R E S O L U T I O N

WHEREAS, the Board of County Commissioners of the County of Clark, State of Nevada, has presently under consideration for adoption a proposed ordinance providing for the method by which unincorporated cities or towns, or parts thereof, may be annexed to incorporated cities and towns and/or improvement districts; and

WHEREAS, said proposed ordinance was first read by title on the 13th day of November, 1962, and is scheduled for its second reading on the 5th day of December, 1962, after which second reading the same may be adopted, to become effective upon publication thereof at least once each week for a period of two weeks in a newspaper having general circulation in Clark County, Nevada; and

WHEREAS, the Board of City Commissioners of the City of Las Vegas, Nevada, feels that said proposed ordinance, if enacted into law, would place undue restrictions upon the right of incorporated cities and towns and/or improvement districts to annex to themselves any incorporated cities or towns, or parts thereof, and would, for all practical purposes, deny such right to said incorporated cities and towns and/or improvement districts and would therefore deprive the inhabitants and property owners in such unincorporated cities and towns of the benefits and advantages to be derived from becoming annexed to an incorporated city or town; and

1 owners in such unincorporated cities and towns or the
2 public in general;
