation for denial.

COUNCILMAN BARLOW declared the Public Hearing closed.

11 AS FOLLOWS:

12 SECTION 1: Title 4 of the Municipal Code of the City of Las Vegas, Nevada, 1983

14 Sections 10 to 30, inclusive, reading as follows:

15 **4.36.010:** The City is authorized by State law and by Charter authority to engage in  
16 redevelopment activities. The City Council has the corresponding authority to establish limitations  
17 and conditions on the use of redevelopment funds and other resources. It is the intent of this Chapter  
18 to establish conditions on the use of redevelopment resources when they are used to assist in the  
19 development of projects for gaming hospitality operations in which the City or the City's  
20 Redevelopment Agency has a specified financial or proprietary interest in such operations in order to  
21 protect such interest from jeopardy resulting from labor disputes.

22 **4.36.020:** As used in this Chapter and except as the context otherwise requires, the following  
23 terms shall have the meanings ascribed to them:

24 "Capital project" means a project which is financed by debt or by other funds of the City or

8 185 (a) applies, as that provision has been interpreted by the United States Supreme Court.

23 City or Redevelopment Agency for the conduct of gaming hospitality operations; or

24 (2) Pursuant to which the City or the Redevelopment Agency is entitled to  
25 receive as rents, royalties or other income a percentage of the revenues of an enterprise, or any  
26 payments in connection with financing of a capital project provided by or through the City or the  
27 Redevelopment Agency; or

1 right, title or interest received from the City or Redevelopment Agency pursuant to any qualifying  
2 contract.

4 "Valid collective bargaining agreement" means a collective bargaining agreement entered into  
5 between a contractor and a labor organization lawfully serving as the exclusive collective bargaining  
6 representative for the employees who provide or will provide services pursuant to a qualifying  
7 contract.

8 **4.36.030:** (A) As a condition precedent to any qualifying contract, each and every contractor  
9 and employer of employees hired to staff a gaming hospitality operation shall be or become signatory  
10 to a valid collective bargaining agreement or other contract under 29 U.S.C. Section 185 with any

19 contracts for the operation of such capital project, whichever period of time is more extensive.

26 under collective bargaining agreements or other contracts under 29 U.S.C. Section 185 containing the  
27 same provisions as specified in Paragraph (1) of Subsection (A) above.

28 (C) A contractor or employer shall be relieved of the obligations of this Section

1 with respect to a labor organization if the labor organization places conditions upon its no-strike  
2 pledge that the City Council finds, after notice and hearing, to be arbitrary or capricious.

3 SECTION 2: If any section, subsection, subdivision, paragraph, sentence, clause or  
4 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or  
5 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or  
6 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the  
7 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,  
8 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,  
9 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,  
10 invalid or ineffective.

11 SECTION 3: All ordinances or parts of ordinances or sections, subsections, phrases,  
12 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,

Section 4. For the purpose of paying the costs and expenses of the Maintenance Project, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed) are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by the Maintenance Project) and described in the final assessment roll for the District, as filed in the office of the City Clerk on March 3, 2010, and as modified and confirmed by the District No 1485 (FY2011) Assessment Protest Resolution duly adopted by the City Council on April 21, 2010

Section 5. The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand; provided that all or any part of such assessments may, at the election of the owner, be paid in installments, as hereinafter provided. In case of such election to pay in installments, the unpaid assessments shall be payable in four (4) substantially equal quarterly installments of principal until paid in full, without interest, payable at the office of the City Treasurer on July 1, 2010, October 1, 2010, January 1, 2011 and April 1, 2011. The

owner of any property assessed and not in default as to any installment or payment may, at any time (at the option of such owner), pay the whole or any installment of the unpaid principal.

Pursuant to NRS 271 357 and NRS 271 360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the property owner's application for renewal of the Hardship Determination is disapproved; or (c) the property owner pays all previous and current assessments. The property owner shall file an application for renewal of the Hardship Determination each year when the Maintenance Project is levied. The owner shall also be subject to the lien as provided in Section 6 hereof.

Section 6. The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. May 19, 2010) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal, penalties, and collection costs).

Section 7. Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Council may require the City Treasurer to apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8. In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal, the City Council shall forthwith cause the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.625. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor.

Section 9. The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable and the last day for their payment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher or his designee and filed with the City Clerk of the City. In accordance with NRS 271.390(2) the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her

last known address or addresses Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments have been paid in full or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271 390(2) and NRS 271 405(7) and in Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR BOUNDARIES OF DISTRICT IN CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT DISTRICT NO 1485 - ALTA DRIVE (LANDSCAPE MAINTENANCE FY2011)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No. 1485 (FY2011) Levy Ordinance (hereinafter the "Levy Ordinance") was duly passed, adopted, signed and approved on May 19, 2010. The Levy Ordinance levied and assessed the cost and expense of Boundaries of District against the lots, tracts and parcels of land specially benefited by the maintenance in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No 1485 - Alta Drive (Landscape Maintenance)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance)

Assessments are due and payable at the office of the City Treasurer in Las Vegas, Nevada, on or before June 22, 2010, being 30 days after the effective date of the Levy Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, without interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in four (4) substantially equal quarterly installments of principal until paid in full, being payable at the office of the City Treasurer in Las Vegas, Nevada, on July 1, 2010, October 1, 2010, January 1, 2011 and April 1, 2011. Failure to pay any assessment installment when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal will, after such delinquency, whether the City's option is or is not exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid, but at any time prior to the date of the sale, the owner may pay the amount of all delinquent

installments originally becoming due on or before the date of payment, and all penalty interest accrued, and will thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any installment of the unpaid principal.

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the property owner's application for renewal of the Hardship Determination is disapproved; or (c) the property owner pays all previous and current assessments. The property owner shall file an application for renewal of the Hardship Determination each year when the Maintenance Project is levied. The owner shall also be subject to the lien as provided in Section 6 hereof.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271.380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from May 23, 2010, (i.e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

Dated this May 19, 2010.
