Attn: Mr. Richard Williams Re: The Plazas at First Western  
Senior Planner Square, Las Vegas, Nevada

Dear Sir:

We respectfully request the street address for The Plazas project to remain 2800 West Sahara Avenue as originally assigned. However, we request that the street numbers assigned to the individual buildings on the building permits for identification purposes during construction be deleted.

It is our plan to identify each building by a number in sequence such as #1, #2, #3, #4, etc. and suites as A,B,C,D, etc.

The street numbers to be deleted are as follows 2804, 2808, 2812, 2816, 2820 2824, and 2828.

Enclosed for your convenience are copies of the first phase site plan, first and second floor plan lay outs. Buildings are shown numbered and suites lettered accordingly. The U.S. Post Office Department has been contacted referencing above and concurs with our identifying system.

Thank you for your consideration and concurrence in this matter.

Respectfully,

Richard G. Crossley  
Project Coordinator
