Subject: Street Names Approval Process

Hello Mark,

I was referred to you, hoping that you will be able to assist me. I'm trying to find out what the process is to get some street names approved for a Clark County project. I believe I have to go through CLV for this. Please advise if I'm incorrect, it has been a while since I've had to submit street names for approval (since 2008 to be exact).

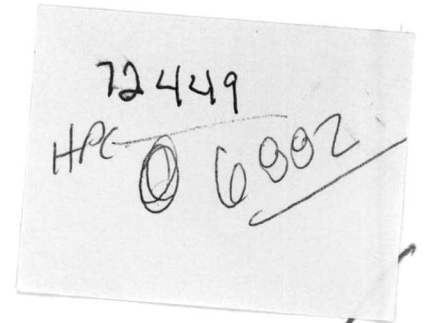

If you are not the right person for me to contact, please point me in the right direction.

Any assistance you provide is greatly appreciated.

Thank you,

Alysha Harris - Project Coordinator
