

R E S O L U T I O N

A RESOLUTION DECLARING THE NECESSITY FOR, AND ECONOMIC FEASIBILITY OF, CREATING CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1440.

WHEREAS, the City Council of the City of Las Vegas (the "City Council" and the "City", respectively, herein), in the County of Clark and State of Nevada, has taken the requisite legal action that is preliminary to the creation of the proposed "City of Las Vegas, Nevada, Special Improvement District No. 1440" (the "District" herein), in conjunction with a total project that will include the removal of the existing defective street paving and curbs and gutters in those certain streets, and portions thereof, that are identified in the notice of hearing (the "Notice of Hearing" herein) that is provided for in Section 4 of the Provisional Order Resolution that was duly passed, adopted and approved on the 17th day of November, 1993 (the "Resolution" herein), the replacement thereof with new street paving and curbs and gutters that meet the City's current design standards and the installation of streetlights and appurtenances along such streets (the "Project" herein), for the purpose of defraying the entire cost and expense thereof by special assessments against the assessable lots and parcels of property within the District according to the benefits that will be derived from such improvements by the respective lots and parcels that are proposed to be so assessed, all in accordance with the

provisions of Chapter 271 of the Nevada Revised Statutes ("Chapter 271" herein) that provide therefor; and

WHEREAS, the City Engineer of the City (the "City Engineer" herein) has presented to the City Council the following documents:

(A) An accurate estimate of the total cost of the Project, including in such estimate an estimate of the expenses that are anticipated will be incidental and attributable thereto;

(B) Full and detailed plans and specifications for the installation of the Project, together with construction drawings that show typical sections of the improvements that are proposed to be included in the Project;

(C) A map and assessment plat that shows the location of each portion of the Project and the property that is proposed to be assessed; and

(D) The City Engineer's report with respect to benefits in which the City Engineer sets forth his conclusions concerning the benefits that will be derived by the respective assessable lots and parcels of property in the District from such improvements and the proper method of assessment, which said report with respect to benefits was accepted by the City Council at its meeting that was held on Wednesday, the 15th day of December, 1993; and

WHEREAS, pursuant to Chapter 271, the City Council, in the Resolution, declared its determination to create the District

for the purpose of installing such improvements therein, described the improvements that are proposed to be so installed, stated that the entire cost and expense thereof shall be paid by special assessments and that such assessments are to be levied according to the benefits that will be derived by the respective assessable lots and parcels of property from such improvements, designated, by apt description, the District, including the lots and parcels that are to be so assessed and described with particularity the locations at which the improvements that are proposed to be installed within the District are to be so installed; and

WHEREAS, pursuant to the Resolution, the City Council directed the City Clerk of the City (the "City Clerk" herein) to give notice that the estimates of the cost and expense of installing the Project and the plats and diagrams in connection therewith had theretofore been filed in her office and of the time, date and place of a public hearing as to the propriety and advisability of installing the Project, and the City Clerk has, by way of the Notice of Hearing, given the required notice of such filing and public hearing in the manner and for the period that is specified in Chapter 271 and in accordance with the directions that are contained in the Resolution; and

WHEREAS, the manner of giving the Notice of Hearing by mail, publication and posting was reasonably calculated to inform all of the parties who are interested in the District of the proceedings that concern the same which might directly and

adversely affect their legally protected interests; and

WHEREAS, at such public hearing, which was held on Wednesday, the 15th day of December, 1993, one written protest and objection, representing those certain lots and parcels of property that are identified by the Clark County, Nevada, County Assessor's parcel numbers as Parcels 162-03-515-058, 162-03-603-001, 162-03-610-004 and 162-03-610-011 (said Parcel 162-03-603-001 being hereinafter referred to, individually, as "Parcel 162-03-603-001", and all of said Parcels being hereinafter referred to, collectively, as the "Protesting Parcels"), and one oral protest and objection (which also represented Parcel 162-03-603-001), representing, on behalf of all of the Protesting Parcels, an aggregate of 5 unit lots, or 2.8%, of the 178 unit lots that will abut, and will be benefited by, the street lighting system that is proposed to be installed in the District, were presented to the creation of the District and to the installation of such street lighting system; and

WHEREAS, the City Council has reviewed all of the documents that are described above, has found the same, in all respects, to be satisfactory and has considered the merits of such protest and objection;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Las Vegas, Nevada, at this regular meeting thereof that is being held on this 5th day of January, 1994, that the City Council has found, determined and declared, and does hereby find, determine and declare, that:

SECTION 1. The written and oral protest and objection that was presented on behalf of the Protesting Parcels to the creation of the District and to the installation of the street lighting system that is proposed to be installed in the District, representing, in the aggregate, less than one-half of the unit lots that are proposed to be assessed for such street lighting system, is without merit, and such protest and objection should be, and it hereby is, overruled and finally passed upon by the City Council.

SECTION 2. The estimated net cost to the City of the Project, including all of the necessary expenses that either have been or will be incurred in connection with the District, is \$128,320.00, and, based upon all of the foregoing:

(A) The public convenience and necessity require the creation of Special Improvement District No. 1440; and

(B) The creation of Special Improvement District No. 1440 is economically sound and feasible.

PASSED, ADOPTED AND APPROVED this 5th day of January, 1994.

JAN LAVERTY JONES, Mayor
