Summary: Public Hearing Notice

WHEREAS, the City Council of the City of Las Vegas in the County of Clark, State of Nevada, (hereinafter the "City Council" and the "City" respectively) pursuant to an ordinance heretofore adopted (hereinafter the "Creation Ordinance") created City of Las Vegas, Nevada, Special Improvement District No. 1493 – Hualapai Way/Alexander Road (Cheyenne Avenue to Cimarron Road) (hereinafter the "District") and ordered the acquisition of certain public improvements within the District (hereinafter the "Project"); and

WHEREAS, the City Council, by resolution heretofore adopted, has authorized the proper officers of the City to execute a construction contract on behalf of the City in accordance with NRS 271.335, for the Project; all as provided by law; and

WHEREAS, the City Council has heretofore determined that a portion of the cost and expense of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from the improvements in the Project; and

WHEREAS, NRS 271.360 provides that the City Council may determine the cost of the Project to be assessed after making the construction contract, or after determining the net cost to the City, but not necessarily after the completion of the Project; and

WHEREAS, in accordance with NRS 271.360, the City Council has determined and does hereby declare that the net cost to the City for the Project (including all necessary incidentals which either have been or will be incurred in connection with the District) is \$10,048,521.80, of which \$9,424,878.50 is available from other sources and \$623,643.30 is to be assessed upon the benefited lots, tracts and

parcels of land in the District, which the City Council has determined will receive special benefits and corresponding market value increases from the Project; and

WHEREAS, the City Council by resolution heretofore adopted, directed the City Engineer (with the assistance of the Engineering Integration Division) to make out a final assessment roll; and

WHEREAS, the City Council, together with the City Engineer, made out a final assessment roll for the District which contains, among other things, the names and addresses of the last known owners of the property to be assessed, a description of each lot, tract, or parcel of land to be assessed, and the amount of the proposed assessment to be levied thereon. The City Engineer has reported the final assessment roll to the City Council and the City Engineer has prepared and filed the final assessment roll with the City Clerk; and

WHEREAS, the City Council has determined, and does hereby determine, that all of the assessable property in the City which is specially benefited by the improvements to be acquired in the District and only that property, which is so specially benefited, is included on the final assessment roll; and

WHEREAS, the City Council has also determined, and does hereby determine, that the notice for a hearing on the final assessment roll, which is provided for herein, is reasonably calculated to inform each interested person of the proceedings concerning the District, which may directly and adversely affect his or her legally protected rights and interests.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LAS VEGAS IN THE COUNTY OF CLARK, IN THE STATE OF NEVADA; THAT:

Section 2. A portion of the total cost of the District, to the City, including all necessary incidentals, which either have been or will be incurred in connection with the District, shall be paid by the assessable property in the District as designated in the Creation Ordinance. The total cost of the District shall be apportioned and the amount to be assessed shall be as follows:

Total Cost	Estimated Amount of Special Assessments	Amount Available from Other Sources
\$10,048,521.80	\$623,643.30	\$9,424,878.50

Section 3. The final assessment roll for the District has been examined by the City Council, is tentatively approved, and is ordered filed in the office of the City Clerk.

Section 4. Wednesday, May 3, 2006 at 1:00 P.M., at the City of Las Vegas Council Chambers, 400 Stewart Avenue, Las Vegas, Nevada, be, and the same hereby is, fixed as the date, time and place when the City Council will hear and consider complaints, protests and objections to the final assessment roll, to the amount of each of the assessments, and to the regularity of the proceedings in making such assessments (whether made verbally or in writing) by the owners of the assessable property specially benefited by the Project in "City of Las Vegas, Nevada, Improvement District No. 1493 – Hualapai Way/Alexander Road (Cheyenne Avenue to Cimarron Road)" and proposed to be assessed, or by any party or person interested, and by all parties or persons aggrieved by such assessments.

Section 5. The City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City and a newspaper of general circulation in the District. Such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication in said newspaper to be at least 15 days prior to the date of the protest hearing. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication in such newspaper and the last publication in the same newspaper. Service by publication shall be verified by the affidavit of the publishers and filed with the City Clerk. In accordance with NRS 271.380 (2), the City Clerk or Deputy City Clerk shall also give notice by registered or certified mail by depositing a copy of such notice in the United States mail, postage prepaid, as first-class mail, at least 20 days prior to such hearing, to the last known owner or owners of each tract being assessed at his or their last known address or addresses. Proof of mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk, provided however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) appertaining thereto, have been paid in full, both principal and interest, or any claim is barred by an appropriate statute of limitations. The City Council of City of Las Vegas hereby determines that the manner of giving notice

herein provided by publication and by registered or certified mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levying of assessments, which may directly and adversely affect their legally protected interests. Such notice shall be provided in NRS 271.380 and shall be substantially in the following form:

(Start of Form)

NOTICE OF THE FILING OF FINAL ASSESSMENT ROLL, OF THE OPPORTUNITY TO FILE WRITTEN COMPLAINTS, PROTESTS, OR OBJECTIONS, AND OF THE ASSESSMENT HEARING, ALL CONCERNING THAT CERTAIN AREA TO BE ASSESSED FOR IMPROVEMENTS WITHIN THE CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1493 – HUALAPAI WAY/ALEXANDER ROAD (CHEYENNE AVENUE TO CIMARRON ROAD).

NOTICE IS HEREBY GIVEN, that the Final Assessment Roll No. 2006-2 for City of Las Vegas, Nevada, Special Improvement District No. 1493 – Hualapai Way/Alexander Road (Cheyenne Avenue to Cimarron Road) (hereinafter the “District”) in and for the City of Las Vegas in the County of Clark, State of Nevada, which has been made out by the City Council of City of Las Vegas, together with the City Engineer, has been filed on April 5, 2006, in the office of the City Clerk and since such date, the final assessment roll has been, and now is available for examination by any interested person during regular office hours, Monday through Friday 8:00 a.m. until 5:00 p.m. The boundaries of the District are described in the Special Improvement District No. 1493 Creation Ordinance heretofore adopted (hereinafter the “Creation Ordinance”). The boundaries of the District, which include the location of the Project and the lots, tracts and parcels of land to be assessed, shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements (as described below) or fronting a cul-de-sac which abuts or fronts a street to be improved by the improvements. The streets to be improved by the improvements are:

HUALAPAI WAY (BOTH SIDES) - from the centerline of Cheyenne Avenue north along Hualapai Way approximately 5,280 feet to Alexander Road (100-foot right-of-way)

ALEXANDER ROAD (SOUTH SIDE) – from the western right-of-way of Hualapai Way west along Alexander Road approximately 982 feet (80-foot right-of-way)

ALEXANDER ROAD (BOTH SIDES) – from the Hualapai Way curve east along Alexander Road approximately 13,140 feet to Cimarron Road (100-foot right-of-way)

CAMPBELL ROAD (WEST SIDE) – from the southern right-of-way of Alexander Road south approximately 294 feet (60-foot right-of-way).

The amounts to be assessed for the improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the

estimated benefits and corresponding market value increases) provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or tracts of lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform.

The assessments will be levied on a front foot basis, provided those tracts which front a cul-de-sac and which abut or front a street or streets being improved will be assessed on a "unit lot" basis, i.e., all lots abutting the cul-de-sac are to be assessed the same amount based upon the front footage of those lots abutting the streets or streets being improved which also abut the cul-de-sac. Each property owner will be assessed for the cost of an 8-foot wide pavement section, curb, gutter, sidewalks, driveway approaches and streetlights, where not already existing. Property owners who have been conditioned, by initiation of development plans, by City Council to install half-street improvements have been assessed for a half-street pavement section. The owners of property who elect to have water or sewer installed will be assessed on a per service or unit lot method for the installation of sewer laterals or water laterals. THE CITY HAS NO OBLIGATION TO PROVIDE WATER OR SEWER SERVICE TO ANY PROPERTY WITHIN THE DISTRICT REGARDLESS OF WHETHER THE CITY COUNCIL PROCEEDS WITH ALL OR ANY PART OF THE PROJECT.

Such basis of assessments has been designated by the City Council in the Creation Ordinance heretofore adopted. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon each lot, tract or parcel of land or property in the District is stated in the final assessment roll. The City Council has determined that each of these tracts will receive special benefits (and corresponding market value increases) from the improvements in the Project.

The City Council will meet to hear and consider all complaints, protests, and objections to said final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the improvements in the District. Any person interested and any parties aggrieved by such assessments may be heard on Wednesday, May 3, 2006, at 1:00 p. m. at the City of Las Vegas Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada. Any complaint, protest, or objection to the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment

contained therein, and of the amount thereof levied on each lot, tract or parcel of land, shall be deemed waived unless filed in writing with the City Clerk, on or before Friday, April 28, 2006, i.e., at least three days prior to the date set for the assessment hearing.

At the time and place so designated for the hearing, the City Council shall hear and determine all complaints, protests, and objections to the regularity of the proceedings in making such assessments, the correctness of such assessments, the amount levied on any particular lot, tract or parcel of land to be assessed, the amount of the benefits and corresponding market value increases, which have been so made in writing or verbally. The City Council shall further have the power to adjourn such hearing from time to time, and by resolution shall have power, in its discretion, to revise, correct, confirm, or set aside any assessment and to order that such assessment may be made de novo. The owners of the property to be assessed are advised that this is the final chance to present any evidence as to the amount of the assessments (or other matters to be considered at the hearing) to the City Council. If a person objects to the final assessment roll or to the proposed assessments:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing;
and
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.395.

Assessments shall be due and payable at the office of the City Treasurer without interest and without demand within 30 days after the ordinance levying the assessments becomes effective. All or any part of such assessments may also, at the election of the owner, be paid thereafter in twenty (20) substantially equal semi-annual installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of the assessment ordinance. After the adoption of the assessment ordinance and before assessment bonds are issued (or if bonds are not issued) the City shall by provide the maximum rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, such rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not

exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the time bids for such bonds are received, or at a time a negotiated offer for the sale of such bonds is accepted. Penalties, at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Director of Finance and Business Services) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, shall be due for delinquencies. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any installment of the unpaid principal with interest accruing thereon to the next interest payment date and the payment of a penalty for such prepayment of up to three percent (3%) of the installment or installments of principal so prepaid. The City Council, in the ordinance levying the assessments, will establish a prepayment penalty or premium of up to three percent (3%) of the principal of deferred installments so prepaid.

Pursuant to NRS 271.357, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a hardship determination. A person whose application for a hardship determination has been approved by the City Council is entitled to have the principal amount of the assessment postponed, but is required to pay the interest on the unpaid balance of the assessment at the same rate and upon the same terms as established by the City Council for the assessments. A person desiring to apply for a hardship determination shall file an application no later than April 28, 2006, with the Clark County Department of Social Services (CCSS), 1600 Pinto Lane, Las Vegas, Nevada 89106. Please contact CCSS at (702) 455-8687 for a pre-qualification screening.

Pursuant to NRS 271.395, within 15 days immediately succeeding the effective date of the assessment ordinance to be adopted following the hearing, any person who has filed a complaint, protest, or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount of the assessment levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.

Dated this 5th day of April, 2006.

BARBARA JO RONEUMUS, City Clerk

(End of Form)

Section 6. The owner or owners of any lot, tract or parcel of land which is assessed in such final assessment roll, whether named or not in such roll, or any person interested, or any parties aggrieved, may, within three (3) days prior to the date set for the hearing, file with the office of the City Clerk his or her complaints, protests, or objections in writing to said assessment.

Section 7. Whenever any notice is mailed as herein provided, the fact that the person to whom it was addressed does not receive it shall not in any manner invalidate or affect the legality of the notice thereby given.

Section 8. The officers of the City be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Resolution.

Section 9. All resolutions, or parts thereof, in conflict herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any resolution or part of any resolution heretofore repealed.

Section 11. The City Council has determined, and does hereby declare, that this Resolution shall be in effect immediately after its passage in accordance with law.

PASSED and APPROVED on April 5, 2006.

**NOTICE OF THE FILING OF FINAL ASSESSMENT ROLL, OF THE OPPORTUNITY TO
FILE WRITTEN COMPLAINTS, PROTESTS, OR OBJECTIONS, AND OF THE ASSESSMENT
HEARING, ALL CONCERNING THAT CERTAIN AREA TO BE ASSESSED FOR IMPROVEMENTS
WITHIN THE CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1493 -
HUALAPAI WAY/ALEXANDER ROAD (CHEYENNE AVENUE TO CIMARRON ROAD).**

NOTICE IS HEREBY GIVEN, that the Final Assessment Roll No. 2006-2 for City of Las Vegas, Nevada, Special Improvement District No. 1493 - Hualapai Way/Alexander Road (Cheyenne Avenue to Cimarron Road) (hereinafter the "District") in and for the City of Las Vegas in the County of Clark, State of Nevada, which has been made out by the City Council of City of Las Vegas, together with the City Engineer, has been filed on April 5, 2006, in the office of the City Clerk and since such date, the final assessment roll has been, and now is available for examination by any interested person during regular office hours, Monday through Friday 8:00 a.m. until 5:00 p.m. The boundaries of the District are described in the Special Improvement District No. 1493 Creation Ordinance heretofore adopted (hereinafter the "Creation Ordinance"). The boundaries of the District, which include the location of the Project and the lots, tracts and parcels of land to be assessed, shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements (as described below) or fronting a cul-de-sac which abuts or fronts a street to be improved by the improvements. The streets to be improved by the improvements are:

HUALAPAI WAY (BOTH SIDES) - from the centerline of Cheyenne Avenue north along Hualapai Way approximately 5,280 feet to Alexander Road (100-foot right-of-way)

ALEXANDER ROAD (SOUTH SIDE) - from the western right-of-way of Hualapai Way west along Alexander Road approximately 982 feet (80-foot right-of-way)

ALEXANDER ROAD (BOTH SIDES) - from the Hualapai Way curve east along Alexander Road approximately 13,140 feet to Cimarron Road (100-foot right-of-way)

CAMPBELL ROAD (WEST SIDE) - from the southern right-of-way of Alexander Road south approximately 294 feet (60-foot right-of-way).

The amounts to be assessed for the improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases) provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or tracts of lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform.

The assessments will be levied on a front foot basis, provided those tracts which front a cul-de-sac and which abut or front a street or streets being improved will be assessed on a "unit lot" basis, i.e., all lots abutting the cul-de-sac are to be assessed the same amount based upon the front footage of those lots abutting the streets or streets being improved which also abut the cul-de-sac. Each property owner will be assessed for the cost of an 8-foot wide pavement section, curb, gutter, sidewalks, driveway approaches and streetlights, where not already existing. Property owners who have been conditioned, by initiation of development plans, by City Council to install half-street improvements have been assessed for a half-street pavement section. The owners of property who elect to have water or sewer installed will be assessed on a per service or unit lot method for the installation of sewer laterals or water laterals. THE CITY HAS NO OBLIGATION TO PROVIDE WATER OR SEWER SERVICE TO ANY PROPERTY WITHIN THE DISTRICT REGARDLESS OF WHETHER THE CITY COUNCIL PROCEEDS WITH ALL OR ANY PART OF THE PROJECT.

Such basis of assessments has been designated by the City Council in the Creation Ordinance heretofore adopted. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon each lot, tract or parcel of land or property in the District is stated in the final assessment roll. The City Council has determined that each of these tracts will receive special benefits (and corresponding market value increases) from the improvements in the Project.

The City Council will meet to hear and consider all complaints, protests, and objections to said final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the improvements in the District. Any person interested and any parties aggrieved by such assessments may be heard on Wednesday, May 3, 2006, at 1:00 p.m. at the City of Las Vegas Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada. Any complaint, protest, or objection to the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount thereof levied on each lot, tract or parcel of land, shall be deemed waived unless filed in writing with the City Clerk, on or before Friday, April 28, 2006, i.e., at least three days prior to the date set for the assessment hearing.

At the time and place so designated for the hearing, the City Council shall hear and determine all complaints, protests, and objections to the regularity of the proceedings in making such assessments, the correctness of such assessments, the amount levied on any particular lot, tract or parcel of land to be assessed, the amount of the benefits and corresponding market value increases, which have been so made in writing or verbally. The City Council shall further have the power to adjourn such hearing from time to time, and by resolution shall have power, in its discretion, to revise, correct, confirm, or set aside any assessment and to order that such assessment may be made de novo. The owners of the property to be assessed are advised that this is the final chance to present any evidence as to the amount of the assessments (or other matters to be considered at the hearing) to the City Council. If a person objects to the final assessment roll or to the proposed assessments:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing; and
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.395.

Assessments shall be due and payable at the office of the City Treasurer without interest and without demand within 30 days after the ordinance levying the assessments becomes effective. All or any part of such assessments may also, at the election of the owner, be paid thereafter in twenty (20) substantially equal semi-annual installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of the assessment ordinance. After the adoption of the assessment ordinance and before assessment bonds are issued (or if bonds are not issued) the City shall provide the maximum rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, such rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the time bids for such bonds are received, or at a time a negotiated offer for the sale of such bonds is accepted. Penalties, at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Director of Finance and Business Services) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, shall be due for delinquencies. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any installment of the unpaid principal with interest accruing thereon to the next interest payment date and the payment of a penalty for such prepayment of up to three percent (3%) of the installment or installments of principal so prepaid. The City Council, in the ordinance levying the assessments, will establish a prepayment penalty or premium of up to three percent (3%) of the principal of deferred installments so prepaid.

Pursuant to NRS 271.357, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a hardship determination. A person whose application for a hardship determination has been approved by the City Council is entitled to have the principal amount of the assessment postponed, but is required to pay the interest on the unpaid balance of the assessment at the same rate and upon the same terms as established by the City Council for the assessments. A person desiring to apply for a hardship determination shall file an application no later than April 28, 2006, with the Clark County Department of Social Services (CCSS), 1600 Pinto Lane, Las Vegas, Nevada 89106. Please contact CCSS at (702) 455-8687 for a pre-qualification screening.

Pursuant to NRS 271.395, within 15 days immediately succeeding the effective date of the assessment ordinance to be adopted following the hearing, any person who has filed a complaint, protest, or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount of the assessment levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.

Dated this 5th day of April, 2006.

(Attach Notice of Hearing as Mailed)

NOTICE OF THE FILING OF FINAL ASSESSMENT ROLL, OF THE OPPORTUNITY TO FILE WRITTEN COMPLAINTS, PROTESTS, OR OBJECTIONS, AND OF THE ASSESSMENT HEARING, ALL CONCERNING THAT CERTAIN AREA TO BE ASSESSED FOR IMPROVEMENTS WITHIN THE CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1493 – HUALAPAI WAY/ALEXANDER ROAD (CHEYENNE AVENUE TO CIMARRON ROAD).

NOTICE IS HEREBY GIVEN, that the Final Assessment Roll No. 2006-2 for City of Las Vegas, Nevada, Special Improvement District No. 1493 – Hualapai Way/Alexander Road (Cheyenne Avenue to Cimarron Road) (hereinafter the "District") in and for the City of Las Vegas in the County of Clark, State of Nevada, which has been made out by the City Council of City of Las Vegas, together with the City Engineer, has been filed on April 5, 2006, in the office of the City Clerk and since such date, the final assessment roll has been, and now is available for examination by any interested person during regular office hours, Monday through Friday 8:00 a.m. until 5:00 p.m. The boundaries of the District are described in the Special Improvement District No. 1493 Creation Ordinance heretofore adopted (hereinafter the "Creation Ordinance"). The boundaries of the District, which include the location of the Project and the lots, tracts and parcels of land to be assessed, shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements (as described below) or fronting a cul-de-sac which abuts or fronts a street to be improved by the improvements. The streets to be improved by the improvements are:

HUALAPAI WAY (BOTH SIDES) - from the centerline of Cheyenne Avenue north along Hualapai Way approximately 5,280 feet to Alexander Road (100-foot right-of-way)

ALEXANDER ROAD (SOUTH SIDE) – from the western right-of-way of Hualapai Way west along Alexander Road approximately 982 feet (80-foot right-of-way)

ALEXANDER ROAD (BOTH SIDES) – from the Hualapai Way curve east along Alexander Road approximately 13,140 feet to Cimarron Road (100-foot right-of-way)

CAMPBELL ROAD (WEST SIDE) – from the southern right-of-way of Alexander Road south approximately 294 feet (60-foot right-of-way).

The amounts to be assessed for the improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases) provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or tracts of lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform.

The assessments will be levied on a front foot basis, provided those tracts which front a cul-de-sac and which abut or front a street or streets being improved will be assessed on a "unit lot" basis, i.e., all lots abutting the cul-de-sac are to be assessed the same amount based upon the front footage of those lots abutting the streets or streets being improved which also abut the cul-de-sac. Each property owner will be assessed for the cost of an 8-foot wide pavement section, curb, gutter, sidewalks, driveway approaches and streetlights, where not already existing. Property owners who have been conditioned, by initiation of development plans, by City Council to install half-street improvements have been assessed for a half-street pavement section. The owners of property who elect to have water or sewer installed will be assessed on a per service or unit lot method for the installation of sewer laterals or water laterals. THE CITY HAS NO OBLIGATION TO PROVIDE WATER OR SEWER SERVICE TO ANY PROPERTY WITHIN THE DISTRICT REGARDLESS OF WHETHER THE CITY COUNCIL PROCEEDS WITH ALL OR ANY PART OF THE PROJECT.

Such basis of assessments has been designated by the City Council in the Creation Ordinance heretofore adopted. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon each lot, tract or parcel of land or property in the District is stated in the final assessment roll. The City Council has determined that

each of these tracts will receive special benefits (and corresponding market value increases) from the improvements in the Project.

The City Council will meet to hear and consider all complaints, protests, and objections to said final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the improvements in the District. Any person interested and any parties aggrieved by such assessments may be heard on Wednesday, May 3, 2006, at 1:00 p. m. at the City of Las Vegas Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada. Any complaint, protest, or objection to the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount thereof levied on each lot, tract or parcel of land, shall be deemed waived unless filed in writing with the City Clerk, on or before Friday, April 28, 2006, i.e., at least three days prior to the date set for the assessment hearing.

At the time and place so designated for the hearing, the City Council shall hear and determine all complaints, protests, and objections to the regularity of the proceedings in making such assessments, the correctness of such assessments, the amount levied on any particular lot, tract or parcel of land to be assessed, the amount of the benefits and corresponding market value increases, which have been so made in writing or verbally. The City Council shall further have the power to adjourn such hearing from time to time, and by resolution shall have power, in its discretion, to revise, correct, confirm, or set aside any assessment and to order that such assessment may be made de novo. The owners of the property to be assessed are advised that this is the final chance to present any evidence as to the amount of the assessments (or other matters to be considered at the hearing) to the City Council. If a person objects to the final assessment roll or to the proposed assessments:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing; and
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.395.

Assessments shall be due and payable at the office of the City Treasurer without interest and without demand within 30 days after the ordinance levying the assessments becomes effective. All or any part of such assessments may also, at the election of the owner, be paid thereafter in twenty (20) substantially equal semi-annual installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of the assessment ordinance. After the adoption of the assessment ordinance and before assessment bonds are issued (or if bonds are not issued) the City shall provide the maximum rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, such rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the time bids for such bonds are received, or at a time a negotiated offer for the sale of such bonds is accepted. Penalties, at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Director of Finance and Business Services) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, shall be due for delinquencies. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any installment of the unpaid principal with interest accruing thereon to the next interest payment date and the payment of a penalty for such prepayment of up to three percent (3%) of the installment or installments of principal so prepaid. The City Council, in the ordinance levying the assessments, will establish a prepayment penalty or premium of up to three percent (3%) of the principal of deferred installments so prepaid.

Pursuant to NRS 271.357, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a hardship determination. A person whose application for a hardship determination has been approved by the City Council is entitled to have the principal amount of the assessment postponed, but is required to pay the

interest on the unpaid balance of the assessment at the same rate and upon the same terms as established by the City Council for the assessments. A person desiring to apply for a hardship determination shall file an application no later than April 28, 2006, with the Clark County Department of Social Services (CCSS), 1600 Pinto Lane, Las Vegas, Nevada 89106. Please contact CCSS at (702) 455-8687 for a pre-qualification screening.

Pursuant to NRS 271.395, within 15 days immediately succeeding the effective date of the assessment ordinance to be adopted following the hearing, any person who has filed a complaint, protest, or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount of the assessment levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.

Dated this 5th day of April, 2006.

BARBARA JO RONEMUS, City Clerk
