

RESOLUTION NO. R-16-2002

A RESOLUTION MAKING A PROVISIONAL ORDER TO THE EFFECT THAT CERTAIN IMPROVEMENTS IN THE CITY SHALL BE ACQUIRED PURSUANT TO THE CONSOLIDATED LOCAL IMPROVEMENTS LAW TO BE KNOWN AS CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1486 – RAINBOW BOULEVARD PHASE II (RANCHO DRIVE TO ANN ROAD); AND CALLING A HEARING ON THE PROJECT.

Summary: Provisional Order Resolution

WHEREAS, the City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) of the County of Clark in the State of Nevada, is of the opinion that the interest of the City requires the creation of a special improvement district pursuant to the Consolidated Local Improvements Law and the acquisition and improvement of a Sanitary Sewer Project as defined in NRS 271.200, a Street Project as defined in NRS 271.225, and a Water Project as defined in NRS 271.250 (collectively, hereinafter the "Project"); and

WHEREAS, the City Engineer, together with the Engineering Integration Division of the City and certain consulting engineers (collectively, hereinafter the "Engineer") has filed at the office of the City Clerk, in connection with the Project and with the proposed City of Las Vegas, Nevada, Special Improvement District No. 1486 – Rainbow Boulevard Phase II (Rancho Drive to Ann Road) the following:

(A) Preliminary plans and specifications showing a typical section of the contemplated improvements, the type or types of material, approximate thickness and wideness for the Project;

(B) A preliminary estimate of the total cost of the Project and of each type of construction, the estimate being made in a lump sum or by unit prices, and further, including in the total estimate, without limiting the generality of the foregoing, the advertising, appraising, engineering, legal, interest on interim warrants, if any, discount on any bonds, printing, and such other expenses as in the judgment of the Engineer are necessary or essential to the completion of such work or improvement, and the payment of the cost thereof;

(C) An assessment plat or map, including an addendum thereto (designated as a "Tabulation of Parcels") showing the descriptions of the property to be assessed, showing the area to be assessed, the market values, a description of each lot, tract or parcel of land, the name and address of each owner, the amounts of estimated

preliminary assessments, the amount of maximum benefits (and corresponding market value increases) estimated to be assessed against each lot, tract or parcel of land in the assessment area such estimate being based on the method of assessment set forth herein (an equitable adjustment having been made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or lands, or for any lot, tract or parcel of land not specially benefited for other reasons in direct proportion to its front footage, so that assessments according to benefits will be equal and uniform); and

(D) The Engineer's Report to the City Council on Benefits, as to the method of determining benefits and corresponding market value increases and as to whether the creation of the District is economically sound and feasible; and

WHEREAS, the City Council has examined the improvement plans, assessment plat, including the addendum thereto, typical section of contemplated improvements, preliminary estimate of the cost, estimate of maximum benefits, and Engineer's Report, so filed with the City Clerk, and has found, and does hereby declare the same to be satisfactory in all respects; and

WHEREAS, the City Council has also determined, and does hereby determine, that all of the assessable property in the City which is specially benefited by the improvements to be acquired in the Special Improvement District No. 1486 - Rainbow Boulevard Phase II (Rancho Drive to Ann Road) and only the property which is so specially benefited, is included in the District; and

WHEREAS, the property to be included within the proposed District is located in the City; and

WHEREAS, the City Council has determined, and does hereby determine, that less than one-half of the cost of the improvements in the District shall be paid with funds from the levy of assessments; and

WHEREAS, the City Council has determined and does hereby determine that the exception provided by NRS 271.306(2)(a) does exist with respect to the costs of the improvements in the District, as more than one-half of the total costs will be paid with money derived from sources other than the levy of special assessments.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LAS VEGAS OF THE COUNTY OF CLARK, IN THE STATE OF NEVADA THAT:

Section 1. The special improvement district shall be designated "City of Las Vegas, Nevada, Special Improvement District No. 1486 - Rainbow Boulevard Phase II (Rancho Drive to Ann Road)" (hereinafter the "District").

Section 2. This Resolution shall be known as, and may be cited by, the short title "Special Improvement District 1486 Provisional Order Resolution" (hereinafter the "Resolution").

Section 3. The City Council hereby ratifies the preparation, by the Engineer, of and does accept the plans and specifications, assessment plat (including the addendum and exhibits thereto), typical section of the contemplated improvements, preliminary estimate of cost, the Engineer's Report on Benefits, and the estimate of maximum benefits (and corresponding market value increases) to be assessed against each lot, tract, or parcel of land in the assessment area.

Section 4. The Project shall be acquired at an estimated preliminary total cost of \$2,358,000.00 including engineering, legal, and incidental expenses, as more particularly hereinafter set forth and as described in the plans and specifications herein accepted, reference to which is hereby made and which are available for public inspection at the office of the City Clerk at 400 Stewart Avenue, Las Vegas, Nevada 89101.

Section 5. The City Council has also determined and does hereby declare as follows:

1. The public convenience and necessity requires the creation of the District and construction of the Project;
2. The creation of the District is economically sound and feasible; and
3. The market value of each of the benefited lots, tracts and parcels of land in the District will be increased by an amount directly attributable to the Project for which the assessment is made.

Section 6. The boundaries of the District, within which is located the Project and the lots, tracts and parcels of land to be assessed, shall be as designated in the form of notice set forth in Section 7 of this Resolution. It is estimated that the total cost shall be apportioned as follows:

Estimated Amount of Special Assessments	Amount Available from Other Sources	Total Cost
\$439,177.02	\$1,918,822.98	\$2,358,000.00

The amounts to be assessed shall be made upon all tracts benefited in proportion to the special benefits received, as more fully described in the form of notice set forth in Section 7 of this Resolution.

Section 7. On Wednesday, March 20, 2002, at 1:00 p.m. in the City Council Chambers 400 Stewart Avenue in Las Vegas, Nevada (i.e., a time at least 20 days after the adoption of this Resolution) the City Council will consider the ordering of the Project and will hear all complaints, protests, and objections that may be made in writing, and filed as hereafter provided, or made verbally at the hearing, concerning the same, by the owners of land to be assessed or any person interested. The owners of the property to be assessed or any other persons interested therein may file a written protest or objection, and may appear before the City Council and be heard as to the propriety and advisability of making such improvements, as to the estimated cost thereof, as to the manner of payment therefor, as to the amount thereof to be assessed against the property to be improved, and as to the amount of special benefits and corresponding market value increases. Twenty (20) days' notice, in writing, of such time and place shall be given to such property owners, postage prepaid, as first-class mail, to each property owner at his last known address, the names and addresses of such property owners are to be obtained from the records of the County Assessor or from such other sources as the City Clerk deems reliable. Such notice shall also be given to the owner and each tenant of mobile home parks, if any, located on any tracts to be assessed. Any such list of names and addresses may be revised from time to time, but such list need not be revised more frequently than at twelve month intervals. Notice shall also be given by posting in three (3) public places at or near the site of the Project at least twenty (20) days prior to the hearing. Proof of such mailing and posting shall be made by the affidavit of the City Clerk or Deputy City Clerk, such proof to be filed with the City Clerk, provided that failure to mail such notice or notices shall not invalidate any assessment nor any other of the proceedings hereunder. Notice of the time and place of such hearing shall also be given by publication in the Las Vegas-Review Journal, a daily newspaper published in Las Vegas and of general circulation in the City of Las Vegas, Nevada, once each week for three (3) consecutive weekly publications, by three (3) weekly insertions, the first publication in such newspaper to be at least fifteen (15) days prior to the date of the protest hearings. Not less than fourteen (14) days shall intervene between the first publication and the last publication in such newspaper. Such service by publication shall be verified by the affidavit of the publishers and filed with the City Clerk. The proof of publication, the proof of mailing and the proof of posting shall be maintained in the records of the office of

the City Clerk until all the assessments appertaining to the District shall have been paid in full principal, interest and any penalties or collection costs. Said notice shall be in substantially the following form:

(Form of Notice)

NOTICE OF HEARING ON PROPOSED PROJECT AND ASSESSMENTS WITHIN
THE PROPOSED CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT
DISTRICT NO. 1486 - RAINBOW BOULEVARD PHASE II (RANCHO DRIVE TO ANN
ROAD).

NOTICE IS HEREBY GIVEN to the property owners within the proposed City of Las Vegas, Nevada, Special Improvement District No. 1486 - Rainbow Boulevard Phase II (Rancho Drive to Ann Road) (hereinafter the "District") and to all interested persons that:

The City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) of the County of Clark in the State of Nevada, has provisionally ordered the acquisition of a Sewer Project, Street Project and a Water Project (collectively, the "Project") as more particularly described as follows:

RAINBOW BOULEVARD (EAST SIDE) - from the eastern right-of-way of Rancho Drive, north along Rainbow Boulevard approximately 4,415 feet to the southern right-of-way of Ann Road (100-foot right-of-way).

The following assessment parcel numbers (APNs) identified in the record of the County Assessor of Clark County are included in the district: 125-35-101-001, 125-35-101-002, 125-35-101-005, 125-35-101-007, 125-35-103-001, 125-35-103-003, 125-35-103-006, 125-35-103-007, 125-35-201-006, 125-35-201-018, 125-35-301-001 through -004, 125-35-301-007 through -010, 125-35-301-014, and 125-35-401-001.

Except as shown on the preliminary plans and specifications now on file in the office of the City Clerk and in the office of the Special Improvement District in Las Vegas, Nevada, the character of such Project shall be described more particularly as follows: The improvements on Rainbow Boulevard will consist of the grading, regrading, graveling, and asphalt paving as necessary for at least four (4) travel lanes, continuous left turn lane and median islands, "L" type curb and gutter, sidewalks, commercial and residential driveway approaches and streetlights. The streetlights will be installed at the back of sidewalk at appropriate intervals. At the request of the owners of property in the District (filed with the office of the Special Improvement District prior to June 13, 2001) water and sewer laterals will be installed from the existing or proposed main lines in Rainbow Boulevard to such property. Sewer lines within the District are owned and maintained by the City. The City will require that properties connecting to the sewer line pay a connection fee and be annexed to the City at the time of hookup. THE CITY HAS NO OBLIGATION TO

PROVIDE WATER OR SEWER SERVICE TO ANY PROPERTY WITHIN THE DISTRICT REGARDLESS OF WHETHER THE CITY COUNCIL PROCEEDS WITH ALL OR ANY PART OF THE PROJECT.

The preliminary estimated total cost of the Project and the amount to be assessed is as follows:

Estimated Amount of Special Assessments	Amount Available from Other Sources	Total Cost
\$439,177.02	\$1,918,822.98	\$2,358,000.00

The amounts to be assessed for the improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases); provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform. The portion of the costs to be assessed against and the maximum amount of benefits estimated (and corresponding market value increases) to be conferred upon each piece or parcel of property in the District is stated in the assessment plat and addendum thereto designated "Tabulation of Parcels" or preliminary assessment roll. In cases of wedge or "V" or any other irregularly shaped tracts, the amount apportioned thereto shall be in proportion to the special benefits thereby derived.

The assessments will be levied on a front foot basis, provided that those tracts which front a cul-de-sac and which abut or front a street or streets being improved will be assessed on a "unit lot" basis, i.e., all lots abutting the cul-de-sac are to be assessed the same amount based upon the front footage of those lots abutting the street or streets being improved which also abut the cul-de-sac. Each property owner will be assessed for the cost of an 8-foot wide street pavement section, curb and gutter, sidewalks, driveway approaches and streetlights, where not already existing. The owners of property who elect to have water or sewer laterals installed will be assessed per foot of lateral installed on a per service or unit lot basis.

The boundaries of the District shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements or fronting a cul-de-sac which abuts or fronts a street to be improved by the improvements.

All persons interested are hereby advised that the preliminary plans and specifications (showing a typical section of the contemplated improvements) and the assessment plat including a tabulation of parcels or preliminary assessment roll; a preliminary estimate of the total cost, a description of the lots, tracts and parcels of land to be assessed and the portion of the cost to be assessed thereagainst, and the amount of maximum benefits (including the corresponding market value increases) estimated to be conferred on each piece or parcel of property, the Engineer's report as to the method of determining benefits, and all proceedings in the premises, are on file in the office of the Special Improvement District, Department of Public Works, and at the office of the City Clerk, 400 Stewart Avenue, Las Vegas, Nevada, and can be seen and examined by any property owner, or other interested persons, during regular business hours, from 8:00 a.m. to 5:00 p.m., Monday through Friday.

It is anticipated that there will be grade or elevation changes in connection with the acquisition of the Project. Such grade or elevation changes are substantial and are as shown on the preliminary plans and specifications. All persons interested are hereby referred to the preliminary plans and specifications which relate to the details of the Project.

On Wednesday, March 20, 2002, at 1:00 p.m., in the City Council Chambers at 400 Stewart Avenue, in Las Vegas, Nevada, the City Council will consider the ordering of the proposed Project, and will hear all complaints, protests and objections that may be made in writing and filed as hereafter provided, or made verbally at the hearing, concerning the same, by the owner of any tract to be assessed or any person interested. The owners of the property to be assessed, or any other person interested therein, may appear before the City Council and be heard as to the propriety and advisability of acquiring and improving such Project, as to the estimated cost thereof, as to the manner of payment therefor, as to the amount thereof to be assessed, the benefits estimated to be conferred against each tract, and the corresponding market value increases expected for each tract in the District.

The City Council requests that any property owner or interested person wishing to make protest or objection, make such protest or objection in writing at the office of the City Clerk at least three (3) days before the time set for such hearing, i.e., on or before Friday, March 15, 2002. On the date and at the time and place fixed for such hearing, any and all property owners interested in the Project may, by written complaint, protest or objection, present their views to the City Council, or present them orally, and the City Council may adjourn the hearing from time to time to discuss and consider said issues before it. Any

person filing a written protest or objection as hereinabove provided shall have the right within thirty (30) days after the City Council has finally passed on such protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter all actions or suits attacking the validity of the proceedings and the amount of benefits shall be perpetually barred. A PROPERTY OWNER'S ONLY CHANCE TO PRESENT EVIDENCE TO DEMONSTRATE THAT HIS OR HER ESTIMATED ASSESSMENTS ARE EXCESSIVE WILL BE AT THE PUBLIC HEARING AND A PROPERTY OWNER WILL NOT BE ABLE TO PRESENT ANY ADDITIONAL EVIDENCE UPON SUBSEQUENT APPEAL TO DISTRICT COURT.

A person should object to the formation of the District, using the procedure outlined in this notice, if his support for the District is based upon a statement or representation concerning the Project that is not contained in the language of this notice.

If a person objects to the amount of maximum benefits estimated to be assessed or to the legality of the proposed assessments in any respect:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing; and
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.315.

The City Council of the City of Las Vegas has determined that one-half or more of the total cost of each of the improvements in the District shall be paid with monies derived from other than the levy of special assessments and accordingly may take advantage of the exception stated in paragraph (a) of subsection (2) of NRS 271.306, (which exception is that the City, at its option, may proceed with the improvements in the District regardless of the percentage of protests).

After such hearing, the City Council shall determine the advisability of undertaking each part of the Project, and, if it determines to proceed, shall determine the kind and character of such improvements to be made, and shall authorize the advertising for bids for the doing of such work and the furnishing of all necessary materials with the lowest and best bidder or bidders. The City Council may determine not to proceed with all or any part of the Project regardless of the protests or objections.

After the determination of the actual cost of the Project, assessments shall be levied in accordance with the laws of the State of Nevada. In no event shall the assessments exceed the estimated maximum special benefits to the property assessed or the reasonable market value of the property being assessed (as determined by the City Council). The City Council shall provide that the assessments may be payable without interest and without demand during a specified cash payment period and the City Council shall provide that the assessments may be paid at the election of the owner in twenty (20) substantially equal semi-annual installments of principal. The City Council shall also provide the time and terms of payment of such assessments and shall fix penalties (at a rate not exceeding two percent (2%) per month) to be collected upon delinquent payments. The City Council shall also provide the rate of interest on unpaid installments of assessments which will not exceed the maximum rate of interest permitted under the statutes of the State. If assessment bonds are issued, such rate will not exceed by more than 1% of the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds" which shall have been most recently published before the time bids for the bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If bonds are not sold for the District, the City Council shall by resolution establish the rate of interest on unpaid and deferred installments of assessments.

Pursuant to NRS 271.357 and NRS 271.360, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a Hardship Determination. Any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof. A person desiring to apply for a Hardship Determination shall file an application no later than

March 15, 2002, with the Clark County Department of Social Services, 1600 Pinto Lane, Las Vegas, Nevada 89106, (702) 455-8687.

By order of the City Council of the City, Nevada, and dated this February 20, 2002

BARBARA JO RONEMUS, City Clerk

(End of Form of Notice)

Section 8. That all action, proceedings, matters and things heretofore taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Resolution) concerning the City of Las Vegas, Nevada, Special Improvement District No. 1486 - Rainbow Boulevard Phase II (Rancho Drive to Ann Road) be, and the same hereby are, ratified, approved and confirmed.

Section 9. That the officers of the City are directed to effectuate the provisions of this Resolution.

Section 10. That all resolutions, or parts thereof, in conflict herewith are hereby repealed to the extent of such inconsistency.

Section 11. That the invalidity of any provision of this Resolution shall not affect any remaining provisions hereof.

Section 12. That the City Council has determined, and does hereby declare, that this Resolution shall be in effect after its passage in accordance with the law.

PASSED, ADOPTED AND APPROVED this 20th day of February, 2002.

**NOTICE OF HEARING ON PROPOSED PROJECT AND ASSESSMENTS
WITHIN THE PROPOSED CITY OF LAS VEGAS, NEVADA SPECIAL
IMPROVEMENT DISTRICT NO. 1486 - RAINBOW BOULEVARD PHASE II
(RANCHO DRIVE TO ANN ROAD).**

NOTICE IS HEREBY GIVEN to the property owners within the proposed City of Las Vegas, Nevada, Special Improvement District No. 1486 - Rainbow Boulevard Phase II (Rancho Drive to Ann Road) (hereinafter the "District") and to all interested persons that:

The City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) of the County of Clark in the State of Nevada, has provisionally ordered the acquisition of a Sewer Project, Street Project and a Water Project (collectively, the "Project") as more particularly described as follows:

RAINBOW BOULEVARD (EAST SIDE) - from the eastern right-of-way of Rancho Drive, north along Rainbow Boulevard approximately 4,415 feet to the southern right-of-way of Ann Road (100-foot right-of-way).

The following assessment parcel numbers (APNs) identified in the record of the County Assessor of Clark County are included in the district: 125-35-101-001, 125-35-101-002, 125-35-101-005, 125-35-101-007, 125-35-103-001, 125-35-103-003, 125-35-103-006, 125-35-103-007, 125-35-201-006, 125-35-201-018, 125-35-301-001 through 004, 125-35-301-007 through 010, 125-35-301-014, and 125-35-401-001.

Except as shown on the preliminary plans and specifications now on file in the office of the City Clerk and in the office of the Special Improvement District in Las Vegas, Nevada, the character of such Project shall be described more particularly as follows: The improvements on Rainbow Boulevard will consist of the grading, regrading, graveling, and asphalt paving as necessary for at least four (4) travel lanes, continuous left turn lane and median islands, "L" type curb and gutter, sidewalks, commercial and residential driveway approaches and streetlights. The streetlights will be installed at the back of sidewalk at appropriate intervals. At the request of the owners of property in the District (filed with the office of the Special Improvement District prior to June 13, 2001) water and sewer laterals will be installed from the existing or proposed main lines in Rainbow Boulevard to such property. Sewer lines within the District are owned and maintained by the City. The City will require that properties connecting to the sewer line pay a connection fee and be annexed to the City at the time of hookup. **THE CITY HAS NO OBLIGATION TO PROVIDE WATER OR SEWER SERVICE TO ANY PROPERTY WITHIN THE DISTRICT REGARDLESS OF WHETHER THE CITY COUNCIL PROCEEDS WITH ALL OR ANY PART OF THE PROJECT.**

The preliminary estimated total cost of the Project and the amount to be assessed is as follows:

Estimated Amount of Special Assessments	Amount Available from Other Sources	Total Cost
\$439,177.02	\$1,918,822.98	\$2,358,000.00

The amounts to be assessed for the Improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases); provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform. The portion of the costs to be assessed against and the maximum amount of benefits estimated (and corresponding market value increases) to be conferred upon each piece or parcel of property in the District is stated in the assessment plat and addendum thereto designated "Tabulation of Parcels" or preliminary assessment roll. In cases of wedge or "V" or any other irregularly shaped tracts, the amount apportioned thereto shall be in proportion to the special benefits thereby derived.

The assessments will be levied on a front foot basis, provided that those tracts which front a cul-de-sac and which abut or front a street or streets being improved will be assessed on a "unit lot" basis, i.e., all lots abutting the cul-de-sac are to be assessed the same amount based upon the front footage of those lots abutting the street or streets being improved which also abut the cul-de-sac. Each property owner will be assessed for the cost of an 8-foot wide street pavement section, curb and gutter, sidewalks, driveway approaches and streetlights, where not already existing. The owners of property who elect to have water or sewer laterals installed will be assessed per foot of lateral installed on a per service or unit lot basis.

The boundaries of the District shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements or fronting a cul-de-sac which abuts or fronts a street to be improved by the improvements.

All persons interested are hereby advised that the preliminary plans and specifications (showing a typical section of the contemplated improvements) and the assessment plat including a tabulation of parcels or preliminary assessment roll; a preliminary estimate of the total cost, a description of the lots, tracts and parcels of land to be assessed and the portion of the cost to be assessed thereagainst, and the amount of maximum benefits (including the corresponding market value increases) estimated to be conferred on each piece or parcel of property, the Engineer's report as to the method of determining benefits, and all proceedings in the premises, are on file in the office of the Special Improvement District, Department of Public Works, and at the office of the City Clerk, 400 Stewart Avenue, Las Vegas, Nevada, and can be seen and examined by any property owner, or other interested persons, during regular business hours, from 8:00 a.m. to 5:00 p.m., Monday through Friday.

It is anticipated that there will be grade or elevation changes in connection with the acquisition of the Project. Such grade or elevation changes are substantial and are as shown on the preliminary plans and specifications. All persons interested are hereby referred to the preliminary plans and specifications which relate to the details of the Project.

On Wednesday, March 20, 2002, at 1:00 p.m., in the City Council Chambers at 400 Stewart Avenue, in Las Vegas, Nevada, the City Council will consider the ordering of the proposed Project, and will hear all complaints, protests and objections that may be made in writing and filed as hereafter provided, or made verbally at the hearing, concerning the same, by the owner of any tract to be assessed or any person interested. The owners of the property to be assessed, or any other person interested therein, may appear before the City Council and be heard as to the propriety and advisability of acquiring and improving such Project, as to the estimated cost thereof, as to the manner of payment therefor, as to the amount thereof to be assessed, the benefits estimated to be conferred against each tract, and the corresponding market value increases expected for each tract in the District.

The City Council requests that any property owner or interested person wishing to make protest or objection, make such protest or objection in writing at the office of the City Clerk at least three (3) days before the time set for such hearing, i.e., on or before Friday, March 15, 2002. On the date and at the time and place fixed for such hearing, any and all property owners interested in the Project may, by written complaint, protest or objection, present their views to the City Council, or present them orally, and the City Council may adjourn the hearing from time to time to discuss and consider said issues before it. Any person filing a written protest or objection as hereinabove provided shall have the right within thirty (30) days after the City Council has finally passed on such protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter all actions or suits attacking the validity of the proceedings and the amount of benefits shall be perpetually barred. A PROPERTY OWNER'S ONLY CHANCE TO PRESENT EVIDENCE TO DEMONSTRATE THAT HIS OR HER ESTIMATED ASSESSMENTS ARE EXCESSIVE WILL BE AT THE PUBLIC HEARING AND A PROPERTY OWNER WILL NOT BE ABLE TO PRESENT ANY ADDITIONAL EVIDENCE UPON SUBSEQUENT APPEAL TO DISTRICT COURT.

A person should object to the formation of the District, using the procedure outlined in this notice, if his support for the District is based upon a statement or representation concerning the Project that is not contained in the language of this notice.

If a person objects to the amount of maximum benefits estimated to be assessed or to the legality of the proposed assessments in any respect:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing; and
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.315.

The City Council of the City of Las Vegas has determined that one-half or more of the total cost of each of the improvements in the District shall be paid with monies derived from other than the levy of special assessments and accordingly may take advantage of the exception stated in paragraph (a) of subsection (2) of NRS 271.306, (which exception is that the City, at its option, may proceed with the improvements in the District regardless of the percentage of protests).

After such hearing, the City Council shall determine the advisability of undertaking each part of the Project, and, if it determines to proceed, shall determine the kind and character of such improvements to be made, and shall authorize the advertising for bids for the doing of such work and the furnishing of all necessary materials with the lowest and best bidder or bidders. The City Council may determine not to proceed with all or any part of the Project regardless of the protests or objections.

After the determination of the actual cost of the Project, assessments shall be levied in accordance with the laws of the State of Nevada. In no event shall the assessments exceed the estimated maximum special benefits to the property assessed or the reasonable market value of the property being assessed (as determined by the City Council). The City Council shall provide that the assessments may be payable without interest and without demand during a specified cash payment period and the City Council shall provide that the assessments may be paid at the election of the owner in twenty (20) substantially equal semi-annual installments of principal. The City Council shall also provide the time and terms of payment of such assessments and shall fix penalties (at a rate not exceeding two percent (2%) per month) to be collected upon delinquent payments. The City Council shall also provide the rate of interest on unpaid installments of assessments which will not exceed the maximum rate of interest permitted under the statutes of the State. If assessment bonds are issued, such rate will not exceed by more than 1% of the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds" which shall have been most recently published before the time bids for the bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If bonds are not sold for the District, the City Council shall by resolution establish the rate of interest on unpaid and deferred installments of assessments.

Pursuant to NRS 271.357 and NRS 271.360, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a Hardship Determination. Any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof. A person desiring to apply for a Hardship Determination shall file an application no later than March 15, 2002, with the Clark County Department of Social Services, 1600 Pinto Lane, Las Vegas, Nevada 89106, (702) 455-8687.

(Attach Notice of Hearing as Mailed)

NOTICE OF HEARING ON PROPOSED PROJECT AND ASSESSMENTS WITHIN THE PROPOSED CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT DISTRICT NO. 1486 - RAINBOW BOULEVARD PHASE II (RANCHO DRIVE TO ANN ROAD).

NOTICE IS HEREBY GIVEN to the property owners within the proposed City of Las Vegas, Nevada, Special Improvement District No. 1486 - Rainbow Boulevard Phase II (Rancho Drive to Ann Road) (hereinafter the "District") and to all interested persons that:

The City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) of the County of Clark in the State of Nevada, has provisionally ordered the acquisition of a Sewer Project, Street Project and a Water Project (collectively, the "Project") as more particularly described as follows:

RAINBOW BOULEVARD (EAST SIDE) - from the eastern right-of-way of Rancho Drive, north along Rainbow Boulevard approximately 4,415 feet to the southern right-of-way of Ann Road (100-foot right-of-way).

The following assessment parcel numbers (APNs) identified in the record of the County Assessor of Clark County are included in the district: 125-35-101-001, 125-35-101-002, 125-35-101-005, 125-35-101-007, 125-35-103-001, 125-35-103-003, 125-35-103-006, 125-35-103-007, 125-35-201-006, 125-35-201-018, 125-35-301-001 through -004, 125-35-301-007 through -010, 125-35-301-014, and 125-35-401-001.

Except as shown on the preliminary plans and specifications now on file in the office of the City Clerk and in the office of the Special Improvement District in Las Vegas, Nevada, the character of such Project shall be described more particularly as follows: The improvements on Rainbow Boulevard will consist of the grading, regrading, graveling, and asphalt paving as necessary for at least four (4) travel lanes, continuous left turn lane and median islands, "L" type curb and gutter, sidewalks, commercial and residential driveway approaches and streetlights. The streetlights will be installed at the back of sidewalk at appropriate intervals. At the request of the owners of property in the District (filed with the office of the Special Improvement District prior to June 13, 2001) water and sewer laterals will be installed from the existing or proposed main lines in Rainbow Boulevard to such property. Sewer lines within the District are owned and maintained by the City. The City will require that properties connecting to the sewer line pay a connection fee and be annexed to the City at the time of hookup. **THE CITY HAS NO OBLIGATION TO PROVIDE WATER OR SEWER SERVICE TO ANY PROPERTY WITHIN THE DISTRICT REGARDLESS OF WHETHER THE CITY COUNCIL PROCEEDS WITH ALL OR ANY PART OF THE PROJECT.**

The preliminary estimated total cost of the Project and the amount to be assessed is as follows:

Estimated Amount of Special Assessments	Amount Available from Other Sources	Total Cost
\$439,177.02	\$1,918,822.98	\$2,358,000.00

The amounts to be assessed for the improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases); provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform. The portion of the costs to be assessed against and the maximum amount of benefits estimated (and corresponding market value increases) to be conferred upon each piece or parcel of property in the District is stated in the assessment plat and addendum thereto designated "Tabulation of Parcels" or preliminary assessment roll. In cases of wedge or "V" or any other irregularly shaped tracts, the amount apportioned thereto shall be in proportion to the special benefits thereby derived.

The assessments will be levied on a front foot basis, provided that those tracts which front a cul-de-sac and which abut or front a street or streets being improved will be assessed on a "unit lot" basis, i.e., all lots abutting the cul-de-sac are to be assessed the same amount based upon the front footage of those lots abutting the street or streets being improved which also abut the cul-de-sac. Each property

owner will be assessed for the cost of an 8-foot wide street pavement section, curb and gutter, sidewalks, driveway approaches and streetlights, where not already existing. The owners of property who elect to have water or sewer laterals installed will be assessed per foot of lateral installed on a per service or unit lot basis.

The boundaries of the District shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements or fronting a cul-de-sac which abuts or fronts a street to be improved by the improvements.

All persons interested are hereby advised that the preliminary plans and specifications (showing a typical section of the contemplated improvements) and the assessment plat including a tabulation of parcels or preliminary assessment roll; a preliminary estimate of the total cost, a description of the lots, tracts and parcels of land to be assessed and the portion of the cost to be assessed thereagainst, and the amount of maximum benefits (including the corresponding market value increases) estimated to be conferred on each piece or parcel of property, the Engineer's report as to the method of determining benefits, and all proceedings in the premises, are on file in the office of the Special Improvement District, Department of Public Works, and at the office of the City Clerk, 400 Stewart Avenue, Las Vegas, Nevada, and can be seen and examined by any property owner, or other interested persons, during regular business hours, from 8:00 a.m. to 5:00 p.m., Monday through Friday.

It is anticipated that there will be grade or elevation changes in connection with the acquisition of the Project. Such grade or elevation changes are substantial and are as shown on the preliminary plans and specifications. All persons interested are hereby referred to the preliminary plans and specifications which relate to the details of the Project.

On Wednesday, March 20, 2002, at 1:00 p.m., in the City Council Chambers at 400 Stewart Avenue, in Las Vegas, Nevada, the City Council will consider the ordering of the proposed Project, and will hear all complaints, protests and objections that may be made in writing and filed as hereafter provided, or made verbally at the hearing, concerning the same, by the owner of any tract to be assessed or any person interested. The owners of the property to be assessed, or any other person interested therein, may appear before the City Council and be heard as to the propriety and advisability of acquiring and improving such Project, as to the estimated cost thereof, as to the manner of payment therefor, as to the amount thereof to be assessed, the benefits estimated to be conferred against each tract, and the corresponding market value increases expected for each tract in the District.

The City Council requests that any property owner or interested person wishing to make protest or objection, make such protest or objection in writing at the office of the City Clerk at least three (3) days before the time set for such hearing, i.e., on or before Friday, March 15, 2002. On the date and at the time and place fixed for such hearing, any and all property owners interested in the Project may, by written complaint, protest or objection, present their views to the City Council, or present them orally, and the City Council may adjourn the hearing from time to time to discuss and consider said issues before it. Any person filing a written protest or objection as hereinabove provided shall have the right within thirty (30) days after the City Council has finally passed on such protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter all actions or suits attacking the validity of the proceedings and the amount of benefits shall be perpetually barred. A PROPERTY OWNER'S ONLY CHANCE TO PRESENT EVIDENCE TO DEMONSTRATE THAT HIS OR HER ESTIMATED ASSESSMENTS ARE EXCESSIVE WILL BE AT THE PUBLIC HEARING AND A PROPERTY OWNER WILL NOT BE ABLE TO PRESENT ANY ADDITIONAL EVIDENCE UPON SUBSEQUENT APPEAL TO DISTRICT COURT.

A person should object to the formation of the District, using the procedure outlined in this notice, if his support for the District is based upon a statement or representation concerning the Project that is not contained in the language of this notice.

If a person objects to the amount of maximum benefits estimated to be assessed or to the legality of the proposed assessments in any respect:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing; and
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.315.

The City Council of the City of Las Vegas has determined that one-half or more of the total cost of each of the improvements in the District shall be paid with monies derived from other than the levy of

special assessments and accordingly may take advantage of the exception stated in paragraph (a) of subsection (2) of NRS 271.306, (which exception is that the City, at its option, may proceed with the improvements in the District regardless of the percentage of protests).

After such hearing, the City Council shall determine the advisability of undertaking each part of the Project, and, if it determines to proceed, shall determine the kind and character of such improvements to be made, and shall authorize the advertising for bids for the doing of such work and the furnishing of all necessary materials with the lowest and best bidder or bidders. The City Council may determine not to proceed with all or any part of the Project regardless of the protests or objections.

After the determination of the actual cost of the Project, assessments shall be levied in accordance with the laws of the State of Nevada. In no event shall the assessments exceed the estimated maximum special benefits to the property assessed or the reasonable market value of the property being assessed (as determined by the City Council). The City Council shall provide that the assessments may be payable without interest and without demand during a specified cash payment period and the City Council shall provide that the assessments may be paid at the election of the owner in twenty (20) substantially equal semi-annual installments of principal. The City Council shall also provide the time and terms of payment of such assessments and shall fix penalties (at a rate not exceeding two percent (2%) per month) to be collected upon delinquent payments. The City Council shall also provide the rate of interest on unpaid installments of assessments which will not exceed the maximum rate of interest permitted under the statutes of the State. If assessment bonds are issued, such rate will not exceed by more than 1% of the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds" which shall have been most recently published before the time bids for the bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If bonds are not sold for the District, the City Council shall by resolution establish the rate of interest on unpaid and deferred installments of assessments.

Pursuant to NRS 271.357 and NRS 271.360, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a Hardship Determination. Any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof. A person desiring to apply for a Hardship Determination shall file an application no later than March 15, 2002, with the Clark County Department of Social Services, 1600 Pinto Lane, Las Vegas, Nevada 89106, (702) 455-8687.

By order of the City Council of the City, Nevada, and dated this February 20, 2002

BARBARA JO RONEMUS, City Clerk
