**NOTICE OF THE INTENT OF THE CITY COUNCIL OF THE
CITY OF LAS VEGAS, NEVADA, TO ISSUE GENERAL
OBLIGATION (LIMITED TAX) FREMONT STREET
EXPERIENCE BONDS OF THE CITY ADDITIONALLY
SECURED BY PLEDGED REVENUES**

NOTICE IS HEREBY GIVEN that the City Council of the City of Las Vegas (the "Council" and the "City") Nevada, by a resolution, passed, adopted and approved on the 18th day of August, 1993, and designated in Section 1 thereof by the short title "Resolution of Intent to Issue Fremont Street Experience Bonds" has proposed the issuance of the City's General Obligation (Limited Tax) Fremont Street Experience Bonds (Additionally Secured by Pledged Revenues) (the "Bonds") designated below, as follows:

**GENERAL OBLIGATION (LIMITED TAX) FREMONT STREET
EXPERIENCE BONDS (ADDITIONALLY SECURED BY
PLEDGED REVENUES) PROPOSAL:**

Shall the City of Las Vegas, Nevada, be authorized to issue the City's negotiable general obligation (limited tax) bonds, additionally secured by a pledge of proceeds of certain rental license taxes (room taxes) fixed and imposed for revenues by the City within certain areas of the City, a pledge of certain grants received by the City pursuant to an interlocal agreement, and possibly a pledge of revenues of the project (defined below) (the "pledged revenues") in one series or more, in an aggregate principal amount of not exceeding \$21,000,000 to defray wholly or in part the cost of constructing, acquiring, improving operating or maintaining urban projects, or any combination thereof, including, without limitation, recreational facilities and other projects designed to encourage tourism and to improve the aesthetic environment of the central business area located within the boundaries of the area in which the room tax is imposed (the "project"), such bonds to mature serially commencing not later than five (5) years from the date or respective dates of the bonds and ending not later than thirty

(30) years therefrom, to be payable from general (ad valorem) taxes (except to the extent other revenues, including the pledged revenues, are available therefor), and to be issued and sold at, above, or below par at an effective interest rate (including any sale discount) not exceeding the statutory maximum rate, if any, as shall be determined at the time of the sale thereof, and otherwise to be issued in such manner, upon such terms and conditions, with such covenants and agreements, and with such detail as the City may determine, including at its option but not necessarily limited to provisions for the redemption of bonds prior to maturity without or with the payment of a premium?

(the "Proposal").

The above Proposal was approved upon the adoption of the "Las Vegas GOBC Approval Resolution" by the General Obligation Bond Commission of Clark County, Nevada, at a special meeting of the Commission held on August 17, 1993.

The Council has determined that the general obligation Bonds to be issued for the purpose of financing urban projects for the City (as further described in the above Proposal) will be additionally secured by a pledge of the "pledged revenues" described in the proposal. The Council has, in addition, determined that the pledged revenues will at least equal the amount required in each year for the payment of the interest on and the principal of the Bonds.

Based upon this determination, the Council intends to incur this general obligation as set forth above without an election as provided in subsection 2 of Section 350.020, Nevada Revised Statutes, unless within thirty (30) days after the publication of this notice a petition requesting an election is presented to the Council signed by not fewer than five percent (5%) of the registered voters of the City who, together with any corporate petitioners, own not less than two percent (2%) in assessed value of the taxable property in the City. The number of registered voters is to be determined as of the close of registration for the last preceding general election. The assessed values are to be determined from the next preceding final assessment roll of the City. An authorized corporate officer may sign such a petition whether or not he or she is a registered voter of the City.

At a meeting or meetings of the Council to be held not earlier than thirty (30) days after the publication of this notice, the Council shall proceed to adopt an ordinance or ordinances authorizing the issuance of the Bonds. Such ordinance or ordinances authorizing the issuance of the Bonds will be adopted unless prior to 5:00 p.m. on the 20th day of September, 1993, a petition is presented to the Council asking for a special election upon the question of whether or not the proposed general obligations shall be incurred. The petition for an election herein referred to may be presented to the Council at any time prior to the expiration of thirty (30) days after the publication of this notice. In the event such petition is presented, no such ordinance or ordinances shall be enacted except pursuant to a special election called and held for such purpose and carried by a majority of the votes cast. In the event no such petition is presented, the Bonds will be authorized as described above. The ordinance or ordinances authorizing the Bonds will, in addition, contain provisions for additionally securing the payment of the general obligations by pledging the Pledged Revenues designated above and in the Proposal to the payment of the Bonds.

The authority to issue the Bonds if conferred at the special election or if conferred by the fact no petition is presented to the Council requesting such an election within thirty (30) days of the date of publication hereof shall be deemed to be a continuing authority and the Council shall be authorized to sell the Bonds at such time or times and upon such terms and conditions as it deems proper in accordance with the provisions of the Proposal and the laws of the state.

All persons interested are hereby advised that further information regarding the Project to be financed by the Bonds, the Bonds and the revenues to be pledged to the Bonds, and all proceedings in the premises, are on file in the office of the City Clerk, 400 East Stewart Avenue, Las Vegas, Nevada, and can be seen and examined by the interested persons during the regular office hours of the Clerk.

The determination by the Council that the Pledged Revenues will at least equal the amount required in each year for the payment of interest and principal on the Bonds becomes conclusive on the last day for filing the petition, i.e., on the 20th day of September, 1993, at 5:00 p.m.

NOTICE OF THE INTENT OF THE CITY COUNCIL OF THE CITY OF LAS VEGAS, NEVADA, TO ISSUE GENERAL OBLIGATION (LIMITED TAX) FREMONT STREET EXPERIENCE BONDS OF THE CITY ADDITIONALLY SECURED BY PLEDGED REVENUES

NOTICE IS HEREBY GIVEN that the City Council of the City of Las Vegas (the "Council" and the "City") Nevada, by a resolution, passed, adopted and approved on the 18th day of August, 1993, and designated in Section 1 thereof by the short title "Resolution of Intent to Issue Fremont Street Experience Bonds" has proposed the issuance of the City's General Obligation (Limited Tax) Fremont Street Experience Bonds (Additionally Secured by Pledged Revenues) (the "Bonds") designated below, as follows:

GENERAL OBLIGATION (LIMITED TAX) FREMONT STREET EXPERIENCE BONDS (ADDITIONALLY SECURED BY PLEDGED REVENUES) PROPOSAL:

Shall the City of Las Vegas, Nevada, be authorized to issue the City's negotiable general obligation (limited tax) bonds, additionally secured by a pledge of proceeds of certain rental license taxes (room taxes) fixed and imposed for revenues by the City within certain areas of the City, a pledge of certain grants received by the City pursuant to an interlocal agreement, and possibly a pledge of revenues of the project (defined below) (the "pledged revenues") in one series or more, in an aggregate principal amount of not exceeding \$21,000,000 to defray wholly or in part the cost of constructing, acquiring, improving operating or maintaining urban projects, or any combination thereof, including, without limitation, recreational facilities and other projects designed to encourage tourism and to improve the aesthetic environment of the central business area located within the boundaries of the area in which the room tax is imposed (the "project"), such bonds to mature serially commencing not later than five (5) years from the date or respective dates of the bonds and ending not later than thirty (30) years thereafter, to be payable from general (ad valorem) taxes (except to the extent other revenues, including the pledged revenues, are available therefor), and to be issued and sold at, above, or below par at an effective interest rate (including any sale discount) not exceeding the statutory maximum rate, if any, as shall be determined at the time of the sale thereof, and otherwise to be issued in such manner, upon such terms and conditions, with such covenants and agreements, and with such detail as the City may determine, including at its option but not necessarily limited to provisions for the redemption of bonds prior to maturity without or with the payment of a premium?

(the "Proposal").

The above Proposal was approved upon the adoption of the "Las Vegas GOBC Approval Resolution" by the General Obligation Bond Commission of Clark County, Nevada, at a special meeting of the Commission held on August 17th, 1993.

The Council has determined that the general obligation Bonds to be issued for the purpose of financing urban projects for the City (as further described in the above Proposal) will be additionally secured by a pledge of the "pledged revenues" described in the proposal. The Council has, in addition, determined that the pledged revenues will at least equal the amount required in each year for the payment of the interest on and the principal of the Bonds.

Based upon this determination, the Council intends to incur this general obligation as set forth above without an election as provided in subsection 1 of Section 30.020, Nevada Revised Statutes, unless within thirty (30) days after the publication of this notice a petition requesting an election is presented to the Council signed by not fewer than five percent (5%) of the registered voters of the City who, together with any corporate petitioners, own not less than two percent (2%) in assessed value of the taxable property in the City. The number of registered voters to be determined as of the close of registration for the last preceding general election. The assessed values are to be determined from the next preceding final assessment roll of the City. An authorized corporate officer may sign such a petition whether or not he or she is a registered voter of the City.

At a meeting or meetings of the Council to be held not earlier than thirty (30) days after the publication of this notice, the Council shall proceed to adopt an ordinance or ordinances authorizing the issuance of the Bonds. Such ordinance or ordinances authorizing the issuance of the Bonds will be adopted unless prior to 5:00 p.m. on the 20th day of September, 1993, a petition is presented to the Council asking for a special election upon the question of whether or not the proposed general obligations shall be incurred. The petition for an election herein referred to may be presented to the Council at any time prior to the expiration of thirty (30) days after the publication of this notice. In the event such petition is presented, no such ordinance or ordinances shall be enacted except pursuant to a special election called and held for such purpose and carried by a majority of the votes cast. In the event no such petition is presented, the Bonds will be authorized as described above. The ordinance or ordinances authorizing the Bonds will, in addition, contain provisions for additionally securing the payment of the general obligations by pledging the Pledged Revenues designated above and in the Proposal to the payment of the Bonds.

The authority to issue the Bonds if conferred at the special election or if conferred by the fact no petition is presented to the Council requesting such an election within thirty (30) days of the date of publication hereof shall be deemed to be a continuing authority and the Council shall be authorized to sell the Bonds at such time or times and upon such terms and conditions as it deems proper in accordance with the provisions of the Proposal and the laws of the state. All persons interested are hereby advised that further information regarding the Project to be financed by the Bonds, the Bonds and the revenues to be pledged to the Bonds, and all proceedings in the premises, are on file in the office of the City Clerk, 400 East Stewart Avenue, Las Vegas, Nevada, and can be seen and examined by the interested persons during the regular office hours of the Clerk.

The determination by the Council that the Pledged Revenues will at least equal the amount required in each year for the payment of interest and principal on the Bonds becomes conclusive on the last day for filing the petition, i.e., on the 20th of September, 1993, at 5:00 p.m.
