Within 30 days of the Franchisee's receipt of a complaint from the City identifying Facilities that may cause access barriers in violation of the ADA, Franchisee and the City shall meet to review the complaint and determine an appropriate response and required repair, if any. If repair is required, the parties shall establish plans and time frames for the repair, which shall be at Franchisee's sole cost. Franchisee's scope of work shall consist of the removal and/or relocation of Facilities.

The City shall issue such permits to Franchisee on such conditions as are reasonable and necessary to ensure compliance with the terms and conditions of this Agreement.
- 9.2 Emergency Work.** If there is an Emergency requiring immediate work relating to Franchisee's Facilities in the Rights-of-Way, Franchisee may begin such work without first obtaining all applicable permits, provided that Franchisee shall: (a) notify the Director as promptly as is reasonably possible after learning of the need for Emergency work; (b) subsequently apply for all permits that otherwise would have been required for non-Emergency work no later than 10 days after completing the Emergency work; (c) pay all applicable fees for such permits; and (d) restrict any work performed in the Rights-of-Way prior to obtaining all permits to Emergency work.

- 9.5 Limitations on Use of Medians and Sidewalks.** Franchisee shall not, without the prior written consent of the Director, place any Facilities in the median portion of any roadway or sidewalk area, or within the median portion of any roadway or sidewalk area that is proposed in a City-adopted master plan.

- 9.6** Workmanlike Manner; Engineer's Seal. Franchisee shall install, use and maintain all of its Gas Distribution System in a good, workmanlike manner and in accordance with good engineering practices, and in compliance with all applicable Federal, State and local laws, ordinances, rules and regulations from time to time in effect, including but not limited to the "Uniform Standard Specifications for Public Works Construction Off-Site Improvements, Clark County Area" and "Uniform Standard Drawings for Public Works Construction Improvements, Clark County Area." Whenever designs prepared for Franchisee's Facilities are not covered by the improvement standards specified in Title 13 of the City Code, such designs must be approved by the Director and bear the seal of a Nevada registered professional engineer.
- 9.7** Safety and Quiet Enjoyment of Property. Franchisee shall install, use and maintain all of its Gas Distribution System in such a manner as to avoid unreasonable danger to persons and property and as to cause minimum interference with the proper use of public roads or with any reasonable use and enjoyment of adjacent property by owners.
- 9.8** Interference with Public Improvements. The installation, use and maintenance of Franchisee's Gas Distribution System in the Rights-of-Way shall be in a manner so as not to interfere with the placement, construction, use and maintenance of any Public Improvement for the benefit of the City, the Las Vegas Valley Water District, the City's Sanitation District, or any other entity governed by the City Council.
- 9.9** Interference with Other Utilities' Facilities. Franchisee shall not install, use or maintain any of its Gas Distribution System in such a manner as to damage or interfere with any facilities (including non-Gas Service facilities) of another utility, or any traffic, sewer or drainage facilities, located in the Rights-of-Way.
- 9.10** Trenchless Technology. Franchisee shall not use trenchless technology in the placement of its Facilities unless the Director, in his or her reasonable discretion, approves such work in writing. Franchisee shall comply with permit requirements pursuant to Section 9.1 above for any work involving trenchless technology.
- 9.11** Notice to City. Except in the case of an Emergency, Franchisee shall, not less than 14 days prior to the commencement of any work that involves excavation in the Rights-of-Way, notify the Director and any appropriate utility coordinating committee for purposes of utility location. Minimum notice to the City shall be by telephone communication or in person prior to any work, followed by written notice as soon as practical. Franchisee shall provide advance notice so as to not disrupt services of the City or any other person using the Rights-of-Way and to allow the City to place any inspector it may deem necessary at the site of the project.

- 9.12** Notice to Adjoining Property Owners. Except in the case of an emergency, before commencing a project for which Franchisee or its contractor has pulled a permit for work in Rights-of-Way upon which residential property is located or is adjacent thereto, Franchisee shall notify such residents of the project at least five days prior to the date on which Franchisee proposes to commence construction. Notice shall be in writing by one of the following methods: in person, by posted notice on the Rights-of-Way where the project is scheduled to be built (which notice shall be capable of being read by passing motorists), by door hanger, or by mail, with a description of the project, the name of Franchisee and Franchisee's telephone number. Reasonable access to properties adjacent to the work area shall be maintained at all times.
- 9.13** Restoration of Rights-of-Way. After the installation, construction, relocation, maintenance, removal or repair of any of Franchisee's Facilities in the Rights-of-Way, Franchisee shall, at its own expense, restore the surface of the Rights-of-Way and other City property which may be disturbed or damaged by such work, to at least the same condition as it was in immediately prior to any such work. The City shall have the final approval of the condition of the Rights-of-Way and any other City property after restoration pursuant to the provisions of applicable City Codes, ordinances, regulations, standards and procedures, including the "Uniform Standard Specifications for Public Works Construction Off-Site Improvements, Clark County Area" and "Uniform Standard Drawings for Public Works Construction Improvements, Clark County Area", as amended. If Franchisee's restoration work is not completed within a reasonable time, or if such work does not meet the City's standards, the City shall have the right to perform the necessary restoration work, through its own forces or through a contractor, and Franchisee shall reimburse the City for its expenses in so doing no later than 30 days after Franchisee's receipt of the City's invoice for such work.
- 9.14** Temporary Asphalt. Franchisee may use temporary asphalt in connection with any restoration work performed pursuant to Section 9.13 above, provided that such asphalt shall not remain in place any longer than 14 days following the installation of the temporary asphalt, unless otherwise approved by the Director in his or her reasonable discretion. If any temporary asphalt remains in place longer than such 14-day period, the City shall have the right to replace the temporary asphalt with permanent asphalt, through its own forces or through a contractor, and Franchisee shall reimburse the City for its expenses in so doing no later than 30 days after Franchisee's receipt of the City's billing for such expenses.
- 9.15** Survey Monuments. All survey monuments which are disturbed or displaced by Franchisee in its performance of any work under this Agreement shall be referenced and restored by Franchisee no later than 30 days after such disturbance or disruption in accordance with all pertinent Federal, State and local standards and specifications. Franchisee shall notify the Director no later than seven days after such restoration work is completed in order to allow verification of the new monument by the City.

Section 10. Work by Others; Adjacent Property Owners.

- 10.1 City and Other Utilities.** The City reserves the right to lay and permit to be laid sewer, drainage, gas, water, electrical, telecommunications, video service and other pipe lines, cables and conduits, and to do and permit to be done any underground and overhead work, and any attachment, restructuring or changes in aerial facilities that the City requires in, across, along, over or under any Rights-of-Way occupied by Franchisee, and to change any curb or sidewalk or the grade of any street. The City also reserves the right to lay, construct, erect, install, use, operate, repair, remove, relocate, re-grade, widen, realign or maintain any public roads or any surfaces or subsurface improvements. In allowing work to be performed, the City shall not be liable to Franchisee for any damages, except those caused by the willful misconduct or negligence of the City; provided, however, nothing herein shall relieve any other person or entity, including any contractor, subcontractor or agent of the City, from liability for damages to Franchisee.
- 10.2 Adjacent Property Owners' Use.** If the City authorizes an adjacent landowner to occupy space under the surface of any Rights-of-Way, such grant to the landowner shall be subject to the rights herein granted to Franchisee.

Section 11. Undergrounding of Facilities.

Franchisee acknowledges that the City desires to promote a policy of undergrounding of Facilities within the Franchise Area. Franchisee shall comply with the City's Undergrounding Ordinance (LVMC Chapter 13.52) and shall cooperate and participate with the City in the formulation of policy and development of an underground management plan with respect to any of Franchisee's Facilities in the City.

Section 12. Relocation of Facilities.

- 12.1 Removal or Relocation Required.** Subject to Franchisee's rights under this Agreement, including Section 13 below, upon written notice from the City, Franchisee shall, at its own expense, remove, relocate or reconstruct any portion of its Facilities as may be reasonably necessary to accommodate the rights reserved by the City herein.
- 12.2 Permits.** Franchisee shall obtain a permit as required by Section 9.1 above prior to removing, relocating or reconstructing any Facilities as required herein. To the extent that removal, relocation or reconstruction is required by the City for a Public Improvement project, the City shall waive the permit fee.
- 12.3 Notice to Relocate; Scheduling of Work.**

- (A) Upon initiation of a new Public Improvement project (the "Project"), the City shall notify Franchisee in a timely manner of the general scope of the Project and the general requirement to remove, relocate or reconstruct its Facilities. Within 30 days after receiving the 30% design phase plans, Franchisee shall identify all known utilities on the plans and provide supporting documentation for any prior-rights claims subject to Section 13 below.
- (B) At the 70% design phase, the City shall provide Franchisee with plans for the project, including but not limited to applicable current and future grades, channel and storm drainage, current and future utility locations and depths, trails, bridges, walls, and other designs and construction plans for the Project. Within 30 days after receiving the 70% design phase plans, Franchisee shall meet with the City and establish a time schedule (the "Schedule"), mutually agreeable to the parties and reasonable in the circumstances, given the nature and scope of the work required for removal, relocation or reconstruction of said Facilities and based on standard practices in the construction industry. The City shall reduce the Schedule to writing and shall provide Franchisee with a copy thereof.
- (C) Upon completing the 90% design phase, the City shall notify Franchisee of the requirement to commence removal, relocation or reconstruction of its Facilities (the "Notice"). Franchisee shall complete all removal, relocation and reconstruction work required by this Section 12 as soon as is reasonably possible, but in any event no later than four months after receiving the Notice, unless the Director, in his or her reasonable discretion, determines that a longer Schedule is required.
- (D) If Franchisee identifies a recommended location for its relocated Facilities within the Rights-of-Way, the Director shall provide that location or a reasonable alternate location within the Rights-of-Way, if sufficient space is available.

12.4 Revisions in Scope of Work; Extensions of Time. If, following the delivery of the Plans for a Project in equivalent to 100% of final design, there is a substantial change in the scope of the removal, relocation or reconstruction work related to the Project, or other circumstances beyond the control and without the fault or negligence of Franchisee, including but not limited to changes in elevation or changes affecting Rights-of-Way alignment and widths of alignment, the City shall notify Franchisee of the substantial changes within 14 days of such substantial change. Based on the substantial changes, Franchisee may seek an extension of the Schedule by written application submitted to the Director along with relevant supporting information. The Director shall grant such request if he or she determines additional time is required due to circumstances beyond the control and without the fault or negligence of Franchisee, such as: (a) changes or revisions in the Plans which alter Franchisee's work subsequent to delivery of the

Plans; (b) changes in required equipment or supplies or the delays in the delivery of such equipment and supplies; (c) changes in the scope of the work that must be completed by Franchisee; (d) failure by others to timely complete work that must be completed as a pre-condition for Franchisee to complete its work; (e) inability to use Rights-of-Way or to secure necessary Easements for the relocated Facilities; and (f) interference by others with Franchisee's work. If the request for extension of time is denied, Franchisee may appeal the denial to the City Council by giving written notice to the City Manager within 14 days from the receipt of the Director's notice of denial. The decision of the City Council shall be final.

- 12.5 Emergency Relocation, Costs and Contact Number.** If an emergency posing a threat to public safety or welfare requires the relocation of Franchisee's Facilities, the City shall give Franchisee notice of the emergency as soon as reasonably practicable. Upon receipt of such notice from the City, Franchisee shall, at its own expense, respond as soon as reasonably practicable to relocate the affected Facilities. Franchisee shall at all times keep the City informed of Franchisee's contact persons for emergencies and their telephone numbers where they can be reached 24 hours a day.
- 12.6 Relocation Upon Third Party Request.** The City shall not require Franchisee to relocate any of Franchisee's Facilities for the benefit of a third party other than the Las Vegas Valley Water District, the City's Sanitation District, or any other entity governed by the City Council, or in an unreasonable or arbitrary manner; provided that the City may require Franchisee to relocate Franchisee's Facilities pursuant to interlocal agreements with other governmental entities for purposes of projects that have direct benefits to the City or any third party specified in this Section 12.6. The City and Franchisee shall cooperate on the planning for the relocation and selection of a new location for any Facilities to reasonably minimize the costs of such relocation.
- 12.7 Costs of Relocation at Third-Party's Request.** Whenever any third party other than a governmental entity or agency covered by Section 12.6 above (hereafter referred to as a "Non-Governmental Third Party" in this subsection) requires the relocation of Franchisee's Facilities to accommodate work of the Non-Governmental Third Party within the Franchise Area, Franchisee shall have the right as a condition of any such relocation to require payment by the Non-Governmental Third Party to Franchisee, at times and upon terms acceptable to Franchisee, for any and all costs and expenses incurred by Franchisee in the relocation of its Facilities. This Section 12.7 shall apply to any request by the City on behalf of or for the benefit of a Non-Governmental Third Party, including but not limited to any condition or requirement imposed by the City pursuant to any contract or in conjunction with approvals or permits obtained pursuant to any zoning, land use, construction or other development regulation.
- 12.8 Removal by City; Damages.** If Franchisee fails to remove or relocate its Facilities as required by this Section 12, the City may remove or relocate such Facilities and

charge the cost of removal or relocation to Franchisee. The City shall not be held liable for any losses or damages resulting from the City's removal or relocation of such Facilities. In addition to any other remedy for damages provided in this Agreement, the City may recover from Franchisee actual third-party damages incurred by the City if Franchisee fails to complete the reconstruction, removal or relocation of its Facilities within the Schedule established pursuant to Section 12.3 above.

12.9 Cooperation. The City and Franchisee will cooperate whenever possible on the planning for the relocation and selection of a new location for any of Franchisee's Facilities to minimize the cost of such relocation.

12.10 State Contributions Not Affected. Nothing in this Agreement shall be construed to prohibit or restrict payment to Franchisee from the State of Nevada from Federal funds for relocation of any portion of Franchisee's Gas Distribution System pursuant to the provisions of NRS 408.407.

Section 13. Franchisee's Prior Rights.

13.1 Relocation Costs. Notwithstanding any other provision of this Agreement to the contrary, if the City requires Franchisee to relocate any Facilities that are located in the Rights-of-Way and (a) Franchisee holds an Easement on which such Facilities are located, including but not limited to an Easement or a patent for utility use granted by the United States Bureau of Land Management, or (b) the Facilities were installed in such location prior to the time at which such location was dedicated to or otherwise acquired by the City as Rights-of-Way, the City shall be responsible for Franchisee's actual costs of relocating such Facilities pursuant to Section 12 above. Franchisee shall not be required to relocate such Facilities until such time as the City Council has approved the expenditures for such relocation, and the City shall pay Franchisee's actual costs of relocation no later than 60 days after receipt of Franchisee's invoice for such costs.

13.2 Replacement Easements. If the City requires Franchisee to relocate any Facilities that are located in the Rights-of-Way on an Easement held by Franchisee, the City shall grant Franchisee a replacement Easement within the Rights-of-Way or acquire on Franchisee's behalf a replacement Easement outside the Rights-of-Way if there is not space within the Rights-of-Way for relocation. If the Facilities are not located on an Easement held by Franchisee but Franchisee has prior rights pursuant to clause (b) in Section 13.1 above, the City shall not be required to grant or acquire a replacement Easement on behalf of Franchisee as a condition of Franchisee's relocation pursuant to this Section 13. If, at the City's request, Franchisee relinquishes an Easement it holds in the Rights-of-Way which does not have Franchisee's Facilities located thereon, Franchisee shall not be required to relinquish such Easement until the City has either granted Franchisee an acceptable replacement Easement within the Rights-of-Way or has compensated Franchisee the fair market value for its Easement. All other provisions of Section

12 above shall apply to Franchisee's work in performing the relocation of any Facilities covered by this Section 13.

Section 14. Coordination of Excavations.

Franchisee and the City shall make reasonable, good faith efforts to coordinate any construction work that either may undertake in the Rights-of-Way so as to promote the orderly and expeditious performance and completion of such work as a whole. Such efforts shall include, at a minimum, reasonable and diligent efforts to keep the other party and other utilities within the Franchise Area informed of its intent to undertake such construction work. Franchisee and the City shall exercise reasonable efforts to minimize any delay or hindrance to any construction work undertaken by the other party or other utilities in the Rights-of-Way.

Section 15. Noncompliant or Unused Facilities; Correction, Removal or Abandonment.

15.1 Noncompliant Facilities. If Franchisee installs any Facilities in the Rights-of-Way without complying with the terms of this Agreement, the Director may: (a) allow Franchisee to maintain such Facilities in the Rights-of-Way by correcting any noncompliance issues with regard to their installation; (b) require such Facilities to be removed; or (c) require such Facilities to be abandoned in place. If the Director requires the removal or abandonment of noncompliant Facilities, Franchisee shall, no later than six months after receiving notice requiring the removal or abandonment, and subject to standard permitting requirements, complete such removal or abandonment. If the Director does not require noncompliant Facilities to be abandoned, Franchisee shall be required to pay all applicable permit fees for such Facilities in accordance with the City's standard fee schedules in effect at such time as Franchisee corrects its noncompliance or removes such Facilities; provided that such fee requirements apply only to permit fees applicable to construction work in the Rights-of-Way. This subsection does not create, or authorize the Director to establish, any new linear-foot or other Rights-of-Way occupancy fee for Franchisee's Facilities.

15.2 Unused Facilities. If any of Franchisee's Facilities in the Rights-of-Way are no longer used or usable by Franchisee in providing Gas Service, Franchisee shall, no later than 30 days after such Facilities become unused or unusable, notify the Director in writing that Franchisee will no longer use the Facilities.

15.3 Restoration. Franchisee shall promptly restore all Rights-of-Way from which Facilities have been removed pursuant to this Section 15 in accordance with Section 9.13 above.

Section 16. Business License; License Fees and Franchise Fees.

Franchisee shall at all times maintain a valid, unexpired Business License and pay all applicable Business License fees in accordance with the City Code. If the Business License fee provisions of the City Code relative to Franchisee are, at any time and for any reason, repealed or

determined to be invalid or unenforceable, Franchisee shall pay the City a Franchise fee in lieu of a Business License fee as compensation for its use of the Rights-of-Way, which shall be 5% of Franchisee's Gross Revenue as defined in this Agreement. All fees paid by Franchisee pursuant to this Section 16, whether designated as Business License or Franchise fees, shall be collected from Franchisee's customers, including all collections from governmental entities of the State which receive Gas Service in the Franchise Area, as provided in NRS 354.59887 (as amended) and Chapter 6.67 of the City Code (as amended).

Section 17. Conflicts between City Code and Agreement.

The provisions of this Agreement and the City Code are intended to be and shall be construed, to the maximum extent possible, to be consistent with and/or supplemental to each other. In the event of any irreconcilable conflict between any provisions of this Agreement and the Code, the Code provisions shall control, provided that Franchisee receives notice and an opportunity to be heard. Franchisee reserves all of its rights to participate in the process of any future City Code amendments that may affect this Agreement and the right to challenge the legality of any City Code provisions on the grounds that such amendments were adopted in violation of applicable laws. No amendment or City Council action shall be effective if it attempts to change the term of this Agreement specified in Section 2 above without Franchisee's consent.

Section 18. Public Records.

Franchisee acknowledges that information submitted to the City is open to public inspection and copying under Nevada Public Records Law, Chapter 239 of the NRS. Franchisee reserves all of its rights to take legal action to prevent the public disclosure of such information pursuant to the Public Records Law or other applicable laws.

Section 19. Records of Installation and Planning.

19.1 Potential New Facilities. Upon the City's reasonable request, Franchisee shall provide to the City copies of any plans prepared by Franchisee for potential improvements, relocations and conversions of its Facilities within the Franchise Area. Any such plans so submitted shall be for informational purposes only and shall not obligate Franchisee to undertake any new Facilities in the Franchise Area.

19.2 "As-Built" Drawings. Upon reasonable notice, the City may inspect Franchisee's drawings and maps at Franchisee's offices in the Las Vegas Valley area. At no cost to the City, Franchisee shall supply the City with a set of "as-built" drawings of its Facilities related to Public Improvement projects. The drawings shall be submitted in the best available format which Franchisee is currently using at the time of the City's request and shall be delivered in both paper and electronic forms, if available to Franchisee. Such additional drawings remain the property of Franchisee and are to be held confidential for public safety and security concerns, are for the internal use of the City, and shall not be provided to third

parties unless the third party is working for the City on related matters and the third party signs a confidentiality and non-disclosure agreement, subject to the requirements of public records disclosure laws.

19.3 Location Drawings. Upon the City's request, Franchisee shall provide to the City copies of available drawings in use by Franchisee showing the location of its Facilities at specific locations within the Franchise Area. As to any such drawings so provided, Franchisee does not warrant the accuracy thereof and, to the extent the locations of Facilities are shown, such Facilities are shown in their approximate location.

19.4 Public Improvement Projects. Upon the City's request, in connection with the design of any Public Improvement project, Franchisee shall verify the location of its underground Facilities in the Franchise Area in accordance with the requirements of applicable law, and Franchisee may, in the City's discretion, excavate (e.g. pothole) to locate such Facilities, at no expense to the City, except where required by PUC tariffs. If Franchisee performs such excavation, the City shall not require any restoration of the disturbed area in excess of restoration to the same condition as existed immediately prior to the excavation.

19.5 Use of Drawings. Any drawings or information concerning the location of Franchisee's Facilities provided by Franchisee shall be used by the City solely for management of the Franchise Area, exercising due care for Franchisee's safety and security concerns.

19.6 Disclosure of Location of Utility Facilities. Notwithstanding the foregoing, nothing in this Section 19 shall be construed to relieve either party of its obligations arising under applicable law with respect to determining the location of utility facilities.

Section 20. Right of Acquisition of Facilities.

This Agreement shall in no way impair or affect the right of the City to acquire the property of Franchisee, either by purchase or through the exercise of eminent domain, and nothing herein contained shall be construed to contract away, modify or abridge the City's right to exercise the power of eminent domain.

Section 21. Transfers and Assignments.

The following conditions shall apply for any Transfer or Assignment of this Agreement or Franchisee's Facilities:

- (A) Franchisee shall give written notice to the City of its intent to sell, transfer, assign, lease or otherwise dispose of, in whole or in part, voluntary or involuntary, any of the rights, privileges, permission or authority granted pursuant to the provisions of this Agreement.

- (B) The intended buyer, transferee, assignee or lessee must hold a valid, unexpired City Business License and furnish the same information required of other franchise applicants pursuant to the City Charter and City Code.
- (C) If Franchisee holds a certificate of convenience and necessity issued by the PUC, and a transfer of such certificate has been approved by the PUC, this Agreement may be transferred or assigned to the same person to whom such certificate was transferred by the PUC without the prior approval of the City, provided that: (1) the transferee must obtain a valid City Business License within 30 days of the transfer by the PUC; and (2) Franchisee and its transferee must provide a notarized document to the City acknowledging a Transfer or Assignment for purposes of this Agreement and the assumption by the transferee of all terms and conditions of this Agreement, including all obligations and defaults under this Agreement occurring prior to the Transfer or Assignment (whether known or unknown), signed by Franchisee's and its transferee's duly authorized officers, on a form approved by the City Manager.

Section 22. Default; Liquidated Damages, Revocation and Other Remedies.

- 22.1 **In General.** Except for causes beyond the reasonable control of Franchisee, if Franchisee fails to comply with any of the conditions and obligations imposed hereunder, the City shall deliver to Franchisee a reasonably detailed written notice describing the default on the part of Franchisee. If Franchisee fails to correct such default within 30 days or such other period as may be applicable pursuant to Section 22.2 below, the City shall have the right to assess liquidated damages pursuant to Section 22.3 below or to revoke this Franchise pursuant to Section 22.4 below.
- 22.2 **Conditions Beyond Franchisee's Reasonable Control.** If the nature of a violation is such that it cannot be fully cured within 30 days, the period of time for Franchisee to cure the violation shall be extended for such additional time as is reasonably necessary to complete the cure, provided that Franchisee promptly begins its efforts to cure and diligently pursues such efforts to cure.
- 22.3 **Liquidated Damages.** If a violation has not been cured within the time allowed under this Section 22, Franchisee shall be liable for liquidated damages as follows:
 - (A) Failure to comply with the requirements of the City Code, the provisions of this Agreement, or any valid construction permits concerning Franchisee's usage of the City's Rights-of-Way, resulting in actual impediments to use of the Rights-of-Way for construction work, vehicular traffic, pedestrian traffic or other lawful uses, including but not limited to failure to complete any removal, relocation or reconstruction of Franchisee's Facilities within the time limits specified by Section 12

above: Five Hundred Dollars (\$500.00) per day for each day such failure continues.

- (B) Failure to comply with any other provisions of this Agreement, including but not limited to failure to promptly provide data, documents, reports or information to the City, or to provide insurance or security for the performance of Franchisee's obligations hereunder: Two Hundred and Fifty Dollars (\$250.00) per day for each day such failure continues.

22.4 Revocation. After providing notice and an opportunity for Franchisee to be heard, and a reasonable opportunity to cure any default pursuant to Sections 22.1 and 22.2 above, the City Council may terminate this Agreement if it determines that Franchisee:

- (A) Has not maintained the insurance required by Section 24 below;
- (B) Has not maintained the security required by Section 25 below;
- (C) Has failed to pay any Business License fees due under the City Code;
- (D) No longer holds a Business License;
- (E) No longer holds a certificate of public convenience and necessity from the Nevada Public Utilities Commission, or any successor agency, if such certificate is required by State law;
- (F) Has used a contractor that is not licensed by the State Contractors Board, or any successor agency, in performing any of its construction, installation or maintenance services on Franchisee's Facilities; or
- (G) Has substantially failed to comply with the terms and conditions of this Agreement.

22.5 Nonexclusive Remedies. No provision in this Agreement made for the purpose of securing enforcement of the terms and conditions of this Agreement shall be deemed an exclusive remedy or to afford the exclusive procedure for the enforcement of said terms and conditions, but the remedies herein provided are deemed to be cumulative.

22.6 Waiver. Each party reserves its rights to waive any specific breach of the terms and conditions imposed by this Agreement, and such waiver shall not be deemed to be continuous with respect to any future breaches on the part of the other party.

22.7 Denial of Permits. When in default of this Agreement, Franchisee may be denied further encroachment, excavation or similar permits until such time as Franchisee comes in compliance.

Section 23. Indemnification.

- 23.1 In General.** To the maximum extent permitted by law, Franchisee, for itself and its agents, employees and subcontractors, and the agents and employees of any subcontractors, shall, at all times and its own expense, indemnify, hold harmless and defend the City and any of its elected or appointed officers and employees from all claims, demands, actions, damages, decrees, judgments, attorney fees, costs and expenses which the City or such elected or appointed officers or employees may suffer, or which may be recovered from or obtainable against the City or such elected or appointed officers or employees as a result of or arising out of the installation, use or maintenance by Franchisee of its Gas Distribution System, or the exercise by Franchisee of any of the rights, privileges, permission and authority conferred herein, or as a result of any alleged act or omission on the part of Franchisee in performing or failing to perform any of its obligations under this Agreement. Franchisee shall not be liable and shall not be required to indemnify or hold harmless the City for any damages caused by the negligence or intentional misconduct of any agents, servants or employees of the City.
- 23.2 Liability Not Limited.** The amounts and types of required insurance coverage and security for performance specified in Sections 24 and 25 below shall in no way be construed as limiting the scope of indemnity or liability set forth in this Section 23.
- 23.3 No Recourse for City's Enforcement Actions.** Franchisee shall have no recourse whatsoever against the City for any loss, cost, expense or damage arising out of the enforcement or lack of enforcement of any provision or requirement of any agreements with third parties concerning such parties' use of the Rights-of-Way.
- 23.4 Untimely Relocation of Facilities.** Franchisee shall indemnify, hold harmless and defend the City and its elected or appointed officers and employees from claims for damages asserted by third parties against the City, including but not limited to costs, expenses, fees and the actual amount of damage asserted by third parties, arising from delays of construction, removal or relocation work of Franchisee beyond the time period provided for completion of such work by this Agreement, unless such delays are caused by the negligence or intentional misconduct of the City, its employees, or its elected or appointed officials.
- 23.5 Notice and Termination of Claim.** If a claim covered by this Section 23 is received first by the City, the City shall promptly notify Franchisee of such claim. The parties will fully cooperate with each other in defense of such claim. The City shall not settle or otherwise compromise such claim without Franchisee's written consent. Any claim against the City that is settled or compromised by Franchisee shall contain written provisions in such settlement or compromise terminating with prejudice such claim against the City.

23.6 Procedures. The following procedures shall apply to all claims for indemnification under this Section 23:

- (A) If the City receives notice of or has actual knowledge of a claim that it believes is covered by this Section 23, it shall by writing as soon as practicable:
 - (1) Inform Franchisee of such claim;
 - (2) Send to Franchisee a copy of all written materials the City has received asserting such claim; and
 - (3) Notify Franchisee that either the defense of such claim is being tendered to Franchisee or the City has elected to conduct its own defense for a reason set forth in Section 23.6(E) below.
- (B) If the insurer under any applicable insurance policy accepts tender of defense, Franchisee and the City shall cooperate in the defense as required by the insurance policy. If no defense is provided by insurers under potentially applicable insurance policies, then Sections 23.6(C), (D), (E) and (F) below shall apply.
- (C) If the defense is tendered to Franchisee, it shall, within 45 days of said tender, deliver to the City a written notice stating that Franchisee:
 - (1) Accepts the tender of defense and confirms that the claims are subject to full indemnification hereunder without any “reservation of rights” to deny or disclaim full indemnification thereafter;
 - (2) Accepts the tender of defense but with a “reservation of rights” in whole or in part; or
 - (3) Rejects the tender of defense if it reasonably determines it is not required to indemnify against the claim under this Section 23.

If such notice is not delivered within 45 days, the tender of defense shall be deemed rejected.

- (D) If the City gives notice that a claim is being tendered to Franchisee under Section 23.6(A)(3) above, Franchisee shall have the right to select legal counsel for the City, and Franchisee shall otherwise control the defense of such claims, including settlement, and bear the fees and costs of defending and settling such claims. During such defense:

- (1) Franchisee shall, at its own expense, fully and regularly inform the City of the progress of the defense and of any settlement discussions; and
 - (2) The City shall, at Franchisee's expense: (a) fully cooperate in said defense; (b) provide to Franchisee all materials and access to personnel it requests as necessary for defense, preparation and trial and which or who are under the control of or reasonably available to the City; and (c) maintain the confidentiality of all communications between it and Franchisee concerning such defense.
- (E) The City shall be entitled to select its own legal counsel and otherwise control the defense of such claims if:
- (1) The defense is tendered to Franchisee, and it refuses such tender, fails to accept such tender within 45 days, or reserves any right to deny or disclaim such full indemnification thereafter; or
 - (2) The City at any time reasonably determines that: (a) a conflict exists between it and Franchisee which prevents or potentially prevents Franchisee from presenting a full and effective defense; (b) Franchisee is otherwise not providing an effective defense in connection with the claims; or (c) Franchisee lacks the financial capacity to satisfy potential liability or to provide an effective defense.
 - (3) The City may assume its own defense pursuant to this Section 23.6(E) by delivering to Franchisee written notice of such election and the reasons therefor. A refusal of or failure to accept a tender of defense may be treated by the City as a claim against Franchisee.
- (F) If the City is entitled and elects to conduct its own defense pursuant hereto:
- (1) All reasonable costs and expenses it incurs in investigating and defending claims for which it is entitled to indemnification hereunder shall be reimbursed by Franchisee; and
 - (2) The City shall have the right to settle or compromise any claims with Franchisee's prior written consent, which shall not be unreasonably withheld or delayed, or with approval of the court, and with the full benefit of Franchisee's indemnity.

Section 24. Insurance.

24.1 General Requirements and Policy Limits. Franchisee shall at all times maintain insurance against all claims for injuries to persons or damages to property which may arise from or in connection with the exercise of the rights, privileges and authority granted hereunder to Franchisee, its agents, representatives or employees. Franchisee shall provide evidence of an insurance certificate, together with an endorsement naming the City and its elected and appointed officers and employees as additional insureds, to the City for its inspection prior to the commencement of any work or installation of any Facilities pursuant to this Agreement or not later than 10 days after approval of this Agreement by the City Council, whichever comes sooner, and such insurance certificate shall evidence the following minimum coverages:

- (A) General liability insurance, with minimum limits of Five Million Dollars (\$5,000,000.00) per occurrence, which includes coverage for products liability, completed operations, blanket contractual liability and broad form property damage, including but not limited to coverage for explosion, collapse and underground hazard;
- (B) Automobile liability insurance, with a minimum combined single limit occurrence of Five Million Dollars (\$5,000,000.00), and which includes coverage for non-owned and hired automobile liability. Automobile liability insurance may be included as part of the general liability insurance; and
- (C) Workers' compensation insurance in accordance with NRS Chapters 616A, 616B, 616C, 616D and 617.

24.2 Primary Insurance; Umbrella Policy. The minimum limits may be provided for through primary, general liability and automobile liability insurance policies or through the addition of an umbrella policy written in excess of such liability policies.

24.3 Certificate of Insurance. Any certificate of insurance required by this Section 24 shall provide as follows:

“The described policies and coverages in this certificate will not be canceled or modified before the expiration date thereof, without the issuing company giving 60 days written notice to the certificate holder and those named as additional insureds.”

In the event of such cancellation or modification, Franchisee shall obtain and furnish to the City evidence of replacement insurance policies meeting the requirements of this Section 24 by the cancellation or modification date.

24.4 Form of Policies. Franchisee's insurance shall be provided by "occurrence", not "claims made," policies, unless the City, in its discretion, agrees to accept a claims-made policy. If insurance coverage is provided by a claims-made policy, Franchisee shall provide proof of coverage for "prior acts" and proof of coverage for claims reported within two years of any occurrence.

24.5 Policy Limit Increases. The insurance policy limits required by this Section 24 shall be adjusted after the Effective Date based upon the percentage of change in the CPI-U. Policy limit changes shall be effective as of March 1 following the fifth and tenth anniversary dates of this Agreement, and shall be based upon the percentage change in the CPI-U for the preceding five calendar years, provided that any change in policy limits shall be rounded to the nearest \$250,000.

24.6 State Requirements. All primary and excess insurance obtained for meeting the requirements of this Section 24 must be provided in compliance with NRS Title 57, and any commercial insurance carrier providing any required coverage must have an A.M. Best rating of A-VII or higher.

Section 25. Security for Performance.

25.1 General Requirements. Franchisee shall at all times, as security for compliance with the terms of this Agreement and the City Code, provide security to the City in the form of either cash deposited with the City Manager, or an irrevocable pledge of certificate of deposit, an irrevocable letter of credit, or a performance bond, payable in each instance to the City in an amount of Five Hundred Thousand Dollars (\$500,000.00), any or all of which may be claimed by the City as payment for fees, liquidated damages and penalties, and to recover losses resulting to the City from Franchisee's failure to perform its duties pursuant to this Agreement.

25.2 Bond Requirements. If bonds are used to satisfy these security requirements, they shall be in accordance with the following:

- (A) All bonds shall, in addition to all other costs, provide for payment of reasonable attorneys' fees.
- (B) All bonds shall be issued by a surety company authorized to do business in the State of Nevada, and which is listed in the U.S. Department of the Treasury Fiscal Service (Department Circular 570, Current Revision): companies holding certificates of authority as acceptable sureties on federal bonds and as acceptable reinsuring companies.
- (C) Franchisee shall require the attorney-in-fact who executes the bonds on behalf of the surety to affix thereto a certified and current copy of his or her power of attorney.

(D) All bonds shall guarantee the performance of all of Franchisee's obligations under this Agreement and all applicable laws.

25.3 Replenishing Security. If at any time the City draws upon the security required by this Section 25, Franchisee shall, within 30 days of notice from the City, replenish such security to the original minimum amount required above.

25.4 Security Amount Increases. The security amount required by this Section 25 shall be adjusted after the Effective Date based upon the percentage of change in the CPI-U. Security amount changes shall be effective as of March 1 following the fifth and tenth anniversary dates of this Agreement and shall be based upon the percentage change in the CPI-U for the preceding five calendar years, provided that any change in amounts shall be rounded to the nearest \$100,000.

Section 26. Books and Records; Gross Revenue Reports; Inspections and Audits.

26.1 Record Keeping and Retention. Franchisee shall at all times maintain complete and accurate books of account and records regarding Franchisee and the operation of its Gas Distribution System, including but not limited to charts of accounts, account summary detail, books of account, and records adequate to enable Franchisee to demonstrate that it has been in compliance its obligations under this Agreement. Franchisee shall maintain all records required in order to monitor Franchisee's compliance in paying Business License fees or franchise fees for a period of at least five years.

26.2 Gross Revenue Reports. Franchisee shall submit quarterly reports of its Gross Revenue in such form as may be agreed to by City and Franchisee. Franchisee agrees to cooperate with the City to develop such reporting forms in formats that will provide the City with useful information regarding gas usage and revenue trends and patterns, and that do not require Franchisee to incur an unreasonable level of expenses to develop and implement.

26.3 Records Request by City. Franchisee shall provide records within 15 business days of a request by the City for production of the same unless the City, in its reasonable discretion, agrees to additional time. If any person other than Franchisee maintains records on Franchisee's behalf, Franchisee shall be responsible for making such records available to the City for auditing purposes pursuant to this Section 26.

26.4 Inspections and Audits. After giving reasonable advance notice of not less than 15 days, the City shall have the right to inspect, copy and audit the following at any time during normal business hours at Franchisee's office in the Las Vegas Valley area: all books, receipts, as-built maps, financial statements, contracts, records of requests for service, computer records, legends or any other records used in the normal course of business, and disks or other storage media and other like material which are appropriate in order to monitor compliance with the terms

of this Agreement. This includes not only the books and records of Franchisee, but any of its Affiliates' books and records, upon a showing by the City that such Affiliates' records are necessary to monitor compliance with this Agreement. Franchisee shall not deny the City access to records covered by this Section 26 for any reason, including alleged proprietary information. Franchisee is responsible for collecting the information and producing it at the location specified above. Franchisee may request that the inspection take place at some other location, provided that Franchisee shall: (a) make necessary arrangements for copying documents selected by the City after review; and (b) pay all travel and additional copying expenses incurred by the City in inspecting those documents, or having those documents inspected by its designee, at a location outside the Las Vegas Valley area.

26.5 Audit Findings and Expenses. The City's audit expenses shall be borne by the City unless the audit discloses an underpayment in excess of 5% of the amount paid during the audit period, in which case the costs of the audit shall be borne by Franchisee as a cost incidental to the enforcement of this Agreement. The City may recompute any amounts determined to be payable under this Agreement based on this audit findings. Any additional amount due to the City shall be paid within 30 days following written notice to Franchisee by the City, and such delinquent amount shall be subject to a penalty of 2% simple interest per month on the unpaid balance, computed from the date the fees were due. Penalties and interest shall not be included in the determination of responsibility for audit costs.

26.6 Request for Additional Information. The City may require such additional information, records and documents from Franchisee from time to time as are appropriate and reasonable in order to monitor compliance with the terms of this Agreement.

Section 27. Severability.

If any provision of this Agreement is for any reason determined to be invalid or unenforceable, such provision shall be deemed a separate, distinct and independent provision, and such determination shall not affect the validity or enforceability of the remaining provisions hereof, which shall continue in full force and effect. With respect to any provision of this Agreement determined to be invalid or unenforceable, the parties shall promptly use their best reasonable efforts to negotiate an amendment to this Agreement that is valid and enforceable and that is consistent with the parties' original intent. The City hereby declares that it would have approved this Agreement and each provision hereof irrespective of any provision being declared invalid or unenforceable.

Section 28. No Third Party Beneficiary.

It is not intended by any of the provisions of this Agreement to create for the public, or any member thereof, a third-party beneficiary right or remedy, or to authorize anyone to maintain a suit for personal injuries or property damage pursuant to the provisions of this Agreement. The

duties, obligations and responsibilities of the City with respect to third parties shall remain as imposed by Nevada law.

Section 29. Effect of Compliance Inspections.

Any inspections or subsequent approvals undertaken by the City pursuant to this Agreement are undertaken solely to ensure compliance with this Agreement and are not undertaken for the safety or other benefit of any individual or group of individuals as members of the public. Provisions of the City Code dealing with inspection or approval by the City do not expand the City's general law duties, nor does any inspection or approval by the City reduce or eliminate any liability of Franchisee.

Section 30. Notices.

Any notice required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or delivered by certified mail, return receipt requested, and deposited in the U.S. mail, postage prepaid. Such notice shall be deemed received on the earlier of the date of actual receipt or three days after mailing, and shall be directed to the parties at their respective addresses shown below, or such other addresses as either party may from time to time specify in writing to the other party, in the manner described above.

Section 31. Force Majeure.

The time within which Franchisee shall be required to perform any act under this Agreement shall be extended by a period of time equal to the number of days performance is delayed due to force majeure, and Franchisee shall not be subject to any penalty hereunder

because of acts or failure to act due to force majeure. The term force majeure shall mean delays due to acts of God, fire, unavoidable casualty, construction delays due to weather, failure of suppliers, or for other similar causes beyond the control of Franchisee, but does not include civil disturbances.

Section 32. Construction of Agreement.

Section 33. Governing Law; Jurisdiction; Attorney's Fees.

Section 34. Binding Effect.

All of the rights and obligations under this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assigns.

Section 35. Compliance with Federal, State and Local Laws; PUC Tariffs.

Franchisee shall at all times comply with all applicable federal, state and local laws, rules and regulations, including all ordinances, rules or regulations adopted in the future by the City, provided that this Agreement does not abrogate or modify the parties' responsibilities to comply with applicable PUC tariffs with respect to services provided by Franchisee to the City.

Section 36. Survival of Provisions.

All provisions, conditions and requirements of this Agreement that may be reasonably construed to survive the termination or expiration of this Agreement shall survive such termination or expiration, including but not limited to all of Franchisee's indemnification obligations under Section 23 above.

Section 37. Time of the Essence.

The parties agree that time is of the essence with regard to the performance of Franchisee's obligations under this Agreement.

Section 38. Complete Agreement; Modification.

This Agreement constitutes the entire agreement of the parties with regard to the matters contained herein and supersedes all prior representations, understandings and agreements between the parties concerning Franchisee's Gas Distribution System in the City, except as expressly referenced herein or as may exist solely in the City's capacity as a Gas Service customer of Franchisee. This Agreement shall not be modified unless such modification is in writing and signed by an authorized representative of the party against whom such modification is sought to be enforced.

Section 39. Additional Representations and Warranties.

In addition to any other representations, warranties and covenants of Franchisee to the City set forth herein, Franchisee represents and warrants to the City and agrees (which representations, warranties and agreements shall not be affected or waived by any inspection or examinations made by or on behalf of the City) that as of the Effective Date:

Dept./Division:

PURPOSE/BACKGROUND:

This bill will allow the expansion, enlargement or alteration of certain nonconforming sexually oriented businesses located within the Downtown Centennial Plan Area. The bill will affect only a few existing businesses categorized as “nude shows” under the zoning regulations, allowing them to expand or rebuild in a manner consistent with such uses in other areas of the City. The ability to expand or rebuild will be circumscribed by the development constraints applicable to the existing parcels on which these uses are located.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

Minutes:

COUNCILMAN BARLOW declared the Public Hearing open.

MARGO WHEELER, Director of Planning and Development, explained that this bill would allow non-conforming uses to expand and or fully rebuild the existing structure as part of a public hearing of the site development plan review process with the required parking on the existing lot. The Planning Commission and staff recommended approval.

RECOMMENDING COMMITTEE MEETING OF: NOVEMBER 30, 2010

COUNCILMAN BARLOW affirmed that these existing businesses can be demolished and rebuild as long as it exists on the identical parcel and the site plan must be reviewed at a public hearing by the Planning Commission and City Council.

CHIEF DEPUTY CITY ATTORNEY STEED added that the absolute prohibition is removed in terms of an expansion of a non-conforming use; the applicant still needs to provide a site development plan review at a public hearing and the City Council has the discretion to approve or deny the site plan.

ATTORNEY JAY BROWN, 520 South Fourth Street, appeared on behalf of Olympic Gardens.

COUNCILMAN BARLOW declared the Public Hearing closed.

Summary: Allows under limited circumstances the expansion, enlargement or alteration of certain nonconforming sexually oriented businesses located within the Downtown Centennial Plan Area.

THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN
AS FOLLOWS:

SECTION 1: Ordinance No. 6114 and Table 2 of the Land Use Tables adopted in Title 19, Chapter 4, Section 10, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, are hereby amended by amending the entry for the use "Sexually Oriented Business," as found in the "Recreational, Entertainment and Amusement" element of Table 2, so that the Conditional Use Regulations applicable to the use read as follows:

In addition, no person shall cause or permit the establishment of any sexually oriented business within 1000 feet of any other sexually oriented business, church, public or private school, day care, teen dance center, park or playground. The distance shall be the shortest distance between two property lines, one being the property line of the proposed sexually oriented business which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed sexually oriented business. The distance shall be measured in a straight line without regard to intervening obstacles. For purposes of this paragraph, the term "property line" refers to property lines of fee interest parcels and not leasehold parcels.
2. Except as otherwise provided in Regulations 4, 5 and 6, [The] the "establishment" of a sexually oriented business includes the opening of such business as a new business, the

1 relocation of such business, the enlargement of such business in either scope or area or the

7 of Ordinance 3674 shall be permitted to remain in operation. [provided, however, that:]

8 However, except as otherwise provided in Regulation 6:

9 a. No such business may be increased, enlarged, extended or altered, except to change the
10 use to a conforming use; and

11 b. If any such business is terminated or is abandoned for a period of at least 30 days, any
12 future use of the property shall conform to the provisions of Ordinance 3674.

13 5. Except as otherwise provided in this Regulation and Regulation 6, [The] the provisions of
14 Regulations 3 and 4 above and the provisions of Chapter 19.16 shall apply to sexually oriented
15 businesses. [; provided, however, that] However, any existing sexually oriented business
16 located in the M Zoning District that was made nonconforming as to a separation requirement
17 by either of the following circumstances shall be deemed a conforming use for purposes of
18 expansion, enlargement or alteration:

19 a. The adoption of a different method of measuring distance; or

20 b. The intervening establishment within the required separation area of either a protected
21 use or another sexually oriented business.

23 removal that are set forth in Sections 19.16.030(A)(4) and 19.16.040, respectively.

24 6. The provisions of Regulation 4 and the provisions of Chapter 19.16 that prohibit the
25 expansion, enlargement or alteration of an existing use shall not apply to any existing nude
26 show located within the Downtown Centennial Plan area, as described in Ordinance No. 6051
27 and as amended from time to time, but subject to the following conditions and provisions:

28 a. Any expansion, enlargement or alteration, including all required on-site parking, must

1 be contained entirely on the same legally-created parcel on which the use presently
2 exists.

3 b. The expansion, enlargement or alteration must be approved by means of a Major Site
4 Development Review pursuant to LVMC 19.18.050(G).

5 c. Except as otherwise provided in Paragraph (d), the discontinuation and abandonment
6 provisions of LVMC 19.16.030(A) shall continue to apply.

7 d. For a use that is discontinued for purposes of expansion, enlargement or alteration, the
8 use shall not be considered abandoned. However, the building permit for such
9 expansion, enlargement or alteration must be obtained within 6 months after operations
10 cease and the permit must be exercised completely before the permit expires.
11 Otherwise, the use shall be deemed abandoned, the nonconforming status lost, and the
12 future use of the property must comply with current zoning requirements.

13 e. For purposes of this Regulation 6, the expansion, enlargement or alteration of a use
14 includes the rebuilding or replacement of the building or buildings associated with the
15 use.

18 Municipal Code or under any State or Federal laws.

19 [7.] 8. The Special Use Permit provisions of Section 19.04.040(B) do not apply to a sexually oriented
20 business.

21 SECTION 2: For purposes of Section 2.100(3) of the City Charter, LVMC 19.04.010
22 is deemed to be a subchapter rather than a section.

23 SECTION 3: If any section, subsection, subdivision, paragraph, sentence, clause or
24 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or
25 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
26 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
27 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
28 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,

1 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
2 invalid or ineffective.

3 SECTION 4: All ordinances or parts of ordinances or sections, subsections, phrases,
4 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,
