Dear Mr. Becker:

Due to revisions to the tentative map of Charleston Heights Tract 53, the portion of the street named "Paseo Regallo" has been all but eliminated for reasons of public safety.

Specifically, it is felt by the Department of Fire Services that it would be extremely difficult to describe the location of the street as it does not have a true north/south or east/west relationship.

This department would, therefore, like to initiate an address change on your property from 2816 Paseo Regallo to 5512 Avenida Caballo. To do this, your concurrence is required. We would appreciate hearing from you as soon as possible in regard to this matter.

If you have any questions, do not hesitate to contact me.

Sincerely yours,
