CITY OF LAS VEGAS  
POLICY STATEMENT ON  
DISADVANTAGED BUSINESS ENTERPRISES  
FOR FISCAL YEAR 1989-90

As a subrecipient of UMTA grants, it is the policy of the City of Las Vegas that Disadvantaged Business Enterprises (DBEs) shall have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part by the Urban Mass Transportation Administration (UMTA)/United States Department of Transportation (U.S. DOT).

In order to meet this obligation, the City of Las Vegas and its contractors and subcontractors, which are subrecipients of UMTA/U.S. DOT financial assistance, shall take all necessary and reasonable steps to carry out the provisions and affirmative actions delineated in Title 49 of the Code of Federal Regulations, Part 23, and to achieve the established overall goal for annual DBE participation in the City of Las Vegas' UMTA/U.S. DOT-assisted programs.

The City of Las Vegas' DBE program is designed to ensure that no person shall be excluded from participation in, denied benefits of, or otherwise discriminated against in connection with the award and performance of any UMTA/U.S. DOT-assisted contract on the basis of race, color, national origin, sex, or socio-economic background.

The City of Las Vegas' DBE program fully describes the manner in which the City assigns duties and responsibilities, maintains procedures, documentation and records, identifies, contacts and monitors participants, encourages equitable opportunities, established measureable goals, and meets reporting requirements, in order to create optimum participation by DBEs.
