Dear Ms. Lumos,

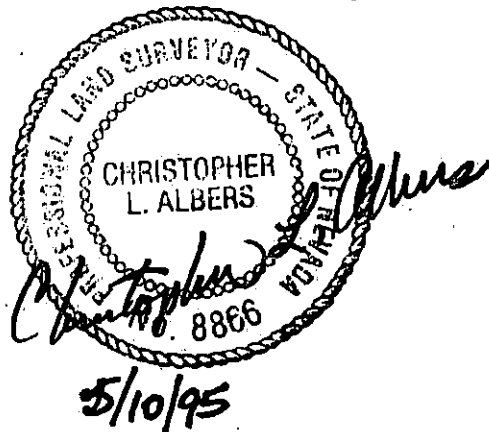

The final map for the above referenced subdivision states that the survey monuments to be set were to be set by William R. Workman, P.L.S. No. 8056 and stamped accordingly. You are hereby notified that I, Christopher L. Albers, P.L.S. No. 8866 accept the responsibility of the setting of these monuments and that the monuments will be set according to the provisions set forth within said Final Map and will be stamped PLS 8866.

Also, the map has a typographical error on sheet 5 of 5. In the detail at the top of the sheet, Andrea Way incorrectly appears. The street name should agree with the body of the map as shown below on sheet 5, being Glenrock Drive.

Sincerely,

Christopher L. Albers, P.L.S. 8866

I hereby certify that I have examined the certificate of amendment and that the changes to the original document specified therein are provided for in applicable sections of NRS 278.010 to 278.630, inclusive, 625.340 to 625.380, inclusive, and local ordinances adopted pursuant thereto, and I am satisfied that this certificate of amendment so amends or corrects the document as to make it technically correct.
